Paths to God - Ram Dass 2007-12-18

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has

been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In Paths to God, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, Paths to God is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

**Grist for the Mill** - Ram Dass

2014-02-11

From Ram Dass, one of America's most beloved spiritual figures and bestselling author of Be Here Now and Be Love Now, comes this timeless classic about the experience of being and the risks and rewards of our spiritual path. Originally published in 1976, Grist for the Mill offers a deep spiritual journey of self-discovery, and a universal understanding of what it means to "be" and to grow as human beings. The book is fully revised with a new introduction. As Ram Dass puts it, "When the faith is strong enough it is sufficient just to be. It's a journey towards simplicity, towards quietness, towards a kind of joy that is not in time. It's a journey that has taken us from primary identification with our body and our psyche, on to an identification with God, and ultimately beyond identification."

**Sometimes Brilliant** - Larry Brilliant 2016-10-11

When a powerful mystic steps on the hand of a radical young

hippie doctor from Detroit, it changes lives and the world. Sometimes Brilliant is the adventures of a philosopher, mystic, hippie, doctor, groundbreaking tech innovator, and key player in the eradication of one of the worst pandemics in human history. His story, of what happens when love, compassion and determination meet the right circumstances to effect positive change, is the kind that keeps hope and the sense of possibility alive. After sitting at the feet of Martin Luther King at the University of Michigan in 1963, Larry Brilliant was swept up into the civil rights movement, marching and protesting across America and Europe. As a radical young doctor he followed the hippie trail from London over the Khyber Pass with his wife Girija, Wavy Gravy and the Hog Farm commune to India. There, he found himself in a Himalayan ashram wondering whether he had stumbled into a cult. Instead, one of India's greatest spiritual teachers, Neem Karoli Baba, opened

Larry's heart and told him his destiny was to work for the World Health Organization to help eradicate killer smallpox. He would never have believed he would become a key player in eliminating a 10,000-year-old disease that killed more than half a billion people in the 20th century alone. Brilliant's unlikely trajectory, chronicled in Sometimes Brilliant, has brought him into close proximity with political leaders, spiritual masters, cultural heroes, and titans of technology around the world—from the Grateful Dead to Mikhail Gorbachev, from Ram Dass, the Dalai Lama, Lama Govinda, and Karmapa to Steve Jobs and the founders of Google, Salesforce, Facebook, Microsoft and eBay and Presidents Carter, Clinton, Bush and Obama. Anchored by the engrossing account of the heroic efforts of the extraordinary people involved in smallpox eradication in India, this is a riveting and fascinating epidemiological adventure, an honest reckoning of an entire generation, and a

deeply moving spiritual memoir. It is a testament to faith, love, service, and what it means to engage with life's most important questions in pursuit of a better, more brilliant existence.

**Emmanuel's Book** - Pat Rodegast 2011-03-23

Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, *Emmanuel's Book I* is to be treasured, enjoyed and passed on to a friend.

Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of

truth, the wisdom of the universe and the reality of God . . . . The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

**Chants of a Lifetime** - Krishna Das 2010-02-15

Learn the overwhelming strength and calm that comes over you when you practice the ancient art of chanting. *Chants of a Lifetime* offers an intimate collection of stories, teachings, and insights from Krishna Das, who has been called "the chant master of American yoga" by the *New York Times*. Since 1994, the sound of his voice singing traditional Indian chants with a Western flavor

has brought the spiritual experience of chanting to audiences all over the world. He has previously shared some of his spiritual journey through talks and workshops, but now he offers a unique book-with-audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way. Chants of a Lifetime includes photos from Krishna Das's years in India and also from his life as a kirtan leader—and the audio that is offered exclusively in the book consists of a number of "private" chanting sessions with the author. Instead of just being performances of chants for listening, the recordings make it seem as if Krishna Das himself is present for a one-on-one chanting session. The idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience.

**Be Here Now** - Ram Dass  
1971-10-12

Beloved guru Ram Dass tells the story of his spiritual awakening and gives you the tools to take control of your life in this "counterculture bible" (The New York Times) featuring powerful guidance on yoga, meditation, and finding your true self. When *Be Here Now* was first published in 1971, it filled a deep spiritual emptiness, launched the ongoing mindfulness revolution, and established Ram Dass as perhaps the preeminent seeker of the twentieth century. Just ten years earlier, he was known as Professor Richard Alpert. He held appointments in four departments at Harvard University. He published books, drove a Mercedes and regularly vacationed in the Caribbean. By most societal standards, he had achieved great success. . . . And yet he couldn't escape the feeling that something was missing. Psilocybin and LSD changed that. During a period of experimentation, Alpert peeled away each layer of his identity, disassociating from himself as

a professor, a social cosmopolite, and lastly, as a physical being. Fear turned into exaltation upon the realization that at his truest, he was just his inner-self: a luminous being that he could trust indefinitely and love infinitely. And thus, a spiritual journey commenced. Alpert headed to India where his guru renamed him Baba Ram Dass—"servant of God." He was introduced to mindful breathing exercises, hatha yoga, and Eastern philosophy. If he found himself reminiscing or planning, he was reminded to "Be Here Now." He started upon the path of enlightenment, and has been journeying along it ever since. Be Here Now is a vehicle for sharing the true message, and a guide to self-determination. There are no books, or preaching by Baba. The only books that are available are from his Indian and western devotees who

complied experiences of various devotees that came in contact with Baba. I hope this book would help the western readers to understand "Hinduism," Master/ disciple, God/ devotee relationships to solve mundane problems and rid of the worries anxiety and misery.

It could have been while chanting at a kirtan, while at a spiritual retreat or in a temple, while looking at a photo or reading a book, or as in some of the more extraordinary stories, when he shows up on a desperate woman’s doorstep in France, brings years of abuse to an end for a nine-year-old child in Australia, dances on a beach in Miami, or appears to a policeman in Taos, New Mexico. Not just for Maharajji devotees, *Whisper in the Heart* can help those who are having spiritual experiences of connection with enlightened beings who are no longer in the body to accept their reality and to know that they are not, in fact, “going crazy.” Maharajji himself used to say: When you think of me, I’ll be there. *Love Everyone* - Parvati

Markus 2015-11-10

A celebration of Neem Karoli Baba, one of the most

influential spiritual leaders of our time, the divine guru who inspired and led a generation of seekers—including Ram Dass, Daniel Goleman, and Larry Brilliant—on life-changing journeys that have ultimately transformed our world. In 1967, Baba Ram Dass—former American Harvard professor Richard Alpert—left India to share stories of his mysterious guru, Neem Karoli Baba, known as Maharajji. Introducing idealistic Western youth to the possibilities inherent in spiritual development, Ram Dass inspired a generation to turn on and tune in to a reality far different from the one they had known. From the spring of 1970 until Maharajji died on September 11, 1973, several hundred Westerners had his darshan (in Hinduism, the beholding of a deity, revered person, or sacred object). Those who saw him formed the Maharajji satsang—fellow travelers on the path. Love Everyone tells the stories of those who heard the siren call of the East and followed it to

the foothills of the Himalayas. The ways they were called to make the journey, their experiences along the way, and their meeting with Maharajji form the core of this multicultural adventure in shifting consciousness. The contributors share their recollections of Maharajji and how his wisdom shaped their lives. All have attempted to follow Maharajji's basic teaching, his seemingly simple directives: Love everyone, feed everyone, and remember God. All have found their own way to be of service in the world and, in so doing, have collectively touched the hearts and souls of countless others.

**Walking Each Other Home** - Ram Dass 2018-09-04

An intimate dialogue between two friends and luminaries on love, death, and the spiritual path, with guidance for the end-of-life journey We all sit on the edge of a mystery. We have only known this life, so dying scares us—and we are all dying. But what if dying is perfectly safe? What would it look like if you could approach dying with curiosity and love, in service of other beings? What if dying is the ultimate spiritual practice? Ram Dass and Mirabai Bush began their friendship more than four decades ago at the foot of their

guru, Neem Karoli Baba, also known as Maharaj-ji. He transmitted to them a simple philosophy: love everyone, tell the truth, and give up attachment to material things. A year before Ram Dass passed, he reunited with Bush for an intimate dialogue—which became *Walking Each Other Home*. In this extraordinary book, you'll hear from two beloved teachers about the spiritual opportunities within the dying process. They generously share intimate personal experiences and timeless practices with courage, humor, and heart, gently exploring every aspect of this journey. Here you'll learn about guidelines for being a "loving rock" for the dying, how to grieve fully and authentically, how to transform a fear of death, leaving a spiritual legacy, creating a sacred space for dying, and much more. "Everybody you have ever loved is a part of the fabric of your being now," says Ram Dass. The body may die, but the soul remains. Death is an invitation to a new kind of

relationship, in the place where we are all One. Join these two lifelong friends and spiritual luminaries as they explore what it means to live and die consciously, remember who we really are, and illuminate the path we walk together.

*Being Ram Dass* - Ram Dass  
2021-01-12

"Ram Dass lived a full life and then some. His final statement is thorough and, yes, enlightening." —Kirkus Reviews Perhaps no other teacher has sparked the fires of as many spiritual seekers in the West as Ram Dass. If you've ever embraced the phrase "be here now," practiced meditation or yoga, tried psychedelics, or supported anyone in a hospice, prison, or homeless center—then the story of Ram Dass is also part of your story. From his birth in 1931 to his luminous later years, Ram Dass saw his life as just one incarnation of many. This memoir puts us in the passenger seat with the one-time Harvard psychologist and lifelong risk-taker Richard Alpert, who loved to take

friends on wild rides on his Harley and test nearly every boundary—inner or outer—that came his way. Being Ram Dass shares his life's odyssey in intimate detail: how he struggled with issues of self-identity and sexuality in his youth, pioneered psychedelic research, and opened the doorways to Eastern spiritual practices. In 1967 he trekked to India and met his guru, Neem Karoli Baba. He returned with a perspective on spirituality and psychology that changed millions. Featuring 64 pages of color photographs, this intimate memoir chronicles the cultural and spiritual transformations Ram Dass experienced that resonate with us to this day, a journey from the mind to the heart, from the ego to the soul. Before, after, and along these waypoints, readers will encounter many other adventures and revelations—each ringing with the potential to awaken the universal, loving divine that links us to this beloved teacher and all of us to each other.

**The Only Dance There Is -**  
Ram Dass 2011-02-09

This book is based on talks by Ram Dass at the Menninger Foundation in 1970 and at the Spring Grove Hospital in Maryland in 1972. The text grew out of the interaction between Ram Dass and the spiritual seekers in attendance at these talks. The result of this unique exchange is a useful guide for understanding the nature of consciousness--useful both to other spiritual seekers and to formally trained psychologists. It is also a celebration of the Dance of Life--which, in the words of

Ram Dass, is the "only dance there is."

[Still Here](#) - Ram Dass

2001-06-01

More than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before.

Leaving his teaching job at Harvard, Ram Dass embodied the role of spiritual seeker, showing others how to find peace within themselves in one of the greatest spiritual classics of the twentieth century, the two-million-copy bestseller *Be Here Now*. As many of that generation enter the autumn of their years, the big questions of peace and of purpose have returned demanding answers. And once again, Ram Dass blazes a new trail, inviting all to join him on the next stage of the journey.

**It's Here Now (Are You?)** -

Bhagavan Das 1998-09-15

In his classic book *Be Here Now*, Ram Dass introduced the world to a young guru named Bhagavan Das. Continuing his own story in *It's Here Now (Are You?)*, Bhagavan Das shares

the profound and surreal moments of his spiritual awakening in the East, his fall from grace in the West, and his peaceful reconciliation with the sacred center. For many years in the early '70s Bhagavan Das moved through India and Nepal, embracing the austere life of a holy man, exploring Hinduism, Buddhism, transcendental meditation, tantra, worshipping the divine mother, and living under the loving blanket of his guru, Neem Karoli Baba. Only twenty-five years old when he returned home to the States as a celebrity, he found himself traveling on the "guru circuit" with Ram Dass, Allen Ginsberg, Jerry Garcia, and Timothy Leary--living more like a rock star than the saint he was proclaimed to be. In compelling detail, Bhagavan Das explores the tortuous journey that led him from his quest for the sacred to his spiritual death and eventual rebirth. A vivid memoir like no other, *It's Here Now (Are You?)* is an odyssey that will inspire seekers of any age on their own road to

fulfillment.

**How Can I Help?** - Ram Dass 2011-12-21  
Not a day goes by without our being called upon to help one another--at home, at work, on the street, on the phone. . . . We do what we can. Yet so

much comes up to complicate this natural response: "Will I have what it takes?" "How much is enough?" "How can I deal with suffering?" "And what really helps, anyway?" In this practical helper's companion, the authors explore a path through these confusions, and provide support and inspiration for us in our efforts as members of the helping professions, as volunteers, as community activists, or simply as friends and family trying to meet each other's needs. Here too are deeply moving personal accounts: A housewife brings zoo animals to lift the spirits of nursing home residents; a nun tends the wounded on the first night of the Nicaraguan revolution; a police officer talks a desperate father out of leaping from a roof with his child; a nurse allows an infant to spend its last moments of life in her arms rather than on a hospital machine. From many such stories and the authors' reflections, we can find strength, clarity, and wisdom for those times when we are called on to care for one

another. How Can I Help? reminds us just how much we have to give and how doing so can lead to some of the most joyous moments of our lives. Miracle of Love - Stories about Neem Karoli Baba - Ram Dass The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees. To these devotees who shared their treasured memories, I wish to express my deep love and appreciation. Some of them felt that no book could or should be written about a being with qualities as vast, formless, and subtle as Maharajji's, and yet they contributed their stories nevertheless. I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him, I have not misused their trust. Some devotees tell me that stories told by other devotees are not factually accurate. I have no way of ascertaining the authenticity of any single story.

All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories. Though the responsibility for this manuscript lies solely with me, I am delighted to acknowledge a lot of loving help from my friends:

**Polishing the Mirror** - Ram Dass  
2013-08-01

Sometimes illumination occurs spontaneously or, as Ram Dass experienced, in a heart-wrenching moment of opening. More commonly, it happens when we polish the mirror of the heart with daily practice—and see beyond the illusion of our transient thoughts and emotions to the vast and luminous landscape of our true nature. For five decades, Ram Dass has explored the depths of consciousness and love and brought them to life as service to others. With *Polishing the Mirror*, he gathers together his essential teachings for living in the eternal present, here and now. Readers will find within these pages a rich combination of perennial wisdom, humor, teaching stories, and detailed guidance on Ram Dass' own spiritual practices, including:

Bhakti Yoga—opening our hearts to unconditional love  
Practices for living, aging, dying, and embracing the natural flow of life  
Karma Yoga—how selfless service can profoundly transform us  
Working with fear and suffering as a path to grace and freedom  
Step-by-step guidance in devotional chant, meditation and mantra practice, and much more  
For those new to Ram Dass' teachings, and for those to whom they are old friends, here is this vanguard spiritual explorer's complete guide to discovering who we are and why we are here, and how to become beacons of unconditional love.

Karl Marx spoke about the have and the have nots. A third kind always existed in Bharat (ancient India) since time immemorial and continues to this day - those who could have anything but wanted nothing. The Møsts. Remaining always in inner ecstasy and living in complete freedom and

abandon, they walk the earth to remind you of your lost glory. To go within. To be in ecstasy within yourself. To be You. To be a Məst. Learn about these amazing Məsts and the grand Tradition that they represent, through the fascinating life of Atmananda Chaitanya. Atmananda is not just a person. He is a wake-up call. This book may awaken people from the illusions of activities into the lap of beingness, totality and completion. This is the story of a possible journey of an ordinary man from a unit to the Universe. He is everybody. He is everything. He is YOU.

[It All Abides in Love](#) - Jai Ram Ransom 2014

Ram Dass introduced Maharajji Neem Karoli Baba to Western spiritual seekers of the 60s and 70s. Who is Maharajji Neem Karoli Baba? That is explored by the author in this thought provoking book. All of us have so much that we can learn from Maharajji about how to be a force for good in the world. This is about finding the most precious lotus flower jewel amazing person of light and love. A little man in a little world who was actually bigger than all of the universe, if one believes the reports.

Maharajji's images and stories ARE The Story, and they are worthy of the deepest contemplation. Indeed, perhaps you can learn to do your own miracles. Maharajji manipulated this game in such perfect ways, and yet He always remains hidden, as even now. Lama Yeshe didn't see a car until he was fifteen years old. In his quiet village, he and other children ran through fields with yaks and mastiffs. The rhythm of life was anchored by the pastoral cycles. The arrival of Chinese army cars in 1959 changed everything. In the wake of the deadly Tibetan Uprising, he escaped to India through the Himalayas as a refugee. One of only 13 survivors out of 300 travellers, he spent the next

few years in America, experiencing the excesses of the Woodstock generation before reforming in Europe. Now in his seventies and a leading monk at the Samye Ling monastery in Scotland - the first Buddhist centre in the West - Lama Yeshe casts a hopeful look back at his momentous life. From his learnings on self-compassion and discipline to his trials and tribulations with loss and failure, his poignant story mirrors our own struggles. Written with erudition and humour, *From a Mountain in Tibet* shines a light on how the most desperate of situations can help us to uncover vital life lessons and attain lasting peace and contentment.
