The Secret of Perfect Living

- James T. Mangan 2015-11-13
MORE THAN FORTY-FIVE YEARS OF INTENSIVE STUDY and thousands of experiments with people from all walks of life have gone into the creation of what I call Perfect Living. And what is Perfect Living? Perfect Living is a state of absolute self-togetherness, a union of the conscious and

subconscious selves for the ultimate good and benefit of your whole person. Though this union of an individual's two selves has been much written and talked about, little has been accomplished to bring it down to a tangible level. In my own mind-science studies I concentrated on discovering a practical method of uniting the conscious mind and the subconscious, and found a technique through which such a union can be achieved. My technique calls for four easily adopted attitudes and the use of switchwords, a means by which the conscious mind can "talk to" and direct the thought patterns of the subconscious. Through these switchwords the conscious person gains the cooperation of his subconscious self, creating an inner harmony that brings immediate results. For example, how often is your day spoiled by a persistent, nagging pain or headache? Aspirin may bring temporary relief, but it doesn't get to the cause, and the pain returns. Wouldn't it be wonderful to be

able to utter a single word which would instantly cause all pain to vanish? There is such a word, and Chapter 9 of this book explains in detail how you can make it work for you. Or have you ever lost or misplaced some important or valuable possessions? The more desperately you search for the object, the more it seems to elude you. But with one of the magic switchwords you relax and let your Inner Self bring you to the thing you are searching for. Chapter 8 covers the details on how you can turn on your own finder machinery. These are only two small examples of what Perfect Living and its switchwords can do for you. With Perfect Living you can do anything. You can:

1. Conquer all your fears.
2. Learn to relax.
3. Keep yourself forever young.
4. Overcome despair and "blue" moods.
5. Begin to know yourself.
6. Get along better with other people.
7. Set goals and achieve them.
8. Gain money and new prosperity.
9. Free yourself of bad habits.
10. Achieve glowing health and freedom

from pain. 11. Release your hidden abilities. 12. Be a permanently happy person, invulnerable to any upset or setback. But the benefits of Perfect Living are endless and the book itself explains them all to you. Why not put this modern miracle to work now? Make Perfect Living a part of your life!

The Golden Codes of Shamballa - Georgios Mylonas 2014-11-20

You are about to encounter and receive an innovative and truly amazing system of holistic, energetic, and spiritual healing. This therapeutic system offers purification and protection, wholeness and empowerment, upliftment and guidance, bliss and joy, and serenity and freedom. The Golden Codes of Shamballa can be used as potent tools to receive answers to your questions and manifest happiness in your daily life. This energy system consists of 153 numerical codes of pure light, love, and spirit. They were manifested and generously offered by the infinite, eternal, almighty, and omnibenevolent dimension of spirit, Shamballa. Shamballa is the ethereal crystal residence of the great teachers and the holy archangels of light-the divine spirit beings of the

highest wisdom, compassion, beauty, and primordial perfection. The holy archangels of light and the great ascended masters of Shamballa devote themselves to supporting humanity in realizing its potential. And now, with celestial wisdom and heavenly love, they bless us once more with the Golden Codes of Shamballa. - What Are the Golden Codes of Shamballa? * Transcendental, energetically activated, spiritually attuned, and multidimensional codes of light. * Sequences of numbers that enhance, boost, and uplift one's energy level and level of consciousness. * Higher consciousness keys that activate different aspects of the universal cosmic energy, the spirit, and the creative cosmic mind. * An easy-to-use, immediately effective system that directs and manifests one's intention to the outer world, everyday life, and material reality. * An effective, simple, practical, and easy-to-use means to balance the two aspects of the mind, logic and intuition, through the parallel

invocation of coded serial numbers on the one hand and spiritual energies, qualities, and powers on the other. * Illuminating codes that multiply the intention and vibration of love and light on earth and actively contribute to the highest good of all. * Amazing numerical spiritual forms; truly precious "spiritual vitamins!" * A gift to humanity! **The Anahata Codes** - Holly Hallowell 2020-09-17 Beyond our time-space reality, there exists a database of raw components from which everything in our world has been pulled through into manifestation. What makes a lemon a lemon and a dog a dog is merely arrangements of Energy & Information that we decipher as such. Each of us has a unique energetic signature beyond the arrangement of these components but also Archetypically within these configurations. With the collective definition of something being inclusive, this database has been called many things: Akasha, Divine

Feminine, The Field, The Subquantum Domain. Never before has a way to access and use this information been so eloquently provided. Without having to know anything about this mysterious abyss of unlimited potential, of all things that ever were and ever will be, we can tap into this database for any concern or desire because we are already a part of it. The illusion of separation means that we can go about our lives contained within our bodies and living our own lives. The memories we assign and the identities we associate with further enforce the illusion of separation, but we can expand past it all and tap into all things without their physical presence or our ability to perceive them with our senses. The Anahata Codes is the Law of Attraction of Energy Medicine and first began in the Spring of 2015 when Author, Anahata Holly Hallowell had a Divine Download. She set about Channeling The Anahata Codes and they have steadily grown in both depth and popularity. With tens of

thousands of people around the world at the time of publication using them to bring peace, joy, healing, and meaning to their lives, the Anahata Codes can be used for any concern or desires: mental, emotional, physical, or Spiritual. This book is an organic living document which is a Directory of the Sacred Codes. It does not explain the science behind this revolutionary new self-directed biologically transformative technology; for that, you will need to read "Resonance Remembrance: The Art of Activating Assisting Frequencies and Evolutionary DNA" also by Anahata Holly Hallowell. You are holding within your hands the ability to decipher the unique energy signature which you need at this precise moment, or for others, and a fast and effective way to activate the Assisting Frequencies we are already connected to inextricably. The simplicity delivered through this infinitely complex subject matter is truly extraordinary. Removing completely the need for you to understand any of

the things listed inside even at a basic level. Your higher-self already knows what you need and the joy of "pulling a code" through Magnetism and activating the assistance available is a ride you will never forget. The three steps are so simple, that even a child could do it. There is no force and the activations are different based on the person's own unique needs. No two Anahata Codes are activated in the same way because no two people need the assistance the Code they chose provides in the same way. You are about to rediscover your connection to ALL things and through this Divine Connectivity, unlock the essence to transform every aspect of your life - beyond mindset and into physicality. You are about to Activate Assisting Frequencies and Evolutionary DNA through Resonance Remembrance.

The Manchurian Candidate - Richard Condon 2013-11-25

The classic thriller about a hostile foreign power infiltrating American politics:

“Brilliant . . . wild and exhilarating.” —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself.

During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors’ signal. Now he’s been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San

Francisco Chronicle).
"Crammed with suspense."
—Chicago Tribune "Condon is wickedly skillful." —Time
Analysis and Assessment of Gateway Process - The Us Army 1983
"You are not thinking, you are merely being logical." -Niels Bohr, Danish physicist and Nobel Laureate
Analysis and Assessment of Gateway Process is a document prepared in 1983 by the US Army. This document was declassified by the CIA in 2003. This brief report focuses on the so-called "Gateway Experience," a training program originally designed by the Monroe Institute, a Virginia-based institute for the study of human consciousness. The Gateway experience uses sound tapes to manipulate brainwaves with a goal of creating an altered state of consciousness, which includes out-of-body experiences, energy healing, remote viewing, and time travel. The report concluded that the Gateway Experience is 'plausible' in terms of physical

science, and that while more research was needed, it could have practical uses in US intelligence. Students of US intelligence, and anyone interested in the cross-roads between consciousness and reality will find this report fascinating reading.

Numbers of Stars for Eternal Life - Grigori Grabovoi
2021-01-20

The distant stars, from which only the light can be seen by physical eyesight, have subtle connections with the Soul of man. Man can perceive the light of his Soul with physical eyesight, which is mixed with

the color of human body. You can see with this understanding, that the starlight is crossed and combined with the light of the Soul at a distance from human body and on human body at the physical level. The Light of stars, in a sense, is an element of eternity in terms of the fact, that such light often reaches a human individual in millions of light-years, and it is simultaneously a gateway to the world, that is on the other side of a star, and it is infinite.

Prk-1u - Grigori Grabovoi
2021-08-13

The device will be configured according to the personal parameters of those who sign a contract when acquire the device or by using it Online 24/7 at IVIDEON platform. By concentrating on the device, it is possible to develop one's own consciousness to be able to control events (including

health) in order to improve them, develop clairvoyance, and be able to design favorable future events. The device was designed to develop the following concentration types: Concentration for any event or situation (including health) Concentration to rejuvenate Concentration for the development and clairvoyance control Concentration for the forecasting control development Concentration for the Eternal Life Development The strength of concentrations and the development of consciousness due to the concentration, is the same. But the physical device has an advantage: when the device is turned on, the person who is at 3 meters distance and is the one who was configured in the device, will take to the norm all its events, even if that person is not concentrated. Why the person has to be concentrated if the physical device is turned on and taking to the norm the events? Because when it is concentrated, the consciousness of the person is being developed and if the

consciousness is developed, the person can take to the norm its own events without the device, and besides will develop the clairvoyance.
