The Fractured Republic - Yuval Levin
2016-05-24

A National Review Best Book of the Year
Americans today are anxious--about the economy, about politics, about our government. The institutions that once dominated our culture have become smaller, more diverse, and personalized. Individualism has come at the cost of dwindling solidarity. No wonder, then, that voters and politicians alike are nostalgic for a time of social cohesion and economic success. But the policies of the past are inadequate to the America of today. Both parties are stuck presenting old solutions to new problems. In *The Fractured Republic*, Yuval Levin details his innovative answers to the dysfunctions of our fragmented national life. By embracing subsidiarity and diversity and rejecting extremism and nostalgia, he believes we can revive the middle layers of society and enable an American revival. Updated with a new epilogue, Levin helps us navigate our fraught political waters.

East Wind, West Wind - Pearl Sydenstricker Buck
1930

In her acceptance speech upon receiving the Nobel Prize for Literature, Pearl Buck said, "The mind of my own country and of China, my foster

country, are alike in many ways, but above all, in our common love of freedom." "East Wind: West Wind" embodies this love of, and struggle for, freedom.

Wrong Place, Right Time - Elle Casey
2016-07-05

Jenny's single-parent life revolves around her kids and her job, which means that hours of *Animal Planet* and strings of computer code are about all she has time for. Not that Jenny's looking for adventure or romance--she's the type of woman who believes in playing it safe. When Jenny is called upon to do some consulting for the Bourbon Street Boys--a New Orleans private security firm--she knows she should stay away. They conduct surveillance on known criminals and put themselves in harm's way pretty much every day, so No is the obvious answer...Problem is, there's a guy on the team with a body to die for and a dimple that just won't quit luring Jenny in, tempting her to throw all caution to the wind. Will Jenny take the risk or will she do what she's always done--play it safe and wait for the right time?

DIY Drone and Quadcopter Projects - The Editors of Make: 2016-04-22

Drones, quadcopters, Uncrewed Aerial Vehicles (UAVs): whatever they're called, remotely-controlled aircraft have changed the way we see the world, the way we manage crops, the way we sell real estate, and the way we make war. This

book contains tutorials about how to understand what drones can do, and projects about how to make your own flying craft, from some of the earliest practitioners in the field.

Man in the Dark - Paul Auster 2008-08-19

A new novel with a dark political twist from "one of America's greats." *Man in the Dark is Paul Auster's brilliant, devastating novel about the many realities we inhabit as wars flame all around us. Seventy-two-year-old August Brill is recovering from a car accident in his daughter's house in Vermont. When sleep refuses to come, he lies in bed and tells himself stories, struggling to push back thoughts about things he would prefer to forget—his wife's recent death and the horrific murder of his granddaughter's boyfriend, Titus. The retired book critic imagines a parallel world in which America is not at war with Iraq but with itself. In this other America the twin towers did not fall and the 2000 election results led to secession, as state after state pulled away from the union and a bloody civil war ensued. As the night progresses, Brill's story grows increasingly intense, and what he is so desperately trying to avoid insists on being told. Joined in the early hours by his granddaughter, he gradually opens up to her and recounts the story of his marriage. After she falls asleep, he at last finds the courage to revisit the trauma of Titus's death. Passionate and shocking, Man in the Dark is a novel of our moment, a book that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence.

Chasing Hillary - Amy Chozick 2018-04-24

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became - both personally and professionally - intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she

gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, Chasing Hillary is a campaign book like never before that reads like a fast-moving political novel.

The Trial 2018 - Reinhard Franz Forstner
2020-02-28

The honorable judge Simon F. is now divorced and he is looking into a bright future. But when he wakes up one morning, strange men invaded his home that arrest him later on and set him free afterwards. As the situation looks familiar, the judge investigates the possibility of a trial, about which he once read in a book. One hundred years ago, a novelist by the name of Franz Kafka wrote about a trial that rather looks similar to his situation. While the story keeps twisting and turning, the judge tries to use Kafka's book as a guideline to hold his ground. Can he wriggle himself out of this trial or will he be crushed like a worm?

In the Tall Grass - Stephen King 2012-10-09

Now a major motion picture streaming on Netflix! Mile 81 meets "N." in this novella collaboration between Stephen King and Joe Hill. As USA TODAY said of Stephen King's Mile 81: "Park and scream. Could there be any better place to set a horror story than an abandoned rest stop?" In the Tall Grass begins with a sister and brother who pull off to the side of the road after hearing a young boy crying for help from beyond the tall grass. Within minutes they are disoriented, in deeper than seems possible, and they've lost one another. The boy's cries are more and more desperate. What follows is a terrifying, entertaining, and masterfully told

tale, as only Stephen King and Joe Hill can deliver.

You shall not kill - Julia Navarro 2019-12-16

«You shall not kill, son, you shall not kill, because no man can be the same after taking another man's life.» Fernando, a young literary editor and the son of a persecuted Spanish Republican, decides to flee a Spain battered by the Civil War. His friends, Catalina and Eulogio, escaping their own circumstances, join him in the adventure. The three young friends live a great story of unwavering friendship and loyalty which takes them on a journey through Second World War Alexandria, occupied Paris, Lisbon, Prague, Boston and Chile. An ode to friendship Fernando, Catalina and Eulogio have grown together in a Madrid neighborhood close to the Encarnación convent. The Spanish Civil War has just ended and the young trio try to recover from the impact it had on their lives and those of their families. Fernando lives with his mother, Isabel, awaiting his father's liberation -incarcerated because of his Republican ideals-, hoping for an absolution that never arrives. Catalina lives on the same street. Her family has come to ruins during the Civil War and in order to confront their debts, her father plans to marry her to a man she despises. Eulogio is the one whose war losses are greatest. His father died in combat and he himself returned from war a cripple after a heroic act which saved Marvin's life, a young American who arrived in Spain in 1936 to study literature, and when war broke, decided to stay and portray the pain of conflict in a celebrated poem anthology. The future's perspectives look

grimmer each day for the three friends. They decide to unite their destinies and embark on a new life away from Madrid to save the little that they have left.

The Mysterious Ship - H. P. Lovecraft
2014-12-13

"The Mysterious Ship" is a story story by American horror fiction writer H. P. Lovecraft. Howard Phillips Lovecraft (August 20, 1890 - March 15, 1937) - known as H.P. Lovecraft - was an American author who achieved posthumous fame through his influential works of horror fiction. Virtually unknown and only published in pulp magazines before he died in poverty, he is now regarded as one of the most significant 20th-century authors in his genre. Lovecraft was born in Providence, Rhode Island, where he spent most of his life. His father was confined to a mental institution when Lovecraft was three years old. His grandfather, a wealthy businessman, enjoyed storytelling and was an early influence. Intellectually precocious but sensitive, Lovecraft began composing rudimentary horror tales by the age of eight, but suffered from overwhelming feelings of anxiety. He encountered problems with classmates in school, and was kept at home by his highly strung and overbearing mother for illnesses that may have been psychosomatic. In high school, Lovecraft was able to better connect with his peers and form friendships. He also involved neighborhood children in elaborate make-believe projects, only regretfully ceasing the activity at seventeen years old. Despite leaving school in 1908 without graduating - he found mathematics particularly difficult - Lovecraft had developed a formidable knowledge of his favored subjects, such as history, linguistics, chemistry, and astronomy. Although he seems to have had some social life, attending meetings of a club for local young men, Lovecraft, in early adulthood, was established in a reclusive 'nightbird' lifestyle without occupation or pursuit of romantic adventures. In 1913 his conduct of a long running controversy in the letters page of a story magazine led to his being invited to participate in an amateur journalism association. Encouraged, he started circulating his stories; he was 31 at the time of his first publication in a professional magazine. Lovecraft contracted a marriage to an older woman he had met at an

association conference. By age 34, he was a regular contributor to newly founded *Weird Tales* magazine; he turned down an offer of the editorship. Lovecraft returned to Providence from New York in 1926, and over the next nine months he produced some of his most celebrated tales including "The Call of Cthulhu," canonical to the Cthulhu Mythos. Never able to support himself from earnings as author and editor, Lovecraft saw commercial success increasingly elude him in this latter period, partly because he lacked the confidence and drive to promote himself. He subsisted in progressively straitened circumstances in his last years; an inheritance was completely spent by the time he died at the age of 46.

Paradise Lost - John Milton 1711

How to Be a Gentleman Revised and Updated - John Bridges 2012-01-02

Being a gentleman isn't just being a nice guy, or a considerate guy, or the type of guy someone might take home to meet their mother. A gentleman realizes that he has the unique opportunity to distinguish himself from the rest of the crowd. He knows when an email is appropriate, and when nothing less than a handwritten note will do. He knows how to dress on the golf course, in church, and at a party. He knows how to breeze through an airport without the slightest fumble of his carry-on or boarding pass. And those conversational icebreakers—"Where do I know you from?" A gentleman knows better. Gentlemanliness is all in the details, and John Bridges is reclaiming the idea that men—gentlemen—can be extraordinary in every facet of their lives.

Gods of Eden - William Bramley 1993-03-01

They Came To Earth Millions Of Years Ago To Spread The Poison Of Hatred, War And Catastrophe... They Are With Us Still... Human history is a seemingly endless succession of bloody conflicts and devastating turmoil. Yet, inexplicably, in the light of astonishing intellectual and technological advancement, Man's progress has been halted in one crucial area: he still indulges the primitive beast within and makes war upon his neighbors. As a result of seven years of intense research, William Bramley has uncovered the sinister thread that links humanity's darkest events -- from the wars of the ancient pharaohs to the assassination of JFK. In this remarkable, shocking and absolutely compelling work, Bramley presents disturbing evidence of an alien presence on Earth -- extraterrestrial visitors who have conspired to dominate Humankind through violence and chaos since the beginning of time...a conspiracy which continues to this very day.

James Newton Howard's Signs - Erik Heine
2016-01-14

Released in 2002, M. Night Shyamalan's *Signs* was the director's follow-up to *The Sixth Sense*

and Unbreakable, and his third collaboration with composer James Newton Howard. Well received by audiences and critics alike, the film was often cited by reviewers for its music. With its dependence on a single motive, the score is unique in Howard's career, and one of his most effective and haunting works. In James Newton Howard's *Signs: A Film Score Guide*, Erik Heine provides the first close reading of the composer's work. Heine discusses Howard's musical style and influences, as well as his ability to compose for a variety of genres, acknowledging him as one of the most versatile composers working today. The book shows how early sketches of cues for *Signs* were developed into the final score, allowing the reader insight into Howard's compositional process. The book also demonstrates how Howard's style is difficult to pigeonhole, since his focus is on serving the needs of the film. Drawing on completed orchestrated scores, as well as other material from the James Newton Howard Archive at the University of Southern California, the level of musical detail provided in this volume is unsurpassed. As a book that addresses Howard's compositional style—and the only volume that significantly examines the music in any Shyamalan film—James Newton Howard's *Signs: A Film Score Guide* will be of interest to music scholars, film scholars, and fans of the composer's work.

Overcoming School Refusal - Joanne Garfi
2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read

practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school •

- symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal
