Just One Drop - Quinn Loftis 2012-08-15
Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy

and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so unfrustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his

distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

suitors. And a killer. Living in Honey Hollow can be murder.*A laugh out loud standalone cozy mystery by New York Times Bestseller Addison Moore* All books in the series can be read individually but are best enjoyed in order. My name is Lottie Lemon, and I see dead people. It's October and the entire town has come out to celebrate the Haunted Honey Hollow Festival. In between doling out cupcakes and partaking in the festivities myself, I happen to stumble upon a body-not just any body-one that has far too many skeletons in the closet for me to ever sift through. Add to it my already complicated love life, the ghost of a black cat named Thirteen, a surprise that I never see coming and you'll have the most frightening Halloween Honey Hollow has ever seen. The Social Experiment - Addison Moore

2019-05-20

Two Strangers. Six Weeks.*From New York Times bestselling author Addison Moore comes a Social Experiment of HILARIOUS and hot proportions! *A romantic comedy*Rowen Garret is a jackass of the highest order. I knew signing up for some experimental dating experience

would not pan out to be a good thing, but after kissing a stranger in the dark for five solid savory minutes only to have the lights come on and expose him for the jerk he is, I have the sudden urge to strangle my new roommate who talked me into this nightmare. Sophie Meyer is a handful. I should know, I hung out in her living room for so long I became a fixture. But that was when her older brother, Braden, and I actually got along, before he snatched my long time girlfriend out from underneath me and stopped speaking to me as if I were the one who hijacked his life. And now here I am with his feisty little sister in my arms, her face lit up in horror at the thought of what we've just done. I would never kiss Sophie Meyer under normal circumstances, never even entertain the thought. Nope, this was a bad idea through and through. This is one social experiment I never want to think about again. But one thing is for sure. I will never forget that kiss. Two strangers, six weeks, the social experiment says the odds are in their

favor, Rowen and Sophie says they aren't. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore- Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!"
