Making Simple Model Steam Engines - Stan Bray 2005

This book details the construction of a range of simple miniature steam engines and boilers. The projects, each of which can be completed with only a basic workshop, range from a single-acting oscillator to more sophisticated twin-cylinder double-acting engines and a variety of boilers. A final project brings together engine and boiler for a simple steam railway locomotive. These projects are a perfect introduction to model engineering and an enjoyable exercise for the more experienced engineer or those who wish to pass on their hobby to a younger generation. Stan Bray is an experienced craftsman in engineering and metalworking; among his previous books is *Metalworking: Tools and Techniques*.

My Darkest Years - James Bachner 2010-06-25
Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy

child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also

discussed.

T'es grave Maman ! - Patricia Weber-Sinteff 2016-02-01

« 24 janvier 2003, le jour après le septième anniversaire de mon fils, je me rends dans la salle de bains, un cutter à la main. J'entaille tranquillement, puisque j'ai pris quelques Lexomil, lentement, les veines toutes proches de mes mains, aux deux avant-bras. Les coupures ne sont pas profondes, au nombre de trois de chaque côté, pas très larges non plus. Un peu de sang coule. Je regarde les gouttes tomber une à une dans le lavabo. Puis j'estime que c'est suffisant, pour le moment. Je désinfecte soigneusement les plaies puis les couvre avec un léger bandage autour de chaque poignet. Je rejoins mon lit, me couche et m'assoupis. »
À la lecture des premières pages de ce témoignage, l'on peut penser que P. Weber-Sinteff déroule une vie lambda, avec ce que toutes les

existences peuvent connaître de douloureux et traumatisant. Les choses prennent une autre tournure quand la dépression, le mal-être total, les pulsions morbides s'abattent sur elle et en font une femme évoluant sur les bords glissants de la raison. Exploration terrible, sans pathos et même parfois d'une froideur clinique, d'un esprit qui sombre dramatiquement mais qui veut pourtant extirper de soi les racines du mal, "T'es grave Maman !" marque par son absolue sincérité, par la mise à nu complète de soi dont il procède.

Notes from the Hyena's Belly - Nega Mezlekia 2015-04-07

In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia,

and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

New Adult Romance

Needing an escape from her past, Avery chooses a college where no one knows her. Keeping a low profile was the plan, falling for the intense frat boy, Jase wasn't. Yet she can't deny how alive she feels when he's near. Even as common

sense implores her to stay away, her body begs her to get closer. Jase, numb from his own family drama, has grown bored with weekends fueled by nameless girls and countless bottles when he meets Avery. Helping her cope with her past is better than dealing with the bullshit his own life's served up. Determined to drive away the painful secret she's guarding, he appoints himself her life coach, and challenges her to new experiences. Getting close to her and being the one to make her smile are simply perks of the job. But when Avery's past boldly saunters in, refusing to be forgotten, can Jase live with the truth about the girl he's fallen for? Recommended for 17+ due to mature themes and sexual content.

Parties & Potions - Sarah Mlynowski 2010-02-09

The fourth and final book in the Magic in Manhattan series, following the bewitchingly funny novels *Bras & Broomsticks*, *Frogs & French Kisses* and *Spells & Sleeping Bags!* Perfect hair, cute

clothes, healthy tans—life's a breeze when you're a witch! Even special witchcraft classes Rachel agrees to attend with Miri turn out to be fun. The sisters meet other teen witches just like them—who knew? Everyone's preparing for a magical party called a Samsorta—a debutante ball for witches. And it wouldn't be a ball without warlocks. Cute ones. Like Adam, who wants to slow dance with Rachel, and ski with her in the Rockies—on a school night! Of course, Rachel is madly in love with her boyfriend, Raf. So why can't she bring herself to tell Adam—funny, charming Adam—that Raf exists? Rachel knows Raf likes her. Maybe even, gulp, loves her. But Raf doesn't know her secret. Unlike Adam, Raf doesn't know who she really is. And she can never tell him. Or can she? "Just as funny and appealing as the first three. . . . Clever." —Booklist "Satisfying . . . a fun, light read." --Kirkus Reviews "Especially memorable for the very real depiction of sisters who love and support each

other." --VOYA

The Return of the Mother -

Andrew Harvey 2013-08-20

Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the

historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.
