A Fluid Frontier - Karolyn Smardz Frost 2016-02-15

As the major gateway into British North America for travelers on the Underground Railroad, the U.S./Canadian border along the Detroit River was a boundary that determined whether thousands of

enslaved people of African descent could reach a place of freedom and opportunity. In *A Fluid Frontier: Slavery, Resistance, and the Underground Railroad in the Detroit River Borderland*, editors Karolyn Smardz Frost and Veta Smith Tucker explore the experiences of the area's freedom-seekers and advocates, both black and white, against the backdrop of the social forces—legal, political, social, religious, and economic—that shaped the meaning of race and management of slavery on both sides of the river. In five parts, contributors trace the beginnings of and necessity for transnational abolitionist activism in this unique borderland, and the legal and political pressures, coupled with African Americans' irrepressible quest for freedom, that led to the growth of the Underground Railroad. *A Fluid Frontier* details the founding of African Canadian settlements in the Detroit River region in the first decades of the nineteenth century with a focus on the strong and enduring bonds of family, faith, and resistance that formed between communities in Michigan and what is now Ontario. New scholarship offers unique insight into the early history of slavery and resistance in the region and describes individual journeys: the perilous crossing into Canada of sixteen-year-old Caroline Quarlls, who was enslaved by her own aunt and uncle; the escape of the Crosswhite family, who eluded slave catchers in Marshall, Michigan, with the help of others in the town; and the international crisis sparked by the escape of Lucie and Thornton Blackburn and others. With a foreword by David W. Blight, *A Fluid Frontier* is a truly bi-national collection, with contributors and editors evenly split between specialists in Canadian and American history, representing both community and academic historians. Scholars of the Underground Railroad as well as those in borderland studies will appreciate the interdisciplinary mix and unique contributions of this volume.

Rink Burgers - Todd Devonshire 2012

Wherever there is hockey there will always be a Rink Burger. Hockey isn't just about games in big stadiums. It can be played on ponds, streets and in small-town rinks. It creates bonds between fathers and sons. It forges friendships that last a lifetime. When the family home in Big River, Saskatchewan, is sold, Todd Devonshire decides to visit his roots one last time and retrieve all the hockey mementos he'd promised to pick up someday. Packing up pictures, old hockey jerseys and his vast collection of O-Pee-Chee hockey cards, Todd reminisces about his youth as a player and avid fan in a comical and poignant coming of age.

The Goodbye People - Herb Gardner 1974

"It is Coney Island in February and old Max Silverman, recovering from a coronary, is planning to reopen his long-closed beach bar-- with the entrapped assistance of his daughter Nancy, who has changed her name and her nose, deserted her husband and is searching for a new identity. Into their dreams and lives wanders Arthur Korman, a youngish, amiable sunrise-watcher who hates his job, but never seems able to make a decision to quit."--Publisher.

Canadian Life Saving Manual - Royal Life Saving Society Canada 1970

Lessons in English Reading - Victor Amadeus Pedemont 1873

Duty and Desire Book Club Edition - Anju Gattani 2021-01-27

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding

night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

The "Bare" Campsite Program - 2011

The Melville Boys - Norm Foster 1986

Owen and Lee Melville arrive at a lakeside cabin for a weekend of fishing, but their plans are thrown out of whack by the arrival of two sisters who become catalysts for a tenderly funny and unsentimental look at four lives in transition.

Standard Terminal Arrival (STAR). - United States. Federal Aviation Administration 1985

Fundamentals of Organic and Biological Chemistry - Thomas Guthrie Phillips 1923

Applied Magic - Michael Kett 2001-01-16

The author, Michael Kett, has been a physical therapist, as well as a magician, for more than 20 years. His therapy background includes working with neurologic, pediatric, orthopaedic and sports medicine patients. As a magician, he performs regularly at community festivals, restaurants, and private events. Michael's book, Applied Magic, is a blending of his passion for magic and his physical therapy experience. Applied Magic is more than a beginner's magic book. Each of the 52 magic effects and activities was specifically chosen for its therapeutic potential. Specific therapeutic considerations and difficulty level are suggested for each effect. The 93 illustrations make learning easy. Also included are chapters that discuss basic magic principles, how to teach magic, and using magic to tell a story. This book is an outstanding resource for any therapist, teacher or parent looking for innovative methods to improve gross and fine motor control, self-confidence, and social interaction skills. "Applied Magic is a creative addition to any therapist's repertoire." - Peggy Stell, pediatric physical therapist "I think the idea of using magic in a classroom setting to develop social and presentation skills is fantastic." - Colleen Lundell, special education teacher "Applied Magic is a great resource for therapists looking for new and interesting ways to make therapy fun." - Melinda Buehring, physical therapist/certified Feldenkrais practitioner "The magic effects are explained step by step with great illustrations. I recommend Applied Magic to anyone inquiring about a beginner's magic book." - Tim Hannig, childrens' entertainer/magician

Amnesty International Report 2008 - Amnesty International 2008

This annual report documents human rights abuses by governments and armed opposition groups in 150 countries across the world. It provides an invaluable reference guide to international human rights developments.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Mexico's Drug War and Criminal Networks - Nilda M. Garcia 2020-04-28

Mexico's Drug War and Criminal Networks examines the effects of technology on three criminal organizations: the Sinaloa cartel, the Zetas, and the Caballeros Templarios. Using social network analysis, and analyzing the use of web platforms Facebook, Twitter, and YouTube, Nilda M. Garcia provides fresh insights on the organizational network, the central nodes, and the channels through which information flows in these three criminal organizations. In doing so, she demonstrates that some drug cartels in Mexico have adopted the usage of social media into their strategies, often pursuing different tactics in the search for new ways to dominate. She finds that the strategic adaptation of social media platforms has different effects on criminal organization's survivability. When used effectively, coupled with the adoption of decentralized structures, these platforms do increase a criminal organization's survival capacity. Nonetheless, if used haphazardly, it can have the opposite effect. Drawing on the fields of criminology, social network analysis, international relations, and organizational theory and featuring a wealth of information about the drug cartels themselves, Mexico's Drug War and Criminal Networks will be a great source for all those interested in the presence, behavior, purposes, and strategies of drug cartels in their forays into social media platforms in Mexico and beyond.

Orca - Erich Hoyt 2013-11-06

"Hoyt's passionate sense of kinship with orca makes his account effective as both a science and literature. He has chronicled his adventures and discoveries ...with grace, insight, wit--and a comprehensiveness that

might satisfy even Herman Melville." (Discover Magazine) Star performers in aquariums and marine parks, killer whales were once considered to be too dangerous to approach in the wild. Erich Hoyt and his colleagues spent seven summers following these intelligent and playful creatures in the waters off northern Vancouver Island, intent on dispelling the killer myth. Orca: The Whale Called Killer is Hoyt's exciting account of those summers of adventure and discovery, and the definitive, classic work on the orca or killer whale. The Free Willy films, inspired in part by Hoyt's pioneering writing about orcas, tell the story of a captive orca being returned to the wild. (Hoyt, in fact, recommended Keiko, the orca who became the star of Free Willy, to Warner Bros.) But Orca: The Whale Called Killer tells the true story of wild orcas befriending humans.

Estimating Market Value and Establishing Market Rent at Small Airports - Aviation Management Consulting Group, Inc 2020

"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Battered Hope - Carol Graham 2013-06-04

An inspiring memoir about choices; some good, some not so good. This is the story of an adult's mistakes, poor choices and circumstances that developed into a series of major physical, financial and emotional losses. Her story of triumph shows incredible strength and tenacity, as well as sheer determination to become successful against all odds.

Yeti, Turn Out the Light! - Greg Long 2013-08-27

All Yeti wants to do after a long day in the woods is to close his eyes and go to sleep. But something is not right! Shadows lurk, sounds creak, and there are monsters...or are there? This entertaining bedtime book featuring the fierce and frenetic GAMAGO Yeti will amuse and delight kids, all while encouraging them to turn out the light and go to sleep! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

The Republic of Poetry - Martín Espada 2006

The heart of this collection is a cycle of Chile poems by "the Pablo Neruda of North American authors" (Sandra Cisneros). In his eighth collection of poems, Martin Espada celebrates the power of poetry itself. The Republic of Poetry is a place of odes and elegies, collective memory and hidden history, miraculous happenings and redemptive justice. Here poets return from the dead, visit in dreams, even rent a helicopter to drop poems on bookmarks.

I Heard the Drums - Allen Sapp 1996
