The best mysteries can only be solved with your best friends. The perfect summer read for fans of Stuart Gibbs. Paul Marconi has always thought that Bellwood was a strange town, but also a boring one. Not much for an eleven-year-old to do. Fires are burning nearby, Paul's parents are obsessed with winning a bratwurst contest, and his best friend, one of the founding members of their only-child detective club, the One and Onlys, is about to acquire a younger sister, sort of undoing their whole reason for existing. But then! Hundreds of rubber duckies have appeared on the lawn of poor Mr. Babbage without any explanation. Finally! There is something that Paul and his friends can actually investigate. In the face of all these bizarre

occurrences, Paul is convinced that uncovering who deposited the duckies will finally bring some sense to what has become an upside-down world. Soon the three friends have a long list of suspects, all with their own motives, but no clear culprit. When everything comes to a head at the town's annual Bellwood Bratwurst Bonanza, Paul discovers that some things don't have an easy explanation and not every mystery can be solved. A perfect summer story about friends, amateur sleuthing, and a whole lot of rubber duckies. "The perfect mix of hilarious and heartwarming—kids won't be able to get enough of Paul and his friends' Bellwood adventures."—Elsie Chapman, author of *All the Ways Home* "Delightful fun for budding mystery fans."--Kirkus "A diverting mystery with clever misdirection that will keep readers guessing until the end."--The Bulletin "The quirkiness of the premise and the light, punny humor give the narrative its momentum."--Booklist "The One and Onlys seem primed to become a popular trio

among readers who enjoy an old-fashioned whodunit."--Publishers Weekly

On July 22, 2011, a bomb went off outside government buildings in Oslo, Norway, killing eight people and injuring more than two hundred. Less than two hours later, a gunman claimed sixty-nine lives in a shooting spree at a summer camp on the island of Utøya, while terrified and desperate youths tried to hide or swim to the mainland to escape. *Massacre in Norway* is the first detailed, hour-by-hour account of the two sequential terrorist attacks by lone-wolf terrorist Anders Behring Breivik. To inform his literary reportage, Stian Bromark compiled interviews with survivors, police

officers, government employees, boatmen rescuers, and others who experienced the attacks—the deadliest in Norway since World War II. *Massacre in Norway* provides crucial, in-depth context for the story including a riveting background portrait of Breivik, the right-wing extremist the police arrested, charged, and convicted of the crime, as well as a history of the Labor Party youth camp on Utøya and its significance in the country's political landscape. An epilogue covers the trial in 2012 and interviews with the survivors. *Massacre in Norway* delivers an insightful portrayal of the darkest day in modern Norwegian history.
