Crazy Love - Francis Chan 2013-04-01

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. The Importance of Anointing - Kyan Swift 2019-11-07

The clearest definition of the anointing we are referring to here is given in the Book of Isaiah 10:27: And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing. According to the bible, the anointing is: 1. The burden removing weapon. 2. The yoke breaking power of God. 3. The yoke destroying power. Anointing is the most effective and devastating weapon against the burden or the yoke of the enemy. The Bible says: The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach

deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. Luke 4:18-19 Anointing is the burden removing and yoke breaking power of God. Anointing is what empowers a man or a woman to function supernaturally. Anointing is that which enables you to do supernatural things. Beloved, you must understand that Christianity is a spiritual thing. Christianity is not just a religion. It is an encounter with the Lord Jesus Christ. It is an experience from heaven. The anointing is the supernatural power for supernatural assignments. The anointing is a heavenly electric power. If you are plugged to that power men and women will see you as somebody from another world. The anointing is the liquid power that comes with the manifestation of the Holy Spirit. The anointing is the presence and power of God. What are those things that the anointing can do for you? 1. The anointing opens doors that have long been shut. Samson in the Bible was just a normal man but whenever the anointing came upon him he became a super man. When the anointing came upon Samson, he tore the mouth of a lion. When the anointing comes upon your life doors that have been shut by enemies will open forcefully. A husband and wife who were Professors had a son who was almost a dunce. The boy always came last at the end of term examination but they attended one of our services and a word of knowledge came concerning the boy's situation which they both claimed. When the boy wrote another terminal examination he came first. The teacher could not believe it because of the boy's previous record. By the anointing, the door of destiny that was shut against the boy was opened. 2. The anointing makes you to succeed when other people fail. On the first night that a pastor spent in a new branch, a serpent crawled into his apartment and made straight for his bed. The serpent crawled around the pastor's neck to strangulate him to death and realizing that his life was slipping away, the pastor began to pray in tongues making the serpent loose its grip and fall. Eventually the serpent turned to an old woman and the pastor ran back to the headquarters requesting for fresh posting to another place. Another pastor was posted to the same branch but unfortunately, he died when he was tested by the evil powers in the

church environment. However, when a third pastor was posted to the same church, he prayed and cut the evil tree that the occult used as their power base. This action made the seven major witch doctors in the area come out and give the pastor twenty-four hours to die. But, because the pastor was anointed, the seven native doctors died instead and some people gave their lives to Christ. Once you key into the anointing you will definitely succeed when others are failing woefully.³ The anointing empowers you to press on. When everyone tells you to stop, when everything is hindering you from moving forward, the anointing will empower you to move. When men and women have become weary, you will be enabled to move on once you have tapped into the anointing of God.⁴ The anointing makes you another man entirely.⁵ The anointing makes your face to shine

Those Who Forget - Dag Heward-Mills 2014-01-01

Rebellious people do not remember what has been done for them and often choose to forget certain things. Judas did not remember what the Lord had done for him, neither did he remember the things he had seen and heard from Jesus. That is why he became the despicable character we know today as 'Judas'. The ability to remember is one of the most important spiritual qualities a minister can have. People who do not

remember, rarely do well. They simply fail to rise to certain heights. This special book, on this rarely discussed topic is a gift from God to you.

Help from Above - Kingsley O. Ologe 2011-08-05

This book gives an account of how the author was unjustifiably sacked at the University of Abuja in 1994 and subjected to all manner of harassment before he won his case in court in 1998, and was reinstated in 1999. It includes testimonies of how God took him and his family through the trial by protecting them, supplying their needs and, finally, vindicating him. Finally, it contains spiritual insights that he received from the Scriptures about the Christian pilgrimage through life. The book has been written with three objectives in mind: To provide a permanent record of what actually happened as a body of evidence

arguing against military dictatorship in Nigeria, the enthronement of mediocrity in positions of authority and the culture of impunity in our national life; To demonstrate the power and faithfulness of God in the life of whoever commits himself or herself to Him; and To enlighten, comfort, encourage and strengthen Christians who may be passing through some form of trial. In the Forward to the book, the Anglican Bishop of Owerri, the Rt. Rev. Cyril C. Okorochoa, writes: Help from above may seem delayed, but it is never denied to a faithful child of a loving, Heavenly Father, Who is also the Lord God Almighty! This is the message of this book.

The Worldview of the Word of Faith Movement: Eden Redeemed - Mikael Stenhammar 2021-12-16

This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word

of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Poverty, the Bible, and Africa - Isaac Boaheng 2020-09-02

Poverty reduction is a worldwide concern, yet if the church is to play an effective role in its alleviation, an approach that is both biblical and contextual is required. In *Poverty, the Bible, and Africa*, Isaac Boaheng formulates a theology of poverty that engages Scripture, African traditional wisdom, and contemporary African concerns to create a paradigm for understanding and alleviating poverty in Africa. Boaheng highlights that, whatever our cultural context, God frowns upon materialism, extravagance, and love for riches; yet the author also demonstrates why a contextual theology must address people's societal and cultural needs alongside spiritual ones. If we desire a model for poverty reduction that is both theologically sound and contextually appropriate, we must facilitate an encounter between the teachings of Scripture and the socio-economic, political, and religious realities of a particular context. Combining in-depth cultural analysis with careful exegetical reflection, this book offers refreshing insight into the challenge of confronting poverty in Africa. Boaheng's approach, however, is relevant far beyond the continent and is transferable to any context where others are seeking to effectively understand and combat poverty.
