The Temporal Mechanics of the Fourth Gospel - Douglas Estes 2008-01-01

By redefining narrative temporality in light of modern physics, this book advances a unique and innovative approach to the deep-seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship.

Leading Together - Nicole S. Oliver Snyder 2017-01-06

Diversity and equality are terms swamping social media, news outlets, and campuses these days. While the desire for diversity may be sincere it is also superficial. With genuine diversity there is a profusion of perspectives. Yet when ideas and arguments are limited to "tweets" forgotten to another fleeting proclamation any hope for reasoned reflection is lost. How do leaders keep up and effectively lead? Nicole Oliver Snyder describes how

mindfulness and spiritual practices are both in the DNA of Christian tradition and are powerful to unite. Intentional time to consider divergent ideas makes space to recognize the ideas for what they are--and see their value in addition, rather than contrary to one's own. Encountering limited traction due to the inherent reality of information overload in our super-connected daily experience makes applying these practices all the more imperative. This book describes research and a possible way for leaders to lead together collaboratively, with equity and unbounded diversity. Here, Dr. Snyder explores what it means to live God's image as a leader, drawing from scripture and theology, neuroscience, and the behavioral sciences. This book is academic and practical, and the start of a discussion about what "good" and "successful" leadership might look like.

Library Collection Development for Professional Programs: Trends and Best Practices - Holder, Sara 2012-07-31

Collection development, the process used by librarians to choose items for a particular library or section of a library, can be time-consuming and difficult due to the many factors that must be taken into consideration. *Library Collection Development for Professional Programs: Trends and Best Practices* addresses the challenging task of collection development in modern academic libraries, which is largely learned on the job. This publication contains practical advice and innovative strategies essential for

current collection development librarians and future librarians seeking guidance in this complex position.

German for Reading Knowledge - Richard Alan Korb 2013-01-01

Learn to apply basic German grammar and vocabulary to reading and translating progressively complex texts with the seventh edition of JANNACH'S GERMAN FOR READING KNOWLEDGE. Recognized as the leader in teaching reading skills, this text provides the tools you need to read specialized literature in your field. The Book Companion Website contains the readings that appear in each chapter, plus new comprehension questions and activities about the readings that are designed to let you practice specific reading skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Writers Directory - 2013

Introduction to Theological German - J. D. Manton 2004-09-09

Hebrews, the General Letters, and Revelation - Charles B. Puskas 2016-10-28
Most New Testament (NT) introductions, because of page limitations and other reasons, tend to minimize their treatment of the last nine books of the Christian Bible (from Hebrews to Revelation). The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect, with only a brief survey, the treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection--Catholic Epistles or General Letters--is a reminder of its general appeal to the whole church, despite its slow "canonical" recognition and authorship issues. Nevertheless,

these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: -When and why was each book written? -By whom and to whom was each book written? -What are some special features of each book? -How soon (or late) was each book included in the NT collection? Answers to many of these questions are tentative. The "assured results of scholarship" are in continual need of reevaluation. Since the 1980s a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.

Modern Theological German - Helmut W. Ziefle 1997-08

Contains selections from the German Bible and theologians such as Luther, Barth, Thielicke, and Riesner. The dictionary defines over 20,000 terms.

A Critical Dictionary of English Literature and British and American Authors - S. Austin Allibone 1874

A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century - Samuel Austin Allibone 1871

Forthcoming Books - Rose Army 1998-06

The New Westminster Dictionary of Church History: The early, medieval, and Reformation eras - Robert Benedetto 2008
Jerald Bauer's Westminster Dictionary of Church History was originally published in 1969 and has ably served an entire generation of pastors, students, and scholars over the last decades of the twentieth century. In recognition of both the dictionary's age and the latest developments in patristics and other fields of study, Westminster John Knox Press commissioned this volume to continue in the previous work's tradition by providing up-to-date and immediate, authoritative, and introductory definitions and explanations of the major personalities, events, facts, and movements in the history of

Christianity. Volume One covers the early, medieval, and Reformation periods and contains nearly fourteen hundred articles written by more than two hundred contributors. Volume Two will cover the modern period, from 1700 on.

A Critical Dictionary of English Literature, and British and American Authors - Samuel Austin Allibone 1870

Prepare, Succeed, Advance, Second Edition - Nijay K. Gupta 2019-06-27

What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the academic world? This book is precisely intended to fill that need. From theory to practice, you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with: How do I choose a program? How can I gain admission into an elite program? How do I choose a research topic? Alongside the "big" questions about the process, there are also a host of smaller matters: How do I publish an article? What conferences are out there in my field? Where do I start looking for a job? How do I get teaching experience? How do I write a syllabus? This guidebook tackles all of these questions and many more in three parts: Prepare focuses on getting into a PhD program; Succeed guides you through the doctoral program, especially the writing of the dissertation; and

Advance treats issues that relate to success in the academic world such as conference participation, publishing, employment, and best practices in teaching. PRAISE FOR THE FIRST EDITION "Gupta has kindly provided me a book version of an academic mentor. In a time when many professors are busy, Gupta walks the extra mile and makes himself present not only in person to those near him, but also in writing for those like me. I can't thank him enough!" -- Natan B. de Carvalho, College Student "Dr. Gupta's book offered indispensable advice for me as I applied for PhD programs, completed my thesis, and applied for (and secured) tenure-track jobs. I am grateful for his service to the guild!" --Madison N. Pierce, Assistant Professor in New Testament, TEDS "Having started seminary about a year after the first edition appeared, I was able to use Gupta's abundance of clear-headed advice to build a path to doctoral study. I can see, as a student in a first-tier PhD program, that this journey would not have been possible had I not been able to learn the many unspoken rules Gupta outlines in this invaluable book." --Jonathan Groce, New Testament PhD student at Emory University "This book should be required for anyone even slightly interested in biblical higher education. I've enjoyed it so much that I've bought it three times, having given it away to two students." --Ryan Lytton, Director of Academic Services and Adjunct Professor at Life Pacific University-Virginia "This book has proven immensely helpful as I navigated the PhD application process. Providing useful benchmarks and invaluable suggestions, Gupta's sage advice prepared me for success." --Benjamin Castaneda, PhD student at the University of St. Andrews "The world of academic biblical studies can be difficult to navigate, especially for ethnic minorities. This book has prepared me well by making an opaque process clear and straightforward. I recommend it to anyone considering this path." --Daniel K. Eng, PhD candidate, University of Cambridge "I wanted to thank you for the invaluable guidance your book provided as I made decisions concerning my academic future. I have just completed my M.A. in Classical Studies at Villanova and was accepted into graduate programs at both Edinburgh and Oxford. Every step of the way your text provided clear and

specific recommendations. It was a true blessing." --Ken Tully, Adjunct Faculty at Villanova "Prepare, Succeed, Advance is a tremendously helpful reference tool. As an academic advisor, I will make this the first resource I recommend to colleagues who may not have the advantage of personal experience in a PhD program. As a student, I will regularly return to Gupta's work for counsel on the next stage of academic life. Doctoral students should rejoice at having such a sure guide to academic success and commend Gupta for his contribution." --Samuel Emadi, review in JETS 56/1 (2013) 139-141, (140-141) "This guide is indispensable to anyone thinking about a PhD." --Abram K-J, "Should I get a PhD?" Words on the Word blog, July 9 2012 "Nijay Gupta's Prepare, Succeed, Advance: A Guidebook for Getting a PhD in Biblical Studies and Beyond is just that, a guidebook. It does not claim to provide a formula on how the entire process works. At the same time, it is more than that in the sense that Gupta's honesty, attention to detail, and measured optimism throughout the entire book give his voice a level of credibility and warmth that prospective students will find invaluable as they begin their own individual paths toward academia." --Michael Suh, PhD, Emory, review in RBL: October 2014 "Prepare, Succeed, Advance has so many helpful points that my highlighter almost gave out. If you have even the tiniest desire to pursue a PhD in Biblical Studies, get a few pencils, two highlighters, and a copy of this book. You won't be sorry." --Andrew Kelley, PhD, Edinburgh "When I started to investigate what a PhD in Biblical Studies entailed I was lost. What do schools look for? What programs are better for what field? So many questions, and so little (quality) answers. When I found Dr. Gupta's book I found both a map and compass. His book laid out the road ahead--including avenues to avoid, and boulevards to explore in more detail. Following Dr. Gupta's candid advice I have received offers to study at a couple of UK PhD programs. I think I owe Dr. Gupta some money! Buy this book--you will not be disappointed!" --Joshua Morris

[Finding List of the Vaughn Public Library, Together with the Laws, Official Roster, and By-laws and Rules](#) - 1895

Dictionary of Modern Theological German - Helmut W. Ziefle 1992

Pursuing Excellence for the Glory of God - Keith A. Currivean 2022-01-13

What is education? How and why do educators do what we do? And, in what way can and ought education be distinctively Christian? These are a few of the probing questions for which this book seeks answers. Among other contributions, Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth. To accomplish this objective, it considers what education is (chapter 1), what philosophy of education is (chapter 2), and what the ultimate goal of education is (chapter 3). Additionally, this book provides a never-before, Christian overview of twelve philosophies of education (chapters 4-15). Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars. Each of those chapters also contributes a constructive, Christian critique. Chapter 16 highlights a biblical philosophy of Christian education—featuring some people, some principles, and some priorities for a biblical philosophy of Christian education, viz. pursuing excellence for the glory of God.

An Introduction to the New Testament - Charles B Puskas 2012-08-30

This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.

The Devil's Dictionary - Ambrose Bierce 1911
Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short,

pithy entries on a variety of subjects, this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.

A Concise Dictionary of New Testament Greek - Warren C. Trenchard 2003-06-26

This Dictionary provides students, pastors, and others with an invaluable source of word meanings and English glosses for the entire vocabulary of the Greek New Testament. In addition to reflecting the complete range of semantic uses and nuances, it identifies the part of speech, lists cognate key words, notes principal parts for each verb, and cites the NT reference for each word used only once.

Handbook of Reading Theological German - Christopher Ryan Jones 2021-06-01

The Handbook of Reading Theological German is the premier resource for equipping those interested in reading and translating original German source materials and preparing academics for German comprehension examination. The book is ideal for students in biblical studies, church history, Jewish studies, and theology. Coauthored by Katharina Hirt, a native German speaker and professional linguist, and Christopher Ryan Jones, a native English speaker and doctoral candidate in biblical studies, this collaboration draws on the latest developments in linguistics to present a cutting-edge teaching methodology for graduate students learning to read German for research. Attuned to the specific needs of English speakers learning German, this handbook is well suited for independent study or for use in the classroom. Providing abundant exercises and readings, Jones and Hirt's work provides an excellent entry point for students required to learn theological German. The Handbook of Reading Theological German provides: An introduction to German grammar A demonstration of the role that German theology has had in the development of modern Jewish and Christian practices. Guided readings and biographies of six major German theologians and philosophers Further, advanced readings with minimal guidance from contemporary authors in

the areas of Hebrew Bible, New Testament, Jewish studies, church history, and theology, so that students can focus on literature from their chosen field of study

Finding List, Together with the Laws, Official Roster, and By-laws and Rules - Ashland (Wis.). Vaughn Public Library 1895

American Book Publishing Record - 1997

Cumulative Book Index - 1997

A world list of books in the English language.

A "Down and Dirty" Guide to Theology - Donald K. McKim 2011-01-01

This brief, humorous introduction to theology by noted educator and author Don McKim will provide seminarians, college students, and general readers with a fun way to learn the basics. The book covers the key movements, thinkers, definitions, and questions of theology in a lighthearted way. Includes illustrations by Ron Hill.

Prepare, Succeed, Advance - Nijay K. Gupta 2020-04-30

What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the academic world? Prepare, Succeed, Advance is precisely intended to fill that need. From theory to practice, you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with. Alongside the questions about the process, there are also smaller matters. This guidebook tackles all of these questions and many more in three parts: Prepare focuses on getting into a PhD program; Succeed guides you through the doctoral program, especially the writing of the dissertation; and Advance treats issues that relate to success in the academic world.

Re-thinking the Day of YHWH and Restoration of Fortunes in the Prophet Zephaniah - Michael Ufok Udoekpo 2010

The prophecy of Zephaniah is a compendium of prophetic thoughts on the nature of YHWH's relationship with His people. This research critically builds on past scholarships and exegetically demonstrates the thematic, literary and theological relationships of Zeph 1:14-18

and 3:14-20 with the rest of the Twelve Minor Prophets, Deuteronomistic History and with Psalm 126 and insists on Zephaniah's creative and unique understanding of God, His judgment and saving roles. Taking the judgment and wrath narrative in Zeph 1:14-18 as its pericope of exegetical departure, the author diachronically and synchronically studies in detail the contents, meaning, relevance and the theological values of

Zephaniah's Day of YHWH to all cultures and religious communities. In particular, he emphasizes the fuller and salvific notion of a God who not only judges, intervenes in human history, punishes sinners, but loves, shows mercy, rewards, saves, inspires hope and restores the fortunes of the remnant who repents (Zeph 3:14-20).
