Precalculus with Limits - Ron Larson 2010-01-01

With the same design and

feature sets as the market

leading Precalculus, 8/e, this

addition to the Larson

Precalculus series provides

both students and instructors

with sound, consistently

structured explanations of the mathematical concepts.

Designed for a two-term

course, this text contains the

features that have made

Precalculus a complete solution

for both students and

instructors: interesting

applications, cutting-edge

design, and innovative

technology combined with an

abundance of carefully written
