New Headway: Beginner: Workbook (without Key) - Liz Soars 2002-01-24
New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

New Headway - John Soars 2012

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary

development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. The SuperJam Cookbook - Fraser Doherty 2012-03-31

SuperJam is a delicious range of jams and marmalades created by young entrepreneur Fraser Doherty. They're 'super' because they're made with 'superfruits', such as cranberries and blueberries, and fruit juice rather than sugar, meaning they're healthier than your average pot of jam. Fraser's cookbook is a juicy celebration of all things jammy. As well as being packed full of recipes for jams, marmalades, chutneys and jellies, the book offers more unusual ideas for spreads, such as Banana and Rum Curd, Dulce de Leche and Chilli Jam. And if for any reason you do have any leftover pots of preserves, it also contains over 25 ideas for how to turn your creations into irresistible puddings, from Bakewell Tart and Orange and Passion Fruit Trifle to Banoffee Cupcakes and Strawberry and White Chocolate Mousse. Exquisitely designed and lavishly photographed, The SuperJam Cookbook will be a lovely gift or simply the perfect way to indulge your love of one of life's greatest comfort foods.

Mobile Learning - Shaun Wilden 2017-09-04

Into the Classroom is a series of short, practical guides that help teachers who work in the primary and secondary school setting to make sense of new teaching tools, techniques, and educational policy, with ideas for implementing them in the classroom. Mobile Learning provides clear guidance and essential support for teachers who want to use mobile devices in and outside the language classroom. Full of practical ideas and activities, it emphasizes the power of the mobile device as a tool for language learning. Mobile Learning: • helps teachers get started with using mobile devices and apps in class. • shows how to make the most of in-built features, such as messaging, photos, and audio

recording. • introduces more advanced project ideas, including digital storytelling, video and animation, multimodal approaches, and augmented reality. • addresses issues such as acceptable use policies and staying safe. • provides teachers with dozens of practical ideas and activities they can immediately incorporate into their teaching. Shaun Wilden is a teacher, teacher trainer, and materials writer who has been helping teachers integrate technology into their teaching for over a decade. His main areas of interest are mobile devices, online teaching, and creating podcasts.
