The Man Who Mistook His Wife for a Hat - Oliver Sacks

2021-09-14

In his most extraordinary book, the bestselling author of *Awakenings* and "poet laureate

of medicine" (The New York Times) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to

recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

Narcoland - Anabel

Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national

controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her

exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

The 48 Laws Of Power -

Robert Greene 2010-09-03

THE MILLION COPY

INTERNATIONAL

BESTSELLER Drawn from

3,000 years of the history of

power, this is the definitive

guide to help readers achieve

for themselves what Queen

Elizabeth I, Henry Kissinger,

Louis XIV and Machiavelli

learnt the hard way. Law 1:

Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

___ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me,

my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Act Like a Lady, Think Like a Man, Expanded Edition -

Steve Harvey 2014-06-03

An International

Bestseller—Over 3 Million Copies Sold! With translations in more than thirty languages, Act Like a Lady, Think Like a Man is the definitive relationship guide for women. Steve Harvey can't count the number of impressive women he's met over the years—the many incredible women who can run a business, have three kids, maintain a household in tiptop shape, and chair a church group all at the same time. So, when it comes to relationships, why can't these same women figure out what makes men commit? According to Steve, it's because they're asking other women for advice when they should be going directly to the source. In this expanded edition, Steve

includes an added section of all new advice, with tips on dealing with your partner's exes, spicing up your relationship, ensuring you're ready for that walk down the aisle, and much more.

Sometimes funny, often unflinchingly direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.

Memoirs of a Geisha - Arthur
Golden 1999-11-09

A literary sensation and runaway bestseller, this brilliant debut novel tells with seamless authenticity and exquisite lyricism the true confessions of one of Japan's most celebrated geisha.

Nominated as one of America's best-loved novels by PBS's *The Great American Read* Speaking to us with the wisdom of age

and in a voice at once haunting and startlingly immediate, Nitta Sayuri tells the story of her life as a geisha. It begins in a poor fishing village in 1929, when, as a nine-year-old girl with unusual blue-gray eyes, she is taken from her home and sold into slavery to a renowned geisha house. We witness her transformation as she learns the rigorous arts of the geisha: dance and music; wearing kimono, elaborate makeup, and hair; pouring sake to reveal just a touch of inner wrist; competing with a jealous rival for men's solicitude and the money that goes with it. In *Memoirs of a Geisha*, we enter a world where appearances are paramount; where a girl's virginity is auctioned to the highest bidder; where women are trained to beguile the most powerful men; and where love is scorned as illusion. It is a unique and triumphant work of fiction—at once romantic, erotic, suspenseful—and completely unforgettable.

How to Read a Book -
Mortimer J. Adler 2011-05-10
With half a million copies in

print, *How to Read a Book* is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: "Explains not just why we should read books, but how we should read them. It's masterfully done." -Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to "judge a book by its cover," and also how to X-ray it, read critically, and extract the author's message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally,

the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

How to Improve Your Self-Esteem - Walter Riso

2013-06-01

"Activating your self-love is the first step towards any type of psychological growth and personal improvement. Of course I am not talking about the dark side of self-esteem, which leads to narcissism and fascination with the ego, but rather about having a genuine

ability to, fearless and unashamedly, recognize your strengths and virtues, integrate them into the development of your own life..." In this guide, Dr. Walter Riso teaches us about the tools we need to help bolster our self-esteem; he teaches us to feed our self-love, freeing us from dependencies and stripping away all those things that weigh heavily on us. This, in turn, enables us to build our own happiness.

Nineteen Eighty-Four - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in

the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the

Party came to power.

How To Overcome Emotional Dependency - Walter Riso
2013-06-01

Being emotionally independent does not mean that you have to stop being loving, It is about being the master of your own feelings, faithful to your own principles and never handing over your personal dignity to someone else in exchange for something, not even in the name of love. Do I you love or do I depend? If this is a question you ask yourself, then this guide, based on the bestseller, To Love or to Depend? is for you. In it, Walter Riso teaches us, in a practical manner and without too much theory involved, the steps we need to take in order to be able to love without being emotionally dependent. He provides ideas and processes that will help you develop the right skills to deal with emotional dependency, prevent it and/or create a lifestyle aimed at emotional independence and affective detachment.

te presiona el tic-tac de tu reloj biológico, o si llegaste a los cuarenta, o más. Steve te ofrece un panorama de lo que busca un hombre en una pareja en cada década de su vida. Cómo minimizar los reproches y maximizar la armonía en el hogar Él te dijo que podría el pasto el sábado, y empezó a hacerlo ¡a las 11 de la noche! Si estallas por la ira contra él, sólo se arruinará una posible noche de romance. Steve te dice cómo hablar con tu hombre para motivarlo a actuar sin que se rompa la paz del hogar.

Invent Your Own Computer Games with Python, 4th Edition

- Al Sweigart
2016-12-16

Invent Your Own Computer Games with Python will teach you how to make computer games using the popular Python programming language—even if you’ve never programmed before! Begin by building classic games like Hangman, Guess the Number, and Tic-Tac-Toe, and then work your way up to more advanced games, like a text-based

treasure hunting game and an animated collision-dodging game with sound effects. Along the way, you'll learn key programming and math concepts that will help you take your game programming to the next level. Learn how to:

- Combine loops, variables, and flow control statements into real working programs
- Choose the right data structures for the job, such as lists, dictionaries, and tuples
- Add graphics and animation to your games with the pygame module
- Handle keyboard and mouse input
- Program simple artificial intelligence so you can play against the computer
- Use cryptography to convert text messages into secret code
- Debug your programs and find common errors

As you work through each game, you'll build a solid foundation in Python and an understanding of computer science fundamentals. What new game will you create with the power of Python? The projects in this book are compatible with Python 3.

Act Like a Lady, Think Like a

Man LP - Steve Harvey

2010-06-01

Steve Harvey, the host of the
nationally syndicated Steve
Harvey Morning Show, can't
count the number of impressive
women he's met over the years,
whether it's through the
"Strawberry Letters" segment
of his program or while on tour
for his comedy shows. Yet
when it comes to relationships,
they can't figure out what
makes men tick. Why?

According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

Actúa como triunfador, piensa como triunfador - Steve Harvey 2015-08-17
Steve Harvey te enseña cómo triunfar y obtener lo que siempre has deseado utilizando tu talento natural. Por el autor del bestseller *Actúa como dama*, pero piensa como hombre Todos tenemos un don, saber cómo manejarlo te

llevará al éxito. Actúa como triunfador, piensa como triunfador es un mapa para identificar ese don, aceptarlo, perfeccionarlo, conectarlo con tus intereses y alcanzar el éxito. Muchos libros sobre el éxito te dicen lo que necesitas obtener y lo que aún no has obtenido. Pero en *Actúa como triunfador* piensa como triunfador, Steve Harvey te dice cómo alcanzar tus sueños usando los dones que ya están en ti. Cada uno de nosotros nace con un don. Algo que haces mejor que nadie y sin el mínimo esfuerzo. Steve Harvey te muestra cómo ese don es tu mayor oportunidad para alcanzar el éxito y cumplir tu misión y propósito de vida. Ya sea que seas bueno con los números, con la gente, o resolviendo problemas, serás capaz de definir tu don y usarlo en todas las áreas de tu vida. *Thinking, Fast and Slow* - Daniel Kahneman 2011-10-25
Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012
Selected by the New York

Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's *The Undoing Project: A Friendship That Changed Our Minds* In the international bestseller, *Thinking, Fast and Slow*, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market

to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic.

Women Who Run with the Wolves - Clarissa Pinkola Estés 1999-01
New enhanced edition of the original underground classic by Clarissa Pinkola EstA(c)s,

Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of *Women Who Run With the Wolves* (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype, Dr. EstA(c)s helps listeners discover and reclaim their passion, creativity, and power.

Never Chase Men Again -

Bruce Bryans 2015-06-06

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating

decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man

interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that

make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a

relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

Live Alone and Like It -

Marjorie Hillis 2009-11-29

"Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it." Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living

arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances. Hillis takes readers through the fundamentals of living alone, including the importance of creating a hospitable environment at home, cultivating hobbies that keep her there ("for no woman can accept an invitation every night without coming to grief"), the question of whether single ladies may entertain men at home (the answer may surprise you!), and many more. With engaging chapter titles like "A Lady and Her Liquor" and "The Pleasures of a Single Bed," along with a new preface by author Laurie Graff (You Have to Kiss A Lot of Frogs), LIVE ALONE AND LIKE IT is sure to appeal to live-aloners and many other readers alike.

I Am Malala - Malala Yousafzai
2013-10-08

A MEMOIR BY THE
YOUNGEST RECIPIENT OF
THE NOBEL PEACE PRIZE As
seen on Netflix with David
Letterman "I come from a

country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave

parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Why Men Love Bitches -

Sherry Argov 2002-10-01

Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you

bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

The House on Mango Street

- Sandra Cisneros 2013-04-30
NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International

Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling

figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of

Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Actúa como dama pero piensa como hombre (nueva edición) - Steve Harvey 2015-10-09

Steve Harvey te enseña a reconocer cómo piensa el hombre de tus sueños: qué le excita, que le disgusta, qué actitudes de tu sexualidad le enloquecen y qué cosas lo alejan de tus brazos. Nueva edición del bestseller #1 de The New York Times Deja de preocuparte por no saber qué le apasiona o qué le desagrada al hombre que deseas para ti, iquíitate las telarañas de la cabeza y decídetete a conquistarlo! Ya no te hagas más líos. Steve Harvey te entrega en este libro súper divertido y revelador una serie de consejos para que sepas todo lo que le interesa a los hombres respecto a la intimidad amorosa, la seducción y el compromiso.

Actúa como dama, pero piensa como hombre será tu guía esencial para que puedas elegir correctamente a la pareja que siempre has soñado y te alejes de los hombrecitos que sólo quieren pasar el rato. Steve Harvey descifra con fino humor la mente masculina y te dice en forma directa, picante y sin engaños lo que busca un hombre en una mujer, los detalles que más le entusiasman y la manera en

que ellas pueden atraparlo, para siempre, con sus encantos. Algunas personalidades han opinado sobre el libro: "Las mujeres deben escuchar lo que dice Steve Harvey cuando habla acerca de ser un buen hombre. Proporciona muchísima información fabulosa acerca de los hombres. Mucho más de la que un hombre común y corriente está dispuesto a confesar" - Aretha Franklin
