*Social Problems, Census Update, Books a la Carte Edition* - John J. Macionis 2011-07-08

Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to become involved in solving social problems through activism and political involvement. What is the Pearson Census Update Edition? The Census Update edition incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program are as follows: Census Update Edition - Features fully updated data throughout the text—including all charts and graphs—to reflect the results of the 2010 Census. This edition also includes a reproduction of the 2010 Census Questionnaire for your students to explore in detail. 2010 Census Update Primer - A brief seven-chapter overview of the Census, including important information about the Constitutional mandate, research methods, who is affected by the Census, and how data is used. Additionally, the primer explores key contemporary topics such as race and ethnicity, the family, and poverty. The primer can be packaged with any Pearson text at no additional cost, and is available via MySocLab, MySocKit, and MySearchLab. The primer can also be purchased standalone. 2010 Census Update Primer Instructor's Manual with Test Bank - Includes explanations of what has been updated, in-class activities, homework activities associated with the MyLabs and MyKits, discussion questions for the primer, and test questions related to the primer. MySocLab - Gives students the opportunity to explore the methods and data and apply the results in a dynamic interactive online environment. It includes: primary source readings relevant to the Census an online version of the 2010 Census Update Primer a series of activities using 2010 Census results video clips explaining and exploring the Census This Book a la Carte Edition is unbound, three-hole punched version of the textbook and provides the students the opportunity to personalize their book incorporating their own notes and taking only the portion of the book they need to calss - all at an affordable price. It comes with an access code to MySocLab, an interactive and instructive online solution for introductory sociology. It combines multimedia, video, audio, and tests and quizzes to make teaching and learning fun.

*Social Problems* - John J. Macionis 2015-01-20

For courses in Social Problems Frame social problems, and identify solutions, through the lens of politics. Always controversial, and ever more polarizing in today's political climate, social problems take up a huge chunk of our cultural bandwidth. Rather than simply presenting social problems as a series of facts, the sixth edition of Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis explains why people disagree about what the problems are, and how one person's "problem" may well be another's "solution." Once you understand how social problems are defined politically, you'll be able to develop your own positions, and you'll have the knowledge you need to engage in solving social problems through activism and political discussion. Social Problems, Sixth Edition is also available via REVEL™, an immersive learning experience designed for the way today's students read, think, and learn. Learn more.

**Seeing Social Problems** - Ira Silver 2019-12-03

Seeing Social Problems: The Hidden Stories Behind Contemporary Issues shows students how to think about social problems in a new way, by carefully analyzing headline-making issues they are already familiar with

and illustrating the connection between individual problems and larger social forces. Each chapter engages students in thinking about the world sociologically by focusing on a specific case study that represents a more general social problem. The chapters always start with the knowledge, beliefs, attitudes, and personal experiences that students bring to the case—what author Ira Silver refers to as the conventional wisdom—and effectively demonstrate to them the "first wisdom" of sociology: "things are not what they seem." In each instance, Silver shows how sociologists ask questions, gather empirical data, use multiple perspectives, and consider larger social forces to discover the "hidden stories" behind individual behavior. Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides.

John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, empowers students to see the world around them through a sociological lens, helping them to better understand their own lives. Informative as well as engaging, REVEL for Society: The Basics will change the way readers see the world, and open the door to a new perspective and new opportunities. In addition to extensively updated data, REVEL for the Fourteenth Edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

**Social Problems** - John J. Macionis 2002

**Sociology** - John J. Macionis 2012

This textbook provides a survey of sociology. As the scientific study of society, sociology is a social science which uses various methods of empirical investigation and critical analysis to develop a body of knowledge about human social activity. It focuses on the influence of our relationships around us and how they affect our behaviors and attitudes.

The author approaches this subject with a desire to help students find and use sociology in everyday life.

An Introduction to Sociology - Anthony Giddens 2000-04-01

**Social Problems** - Maxine P. Atkinson 2019-12-04

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Wake up your social problems classes! *Social Problems: Sociology in Action* helps your students learn sociology by doing sociology. *Social Problems: Sociology in Action* will inspire your students to do sociology through real-world activities designed to increase learning, retention, and engagement with course material. Inspired by the best-selling introductory sociology text, *Sociology in Action*, this innovative new book immerses students in an active learning experience that emphasizes hands-on work, application, and learning by example as they grapple with the causes and consequences of social problems as well as possible solutions. Each chapter explains key concepts and theories in social problems and pairs that foundational coverage with a series of carefully developed learning activities and

thought-provoking questions. The comprehensive Activity Guide that accompanies the text provides everything you need to assign, carry out, and assess the activities that will best engage your students, fit the format of your course, and meet your course goals. This title is accompanied by a complete teaching and learning package. Contact your SAGE representative to request a demo. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. Society - John J. Macionis 2008-01-01

Placing an emphasis on global perspectives and current research, this wide praised and adopted sociology textbook introduces the reader to the field of sociology. John Macionis, like many people, took a college course that shaped his life. His first sociology course helped him make sense of the world. John shares his enthusiasm, excitement, and teaching experience through a clear and engaging writing style and emphasis on sociology's relevance to everyday life.

**The Social Work Practicum** - Cynthia Garthwait 2020-04-28

"The social work practicum lies at the heart of social work education. In practicum, social work students apply the concepts learned in the classroom; challenge the realities of injustice; bear witness to resiliency in action; struggle to resolve ethical dilemmas; collaborate with others to create change; and support wellness in individuals, families, and communities. It is here that students transition from being a theoretical social worker to assuming the mantle of a practicing social worker. In this transition, social work students uncover and identify their place in the profession. This learning process is an adventure, and this textbook provides a guide for that adventure."--

**Revel for Social Problems -- Access Card** - John J. Macionis 2017-05-11

Frame social problems, and identify solutions, through the lens of politics Revel(TM) *Social Problems* focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political discussion. The Seventh Edition offers coverage of a range of hot-button contemporary social problems -- from #BlackLivesMatter to increasing income inequality -- to help students see the relevance of this field of study to their own lives. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Understanding Social Problems - Linda A. Mooney 2016-01-19

This thoroughly revised edition of Mooney, Knox, and Schacht's text uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems. UNDERSTANDING SOCIAL PROBLEMS, Tenth Edition, progresses from a micro to macro level of analysis, focusing first on problems related to health care, drugs and alcohols, families, and crime, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict around the world. The social problem in each chapter is framed in a global as well as a U.S. context.

In addition, the three major theoretical perspectives are applied to the problem under discussion, and its consequences -- as well as alternative solutions -- are explored. Pedagogical features such as The Human Side and Self and Society enable students to grasp how social problems affect the lives of individuals and apply their understanding of social problems to their own lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Revised edition of the author's *Society*, 2015.

*Understanding Social Problems* - Linda A. Mooney 2011-10-14

Written from a distinctly Canadian point of view, *Understanding Social*

Problems, Fourth Canadian Edition, examines how the structure and culture of societies contribute to social problems and their consequences. This text has strong pedagogical features and is comprehensive in its coverage, progressing from micro to macro levels of analysis. It focuses first on problems of health care, drug use, and crime, and then broadens to the widening concerns of population, health and welfare, science and technology, large-scale inequality and environmental problems. Known for its inclusive approach, *Understanding Social Problems, Fourth Canadian Edition*, explores powerful stories of real life people struggling with the challenges society and its problems have thrust upon them.

**Social Problems Revel Access Card** - John J. Macionis 2019-05-19

For courses in Social Problems Frame social problems, and identify solutions, through the lens of politics Revel(TM) Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political discussion. In addition to coverage of contemporary topics and updated data, the 8th Edition offers a new chapter focused on social media and a revised chapter on sexuality that better explores how sexuality is linked to social stratification. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. **Social Problems** - Anna Leon-Guerrero 2015-06-18

Empower your students to become part of the solution. With a clear and upbeat voice, author Anna Leon-Guerrero's thought-provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution. The Fifth Edition of *Social Problems: Community, Policy, and Social Action* goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope. "The extra emphasis on social action and movements is a real strength...I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it." —Todd Michael Callais, University of Cincinnati-Blue Ash

**Social Problems** - John J. Macionis 2009

Macionis's *Social Problems* is the only social problems text that explains how society frames social problems and solutions through politics. The

text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to become involved in solving social problems through activism and political involvement.

**Society Revel Access Code** - John J. Macionis 2018-08-03

For courses in Introductory Sociology Change the way your students see the world In Revel(TM) *Society: The Basics*, author John Macionis empowers your students to change the way they view the world by showing them how to see sociology in everyday life. Throughout this brief text, Macionis takes an enlightening and practical approach to the traditional three-perspectives approach, guiding students step by step through the theories and research that make up the discipline. By challenging the way they think about both their own lives and society as a whole, Macionis helps students achieve a better understanding of the world we all share. The 15th Edition offers a new chapter dedicated to the history, evolution, and impact of social media plus engaging new features such as the Pearson Originals docuseries and Current Event Bulletins. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

**Conflicting Interests** - Robert Heiner 2010

A concise, affordable, cutting-edge collection of articles that take a critical constructionist approach to social problems. Featuring 26 in-depth and engaging articles, this reader is an ideal supplement to editor Robert Heiner's textbook, *Social Problems: An Introduction to Critical Constructionism, Third Edition*. This unique anthology is the only social problems reader in which the majority of the selections reflect the conflict perspective; this approach views social problems as the consequence of social and economic inequalities and therefore encourages students to critically analyze American public policy responses to social problems. *Conflicting Interests* is organized into five sections: Thinking about Social Problems, The Economics of Inequality, Social Inequalities, Problems of the Family, Crime and Drugs, and Problems of the Environment. Several articles address the contemporary economic crisis and the role that the media plays in constructing social problems. In addition, many of the essays describe public policies in countries outside of the United States, providing students with alternative, cross-cultural perspectives and solutions to social problems. Each section begins with an introduction that briefly summarizes the articles and shows how they are interrelated. Each essay concludes with critical thinking questions that are designed to stimulate class discussion and to help students carefully evaluate the issues.

**Society** - John J. Macionis 2005

Placing an emphasis on global perspectives and current research, this wide praised and adopted sociology textbook introduces the reader to the field of sociology. & John Macionis, like many people, took a college course that shaped his life. His first sociology course helped him make sense of the world. John shares his enthusiasm, excitement, and teaching experience through a clear and engaging writing style and emphasis on sociology's relevance to everyday life.

**Think Social Problems, 2013** - John D. Carl 2013

THINK Currency. THINK Relevancy. THINK Social Problems. THINK Social Problems is informed with the latest research and the most contemporary examples, allowing you to bring current events directly into your classroom with little additional work. An engaging visual design developed with extensive student feedback and 12-15 page chapters makes THINK Social Problems the textbook your students will actually

read. This student-friendly text delivers the core concepts of Social Problems in a way they can easily understand. The 2nd edition includes three new chapters: "Economy and Work," "Politics," and "Sex and Social Problems Related to Sexuality." A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning MySearchLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking Chapter organization follows a 3-step process that presents the topic, considers the social problems, and urges students to uncover solutions. Engage Students TheThinkSpot provides open-access to chapter-by-chapter quizzes, study cards, flashcards, and a professor-written sociology blog. Explore Theory Three main sociological paradigms are discussed visually through a theory infographic in every chapter. Understand Diversity Global comparisons are found in every chapter both within the text and in a designated feature box. Support Instructors - Written activities and assessment in MySearchLab offer instructors supplemental materials to help their students succeed. *Revel for Sociology -- Access Card* - John J. Macionis 2016-05-16 See sociology in everyday life REVEL(TM) for Sociology, Sixteenth Edition empowers students to see the world around them through a sociological lens, helping them better understand their own lives and the world we all share. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, takes students step by step through the theories and research that make up the discipline, helping them to find and use the science of social behavior in everyday life. In addition to extensively updated data, REVEL for the sixteenth edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging,

REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

Social Problems, Books a la Carte Edition - John J. Macionis 2014-12-01

**Sociology** - John J. Macionis 1998

The main focus of this sociology text is the UK, Europe and North America. A recurrent theme throughout is that the modern world is becoming progressively globalized, and that it is therefore increasingly impossible to understand one country in isolation from another. The student is also encouraged to engage with the subject through such features as opening vignettes and critical thinking questions.
