### The Secret Diary of Queen

Victoria - Terry Deary

2021-11-04

Brand new from the bestselling team behind Horrible Histories! It's time to delve into the totally true (sort of) and incredibly intriguing pages of Queen Victoria's Secret Diary. Horrible Histories' Secret Diaries of the most extraordinary (and Horrible) characters of all time will blow your mind.

### **Our Life in the Highlands -**

Victoria (Queen of Great Britain) 1968

### **My Story: Victoria** - Anna

Kirwan 2014-04-03

The young Queen Victoria was brought up hidden from the world that she would one day govern. In 1829, aged ten, Princess Victoria is a lonely little girl, but she is about to make a startling discovery. She is closer to the throne than she ever imagined. My Royal Story offers a fascinating insight into

the childhood of a young princess.

Queen Victoria - Lytton Strachey 1921

*The Lost Diary of Queen Victoria's Undermaid* - Alex Parsons 2016-05-31

Flora McTavish was born the same year as Queen Victoria and as the Queen's undermaid is the perfect person to comment on life above and below the stairs in Victorian times.

**Victoria the Queen** - Julia Woodlands Baird 2016  
An account of the life of the English monarch offers insight into the passionate and sensuous aspects of her character, placing her reign against a backdrop of dynamic world events while sharing insights into her relationship with Albert and her pivotal role in building the British empire.

**Victoria's Voice** - David Siegel 2019-03

On June 6, 2015, David and Jackie Siegel received the call that no parent should ever get. Their beautiful, vibrant, 18-year-old daughter Victoria had

died of a drug overdose. The Siegels vowed to do whatever it takes to prevent this from happening to other parents. Right after Victoria passed away, Jackie received a text from one of Victoria's friends directing her to look in her bedroom nightstand for a secret diary she had kept - and suggesting they publish it. The Siegels decided to honor Victoria's wish. *Victoria's Voice* is a gripping peek inside the mind of sometimes happy, healthy teen and other times a teen dramatically influenced by drugs and alcohol. This is *Victoria's Voice* - from beyond the grave. It could save your child's life.

Mrs Robinson's Disgrace - Kate Summerscale 2012-04-30

From the bestselling, multi-award-winning author of *The Suspicions of Mr Whicher* comes a brand new true story of Victorian scandal

Victoria Letters - Helen Rappaport 2016-10-06

**Life at the Court of Queen Victoria** - Barry St.-John Nevill  
1984

Selections from Queen Victoria's diary are accompanied by photographs and memorabilia dealing with the daily life of the Queen

**Queen Victoria's Matchmaking** - Deborah Cadbury 2017-11-14

A captivating exploration of the role in which Queen Victoria exerted the most international power and influence: as a matchmaking grandmother. As her reign approached its sixth decade, Queen Victoria's grandchildren numbered over thirty, and to maintain and increase British royal power, she was determined to maneuver them into a series of dynastic marriages with the royal houses of Europe. Yet for all their apparent obedience, her grandchildren often had plans of their own, fueled by strong wills and romantic hearts. Victoria's matchmaking plans were further complicated by the tumultuous international upheavals of the time: revolution and war were in the

air, and kings and queens, princes and princesses were vulnerable targets. Queen Victoria's Matchmaking travels through the glittering, decadent palaces of Europe from London to Saint Petersburg, weaving in scandals, political machinations and family tensions to enthralling effect. It is at once an intimate portrait of a royal family and an examination of the conflict caused by the marriages the Queen arranged. At the heart of it all is Victoria herself: doting grandmother one moment, determined Queen Empress the next.

Queen Victoria - Helen Rappaport 2003

Alphabetically arranged subject entries cover Queen Victoria's life and her sixty-three-year reign, the longest of any female monarch.

**Queen Victoria** - Matthew Dennison 2014-06-24

The critically acclaimed author of *The Last Princess* presents an accessible account of Queen Victoria's life that examines her contradictory views and

lasting influence, covering such topics as her reinvention of the monarchy, relationship with her mother and self-reliance in widowhood. 30,000 first printing.

### **The Secret Life of Queen**

**Victoria** - Victoria (Queen of Great Britain) 1979

Queen Victoria's 'lost' diary of her trip incognito to Jamaica. The paintings which illustrate the 'diary' show the queen doing the limbo, 'entering into the spirit of a carnival,' participating in dock-side brawl, smoking marijuana, waterskiing, and playing golf.

### **Life of Her Most Gracious Majesty Queen Victoria** -

Sarah Tytler 2016-05-13

Life of Her Most Gracious Majesty Queen Victoria, Vol 1 is a classic Queen Victoria biography by Sarah Tytler. If the life-long friendship of my mother with her Majesty, Queen Victoria, which gained for me the honour of often seeing the Queen, or a deep feeling of loyalty and affection for our sovereign, which is shared by all her subjects, be accepted as a qualification, I

gratefully respond to the call, but I feel that no written words of mine can add value to the following pages. Victoria (Alexandrina Victoria; 24 May 1819 - 22 January 1901) was Queen of the United Kingdom of Great Britain and Ireland from 20 June 1837 until her death. On 1 May 1876, she adopted the additional title of Empress of India. Victoria was the daughter of Prince Edward, Duke of Kent and Strathearn, the fourth son of King George III. Both the Duke of Kent and King George III died in 1820, and Victoria was raised under close supervision by her German-born mother, Princess Victoria of Saxe-Coburg-Saalfeld. She inherited the throne at the age of 18, after her father's three elder brothers had all died, leaving no surviving legitimate children. The United Kingdom was already an established constitutional monarchy, in which the sovereign held relatively little direct political power. Privately, Victoria attempted to influence government policy and

ministerial appointments; publicly, she became a national icon who was identified with strict standards of personal morality. Victoria married her first cousin, Prince Albert of Saxe-Coburg and Gotha, in 1840. Their nine children married into royal and noble families across the continent, tying them together and earning her the sobriquet "the grandmother of Europe." After Albert's death in 1861, Victoria plunged into deep mourning and avoided public appearances. As a result of her seclusion, republicanism temporarily gained strength, but in the latter half of her reign her popularity recovered. Her Golden and Diamond Jubilees were times of public celebration. Her reign of 63 years and seven months was longer than that of any of her predecessors, and is known as the Victorian era. It was a period of industrial, cultural, political, scientific, and military change within the United Kingdom, and was marked by a great expansion of the British Empire. She was the last

British monarch of the House of Hanover. Her son and successor, Edward VII, initiated the House of Saxe-Coburg and Gotha, the line of his father. According to one of her biographers, Giles St Aubyn, Queen Victoria wrote an average of 2,500 words a day during her adult life.[212] From July 1832 until just before her death, she kept a detailed journal, which eventually encompassed 122 volumes.[213] After Victoria's death, her youngest daughter, Princess Beatrice, was appointed her literary executor. Beatrice transcribed and edited the diaries covering Victoria's accession onwards, and burned the originals in the process.[214] Despite this destruction, much of the diaries still exist. In addition to Beatrice's edited copy, Lord Esher transcribed the volumes from 1832 to 1861 before Beatrice destroyed them.[215] Part of Victoria's extensive correspondence has been published in volumes edited by A. C. Benson, Hector Bolitho, George Earle Buckle, Lord

Esher, Roger Fulford, and Richard Hough among others.[216] Queen Victoria was physically unprepossessing-she was stout, dowdy and only about five feet tall-but she succeeded in projecting a grand image.[217] She experienced unpopularity during the first years of her widowhood, but was well liked during the 1880s and 1890s, when she embodied the empire as a benevolent matriarchal figure.[218] Only after the release of her diary and letters did the extent of her political influence become known to the wider public.[98][219] Biographies of Victoria written before much of the primary material became available, such as Lytton Strachey's *Queen Victoria* of 1921, are now considered out of date. *In Haste with Aloha* - David W. Forbes 2017-04-30 This ambitious volume assembled by scholar David W. Forbes features a collection of ninety previously unpublished letters, as well as excerpts from two diaries, written between 1881 and 1885 by

Hawaiian royal consort Queen Emma Kaleleonālani. In *Haste with Aloha* illuminates the last five years of the Queen's life and makes available an important record of royal social life and customs in nineteenth-century Hawai'i. Much of her earlier correspondence has been published in two books by the late Alfons L. Korn: *The Victorian Visitors: An Account of the Hawaiian Kingdom, 1861-1866* and *News from Molokai: Letters between Peter Kaeo and Queen Emma, 1873-1876*. In her letters, almost all of which were written in English, Queen Emma provides a rare account of ali'i (royal) perspective, endowing modern readers and researchers with insight far beyond the limited available documentation of public speeches or printed statements. Besides the nuances of correspondence between the Queen and her recipients, there is much to be considered and analyzed in her descriptions of ali'i, many of them relatives to Emma, including Bernice Pauahi

Bishop and Ruth Ke'elikōlani. With few comparable Hawaiian historical primary resource texts in print, *In Haste with Aloha* is a welcome addition, making accessible a preserved and treasured collection of documents drawn primarily from the Hawai'i State Archives, along with diaries in Bishop Museum Library and Archives. Fully transcribed and with annotation by Forbes, editor of the monumental four-volume Hawaiian National Bibliography and annotator of *Hawaii's Story by Hawaii's Queen Liliuokalani*, this text sheds light on the lives of Hawai'i's ruling class in the decade leading up to climactic political transition.

[Interview with the Ghost of Queen Victoria](#) - John Townsend 2021-02-03  
Live from the Crypt is an hilarious information series with an undead chat show format where ghostly historical figures are interviewed by the crew of the show about their lives and experiences, featuring quirky illustrations, comic strips and Q&A-style text. In this volume, Queen Victoria shares the headaches

and heartaches that attended her long reign as head of the British Empire, including the death of her beloved husband Prince Albert - who makes a special guest appearance!

**Queen Victoria** - Hourly History 2016-09-19

The Queen of Great Britain and Ireland for 63 years, the mother of nine children and grandmother to 42, Queen Victoria's life was one of magnificent proportions. Victoria's childhood was difficult and lonely but from the time she took the throne aged just eighteen she blossomed into a powerful woman, both frivolous and formidable. Inside you will read about... □ An Unsentimental Marriage □ Race to Produce an Heir □ Finally an Adult and Finally a Queen □ V&A □ Die Shattenseite □ The Hungry Forties and Albert's Great Exhibition □ The Widow at Windsor And much more! In her later years, Victoria struggled to find balance between her wish to live a very private life as a widow and her duty to live the very public life

of a Queen and later Empress. The world Victoria was born into was a very different world to that which she left behind and her life story is an incredible journey from infant heir to matriarchal Queen and Empress.

**Queen Victoria** - Lucy Worsley 2019-05-16

Bestselling author and historian Lucy Worsley tracks a new course through Queen Victoria's life, examining how she transformed from dancing princess to the Widow of Windsor and became one of Britain's greatest monarchs along the way. Taking twenty-four significant days from Victoria's life, from her birth, her wedding, her coronation to her husband's death, and many more in between, allows us to see Victoria up close and personal, examining how she lived hour to hour. Published to coincide with the 200th anniversary of Queen Victoria's birth, this major new biography will celebrate Queen Victoria as a woman of her time, who lived an extraordinary life.

**Censoring Queen Victoria** -

Yvonne M. Ward 2015-04-07  
When Queen Victoria died, two gentlemen embarked on a monumental task: sorting through and making sense of her vast written legacy. For the first time, a British monarch's letters - carefully edited of course - were going to be published. The men chosen for the job were complex and peculiar characters. Viscount Esher, the consummate royal confidant, was blessed with charm, but he hid a secret obsession with Eton schoolboys and preyed upon his own son. Arthur Benson, schoolmaster and author, was plagued by depression, and he never felt at ease among the blue-blooded swells of the royal court. Together with King Edward VII, these men would decide how Victoria would be remembered. In their hands hundreds of volumes of the Queen's correspondence were whittled down to a mere three, and their decisions - and distortions - would influence perceptions of Victoria for generations to come. Based on unprecedented access to the

royal archives at Windsor Castle, *Censoring Queen Victoria* is a rare and fascinating piece of historical detective work, revealing aspects of the Queen-Empress that we were never meant to see.

**Queen Victoria and the Theatre of Her Age** - Richard W. Schoch 2004-04-24

A fresh and intimate portrait of Queen Victoria "at the play." Through Victoria's diary, artwork and correspondence we see her as enraptured spectator, bountiful patron and tyrannical director of private theatricals. At times she appears formidable. More frequently she is impudent, high-spirited and unruly; a woman who delights in gory melodramas and circus acts. *Queen Victoria and the Theatre of Her Age* gives readers a deeply personal account of her lifelong devotion to the stage. It will appeal to anyone interested in monarchy's place in popular culture.

**The Letters of Queen Victoria, a Selection from Her Majesty's**

## **Correspondence Between the Years 1837 and 1861 -**

Victoria (Queen of Great Britain) 1907

*Queen Victoria and The Romanovs* - Coryne Hall  
2020-02-15

Alexander III called Victoria 'a pampered, sentimental, selfish old woman,' while to her he was a sovereign whom she could not regard as a gentleman. But the Queen's son and two of her granddaughters married Romanovs.

*Queen Victoria's Book of Spells* - Ellen Datlow 2013-03-19

"Gaslamp Fantasy," or historical fantasy set in a magical version of the nineteenth century, has long been popular with readers and writers alike. A number of wonderful fantasy novels owe their inspiration to works by nineteenth-century writers ranging from Jane Austen, the Brontës, and George Meredith to Charles Dickens, Anthony Trollope, and William Morris. And, of course, the entire steampunk genre and

subculture owes more than a little to literature inspired by this period. Queen Victoria's *Book of Spells* is an anthology for everyone who loves these works of neo-Victorian fiction, and wishes to explore the wide variety of ways that modern fantasists are using nineteenth-century settings, characters, and themes. These approaches stretch from steampunk fiction to the Austen-and-Trollope inspired works that some critics call Fantasy of Manners, all of which fit under the larger umbrella of Gaslamp Fantasy. The result is eighteen stories by experts from the fantasy, horror, mainstream, and young adult fields, including both bestselling writers and exciting new talents such as Elizabeth Bear, James Blaylock, Jeffrey Ford, Ellen Kushner, Tanith Lee, Gregory Maguire, Delia Sherman, and Catherynne M. Valente, who present a bewitching vision of a nineteenth century invested (or cursed!) with magic. A Kirkus Reviews Best Fiction Book of 2013 At the Publisher's request, this title is being sold

without Digital Rights Management Software (DRM) applied.

*Victoria & Abdul (Movie Tie-In)*

- Shrabani Basu 2017-08-29

Soon to be a Major Motion Picture starring Dame Judi Dench from director Stephen Frears, releasing September 22, 2017. History's most unlikely friendship—this is the astonishing story of Queen Victoria and her dearest companion, the young Indian Munshi Abdul Karim. In the twilight years of her reign, after the devastating deaths of her two great loves—Prince Albert and John Brown—Queen Victoria meets tall and handsome Abdul Karim, a humble servant from Agra waiting tables at her Golden Jubilee. The two form an unlikely bond and within a year Abdul becomes a powerful figure at court, the Queen's teacher, her counsel on Urdu and Indian affairs, and a friend close to her heart. This marked the beginning of the most scandalous decade in Queen Victoria's long reign. As the royal household roiled with

resentment, Victoria and Abdul's devotion grew in defiance. Drawn from secrets closely guarded for more than a century, *Victoria & Abdul* is an extraordinary and intimate history of the last years of the nineteenth-century English court and an unforgettable view onto the passions of an aging Queen.

**Queen Victoria's Highland Journals** - Victoria (Queen of Great Britain) 2005

These journals cover the period from 1848 to 1882 provide a fascinating insight into the days she spent with her family in her much beloved Scottish Highlands. They provide a rare opportunity into the thoughts and reflections of the wife and mother who wore the Imperial crown.

**Leaves From the Journal of Our Life in the Highlands, From 1848 to 1861** - Queen of Great Britain Victoria

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Victoria** - Catherine Reef 2017  
A captivating biography about Queen Victoria (1819-1901), one of England's most fascinating royals. Her long reign was filled with drama, death, intrigue, and passion, and took place during a time of great transformation, an era that bears her name--the Victorian period. Full color. 8 x 10.

*The Mystery of Princess Louise* - Lucinda Hawksley 2013-11-21  
'Satisfyingly replete with eye-popping stories' Observer  
What was so dangerous about Queen Victoria's artistic tempestuous

sixth child, Princess Louise? When Lucinda Hawksley started to investigate, often thwarted by inexplicable secrecy, she discovered a fascinating woman, modern before her time, whose story has been shielded from public view for years. Louise was a sculptor and painter, friend to the Pre-Raphaelites and a keen member of the Aesthetic movement. The most feisty of the Victorian princesses, she kicked against her mother's controlling nature and remained fiercely loyal to her brothers - especially the sickly Leopold and the much-maligned Bertie. She sought out other unconventional women, including Josephine Butler and George Eliot, and campaigned for education and health reform and for the rights of women. She battled with her indomitable mother for permission to practice the 'masculine' art of sculpture and go to art college - and in doing so became the first British princess to attend a public school. The rumours of Louise's colourful love life persist even

today, with hints of love affairs dating as far back as her teenage years, and notable scandals included entanglements with her sculpting tutor Joseph Edgar Boehm and possibly even her sister Princess Beatrice's handsome husband, Liko. True to rebellious form, she refused all royal suitors and became the first member of the royal family to marry a commoner since the sixteenth century. Spirited and lively, *The Mystery of Princess Louise* is richly packed with arguments, intrigues, scandals and secrets, and is a vivid portrait of a princess desperate to escape her inheritance.

**Serving Victoria** - Kate

Hubbard 2013-04-30

During her sixty-three-year reign, Queen Victoria gathered around herself a household dedicated to her service. For some, royal employment was the defining experience of their lives; for others it came as an unwelcome duty or as a prelude to greater things. *Serving Victoria* follows the lives of six members of her

household, from the governess to the royal children, from her maid of honor to her chaplain and her personal physician. Drawing on their letters and diaries—many hitherto unpublished—*Serving Victoria* offers a unique insight into the Victorian court, with all its frustrations and absurdities, as well as the Queen herself, sitting squarely at its center. Seen through the eyes of her household as she traveled among Windsor, Osborne, and Balmoral, and to the French and Belgian courts, Victoria emerges as more vulnerable, more emotional, more selfish, more comical, than the austere figure depicted in her famous portraits. We see a woman who was prone to fits of giggles, who wept easily and often, who gobbled her food and shrank from confrontation but insisted on controlling the lives of those around her. We witness her extraordinary and debilitating grief at the death of her husband, Albert, and her sympathy toward the tragedies that afflicted her household. Witty, astute, and moving,

Serving Victoria is a perfect foil to the pomp and circumstance—and prudery and conservatism—associated with Victoria's reign, and gives an unforgettable glimpse of what it meant to serve the Queen.

**My Dearest, Dearest Albert** -

Karen Dolby 2018-09-20

Using excerpts from her letters and diaries, this book shows the very human face of Queen Victoria, from spirited young princess to caring Queen, passionate bride and loving mother to great-grandmother of a royal dynasty who gave her name to the age of improvement. Photographs of Queen Victoria most often show a plump Empress wearing widow's black; serious and regal. The posed portrait photos were stiff, formal affairs, partly because subjects needed to stay still for the exposure and partly because in Victorian England life was a

serious business. In reality, the character of Alexandrina Victoria, Queen of Great Britain and Ireland, and latterly in her long reign, Empress of India, is rather different. In private, at least, Victoria had a reputation for being fun-loving and entertaining. Victoria kept a daily journal from the age of thirteen, which by the time of her death ran to 122 volumes. She writes openly and in great detail, revealing herself to be emotional and honest about her own feelings and experiences, as well as her opinions of other people. She praises Albert and pours out her love and desire for her husband, her adored lover, friend and companion. This book shows the redoubtable Victoria at her most human, whether enthusing over her hobbies and interests, delighting in her children and grandchildren, commenting on the ten different Prime Ministers who served during her reign, or sharing her love for her dearest, dearest Albert.
