The Land Log-book - Sarah Hoding 2007

A memoir, Impressionistic, with much poetry, of an (Englishwoman's?) stay in the U.S. The place where she lives is not named, that I see; I assume it to be either in Western NY or PA, however, on the basis of various references to Native American tribes of that area. No travel is detailed.

The Dollar Crisis - Richard Duncan 2011-10-31

In this updated, second edition

of the highly acclaimed international best seller, The Dollar Crisis: Causes, Consequences, Cures, Richard Duncan describes the flaws in the international monetary system that have destabilized the global economy and that may soon culminate in a deflation-induced worldwide economic slump. The Dollar Crisis is divided into five parts: Part One describes how the US trade deficits, which now exceed US\$1 million a minute,

have destabilized the global economy by creating a worldwide credit bubble. Part Two explains why these giant deficits cannot persist and why a US recession and a collapse in the value of the Dollar are unavoidable. Part Three analyzes the extraordinarily harmful impact that the US recession and the collapse of the Dollar will have on the rest of the world. Part Four offers original recommendations that, if implemented, would help mitigate the damage of the coming worldwide downturn and put in place the foundations for balanced and sustainable economic growth in the decades ahead. Part Five, which has been newly added to the second edition, describes the extraordinary evolution of this crisis since the first edition was completed in September 2002. It also considers how the Dollar Crisis is likely to unfold over the years immediately ahead, the likely policy response to the crisis, and why that response cannot succeed. The Dollar Standard is inherently flawed and

increasingly unstable. Its collapse will be the most important economic event of the 21st Century.

In Course of True Love -

Sanjeev Ranjan, 2017-10-30

Some say all love stories are the same. A boy meets a girl and they fall in love eventually. But is that where the story ends? What about the journey they make together, the feelings they share, and the moments they live? Aarush is a reticent boy who has dreams of making it to a premier engineering college. Staying away from home and working hard towards his dreams, he falls in love under strange circumstances. That too, truly, madly, deeply. Can love happen at sixteen, or is it just a passing infatuation? A true yet unusual emotional love saga, *In Course of True Love* explores the reality of puppy love, and plumbs its depth, its warmth, and its true meaning.

Middle English Devotional

Compilations - Diana Denissen 2019-10-15
Middle English devotional compilations - consisting of a series of texts or extracts of texts that have intentionally been put together to constitute new and unified devotional texts - have often been approached as complex collections of source texts that need to be linked with their originals. This book argues that the study of compilations should move beyond the disentanglement of their sources. It approaches compiling as a literary activity and an active way of shaping the medieval text, with the aim to nuance scholarly discussion about compiling by putting greater emphasis on the literary instead of the technical aspects of compiling activity. In addition to describing the additions, omissions and other types of adaptations that compilers made to their source texts, *Middle English Devotional Compilations* highlights the nature and function of compiling activity in late medieval England, and

examines three major but understudied Middle English devotional compilations in depth: *The Pore Caitif*, *The Tretyse of Love* and *A Talkyng of the Love of God*.
