Paris to the Moon - Adam Gopnik 2001-12-18

Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk cafés, breathtaking façades around every corner--in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades--but his was above all a personal pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank café--a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning "Paris Journals" in *The New Yorker* know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. "We went to Paris for a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education."

The Chiffon Trenches - André Leon Talley 2021-04-27

NEW YORK TIMES BESTSELLER • From the pages of *Vogue* to the runways of Paris, this “captivating” (Time) memoir by a legendary style icon captures the fashion world from the inside out, in its most glamorous and most cutthroat moments. “The Chiffon Trenches honestly and candidly captures fifty sublime years of fashion.”—Manolo Blahnik NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Fortune • Garden & Gun • New York Post During André Leon Talley's first magazine job, alongside Andy Warhol at *Interview*, a fateful meeting with Karl Lagerfeld began a decades-long friendship with the enigmatic, often caustic designer. Propelled into the upper echelons by his knowledge and adoration of fashion, André moved to Paris as bureau chief of John Fairchild's *Women's Wear Daily*, befriendng fashion's most important designers (Halston, Yves Saint Laurent, Oscar de la Renta). But as André made friends, he also made enemies. A racially tinged encounter with a member of the house of Yves Saint Laurent sent him back to New York and into the offices of *Vogue* under Grace Mirabella. There, he eventually became creative director, developing an unlikely but intimate friendship with Anna Wintour. As she rose to the top of *Vogue's* masthead, André also ascended, and soon became the most influential man in fashion. *The Chiffon Trenches* offers a candid look at the who's who of the last fifty years of fashion. At once ruthless and empathetic, this engaging memoir tells with raw honesty the story of how André not only survived the brutal style landscape but thrived—despite racism, illicit rumors, and all the other challenges of this notoriously cutthroat industry—to become one of the most renowned voices and faces in fashion. Woven throughout the book are also André's own personal struggles that impacted him over the decades, along with intimate stories of those he turned to for inspiration (Diana Vreeland, Diane von Fürstenberg, Lee Radziwill, to name a few), and of course his Southern roots and faith, which guided him since childhood. The result is a highly compelling read that captures the essence of a world few of us will ever have real access to, but one that we all want to know oh so much more about.

The Mad Women's Ball - Victoria Mas 2021-09-07

A New York Times best historical novel of the year, adapted as a major film for Amazon Prime, this feminist literary thriller is set in Paris's infamous Salpêtrière asylum—now in paperback *The Salpêtrière Asylum: Paris, 1885*. Dr. Charcot holds all of Paris in thrall with his displays of hypnotism on women who have been deemed mad and cast out from society. But the truth is much more complicated—these women are often simply inconvenient, unwanted wives, those who have lost something precious, wayward daughters, or girls born from adulterous relationships. For Parisian society, the highlight of the year is the Lenten ball—the Mad Women's Ball—when the great and good come to gawk at the patients of the Salpêtrière dressed up in their finery for one night only. For the women themselves, it is a rare moment of hope. Genevieve is a senior nurse. After the childhood death of her sister Blandine, she shunned religion and placed her faith in both the celebrated psychiatrist Dr. Charcot and science. But everything begins to change when she meets Eugénie, the 19-year-old daughter of a bourgeois family that has locked her away in the asylum. Because Eugénie has a secret: she sees spirits. Inspired by the scandalous, banned work that all of Paris is talking

about, *The Book of Spirits*, Eugénie is determined to escape from the asylum—and the bonds of her gender—and seek out those who will believe in her. And for that she will need Genevieve's help . . .

The Russian Debutante's Handbook - Gary Shteyngart 2003-04-29

A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. *The Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed "Little Failure" by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

Sophie Whalen is a young Irish immigrant so desperate to get out of a New York tenement that she answers a mail-order bride ad and agrees to marry a man she knows nothing about. San Francisco widower Martin Hocking proves to be as aloof as he is mesmerizingly handsome. Sophie quickly develops deep affection for Kat, Martin's silent five-year-old daughter, but Martin's odd behavior leaves her with the uneasy feeling that something about her newfound situation isn't right. Then one early-spring evening, a stranger at the door sets in motion a transforming chain of events. Sophie discovers hidden ties to two other women. The first, pretty and pregnant, is standing on her doorstep. The second is hundreds of miles away in the American Southwest, grieving the loss of everything she once loved. The fates of these three women intertwine on the eve of the devastating earthquake, thrusting them onto a perilous journey that will test their resiliency and resolve and, ultimately, their belief that love can overcome fear. The Exiles - Christina Baker Kline 2020-08-25

AN INSTANT NEW YORK TIMES BESTSELLER OPTIONED FOR TELEVISION BY BRUNA PAPANDREA, THE PRODUCER OF HBO'S *BIG LITTLE LIES* "A tour de force of original thought, imagination and promise ... Kline takes full advantage of fiction — its freedom to create compelling characters who fully illuminate monumental events to make history accessible and forever etched in our minds." — *Houston Chronicle* The author of the #1 New York Times bestseller *Orphan Train* returns with an ambitious, emotionally resonant novel about three women whose lives are bound together in nineteenth-century Australia and the hardships they weather together as they fight for redemption and freedom in a new society. Seduced by her employer's son, Evangeline, a naïve young governess in early nineteenth-century London, is discharged when her pregnancy is discovered and sent to the notorious Newgate Prison. After months in the fetid, overcrowded jail, she learns she is sentenced to "the land beyond the seas," Van Diemen's Land, a penal colony in Australia. Though uncertain of what awaits, Evangeline knows one thing: the child she carries will be born on the months-long voyage to this distant land. During the journey on a repurposed slave ship, the Medea, Evangeline strikes up a friendship with Hazel, a girl little older than her former pupils who was sentenced to seven years transport for stealing a silver spoon. Canny where Evangeline is guileless, Hazel—a skilled midwife and herbalist—is soon offering home remedies to both prisoners and sailors in return for a variety of favors. Though Australia has been home to Aboriginal people for more than 50,000 years, the British government in the 1840s considers its fledgling colony uninhabited and unsettled, and views the natives as an unpleasant nuisance. By the time the Medea arrives, many of them have been forcibly relocated, their land seized by white colonists. One of these relocated people is Mathinna, the orphaned daughter of the Chief of the Lowreenne tribe, who has been adopted by the new governor of Van Diemen's Land. In this gorgeous novel, Christina Baker Kline brilliantly recreates the beginnings of a new society in a beautiful and challenging land, telling the story of Australia from a fresh perspective, through the experiences of Evangeline, Hazel, and Mathinna. While life in Australia is punishing and often brutally unfair, it is also, for some, an opportunity: for redemption, for a new way of life, for unimagined freedom. Told in exquisite detail and incisive prose, *The Exiles* is a story of grace born from hardship, the unbreakable bonds of female friendships, and the unfettering of legacy.

Toni Morrison's 'Beloved' - Justine Tally 2008-11-18

This work expands the scope of Morrison's project to examine the ways and means of memory in the preservation of belief systems passed down from the earliest civilizations (both the Classical Greek and the Ancient Egyptian) as a challenge to the sterility of modernity. Moreover, this research explores the author's specific use of Foucauldian theory as a vehicle for her narrative, which reclaims the very origins of civilization's primal concerns with life, procreation and regeneration, springing from the very Heart of Africa. Despite the weight of "white" authority and the disparaging of "blackness," *Beloved's* multiple "ghosts" conjure up a legacy so potent that no authoritarian discourse has been able to entirely erase it, a legacy that still speaks to us from a heritage we no longer acknowledge yet that nevertheless remains, and sustains us.

Little Labors - Rivka Galchen 2019-03-26

In paperback at last: Rivka Galchen's beloved baby bible—slyly hilarious, surprising, and absolutely essential reading for anyone who has ever had, held, or been a baby In this enchanting miscellany, Galchen notes that literature has more dogs than babies (and also more abortions), that the tally of children for many great women writers—Jane Bowles, Elizabeth Bishop, Virginia Woolf, Janet Frame, Willa Cather, Patricia Highsmith, Iris Murdoch, Djuna Barnes, Mavis Gallant—is zero, that orange is the new baby pink, that *The Tale of Genji* has no plot but plenty of drama about paternity, that babies exude an intoxicating black magic, and that a baby is a goldmine.

Truth & Beauty - Ann Patchett 2009-10-13

"A loving testament to the work and reward of the best friendships, the kind where your arms can't distinguish burden from embrace." — People New York Times Bestselling author Ann Patchett's first work of nonfiction chronicling her decades-long friendship with the critically acclaimed and recently deceased author, Lucy Grealy. Ann Patchett and the late Lucy Grealy met in college in 1981, and, after enrolling in the Iowa Writer's Workshop, began a friendship that would be as defining to both of their lives as their work. In Grealy's critically acclaimed and hugely successful memoir, *Autobiography of a Face*, she wrote about losing part of her jaw to childhood cancer, years of chemotherapy and radiation, and endless reconstructive surgeries. In *Truth & Beauty*, the story isn't Lucy's life or Ann's life, but the parts of their lives they shared together. This is a portrait of unwavering commitment that spans twenty years, from the long cold winters of the Midwest, to surgical wards, to book parties in New York. Through love, fame, drugs, and despair, this is what it means to be part of two lives that are intertwined...and what happens when one is left behind. This is a tender, brutal book about loving the person we cannot save. It is about loyalty and being uplifted by the sheer effervescence of someone who knew how to live life to the fullest.

Lessons from Madame Chic - Jennifer L. Scott 2012-11-06

Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming single mother who passionately embraces Parisian *joie de vivre*, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of *Lessons from Madame Chic* reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. *Lessons from Madame Chic* is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian *je ne sais quoi* in her own arrondissement.

The Corner - David Simon 2013-03-13

The crime-infested intersection of West Fayette and Monroe Streets is well-known--and cautiously avoided--by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

The State of Israel vs. the Jews - Sylvain Cypel 2021-09-28

PopMatters: Best Book of the Year From an award-winning journalist, a perceptive study of how Israel's actions, which run counter to the traditional historical values of Judaism, are putting Jewish people worldwide in an increasingly untenable position. More than a decade ago, the historian Tony Judt considered whether the behavior of Israel was becoming not only "bad for Israel itself" but also, on a wider scale, "bad for the Jews." Under the leadership of Benjamin Netanyahu, this issue has grown ever more urgent. In *The State of Israel vs. the Jews*, veteran journalist Sylvain Cypel addresses it in depth, exploring Israel's rightward shift on the international scene and with regard to the diaspora. Cypel reviews the little-known details of the military occupation of Palestinian territory, the mindset of ethnic superiority that reigns throughout an Israeli "colonial camp" that is largely in the majority, and the adoption of new laws, the most serious of which establishes two-tier citizenship between Jews and non-Jews. He shows how Israel has aligned itself with authoritarian regimes and adopted the practices of a security state, including the use

of technologies such as the software that enabled the tracking and, ultimately, the assassination of Saudi Arabian journalist Jamal Khashoggi. Lastly, *The State of Israel vs. the Jews* examines the impact of Israel's evolution in recent years on the two main communities of the Jewish diaspora, in France and the United States, considering how and why public figures in each differ in their approaches.

About Time - Vahram Muratyan 2014

Take it, make it, lose it, have it, kill it, spend it, save it, forget it, break it, set it, repeat it, keep it: time flies and time crawls. This may be your first time or your last time, or you may be stuck in a routine. How we experience time shapes our relationships, memories, dreams and ambitions. And only with time can possibility become reality. From the acclaimed illustrator and author of 'Paris Versus New York' comes a visual memoir, inspired by Vahram Muratyan's journeys across four continents, that all of us can relate to.

Art & Crime - Stefan Koldehoff 2022-07-12

A thrilling, eye-popping look at true crime in the billion-dollar art world. The art world is one of the most secretive of global businesses, and the list of its crimes runs long and deep. Today, with prices in the hundreds of millions for individual artworks, and billionaires' collections among the most conspicuous and liquid of their assets, crime is more rampant than ever in this largely unregulated universe. Increased prices and globalization have introduced new levels of fraud and malfeasance into the art world--everything from "artnapping," in which an artwork is held hostage and only returned for a ransom, to forgery and tax fraud. However, the extent of the economic and cultural damage that results from criminality in the global art scene rarely comes to light. The stories of high-stakes, brazen art crimes told by art experts Stefan Koldehoff and Tobias Timm are by turns thrilling, disturbing, and unbelievable (the imagination for using

art to commit crimes seems boundless). The authors also provide a well-founded analysis of what needs to change in the art market and at museums. From the authors of *False Pictures, Real Money* (about the Beltracchi art forgery case), *Art and Crime* includes a chapter on art owned by Donald Trump. It is a thoroughly researched, explosive, and highly topical book that uncovers the extraordinary and multifarious thefts of art and cultural objects around the world.

The Accident - Chris Pavone 2017-12-05

From the author of the New York Times-bestselling and Edgar Award-winning *The Expats* As dawn approaches in New York, literary agent Isabel Reed is turning the final pages of a mysterious, anonymous manuscript, racing through the explosive revelations about powerful people, as well as long-hidden secrets about her own past. In Copenhagen, veteran CIA operative Hayden Gray, determined that this sweeping story be buried, is suddenly staring down the barrel of an unexpected gun. And in Zurich, the author himself is hiding in a shadowy expat life, trying to atone for a lifetime's worth of lies and betrayals with publication of *The Accident*, while always looking over his shoulder. Over the course of one long, desperate, increasingly perilous day, these lives collide as the book begins its dangerous march toward publication, toward saving or ruining careers and companies, placing everything at risk—and everyone in mortal peril. The rich cast of characters—in publishing and film, politics and espionage—are all forced to confront the consequences of their ambitions, the schisms between their ideal selves and the people they actually became. The action rockets around Europe and across America, with an intricate web of duplicities stretching back a quarter-century to a dark winding road in upstate New York, where the shocking truth about the accident itself is buried. Gripping, sophisticated, layered, and impossible to put down, *The Accident* proves once again that Chris Pavone is a true master of suspense.
