Third Class in Indian Railways -
Mahatma Gandhi 1917

From the text: I have now been
in India for over two years and
a half after my return from
South Africa. Over one quarter
of that time I have passed on
the Indian trains travelling
third class by choice. I have
travelled up north as far as
Lahore, down south up to
Tranquebar, and from Karachi
to Calcutta. Having resorted to
third class travelling, among
other reasons, for the purpose
of studying the conditions
under which this class of
passengers travel, I have
naturally made as critical
observations as I could. I have
fairly covered the majority of
railway systems during this
period. Now and.

The Tenth Rasa - Michael
Heyman 2007

Welcome to the carnival of
nonsense where hankies turn
into mischievous cats, a
messiah is born with her feet in
her mouth, you can fave hun by
socking on the ree-raw and

your favourite corn cakes are made of . . . are you sure you want to know? For the last eighteen hundred years Indian arts have been seen in terms of strictly classified emotional effects known as the nine rasas. The Tenth Rasa: An Anthology of Indian Nonsense celebrates, for the very first time, what Sukumar Ray called the spirit of whimsy, or the tenth rasa, through the topsyturvy, irreverent, melodic genre of nonsense literature. This fabulous selection of poetry and prose, brilliantly translated from seventeen Indian languages across India, includes works by Rabindranath Tagore, Sukumar Ray, Vinda Karandikar, Gulzar, Dash Benhur, Manoj Das, Navakanta Barua, Mangesh Padgavkar, Sri Sri, Vaikom Mohammad Basheer, Kunjunni and other known, lesser-known and previously unpublished authors. In forms as varied as stories and songs for children and adults, lullabies, folk tales, Bollywood song lyrics and medieval court verse, the writers open doors to wildly

imaginative worlds populated by peculiar characters and fantastical creatures, where only nonsense makes perfect sense. Crackling with wit, wordplay and riotous rhymes, and frequently revelling in pure gibberish, this immensely entertaining collection will delight you from start to finish. **Buddha or Karl Marx** - Dr B.R. Ambedkar 2014-08-02 A comparison between Karl Marx and Buddha may be regarded as a joke. There need be no surprise in this. Marx and Buddha are divided by 2381 years. Buddha was born in 563 BC and Karl Marx in 1818 AD Karl Marx is supposed to be the architect of a new ideology-polity a new Economic system. The Buddha on the other hand is believed to be no more than the founder of a religion, which has no relation to politics or economics. Conquest of Self - Mahatma Gandhi 2021-06-28

This book contains Mahatma Gandhi's 1943 work, "Conquest Of Self". This inspiring text would make for a worthy addition to any personal library, and will be of special interest to fans and collectors of Mahatma Gandhi's seminal work. Mohandas Karamchand Gandhi (1869 - 1948) was the most significant leader in the Indian independence movement in British-ruled India. He championed non-violent civil disobedience, civil rights, and personal freedom for all people. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing

this volume now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

Waiting For A Visa - B. R. Ambedkar 2021-06-05

Waiting For A Visa This book is a result of an effort made by us towards making a contribution

to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to

omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Cobalt Blue - Sachin
Kundalkar 2016-08-02

Cobalt Blue is a tale of rapturous love and fierce heartbreak told with tenderness and unsparing clarity. Brother and sister Tanay and Anuja both fall in love with the same man, an artist lodging in their family home in Pune, in western India. He seems like the perfect tenant, ready with the rent and happy to listen to their mother's musings on the imminent collapse of Indian culture. But he's also a man of mystery. He has no last name. He has no family, no friends, no history, and no plans for the future. When he runs away with Anuja, he overturns the family's lives. Translated from Marathi by acclaimed novelist and critic Jerry Pinto, Sachin Kundalkar's elegantly wrought and exquisitely spare novel explores the disruption of a traditional family by a free-

spirited stranger to examine a generation in transition. Intimate, moving, sensual, and wry in its portrait of young love, Cobalt Blue is a frank and lyrical exploration of gay life in India that recalls the work of Edmund White and Alan Hollinghurst—of people living in emotional isolation, attempting to find long-term intimacy in relationships that until recently were barely conceivable to them.

This House of Clay and Water - Faiqa Mansab

2018-05-21

Set in Lahore, This House of Clay and Water explores the lives of two women. Nida, intelligent and lonely, has married into an affluent political family and is desperately searching for meaning in her life, while impulsive, lovely Sasha, from the ordinary middle class, willingly consorts with rich men who can satisfy her frantic longing for designer labels and upmarket places. Nida and Sasha meet at the famous Daata Sahib Dargah and

connect-their need to understand why their worlds feel so alien and empty bringing them together. On her frequent visits to the dargah, Nida also meets the gentle, flute-playing hijra Bhanggi, who sits under a bargadh tree and yearns for acceptance and affection, but is invariably shunned. A friendship-fragile, tentative and tender-develops between the two, both exiles within their own lives; but it flies in the face of all convention and cannot be allowed. Faiqa Mansab's accomplished and dazzling debut novel explores the themes of love, betrayal and loss in the complex, changing world of today's Pakistan.

Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides

people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. The figures quoted in this memorandum have been taken from various books and pamphlets written by various

writers on the subject of reconstituting Maharashtra on a linguistic basis. I rely upon the writers for their accuracy. Similarly, the map of Maharashtra attached to this Memorandum need not be taken as accurate or complete. The idea is merely to give a picture of how the Province when reconstituted will look like.

Why I am an Atheist and Other Works - Bhagat Singh
2019

Bhagat Singh is a name that became synonymous with revolution in India's struggle for Independence. This young boy brought about a change in the way people thought about freedom. He was well read and fought extensively for rights - his own, his comrades' and his countrymen's. A discussion with a friend soon turned into a matter of self-assessment for

Bhagat Singh, leading to a discourse on why he chose to be an atheist. Even in the face of death at a very young age, his uncanny observation leads to his putting forth some pertinent questions. On another occasion, he was disappointed with his father's plea in court for his innocence and chose to write a letter to him. This book is a collection of eighteen of his valued writings from within the walls of prison and outside it, which show us the resolve in his words, and the bravery in his acts subsequently.

Bhimrao Ramji Ambedkar 1995

Press in India - India. Office of the Registrar of Newspapers 2001

Biography of Dr. BR Ambedkar - Rph Editorial Board 2020-10
Dr. Bhimrao Ambedkar was an Indian jurist, scholar, political leader and a Buddhist revivalist. He was the Chief Architect of the Indian Constitution. He played a great role in framing of Indian Constitution. He was the first Law Minister of India. He spent his whole life fighting against

Social discrimination and untouchability. He was posthumously awarded the highest civilian award: the Bharat Ratna, in 1990. Dr. Ambedkar is viewed as messiah of dalits and downtrodden in India. Though he was the son of large family of then called 'Untouchable' Mahar caste, still he managed to get the highest degree of education and scaled even higher political heights and wisdom. The inside pages contain an interesting and elevating account of how an average boy of a lowcaste and not so rich family fought against the discrimination and became the messiah of dalits and downtrodden in India. The book also gives its readers minute detail about his life and personality. We hope the book will prove successful in clinching the readers' interest.

Mr Gandhi and Emancipation of the Untouchables - B. R. Ambedkar 2021-07

In response to the invitation of the Chairman of the Indian section of the Institute of Pacific Relations, I wrote in August last year a Paper on the Problem of the Untouchables of India for the Session of the Conference which was due to be held on December 1942 at Mont' Trablant in Quebec in Canada. The Paper is printed in the proceedings of the Conference. Ever since it became known that I had written such a Paper, the

leaders of the Untouchables and Americans interested in their problem have been pressing me to issue it separately in the form of a book and make it available to the general public. It was not possible to refuse the demand. At the same time I could not without breach of etiquette publish the paper until the

proceedings of the Conference were made public. I am now told by the Secretary of the Pacific Relations Conference that the proceedings have been made public and there can be no objection to the publication of my Paper if I desired it. This will explain why the Paper is published nearly 10 months after it was written.
