**Two Brothers, Four Hands** - Jan Greenberg

2019-04-23

The inspiring true story of the Giacometti brothers, one an artist, the other a daredevil, both devoted to their craft . . . but even more devoted to each other. A Notable Social Studies Trade Book for Young People A Capitol Choices Noteworthy Title Everyone who knew them agreed. Alberto was the genius of the family. His younger brother Diego was his opposite--he didn't care much for books or schoolwork, and he had no idea what he would be when he grew up. But despite their differences, the two brothers shared an intense bond. Alberto Giacometti became one of the iconic artists of the twentieth century, whose tall, spindly sculptures grace the collections of museums around the world. Diego was always at his side, helping and encouraging, and in his spare time creating remarkable pieces of furniture, works of sculpture in their own right. The poignant story of brothers and sculptors Alberto and Diego Giacometti is skillfully brought to life in the hands of multiple Sibert Honor authors Jan

Greenberg and Sandra Jordan, and the spectacular artwork of Hadley Hooper. This lavishly illustrated 64-page book includes extensive backmatter, complete with a timeline, source notes, photographs, and an essay on how to look at a Giacometti sculpture. 1998

**Giacometti Alberto et Diego, l'histoire cachée** - Claude Delay 2007-09-12

Un couple. De leur vie d'homme, ils ne se quitteront. Aucune femme ne peut les séparer, une seule les unit : la mère. L'oeuvre d'Alberto - ses femmes immobiles, rivées au sol, ses hommes qui marchent dans l'abîme -, cette oeuvre de commencement du monde aurait-elle pu exister sans Diego le sauveur ? Rythme binaire des deux frères sculpteurs, exilés à Paris depuis leur montagne natale. Alberto le nocturne et Diego le diurne, Alberto le causeur intarissable, le harangueur, et Diego le silencieux, Alberto le génie rapace, météore de

l'angoisse, et Diego l'indestructible, le bénéfique, son artisan et sa main d'oeuvre. Alberto deviendra mondial, Diego restera confidentiel jusqu'à la mort d'Alberto, et prendra alors son envol. En plongeant dans cette complicité du sang et du destin, au bord de l'indicible, ce livre part à la rencontre du mystère intime entre tous : la création.

En perspective, Giacometti - Patrick Ramade  
2008

En perspective, Giacometti propose une approche inédite de l'oeuvre du grand sculpteur dans une confrontation saisissante avec quinze artistes contemporains à l'occasion d'une exposition présentée au musée des Beaux-Arts de Caen. Imaginée autour de thèmes caractéristiques de l'univers poétique de Giacometti : Empreinte, Mémoire, Fragments, Visions..., elle ouvre le chapitre inattendu et inexploré de la postérité de l'artiste.

**Le livre international des ventes** - 1992

*World Collectors Annuary* - Frederik A. van Braam 1978

Posthumous Art, Law and the Art Market - Sharon Hecker 2022-04-29

This book takes an interdisciplinary, transnational and cross-cultural approach to reflect on, critically examine and challenge the surprisingly robust practice of making art after death in an artist's name, through the lenses of scholars from the fields of art history, economics and law, as well as practicing artists. Works of art conceived as multiples, such as sculptures, etchings, prints, photographs and conceptual art, can be—and often are—remade from original models and plans long after the artist has passed. Recent sales have suggested a growing market embrace of posthumous works, contemporaneous with questioning on the part of art history. Legal norms seem unready for this surge in posthumous production and are beset by conflict across jurisdictions. Non-Western

approaches to posthumous art, from Chinese emulations of non-living artists to Native American performances, take into account rituals of generational passage at odds with contemporary, market-driven approaches. The book will be of interest to scholars working in art history, the art market, art law, art management, museum studies and economics.

*The Maeght Family* - Yoyo Maeght 2007-05  
If modern art has a first family, it might very well be the Maeghts, whose gallery in Paris provided a literal and figurative base for so many 20th-century masters. Here for the first time ever in book form is the story of this extraordinary family, filled with illustrations and documents by some of the legendary artists associated with it: Matisse, Braque, Duchamp, Mir, Chagall, Calder, Kandinsky, Giacometti, and

many others. Spinning this remarkable tale with an authority and in-depth knowledge that only family members could provide, Isabelle and Yoyo Maeght recount key events in the family's life, including the Maeghts' greatest legacy of all, the world-renowned Aim and Marguerite Maeght Foundation, home to some of the greatest masterpieces of modern art and an architectural marvel in its own right. L'Oeil du décorateur.

**Surreal Things** - Victoria and Albert Museum  
2007

Surrealism, one of the influential movements of the 20th century, had a profound impact on all forms of culture. Containing over 350 illustrations, this book examines its impact in the wider fields of design and the decorative arts and its sometimes uneasy relationship with the commercial world.

**A Century of Artists Books** - Riva Castleman  
1997-09-01

Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years.

Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and

Pablo Picasso.

**Art in France, 1900-1940** - Christopher Green  
2000-01-01

This study sets developments within the frameworks both of their unstable social, political and intellectual world and of the official and independent institutions of art.

**The American Matisse** - Metropolitan Museum of Art (New York, N.Y.) 2009

"In a career spanning over six decades, the New York art dealer Pierre Matisse (1900-1989) contributed substantially to the advancement of modern art. At his eponymous gallery on East Fifty-seventh Street, he showed several now legendary artists for the first time outside Europe. The collection--paintings, sculpture, and drawings by Balthus, Bonnard, Chagall, Derain, Dubuffet, Giacometti, Magritte, and the dealer's own father, Henri Matisse, among others--was donated to The Metropolitan Museum of Art in 2004 by the foundation established by his widow. These extraordinary artworks are presented with informative entries addressing the circumstances of each work's creation and the dealer's relationship to the artist. In the introduction, the story of Pierre Matisse's early struggles in New York is told for the first time and illustrated with previously unpublished archival photographs."--Provided by publisher.

**L'Oeil, revue d'art** - 2003

*Les Revenantes* - Pierre Daix 2008-08-20  
Aux tout derniers jours de l'Allemagne nazie, Julia - dont le mari s'est tué à Paris pour lui épargner la torture dans les locaux de la Gestapo -, Claudine, infirmière communiste, Lucette, mannequin de haute couture, Gisèle, violoniste, se trouvent brusquement libérées d'un centre de réclusion en Saxe. Katie, officier anglais sortie d'un camp de la mort, les y rejoint. Elles découvrent qu'elles sont un gage dans une tentative de paix lancée lors de la chute du Reich par Himmler, patron des SS. Ceux-ci se déchargent de la tâche de les conduire en Suède sur Franz Werfer, lieutenant de la Wehrmacht. Tandis que les armées russe et américaine établissent leur jonction sur l'Elbe, ces femmes rencontrent le fond de l'enfer dans l'Allemagne disloquée. Franz se décide alors à les conduire chez les Alliés tout proches. Roger, maquisard reconverti en correspondant de guerre, va les y

escorter. Charles, rescapé, attend Julia au Lutetia, à Paris, où rentrent les déportés. Tel est le point de départ du roman *Les revenantes*. La victoire venue, qui voudrait entendre d'où et de quoi elles reviennent ? Et pourront-elles retrouver la vie «normale» des jours sans guerre ? Pierre Daix a vécu, à la fin d'avril 1945, la libération des femmes occidentales détenues à Mauthausen. Il a écrit entre 2001 et 2008 ce roman de survivant qu'il a porté sa vie durant. Né en 1922 à Ivry-sur-Seine, Pierre Daix a interrompu des études d'histoire pour entrer dans la Résistance à l'automne 1940, puis a été déporté à Mauthausen. Rédacteur en chef des *Lettres françaises* de 1948 à 1972, il collabore après 1980 au *Quotidien de Paris* et au *Figaro littéraire*. Il a publié, entre autres, seize romans et une autobiographie : *Tout mon temps*. Historien d'art, il a également écrit de

nombreuses monographies de peintres. *Seurat, 1859-1891* - Robert L. Herbert 1991  
A volume which embodies an entire generation of scholarship on the artist. Seurat's brief but brilliant career is traced from his early academic drawings of the 1870s to the paintings of popular entertainments and the serene landscapes of his final years.
