The Horror of Love - Lisa Hilton 2012-12-04
The dramatic love story of two extraordinary individuals--Nancy Mitford and free French commander Gaston Palewski--living in extraordinary times. "Oh, the horror of love!" Nancy Mitford once exclaimed to her sister Diana Mosley. Elegant and intelligent, Nancy was a reknowned wit and a popular author. Yet this bright, waspish woman gave her heart to a well-known philanderer who went on to marry another woman. Was Nancy that unremarkable thing—a deluded lover—or was she a remarkable woman engaged in a sophisticated love affair? Gaston Palewski was a Free French commander and one of the most influential politicians in post-war Europe. She supported him throughout his tumultuous career and he inspired some of her best work, including *The Pursuit of Love*. Lisa Hilton's provocative and emotionally challenging book reveals how, with discipline, gentleness, and a great deal of elegance, Nancy Mitford and Gaston Palewski achieved an affair of the heart.

National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

My Dear Hamilton - Stephanie Dray
2018-04-03

USA Today Bestseller "An edge-of my seat immersion into historical events...No study of Alexander Hamilton would be complete without reading this book." —Karen White, New York Times bestselling author "The best book of the year!" —Kate Quinn, New York Times bestselling author of *The Alice Network* *Wife, Widow, and Warrior* in Alexander Hamilton's quest for a more perfect union From the New York Times bestselling authors of *America's First Daughter* comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow's biography *Alexander Hamilton* and fans of Lin-Manuel Miranda's *Hamilton: the Musical*. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza's story as it's never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American

legacy in her own right. A general's daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton, Washington's penniless but passionate aide-de-camp, she's captivated by the young officer's charisma and brilliance. They fall in love, despite Hamilton's bastard birth and the uncertainties of war. A founding father's wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America's first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza's hard-won peace, the grieving widow fights her husband's enemies to preserve Alexander's legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. Questioning her tireless devotion to the man and country that have broken her heart, she's left with one last battle—to understand the flawed man she married and imperfect union he could never have created without her...

The End of Your Life Book Club - Will Schwalbe 2012-10-02

"What are you reading?" That's the question Will Schwalbe asks his mother, Mary Anne, as they sit in the waiting room of the Memorial Sloan-Kettering Cancer Center. In 2007, Mary Anne returned from a humanitarian trip to Pakistan and Afghanistan suffering from what her doctors believed was a rare type of hepatitis. Months later she was diagnosed with a form of advanced pancreatic cancer, which is almost always fatal, often in six months or less. This is the inspiring true story of a son and his mother, who start a "book club" that brings them together as her life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Their list jumps from classic to popular, from poetry to mysteries, from fantastic to spiritual. The issues they discuss include questions of faith and courage as well as everyday topics such as expressing gratitude and learning to listen. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn't the opposite of doing; it's the opposite of dying. Will and Mary Anne share their hopes and concerns with each other—and rediscover their lives—through their favorite books. When they read, they aren't a sick person and a well person, but a mother and a son taking a journey together. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will's love letter to his mother, and theirs to the printed page. This eBook edition includes a Reading Group Guide.

Investigating Iwo - Breanne Robertson 2019

"Investigating Iwo encourages us to explore the connection between American visual culture and World War II, particularly how the image

inspired Marines, servicemembers, and civilians to carry on with the war and to remember those who made the ultimate sacrifice to ensure victory over the Axis Powers. Chapters shed light on the processes through which history becomes memory and gains meaning over time. The contributors ask only that we be willing to take a closer look, to remain open to new perspectives that can deepen our understanding of familiar topics related to the flag raising, including Rosenthal's famous picture, that continue to mean so much to us today"--

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton

and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.
