Langenscheidt Pocket Dictionary German - Langenscheidt 2014-12-23

Value priced, durable, and easily portable, this dictionary is ideal for students and travelers. Around 50,000 references Robust vinyl cover User-friendly layout with all main headwords in blue for quick reference Comprehensive vocabulary with many idiomatic and colloquial expressions Useful appendices with extra grammar information 48-page Activity Section **Oxford School German Dictionary** - Valerie Grundy 2017

This new edition has been revised to offer up-to-date vocabulary for students learning German at primary school and into their first years in secondary school in a format that is ideal for carrying in school bags. Students can build their German words and phrases the easy way both at home at school. The simple and clear translations are quick to find using the alphabet down the

side of the page and the guide words at the top of the page. Grammar support is given in the full verb tables in the middle of the dictionary to support recognizing different verb inflections and tenses. A flavour of culture is given in the special section on everyday life in German-speaking countries. Clear and easy to use, it is the ideal dictionary to grow vocabulary and build confidence creating and translating sentences in German.

Milet Picture Dictionary - Sedat Turhan

2005-05-01

"A thoroughly original picture dictionary featuring beautiful artwork. The vibrant pictures encourage the reader's creativity while learning to identify objects and words."--Amazon.com.

Allen's Dictionary of English Phrases - Robert

Allen 2008-08-07

Allen's Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken. Taking over 6000 phrases, it explains their meaning, explores their

development and gives citations that range from the Venerable Bede to Will Self. Crisply and wittily written, the book is packed with memorable and surprising detail, whether showing that 'salad days' comes from Antony and Cleopatra, that 'flavour of the month' originates in 1940s American ice cream marketing, or even that we've been 'calling a spade a spade' since the sixteenth century. Allen's Dictionary of English Phrases is part of the Penguin Reference Library and draws on over 70 years of experience in bringing reliable, useful and clear information to millions of readers around the world - making knowledge everybody's property.

5 Language Visual Dictionary - Dorling Kindersley Publishing, Inc 2003

Labeled drawings provide a wide range of everyday terms from the telephone to human anatomy in English, French, German, Italian, and Spanish.

The Oxford-Duden Pictorial Spanish-English Dictionary - Manuel Alvar Ezquerro 1985

Spanish & English vocabulary printed with pictures on the same page. Index in English. Includes technical pictures in two languages.

The Oxford English Dictionary - John Andrew Simpson 1991

The Red Room - August Strindberg 2020-10-26
Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the

Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia. *My First Book of German Words* - Katy R. Kudela 2009-07

"Simple text paired with themed photos invite the reader to learn to speak German"--Provided by publisher.

Castle Rackrent - Maria Edgeworth 2018-09-21

Reproduction of the original: Castle Rackrent by Maria Edgeworth

The Brain That Changes Itself - Norman Doidge 2007-03-15

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with

half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. *Let's Learn English Picture Dictionary* - Marlene Goodman 2003-02-21

Created by leading educators, these colorful, large-size dictionaries introduce beginning language learners to more than 1,550 commonly taught basic words. Each Let's Learn Language Picture Dictionary in the series boasts 30 delightful two-page spreads that vividly illustrate the meanings of words. Fun-filled panoramas

focus on scenes familiar to children aged three through eight, such as home life, the classroom, city life, sports, the zoo, and even outer space! Learners will love to revisit these detailed depictions of people, places, actions, and objects, each time improving their recall. Featured words are set off with individual illustrations and definitions to help learners at various levels build vocabulary. Includes an index and glossary of all the individually illustrated words. An ideal selection of first word books for parents and teachers who want to encourage second language acquisition. *The Dictionary of Lost Words* - Pip Williams 2021-04-06

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • “Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded.”—The New York Times Book Review “A marvelous fiction about the power of

language to elevate or repress.”—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme’s place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word *bondmaid* flutters beneath the table. She rescues the slip and, learning that the word means “slave girl,” begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women’s and common folks’ experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the *Dictionary of Lost Words*. To do so she must leave the sheltered world of the university and venture out to meet the people

whose words will fill those pages. Set during the height of the women’s suffrage movement and with the Great War looming, *The Dictionary of Lost Words* reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. *The Dictionary of Lost Words* is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD
A Usage Dictionary English-German / German-English - Gebrauchswörterbuch Englisch-Deutsch / Deutsch-Englisch - Gabriele Stein 2013-08-29

The dictionary is based on a new concept which takes into account recent developments and findings in lexicographical research. It combines the best features of monolingual and bilingual dictionaries as well as learner dictionaries.

Every sense of a word is first fully explained and then provided with translation equivalents. The grammatical behaviour of the words, their construction patterns are described in a language that is clear and easy to understand. Every sense of a word, every construction pattern is illustrated with an example. These example sentences are given in English and German so that the word looked up is shown in actual use and the translation guarantees its understanding and promotes retention. Special care is taken to explain differences between English and German in language use and culture. A new reader-friendly layout ensures that users will easily and speedily find the answer to what they want to know.

This small dictionary offers the most accurate and up-to-date coverage of essential, everyday vocabulary with over 40,000 words and phrases and 60,000 translations.

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to

adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

German-English Bilingual Visual Dictionary

- DK 2017-04-18

The is the perfect pocket reference for those
