Compass - James B. Stenson 2003

Compass summarizes the lessons and experiences of parents to help them succeed as leaders for their children. Author and Educator James Stenson relates thirty years' experience with parents who have lived as great leaders in family life and have succeeded with their sacred mission: to raise their children right. How they did it and why they did it are the focus of this book: forming character, countering the consumer culture, understanding discipline and dealing with the influence of mass media. In Compass, he shares his insights about leadership in family life and how this parental guidance is vitally important. Listen to author James Stenson speak about "Successful Fathers".

Connect to core World Geography content with an accessible, student-friendly text built on the principles of Understanding by Design.

Traditions & Encounters - Jerry H. Bentley 2020

"This is History Book. It explored the grand scheme of world history as a product of real-life human beings pursuing their individual and collective interests. It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies. It has combined a clear chronological framework with the twin themes of traditions and encounters, which help to make the unwieldy story of world history both more manageable and more engaging. From the beginning, Traditions & Encounters offered an inclusive vision of the global past-one that is meaningful and appropriate for the interdependent world of contemporary times"--
