Novels in Three Lines - Félix Fénéon 2011-08-17

A NEW YORK REVIEW BOOKS ORIGINAL Novels in Three Lines collects more than a thousand items that appeared anonymously in the French newspaper Le Matin in 1906—true stories of murder, mayhem, and everyday life presented with a ruthless economy that provokes laughter even as it shocks. This extraordinary trove, undiscovered until the 1940s and here translated for the first time into English, is the work of the mysterious Félix Fénéon. Dandy, anarchist, and critic of genius, the discoverer of Georges Seurat and the first French publisher of James Joyce, Fénéon carefully maintained his own anonymity, toiling for years as an obscure clerk in the French War Department. Novels in Three Lines is his secret chef-d'oeuvre, a work of strange and singular art that brings back the long-ago year of 1906 with the haunting immediacy of a photograph while looking forward to such disparate works as Walter Benjamin's Arcades Project and the Death and Disaster series of Andy Warhol.

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

The spirits' book - Allan Kardec 2021-11-11

After you have read The Spirits' Book, you will no longer have any reason to fear death. The Spirits' Book will provide you with the answers to nearly all the questions you may have with regards to the origin, nature and destiny of each and every soul on earth - and those of other worlds as well. It also addresses the issues of God, creation, moral laws and the nature of spirits and their relationships with humans. The book contains answers that were dictated to mediums by highly evolved spirits who love God. The Spirits' Book is the initial landmark publication of a Doctrine that has made a profound impact on the thought and view of life of a considerable portion of humankind since the first French edition was published in 1857.

How to Make People Like You in 90 Seconds or Less - Nicholas Boothman 2008-07-02

Whether selling, managing, negotiating, planning, collaborating, pitching, instructing-or on your knees with a marriage proposal-the secret of success is based on connecting with other people. Now that connection is infinitely easier to make through Nicholas Boothman's program of rapport by design. How to Make People

Like You in 90 Seconds or Less is the work of a master of Neuro-Linguistic Programming whose career is teaching corporations and groups the secrets of successful face-to-face communication. Aimed at establishing rapport-that stage between meeting and communicating-How to Make People Like You focuses on the concept of synchrony. It shows how to synchronize attitude, synchronize body language, and synchronize voice tone so that you instantly and imperceptibly become someone the other person likes. Reinforcing these easy-to-learn skills is knowing how to read the other person's sensory preferences-most of us are visual, some are kinesthetic, and a minority are auditory. So when you say "I see what you mean" to a visual person, you're really speaking his language. Along the way the book covers attitude, nervousness, words that open a conversation and words that shut it down, compliments, eye cues, the magic of opposites attracting, and more. It's how to make the best of the most important 90 seconds in any relationship, business or personal.

Como convencer alguém em 90 segundos - Nicholas Boothman 2017-07-10

Neste livro, Nicholas Boothman procura ensinar como usar o rosto, o corpo, a atitude e a voz para causar uma primeira impressão marcante, estabelecendo confiança imediata e criando vínculos de credibilidade em diversas situações.

History and Memory - Jacques Le Goff 1992

In this brilliant meditation on conceptions of history, Le Goff traces the evolution of the historian's craft. Examining real and imagined oppositions between past and present, ancient and modern, oral and written history, History and Memory reveals the strands of continuity that have characterized historiography from ancient Mesopotamia to modern Europe.

Como Conquistar uma Mulher em 15 Minutos - Eduardo Santorini 2015-01-26

Alguma vez você já parou para pensar por que alguns homens conseguem ser tão atraentes para as mulheres enquanto a maioria deles luta para conseguir um simples telefone? Conquistar uma mulher não tem nada a ver com o quão bonito você é, nem com o tamanho da sua conta bancária. Também não tem nada a ver com talento ou dom. Na verdade, a conquista é uma habilidade social, como qualquer outra, e pode ser aprendida por todos, da mesma forma que você pode aprender a tocar um instrumento musical ou a dirigir. Neste guia, o autor explica, de forma simples e didática, como você poderá conquistar aquela garota especial em apenas 15 minutos de conversa.

The Conquest of America - Tzvetan Todorov 1999

The Conquest of America is a fascinating study of cultural confrontation in the New World, with implications far beyond sixteenth-century America. The book offers an original interpretation of the Spaniards' conquest, colonization, and destruction of pre-Columbian cultures in Mexico and the Caribbean. Using sixteenth-century sources, the distinguished French writer and critic Tzvetan Todorov examines the beliefs and behavior of the Spanish conquistadors and of the Aztecs, adversaries in a clash of cultures that

resulted in the near extermination of Mesoamerica's Indian population.

Confissões de um homem livre - Luiz Alberto Mendes 2015

Aos doze anos, Luiz Alberto Mendes fugiu de casa. Com dezenove foi preso, acusado de assalto e homicídio. Passou pela Febem e depois cumpriu pena em várias casas de detenção. Em 1984, fugiu e foi recapturado. Quase dez anos depois, teve o seu regime semiaberto revogado ao ser preso em flagrante por roubo. Confissões de um homem livre narra os seus últimos anos como presidiário e é um dos raros relatos sinceros sobre o mundo do crime e como sobreviver a ele. A narrativa é seca, nervosa e direta. A reflexão do narrador sobre as suas ações e desejos é de uma honestidade desconcertante, mostrando a impressionante trajetória de um escritor que, pelas vicissitudes da vida, tornou-se criminoso.

Mindset - Carol S. Dweck 2007-12-26

From the renowned psychologist who introduced the world to “growth mindset” comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes “It’s not always the people who start out the smartest who end up the smartest.” After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Churchill - Andrew Roberts 2018-11-06

NEW YORK TIMES BESTSELLER One of The Wall Street Journal’s Ten Best Books of 2018 One of The Economist’s Best Books of 2018 One of The New York Times’s Notable Books of 2018 “Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain’s savior.” —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood—by the bestselling, award-winning author of Napoleon and The Last King of America. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In Churchill, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill’s contemporaries. The Royal Family permitted Roberts—in a first for a Churchill biographer—to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill’s legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts’s masterwork reveals that he has as much to teach us about the challenges leaders face today—and the fundamental values of courage, tenacity, leadership and moral conviction.

The Truth About Love and Dukes - Laura Lee Guhrke 2017-03-28

USA Today bestselling author Laura Lee Guhrke’s continues her Victorian-era historical series with the tale of an affair gone wrong—and a second act for true love. Henry, Duke of Torquil, wouldn’t be caught reading the wildly popular “Dear Lady Truelove” column, but when its advice causes his mother to embark on a scandalous elopement, an outraged Henry decides the author of this tripe must be stopped before she can ruin any more lives. Though Lady Truelove’s identity is a closely guarded secret, Henry has reason to suspect the publisher of the notorious column, beautiful and provoking Irene Deverill, is also its author. For Irene, it’s easy to advise others to surrender to passion, but when she meets the Duke of Torquil, she soon learns that passion comes at a price. When one impulsive, spur-of-the-moment kiss pulls her into a scorching affair with Henry, it could destroy her beloved newspaper, her career, and her independence. But in the duke’s arms, surrender is so, so sweet . . .

The Power of Habit - Charles Duhigg 2012-02-28

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of Getting Things Done: The Art of Stress-Free Productivity “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of Drive and A Whole New Mind “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

The Conquest of Bread - Peter Kropotkin 2013-04-10

The Scorpion's Sweet Venom - Bruna Surfistinha 2010-10-01

"If I'm going to be a prostitute, I refuse to be an ordinary one." Known to her clients as "Bruna the Surfer Girl," Surfistinha is the beautiful 17-year-old Brazilian run-away from a middle class family who detailed online her three years working as a prostitute in a posh Brazilian suburb. Her candid and explicit entries on life as a high-class call girl caught the attention of millions and set off a vigorous national debate about sexual identity, values, and practices. As a result, Bruna became an immediate celebrity, the Paris Hilton of Brazil. Here, in The Scorpion's Sweet Venom, she draws back the sheets to reveal the whole story. Bruna writes passionately about her estranged family, her out-of-control drug use, her unbridled sexuality, and her unusual adventures in the world's oldest profession. "I have seen and done everything," she confesses. "There is nothing left that scares me." Part memoir, part cautionary tale, part sex guide, Bruna brings to life the raw, desperate and dangerous underbelly of the Brazilian sex trade, and shares outrageous advice for the bedroom, like what men really want but are too afraid to ask. Provocative, seductive and unforgettable, The Scorpion's Sweet Venom is the vivid account of a young girl's life on the street, and a fearless expression of human sexuality. Bruna Surfistinha is the pseudonym of a now twenty-something Brazilian prostitute who attracted the attention of the Brazilian public after she published sexually charged diary entries on her blog, www.brunasurfistinha.com. She currently lives in Sao Paolo.

The Game - Neil Strauss 2012-05-01

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these

lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

The Book of Disquiet - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

Ajnismo Na Descodificação Da Mulher - André Zabeu 2016-08-04

O Ajnismo veio para ajudar o homem a descodificar a mulher. Não é uma ciência feita para torna-los videntes e ou um homem super poderoso para lidar, adivinhar e ler pensamentos femininos. O objetivo é superior. Foi feito para que o homem dê 10 passos a frente do meio caminho andado que uma mulher faz em direção a ele.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the

targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

The Rogue Not Taken - Sarah MacLean 2015-12-29

Lady Sophie's Society Splash When Sophie, the least interesting of the Talbot sisters, lands her philandering brother-in-law backside-first in a goldfish pond in front of all society, she becomes the target of very public aristocratic scorn. Her only choice is to flee London, vowing to start a new life far from the aristocracy. Unfortunately, the carriage in which she stows away isn't saving her from ruin . . . it's filled with it. *Rogue's Reign of Ravishment!* Kingscote, "King," the Marquess of Eversley, has never met a woman he couldn't charm, resulting in a reputation far worse than the truth, a general sense that he's more pretty face than proper gentleman, and an irate summons home to the Scottish border. When King discovers stowaway Sophie, however, the journey becomes anything but boring. War? Or More? He thinks she's trying to trick him into marriage. She wouldn't have him if he were the last man on earth. But carriages bring close quarters, dark secrets, and unbearable temptation, making opposites altogether too attractive . . .

How to Make Someone Fall in Love With You in 90 Minutes or Less - Nicholas Boothman 2009-01-09

Building on the power of first impressions, Nicholas Boothman shows how to find and meet the love of your life—and have that person fall in love with you—in a mere 90 minutes, or approximately the time it takes to have a first dinner date. Now in paperback, this follow-up to his bestselling *How to Make Someone Like You in 90 Seconds or Less* is updated throughout with information on Internet dating, bringing together all of Mr. Boothman's considerable interpersonal skills to the problem of finding lasting love, fast. And it works: The feedback Boothman has received from a number of his clients begins, "Please come to my wedding. . . ." Starting with a series of revealing self-assessment tests that show how to find your Matched Opposite (a person who makes you feel complete), here is how to make a fabulous first impression, with tips on everything from attitude to accessories; how to be charming, not alarming; introductions, opening lines, and the 1-2-3 mantra of never hesitating. There are techniques for starting and maintaining conversation and for finding "Me Too" moments, plus the importance of flirting, incidental touching, rules of self-disclosure, and more. Real-life examples and analyses of actual conversations show the method at work.

Pilgrims - Elizabeth Gilbert 2009-11-23

The cowboys, strippers, labourers and magicians of *Pilgrims* are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls hopelessly for the local bully's sister. These are tough heroes and heroines, hardened by their experiences, who struggle for their epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, *Pilgrims* is filled with Gilbert's inimitable humour and warmth.

How the Duke Was Won - Lenora Bell 2016-04-26

The pleasure of your company is requested at Warbury Park. Four lovely ladies will arrive... but only one can become a duchess. James, the scandalously uncivilized Duke of Harland, requires a bride with a spotless reputation for a strictly business arrangement. Lust is prohibited and love is out of the question. Four ladies. Three days. What could go wrong? She is not like the others...Charlene Beckett, the unacknowledged daughter of an earl and a courtesan, has just been offered a life-altering fortune to pose as her half-sister, Lady Dorothea, and win the duke's proposal. All she must do is: * Be the perfect English rose [Ha!] * Breathe, smile, and curtsy in impossibly tight gowns [blast Lady Dorothea's sylph-like figure] * Charm and seduce a wild duke [without appearing to try] * Keep said duke far, far from her heart [no matter how tempting] When secrets are revealed and passion overwhelms, James must decide if the last lady he should want is really everything he needs. And Charlene must decide if the promise of a new life is worth risking everything . . . including her heart.
