**Sahih Muslim Volume 4** - Imam Abul Muslim 2021-01-05

The fourth volume in a new translation of Sahih Muslim, the second most authentic collection of Prophetic traditions, with Imam Nawawi's commentary. Imam Nawawi's commentary on Sahih Muslim is one of the most highly regarded works in Islamic thought and literature. Accepted by every sunni school of thought, and foundational in the Shaafi school, this text, available for the first time in English, is famed throughout the Muslim world. After the Qur'an, the prophetic traditions are the most recognised source of wisdom in Islam. Amongst the collected Hadith, Sahih Muslim is second only to the the collection of Imam Bukhari. With a commentary by Imam Nawawi, whose other works are amongst the most widely-read books on Islam, and translated by Adil Salahi, a modern scholar of great acclaim, this immense work, finally available to English readers, is an essential addition to every Muslim library, and for anybody with an interest in Islamic thought.

**When The Moon Split** - Tabassum Siraj 2020-12-16

This book about an Islamic theological issue. For theories of formation of the Moon which involve fragments, see Origin of the Moon Accretion. The splitting of the moon (Arabic: انشقاق القمر) is a miracle in Muslim

tradition attributed to the Islamic prophet Muhammad. It is derived from the Quran, Surah Al Qamar verses 54:1-2, and mentioned by Muslim traditions such as the Asbab al-nuzul (context of revelation).

**Muhammad** - Adil Salahi 1998

Both the Gospel and the Torah mention Muhammad as the last of Allah's Prophets. In this account of Muhammad's life from his childhood in the desert to his divine revelations and early preaching, the author places the story in an historical context, making an analysis of events which led to Muhammad's triumphant march into Mecca in 630 AD.

**Al-Adab al-Mufrad with Full Commentary** - 2018-07-13

Al-Adab al-Mufrad, an anthology of 1329 hadiths, is a treasured work in Muslim history by one of its most respected scholars, Imam Bukhari. In preparing this selection of hadiths Imam Bukhari aimed to set out a model to follow for successful relations within the Muslim community as well as interaction between Muslims and non-Muslims based on the Prophetic example, and that of Muhammad's closest companions. All of the hadiths are directly related to the standards of manners and morality Islam wants to prevail, and Muslims throughout the world have been guided by it since its preparation over a millennium ago. Famed for the reliability and strength of his work, Imam Bukhari exclusively used hadith that do not go below the grade of "Good", or "Hasan", and since they are focused on manners and moral values, they are upheld by scholars. What distinguishes the present work is that it includes a contemporary commentary, clearly emphasising the relevance of the Prophet's teachings in our modern and complex societies. This pioneering addition marks it out as perhaps the first English work commenting on and explaining a full anthology of hadiths. The translator and author of the commentaries, Adil Salahi, has a long history of research in the Seerah and Hadith, and he wrote extensively on both. This work puts together the best of his writings on the Prophet's teachings in the area of morality and private and social manners.

Muhammad: Man and Prophet - Adil Salahi 2010-03-01

The Prophet Muhammad initiated one of the most significant religious and cultural developments in human history, bringing the religion of Islam to the world. Adil Salahi's compelling biography traces the life of the Prophet Muhammad from his birth and childhood to the triumph of Islam and its hold on Arabia. The author sets this against a fascinating historical backdrop. His careful analysis of the Prophet's life is written

with today's Muslim and non-Muslim readers in mind: Muslims will further their comprehension of their faith, and non-Muslims will come to understand the love Muslims have for their Prophet.

The Qur'an - Bruce Lawrence 2008-03-18

A "timely and provocative" biography of Islam's foundational text: "The history of the book is a map of the world we live in today" (Tribune-Review). Few books in history have been as poorly understood as the Qur'an. Sent down in a series of revelations to the Prophet Muhammad, the Qur'an is the unmediated word of Allah: a ritual, political, and legal authority; an ethical and spiritual guide; and a literary masterpiece that inspires devotion, passion, fear, and sometimes incomprehension. In *The Qur'an*, historian and Islamic Studies professor Bruce Lawrence shows precisely how the Qur'an is the embodiment of Islam. He describes the origins of the faith in seventh-century Arabia and explains why the Qur'an is memorized and recited by devout Muslims. Lawrence also discusses the Qur'an's commentators and doubters and assesses its tremendous influence on today's societies and politics. Above all, Lawrence emphasizes that the Qur'an is a sacred book of signs that cannot be reduced to a single, obvious message. It is a book that demands interpretation and one that can be properly understood only through its long and storied history. "An important work for those seeking to understand—and defend—Islam." —Kirkus Reviews

Muslim Woman's Participation in Mixed Social Life - Abd Al-Halim Abu Shuqqah 2022-03

The emancipation of women cannot be complete unless it is coupled with the emancipation of men. This can only be accomplished by drawing our social values from the Qur'an and the sunnah. In this volume, the author shows that mixed social life was the pattern in the early Muslim society established by the Prophet. This author's study of authentic sayings of the Prophet Muhammad will illustrate the status of the Muslim woman that is greatly different from what is assumed in most Muslim societies today.

**Sahih Muslim (Volume 2)** - Imam Abul-Husain Muslim 2019-10-08

Imam Nawawi's commentary on Sahih Muslim is one of the most highly

regarded works in Islamic thought and literature. Accepted by every sunni school of thought, and foundational in the Shaafi school, this text, available for the first time in English, is famed throughout the Muslim world. After the Qur'an, the prophetic traditions are the most recognised source of wisdom in Islam. Amongst the collected Hadith, Sahih Muslim is second only to the the collection of Imam Bukhari. **Living by the Point of My Spear** - Zaki Ameen 2009-03

In the course of his career as an Imam, the author realized how the teaching of Muhammad and the Quran were used to deceive followers in order to gain control, money, and power. Thus began his journey to write a true biography of Muhammad and the true story of Islam.

**The First Muslim** - Lesley Hazleton 2014-02-04

The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah

hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. The First Muslim illuminates not only an immensely significant figure but his lastingly relevant legacy.

[The Qur'an](#) - 2019-05-15

The Qur'an is God's word. It was revealed to Prophet Muhammad through the Angel Gabriel 1,400 years ago and has been preserved in its original form ever since, guiding humankind to the Islamic creed and legislation, informing them of the stories of earlier prophets and their communities and calling people to believe in Allah, the One. Millions of people have learned its entirety by heart throughout every generation since it was first revealed. Nearly every Muslim memorises parts of it, and most recite a portion of it every day. No book, religious or otherwise, is read and recited or listened to as frequently as the Qur'an. Those who recite it in Arabic are always eager to do more, aware of its inimitable clarity, rhythm and brevity, yet modern English readers have had limited

access to its meanings, with most reliant upon translations prepared in archaic English, unappealing to the contemporary reader. In this new translation the renowned author and scholar Adil Salahi has endeavoured to put the meanings of the Qur'anic verses and surahs in simple and straightforward form, so that the 21st century reader may find it concise easy to access, and yet full of expansive expression.

*The Debate on Participation in Social Life and on Face Uncovering* - Abd Al-Halim Abu Shuqqah 2023-01-17

The emancipation of women cannot be complete unless it is coupled with the emancipation of men. This can only be accomplished by drawing our social values from the Qur'an and the sunnah. In this volume, the author shows that mixed social life was the pattern in the early Muslim society established by the Prophet. **The Humanity of Muhammad** - Craig Considine 2020-09-01

What makes an American Catholic of Irish and Italian descent one of the leading global voices in admiration of Prophet Muhammad? In this overview of Muhammad's life and legacy, prominent scholar Craig Considine provides a sociological analysis of Muhammad's teachings and example. Considine shows how the Prophet embraced religious pluralism, envisioned a civic nation, stood for anti-racism, advocated for seeking knowledge, initiated women's rights, and followed the Golden Rule. Considine sheds light on the side of Prophet Muhammad that is often forgotten in mainstream depictions and media narratives. The Humanity of Muhammad is Considine's contribution to the growing body of literature on one of history's most important human beings.

**Muhammad: His Character and Conduct** - Adil Salahi 2014-08-18

Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions, he showed the way to live a life that provides for all the needs of body, mind, and soul, and elevates man's aspirations towards a sublime ideal in a very simple, direct, and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings, and rulers, calling on them to believe in God and to follow His message, yet, at the same time, he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists, and various other detractors, this book aims to show Muhammad's true character in detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed *Muhammad: Man and Prophet* and *Pioneers of Islamic Scholarship*, and the English translation of the eighteen-volume *In the Shade of the Qur'an*. His main career has been in radio and print journalism, and for over thirty years he was editor of "Islam in Perspective," a twice-weekly full-page column in the *Arab News*, a Saudi daily newspaper.

**The Qur'an** - Muhammad Abdullah Draz 2017-10-10

This book is unique in its approach to the Qur'an. It argues the point that only God could author such a book, and that Muhammad could have never produced anything like it. While this objective has been attempted by several Muslim scholars who highlighted one aspect or another of the topics highlighted in the Qur'an, Dr. Draz's work is perhaps the first that relies totally on the merits of the Qur'anic text for an irrefutable proof. Dr. Draz discusses the arguments made at the time of the Prophet and later on which suggested that the Qur'an was taught to Muhammad by various teachers, and shows how they all collapse at the first test. When he has irrefutably established the fact that the Qur'an could only be a divine revelation, Dr. Draz goes on to analyze the Qur'anic style, showing how it combines merits that could never be found together in any human writing. Equipped with a profound literary sense and a powerful Arabic style, Dr. Draz discusses the main characteristics of the Qur'anic style, as well as the unity of theme that runs through each

chapter, or surah. The work is now presented to English readers as it gives students of the Qur'an valuable insight, enabling them to understand the Qur'an better.

**The Five Pillars of Islam** - Musharraf Hussain 2012-10-10

Sahih Muslim (Volume 5) - 2021-08

**The Qur'an and Its Study** - Adnan Muhammad Zarzur 2020-04-14

Over the course of six sections, this rich reference book explores the various areas of Qur'anic studies:- its language, - the history of its documentation, - its many disciplines, - the methods of interpretation, - its inimitability, - and finally, as a work of art. The themes explored also include the impact of the Qur'an on Islamic civilisation, as well as the various classical sub-disciplines of Qur'anic studies, including the study of the variant readings (qira'at), the reasons for revelation (asbab al-nuzul), and abrogation (naskh). Unlike some other works, Prof Zarzur also explores contemporary scholarship on the Qur'an, notably through a critical evaluation of modern tendencies such as the claim that the Qur'an contains scientific miracles, and an evaluation of some of the most recognised modern works of Qur'anic commentary (tafsir).

*Sahih Muslim (Volume 2): With the Full Commentary by Imam Nawawi* - Imam Abul-Husain Muslim 2019-10-08

**Muslim Woman's Participation in Social Life** - Abd Al-Halim Abu Shuqqah 2021-08

The emancipation of women cannot be complete unless it is coupled with the emancipation of men. This can only be accomplished by drawing our social values from the Qur'an and the sunnah. In this volume, the author shows that mixed social life was the pattern in the early Muslim society established by the Prophet. This 8-volume series is the author's abridged version of his longer work with the same title, spanning a 25-year study

of the main sources of Islamic teachings: the Qur'an and the authentic sunnah. The author's study comprised 14 great anthologies of hadiths, but in his book he only rarely includes hadiths from any anthology other than the two most authentic ones of al-Bukhari and Muslim. This series will illustrate the status of the Muslim woman that is greatly different from what is assumed in most Muslim societies today.

**Faith First** - Magdy Al-Hilali 2020-10-08

Faith First is based on a simple premise: Begin with faith, and the rest will follow. This comprehensive handbook emphasizes the centrality of awakening the heart from slumber and strengthening faith as the primary stepping stone in our journey to God. Dr. Magdy al-Hilali skillfully weaves verses of the Quran, hadiths, and quotes from classical works and contemporary scholars into an indispensable guide on faith and self-development. Readers will find this volume, translated and adapted by MAS Publishing, easy to navigate, relevant, and brimming with stories and practical tips. Part I explores foundational concepts in the relationship between heart and faith. Part II outlines eleven methods for growing faith in ourselves and the hearts of others, including fear, prayer, charity, loving the mosques, and good company. The crowning highlight of the book is a chapter on the Quran which introduces readers to the art of Quranic reflection and the ideal relationship between servants and the book of God. DR. MAGDY AL-HILALI has written more than thirty books in Arabic on spirituality, the Quran, and self-improvement. Millions of readers have benefitted from his personable writing style, practical emphasis, and meticulous research.

*The Lives of Muhammad* - Kecia Ali 2014-10-07

Kecia Ali delves into the many ways the Prophet's life story has been told from the earliest days of Islam to the present, by both Muslims and non-Muslims. Emphasizing the major transformations since the nineteenth century, she shows that far from being mutually opposed, these various perspectives have become increasingly interdependent.
