With Every Breath - Maya Banks 2016-08-23
#1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling Slow Burn series with this fourth book—a mesmerizingly sexy tale of a strong, brilliant woman who encounters the one man who makes her lose all control. Eliza Cummings fought free of a monster who terrorized her when she was an innocent teenager and helped put him away for good. She took a job with Devereaux Security Services and devoted every hour to taking down the very thing she'd nearly become. No one, not even those closest to her, know her darkest, shameful secrets. But now the killer has been set free on a legal loophole and it's only a matter of time before he comes for her. Eliza's only choice is to run and lead the monster away from the people she loves. Wade Sterling has always lived by his own rules, a law unto himself who answers to no one. He's never professed to be a good man, and he's definitely not hero material. Wade never allows anyone close enough to see the man behind the impenetrable mask—but one woman threatens his carefully leashed control. He took a bullet for her and the result was more than a piece of metal entrenched in his skin. She was under his skin and nothing he did rid himself of the woman

with the courage of a warrior and who thinks nothing of putting her life before others. But when Wade sees a panicked and haunted Eliza he knows something is very wrong, because the fool woman has never been afraid of anything. And when she tries to run, the primal beast barely lurking beneath his deceptively polished façade erupts in a rage. She may not know it, but she belongs to him. This time, Eliza isn't going to play the protector. She was damn well going to be the protected. And as long as Wade breathes, no one will ever hurt what is his.

Carole A. Feuerman - Carole Feuerman 1999 "Carole A. Feuerman's sculpture combines surrealist technique with a humanist approach to her subjects. This first monograph on her work is filled with David Finn's dramatic photographs covering two decades of her work, including many enlarged details and multiple views, providing a cinematic, almost three-dimensional experience. The work - in resin, cast marble, bronze, and other materials, often painted - ranges from early erotic reliefs through

full-scale sculptures of athletes and nudes. Her women at their toilette are sculptural tours-de-force, yet their intimacy recalls Degas's works on similar themes. Recent fragments and body mappings are experiments with abstraction, deconstruction and conceptualism, at the same time that they explore the emotional life of their subjects penetrating to their spirit." "All of Feuerman's work reflects the two aspects of her vision. Her work is motivated by questions about the nature of reality, and her remarkable skill as an artist leads the viewer to the same questions. Yet beyond the simulacrum of reality, Feuerman also manages to convey the feeling behind the intense physicality, the passion and sensuality behind the seemingly mundane pose."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Jane Eyre - Charlotte Bronte 2021-01-07
Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its title character, including her growth to adulthood, and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalisation of the action--the focus is on the gradual unfolding of Jane's moral and spiritual sensibility, and all the events are coloured by a heightened intensity that was previously the domain of poetry--Jane Eyre revolutionised the art of fiction. Charlotte Brontë has been called the 'first historian of the private consciousness' and the literary ancestor of writers like Joyce

and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novel's exploration of classism, sexuality, religion, and proto-feminism.

Anne Frank - Anne Frank 1999-03
