Angel Spells - Maria D' Andrea 2014-11-07

NOW IT IS POSSIBLE TO SPEAK DIRECTLY TO AN ANGEL - IN THEIR OWN LANGUAGE - TO REQUEST ** GUIDANCE -- ** PROTECTION -- ** LOVE -- ** FINANCIAL REWARD -- ** RELIEF FROM ANXIETY AND STRESS -- - A RETURN TO SOBRIETY AND A RELEASE FROM ALCOHOLISM AND DRUG ADDICTION AND BY GOD'S DIRECTIVE THEY MUST FULFILL YOUR REQUEST! For centuries, man has sought to reach out to God's servants and messengers in a real-world, palpable way that leaves no room for spiritual doubt. In the time of Queen Elizabeth I in England, world famous occultist Dr. John Dee and his helper, Edward Kelley, developed a system for contacting angels that came to be called "Enochian Magick." Dee's system has survived the centuries and been passed down to us. "ANGEL SPELLS - THE ENOCHIAN OCCULT WORKBOOK OF CHARMS, SEALS, TALISMANS AND CIPHERS" offers the reader a history lesson on Dee's method for contacting angels, including its origins in the Jewish and Christian mystical traditions. The book includes an exclusive interview with author Aaron Leitch, who still practices Dee's methods over 400 years later. For those not quite ready to dive into the more complex aspects of Enochian Angel magick, simpler - but just as effective - methods are taught here by psychic Maria D'Andrea, who provides step-by-step instructions to petition specific angels for help with any problem, large or small. A dozen talismans created by Ms D' Andrea are provided each corresponding with a different Arch Angel. And as a bonus

supplement, we have included Bishop Allen Greenfield's classic work, "SECRET CIPHER OF THE UFONAUTS," to assist in contacting angelic aliens in their own language and to aid in decoding what they have spoken to us! This fascinating work includes all the talismans and symbols and ciphers you need to set up your own angel altar so that you may proceed with contacting the celestial kingdom in an organized effort.

The Greater Magickal Angels - Damon Brand
2015-04-23

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because

they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own *Magickal Angels* the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

The 72 Angels of the Name - Baal Kadmon
2015-08-16

In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

Success Magick - Damon Brand 2020-03-11
There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use

Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

THE ANGELS ARE COMING! You are not alone. Whatever obstacle or challenge you face, whatever threat or adversary looms before you, whatever ability you seek to gain or mountain of life you want to conquer, divine angelic help is ready to intervene on your behalf. When the unlimited power of magickal angels stand with you, obstacles become opportunities, low times become springboards for better days, relationships blossom, illness becomes wellness, challenges become victories and miracles happen! In *Angels of Miracles and Manifestation*, best-selling spiritual, magickal and paranormal author Embrosewyn Tazkuvel, reveals the secrets to summoning true magickal angels. And once called, how to use their awesome divine power to transform your compelling needs and desires into manifested reality. Angel magick is the oldest, most powerful and least understood of all methods of magick. Ancient books of scripture from multiple religions tell of the marvelous power and miracles of angels. But the secrets of the true angel names, who they really are, their hierarchy, their stewardship responsibilities, their sigils, and how to successfully call them and have them work their divine magick for you, was lost to the world as a large part of it descended into the dark ages. But a covenant was made by the Archangel Maeádael to the Adepts of Magick that as the people of the world evolved to a higher light the knowledge and power of angels would come again to the earth during the time of the Generation of Promise. That time is now. We are the Generation of Promise that has been foretold of for millennium. And all that was lost has been restored. It doesn't matter what religion or path of enlightenment and empowerment that you travel: Wicca, Christianity, Pagan, Jewish, Buddhist, Occult, Muslim, Kabbalah, Vedic, something else or none at all. Nor does your preferred system of magick from Enochian, Thelemic, Gardnerian, Hermetic, to Tantric matter. Once you know the true names of the mighty angels, their unique sigils, and the simple but specific way to summon them, they will come and they will help you.

John Dee and the Empire of Angels - Jason Louv
2018-04-17

A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light

speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

Angels of Wrath - Gordon Winterfield 2017-06-20

This is not a book of casual curses, but a book of peace and justice. Angels are powerful beings that can be called to work great and wrathful wonders. If your sincere intent is to cause harm, confusion or disruption, the angels will comply. Should you have any fear that this work is evil or an abuse of angelic contact, then read no further. This book is for those who have sensed the might of angels and wish to turn their power to deeds that many would believe to be dark. Far from being the delightful creatures of peace found in New Age artwork, angels are spiritual beings of immense strength, and this strength

can manifest as wrath. Whether you are new to magick or quite experienced, this book will introduce you to a lesser-known group of angels. When called in combination, these angels have the power to cause devastation to your enemies. Such workings are as powerful as a curse, and often more targeted and cunning. There are twenty-nine powers to be revealed: The angels can bind, destroy defenses, remove wealth and destroy a business, while rendering your victim too weak to respond and unable to see what you are doing. You will have the power to silence and confuse, bringing illness and insomnia to those who trouble your life. For more severe enemies, you can bring the wrath of judgment upon them, and remove their ability to find spiritual sanctuary. You can produce hatred between those you name, while causing anxiety, dark moods and memory loss, with confusion of the heart and mind. There is a ritual to prevent your enemies from working magick. This angelic magick will only work if you are sincere in your intentions. It cannot be used to instigate casual cruelty. This is not a book of evil to delight the wicked, but a book of harmony. If you have been wronged, this book gives you the power to restore your personal peace.
