The Daily Show (The Book) - Chris Smith
2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant

comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

[The Angelic Origins of the Soul](#) - Tricia McCannon 2017-10-24

A journey into the immortal nature of the Soul, the landscapes of Heaven, and the purpose behind your incarnation on Earth • Reveals the connection between the soul and the orders of Angels and provides a roadmap to the realms of Heaven and Hell • Explains the six stages of Soul Evolution and the Nine Orders of Angels • Describes the many dimensions between the highest celestial realms and the lower Astral plane and the Genesis Matrix, our angelic place of origin Your Soul is a divine light originating within the Angelic Orders of Heaven. The Tibetan Book of the Dead speaks about the seven Lokas, or dimensions, the Soul travels through after death, while the Egyptian Book of the Dead refers to the Soul becoming one with the ever-renewing phoenix. Yet what is the phoenix but a symbol of our own Angelic Twin

who resides in the highest realms, the essence of our Soul? In this book, Tricia McCannon explains how to discover the angelic realms where the highest parts of yourself reside and become the catalyst for your own path of ascension.

Exploring the Soul's angelic origins, the Nine Orders of Angels, and the multi-dimensional landscapes of Heaven, McCannon takes you on the journey each Soul makes as it descends from the higher vibrational realms to arrive in the world of form. Drawing from the perennial wisdom of the Gnostics, Tibetans, Egyptians, Buddhists, Hindus, Hebrew mystics, and the ancient Mystery traditions, she looks at what our ancient ancestors have to say about the nature and history of the Soul. She reveals how, once embodied, the Soul loses its ability to vibrate with the highest celestial levels causing it to forget its purpose. She addresses how our illusion of separation from Divine Oneness arises, causing us to move away from the Light and become wrapped up in the Shadow of fear and suffering. She explains the six stages of Soul Evolution we must pass through to heal the wounds of separation, reawaken to higher vibrations, and remember our Soul's purpose, the reason your Soul chose this incarnation. McCannon shares stories from those who have returned from the Otherside, tales of revelation, temples of learning, and crystal cities of light. Presenting the great Course Curriculum of the Soul, the lessons we must master to complete our missions on Earth, the author shows that by remembering our divine essence we can move beyond conflict and struggle to embrace the love and joy that reside eternally at the core of our being.
