Treble Exposure - ANNE. MORICE 2021-10-04

A mystery, first published in 1987.

The Sixth Station - Linda Stasi 2013-12-01

Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church,

and a mysterious relic stained with the sacred blood of Christ Himself.

Apocalypse - Jacques Ellul 2020-05-05

“There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation].” —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. “Architecture in movement” is the key to understanding Revelation’s puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul’s thorough engagement with Revelation.

Simply Brilliant - Bernhard Schroeder 2016-10-25

Do you label yourself as “just a numbers person”? Do you pigeonhole your capabilities to merely that of an analyst or other “non-artist”? Stop feeding yourself these lies and learn how even you can tap into the creative genius driving Silicon Valley’s success stories and begin brainstorming innovation solutions to your company’s challenges. Using his CreativityWorks framework, creativity and innovation expert Bernhard Schroeder explains how to break out of your self-imposed mental box, reignite natural curiosity, and move step by step through a set of exercises that help individuals and teams. In Simply Brilliant, learn how to: Fuel creativity through tight deadlines; Create more ideas in brainstorming sessions; Radically improve products; Find inspired solutions using tools such as IdeaGen, SCAMPER, Tempero, and the Phoenix List Let go of the “I’m not creative” mindset; And open the door to imagination and limitless opportunity! Even a “numbers person” like you can capture markets with your company’s next innovative idea.
