In Dust and Ashes - Anne Holt 2019-06-18

The final nail-biting installment in the ten-part, award-winning Hanne Wilhelmsen series—bestselling in Norway and throughout Europe—from Scandinavia’s most celebrated female crime writer, Anne Holt. Police investigator Kjell Bonsaksen is a contented man in most areas of life, but for one mistake he made years ago that has rankled like a stone in his shoe ever since: in 2001, a two-year-old girl was killed by a speeding car while playing in the road in front of her home. The marriage of the toddler’s grief-stricken parents dissolved in the wake of the accident, and not long thereafter, the girl’s mother died under mysterious circumstances. The girl’s father, Jonas, was convicted of his ex-wife’s murder and sentenced to twelve years in prison. But Kjell Bonsaksen knew he was innocent. Now it’s 2016, and Kjell is looking forward to his retirement to the French countryside with his wife. An uncomfortable chance encounter with Jonas at a roadside gas station prompts him to dig out Jonas’s case files for Detective Henrik Holme, the resident cold case prodigy. Henrik doesn’t take long to convince his beloved mentor, Hanne Wilhelmsen, that Jonas was wrongly convicted for his ex-wife’s murder. As their investigation evolves, Hanne and Henrik uncover eerie connections to the recent suicide of a right-wing extremist blogger whose fanatic ideologies seem incompatible with a desire to die. Masterfully plotted, *In Dust and Ashes* is the outstanding finale to Anne Holt’s award-winning, politically and socially conscious series, confirming Hanne Wilhelmsen as a character who will “get in your head—and stay there” (Entertainment Weekly).

Holding her secrets close, she can’t resist the comforting draw coming from The Skipper. The unconditional friendships it offers, the protective roof it provides, and the spark that its owner ignites in her—melting the frost off her heart, and slowly stripping away her resistance. His life flows from one crisis to the next. Under the pressure of competition crowding him out of his family’s pub and the need to protect his children from the ruins of a bad marriage, he barely breathes. That is until a mane of strawberry-blond hair and a set of big, pale blue eyes, shake him up. He never expected the shadow of a woman he finds on the floor of his washroom to bring him the air—the balance and the light he’s been missing.

The Autobiography of Miss Jane Pittman - Ernest J. Gaines 2012-10-24

"This is a novel in the guise of the tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner's Dilsey in *The Sound And The Fury*." Miss Jane Pittman, like Dilsey, has 'endured,' has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works *The Odyssey* for the way his heroine's travels manage to summarize the American history of her race, and *Huckleberry Finn* for the clarity of her voice, for her rare capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, *Newsweek*. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner's *Light In August* than Miss Jane Pittman." -- Josh Greenfeld, *Life*

The Four Winds - Kristin Hannah 2021-02-02
"The Bestselling Hardcover Novel of the Year."-- Publishers Weekly
From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice

will come to define a generation.

It appears she's been murdered, mere weeks before the trial in her \$100 million lawsuit against her former financial manager, and Massachusetts Chief Medical Examiner Kay Scarpetta doubts it's a coincidence. She also fears the case may have a connection with her computer genius niece, Lucy. In *Dust*, Scarpetta and her colleagues are up against a force far more sinister than a sexual predator who fits the criminal classification of a "spectacle killer." The murder of Gail Shipton soon leads deep into the dark world of designer drugs, drone technology, organized crime, and shocking corruption at the highest levels.

The Autobiography of Miss Jane Pittman -

Patrick Badonnel 2005-10-21

Written as the recollection of a 110-year-old woman, "Miss Jane", *The Autobiography of Miss Jane Pittman* is the narrative of African-American history from the Declaration of Emancipation to the Civil Rights movement of the 1960s. Gaines's masterpiece is meant to represent the interpretation of the events of a century through the central character's uneducated but streetwise vision. Carefully built on a historical structure, the book relies on a well-mastered stylistic technique that mixes several literary genres, providing the reader with a deep insight into the African American experience. Inevitably, such central issues as "black pride", human dignity, ethics or the nature of freedom are raised and the reader finds himself actively involved in the reconstruction of a black subject whom "history" had relegated in the footnotes of a "Manifest Destiny" written by revisionist ideologues.

Patrick BADONNEL, former chair of the "Agrégation", is full professor of American literature at the Sorbonne Nouvelle University (Paris III), where he teaches seminars on the

African American subject and on psychoanalytical criticism. He is the author of several books on American contemporary writers (with Professor C. Maisonnat) and has written extensively on William Styron's work. Also interested in the short story he is the author (with C. Maisonnat) of *La Nouvelle Anglo-saxonne. The Book of Dust: La Belle Sauvage (Book of Dust, Volume 1) - Philip Pullman 2019-06-04

NEW YORK TIMES BESTSELLER Philip Pullman returns to the parallel world of *His Dark Materials*--now an HBO original series starring Dafne Keen, Ruth Wilson, Andrew Scott, and Lin-Manuel Miranda--to expand on the story of Lyra, "one of fantasy's most indelible heroines" (*The New York Times Magazine*). Don't miss Volume II of *The Book of Dust: The Secret*

Commonwealth! Malcolm Polstead and his daemon, Asta, are used to overhearing news and the occasional scandal at the inn run by his family. But during a winter of unceasing rain, Malcolm finds a mysterious object—and finds himself in grave danger. Inside the object is a cryptic message about something called Dust; and it's not long before Malcolm is approached by the spy for whom this message was actually intended. When she asks Malcolm to keep his eyes open, he begins to notice suspicious characters everywhere: the explorer Lord Asriel,

clearly on the run; enforcement agents from the Magisterium; a gyptian named Coram with warnings just for Malcolm; and a beautiful woman with an evil monkey for a daemon. All are asking about the same thing: a girl—just a baby—named Lyra. Lyra is at the center of a storm, and Malcolm will brave any peril, and make shocking sacrifices, to bring her safely through it. “Too few things in our world are worth a seventeen-year wait: The Book of Dust is one of them.” —The Washington Post “The book is full of wonder. . . . Truly thrilling.” —The New York Times “People will love the first volume of Philip Pullman’s new trilogy with the same helpless vehemence that stole over them when The Golden Compass came out.” —Slate
[Ask the Dust](#) - John Fante 2010-05-18

Ask the Dust is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

The Dust That Falls from Dreams - Louis de Bernieres 2015-08-04

From the acclaimed author of Corelli’s Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Ottilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the days of careless

camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Ottilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending “snaps” of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as “the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty,” everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, The Dust That Falls from Dreams also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

From a breathtaking new voice, a novel about a splintered family in Kenya—a story of power and deceit, unrequited love, survival and sacrifice. Odidi Oganda, running for his life, is gunned down in the streets of Nairobi. His grief-stricken sister, Ajany, just returned from Brazil, and their father bring his body back to their crumbling home in the Kenyan drylands, seeking some comfort and peace. But the murder has stirred memories long left untouched and unleashed a series of unexpected events: Odidi and Ajany’s mercurial mother flees in a fit of rage; a young Englishman arrives at the Ogandas’ house, seeking his missing father; a hardened policeman who has borne witness to unspeakable acts reopens a cold case; and an all-seeing Trader with a murky identity plots an overdue revenge. In scenes stretching from the violent upheaval of contemporary Kenya back through a shocking political assassination in

1969 and the Mau Mau uprisings against British colonial rule in the 1950s, we come to learn the secrets held by this parched landscape, buried deep within the shared past of the family and of a conflicted nation. Here is a spellbinding novel about a brother and sister who have lost their way; about how myths come to pass, history is written, and war stains us forever.
