Cultural Writing. Literary Criticism. Essays. PINOY POETICS is a collection of poetics essays (with sample poems) representing over 40 poets of Filipino heritage who speak on behalf of themselves, ancestors and peers who have been historically ignored by U.S. literary, cultural, and academic institutions. These essays show what is unique to Filipino poetics, including responses to American imperialism, the postcolonial and diasporic Filipino experience, questions about historical narrative, and the uses and abuses of language imposed by colonizers. Public and academic libraries, as well as personal collections with interests in Poetry, Creative Writing, Asian American Studies, Cultural Studies, Ethnic Studies, Identity Poetics, Filipino American Literature, and Philippine Literature will find this book indispensable.

Seven Colors - Harvey Sherman 2015-07-30

Rainbow Love is a smart, beautiful, successful business executive. Her best friend Yana shares those qualities, but prefers a loose "joie de vivre" lifestyle. Their new friend Alexis is an established, award winning journalist who fears for the discovery of her well-concealed secret past. All three are searching for the perfect partner. Seven Colors is a novel that transcends gender while showing the power that love has to overcome homophobic obstacles. It captures the reality that no matter how people identify, they are all equal and deserving of respect. The story takes place in the Philippines and Thailand with moments of explicit sexuality, indulgence and darkness, as well as humorous and unexpected encounters in both places as they all wrestle with the suitability and credibility of their lovers.

Poet of the People Francisco Balagtas and the Roots of Filipino Nationalism - Fred Sevilla 1997

America Is Not the Heart - Elaine Castillo 2018-04-03

Named one of the best books of 2018 by NPR, Real Simple, Lit Hub, The Boston Globe, San Francisco Chronicle, The New York Post, Kirkus Reviews, and The New York Public Library "A saga rich with origin myths, national and personal . . . Castillo is part of a younger generation of American writers instilling literature with a layered sense of identity." --Vogue How many lives fit in a lifetime? When Hero De Vera arrives in America--haunted by the political upheaval in the Philippines and disowned by her parents--she's already on her third. Her uncle gives her a fresh start in the Bay Area, and he doesn't ask about her past. His younger wife knows enough about the might and secrecy of the De Vera family to keep her head down. But their daughter--the first American-born daughter in the family--can't resist asking Hero about her damaged hands. An increasingly relevant story told with startling lucidity, humor, and an uncanny ear for the intimacies and shorthand of family ritual, *America Is Not the Heart* is a sprawling, soulful debut about three generations of women in one family struggling to balance the promise of the American dream and the unshakeable grip of history. With exuberance, grit, and sly tenderness, here is a family saga; an origin story; a romance; a narrative of two nations and the people who leave one home to grasp at another.

A History of Publishing in the Philippines - Dominador D. Buhain 1998

Concepcion - Albert Samaha 2021-10-12

"Absolutely extraordinary...A landmark in the contemporary literature of the diaspora." —Jia Tolentino, author of *Trick Mirror* "If *Concepcion* were only about Samaha's mother, it would already be wholly worthwhile. But she was one of eight children in the *Concepcion* family, whose ancestry Samaha traces in this. . . powerful book." -The New York Times A journalist's powerful and incisive account reframes how we comprehend the immigrant experience Nearing the age at which his mother had migrated to the US, part of the wave of non-Europeans who arrived after immigration quotas were relaxed in 1965, Albert Samaha began to question the ironclad belief in a better future that had inspired her family to uproot themselves from their birthplace. As she, her brother Spanky—a rising pop star back in Manila, now working as a luggage handler at San Francisco airport—and others of their generation struggled with setbacks amid mounting instability that seemed to keep prosperity ever out of reach, he wondered whether their decision to abandon a middle-class existence in the Philippines had been worth the cost. Tracing his family's history through the region's unique geopolitical roots in Spanish colonialism, American intervention, and Japanese occupation, Samaha fits their arc into the wider story of global migration as determined by chess moves among superpowers. Ambitious, intimate, and incisive, *Concepcion* explores what it might mean to reckon with the unjust legacy of imperialism, to live with contradiction and hope, to fight for the unrealized ideals of an inherited homeland.

Philippine Yearbook - 2005

The View from the Pew - Alex A. Meñez 2020-08-24

Love stories are always captivating. And when it is the love story of a catholic priest, it is intriguing. This book is about the love story of two priests. "Both stories reveal their pain and struggles to decide against a law imbedded for centuries in the solid structure of an institution and in the cultural psyche of both laity and clergy. In the end, love and grace triumph" (From a peer review). A highlight of this book is my reformist concern related to clerical behavior. And I speak from my experience and expertise of forty years in the ministry. Ecclesiastics should know that when I left the service of the altar, I bore no bitterness or regret. I am, therefore, their best ally to tell them the truth in love. An added weight for my credibility is because my observations are based mostly on the pronouncements of Pope Francis. The book will make some clerics uncomfortable. Many will find it comforting and uplifting. All will find it a good resource for

reflection and a compelling guide for examination of conscience to hopefully bring about the clergy reform in attitude and lifestyle. I have a chapter on celibacy. Some will ask, what more is there to talk about this topic. And I say, because I present celibacy with a focus on chastity. Celibacy without chastity is a farce. Perhaps someday the church will change its law on celibacy, definitely not in my lifetime. But it will. This book will tell you why. This book can be used as a primer in the seminary formation program. As Cardinal Robert Sarah has warned, "The Christian priesthood is going through a major crisis," and at the root of this quagmire "is a deep flaw in their formation." The laity will benefit from this book, especially among the churchgoing, those engaged in religious formation, those in search of their faith's relevance or simply the spiritually hungry and the families and friends of priests all over the world. The book strongly emphasizes the equality in dignity of all Christian faithful (clergy and lay) based on the grace of baptism. This will help the laity value and uphold their proper role, viz. that together they build up the Church of Jesus Christ.

Uncle Rico's Encore - Peter Bacho 2022-01-12

From the 1950s through the 1970s, blue-collar Filipino Americans, or Pinoy, lived a hardscrabble existence. Immigrant parents endured blatant racism, sporadic violence, and poverty while their US-born children faced more subtle forms of racism, such as the low expectations of teachers and counselors in the public school system. In this collection of autobiographical essays, acclaimed novelist and short-story writer Peter Bacho centers the experiences of the Pinoy generation that grew up in Seattle's multiethnic neighborhoods, from the Central Area to Beacon Hill to Rainier Valley. He recounts intimate moments of everyday life: fishing with marshmallows at Madison Beach, playing bruising games of basketball at Madrona Park, and celebrating with his uncles in Chinatown as hundreds of workers returned from Alaska canneries in the fall. He also relates vivid stories of defiance and activism, including resistance to the union-busting efforts of the federal government in the 1950s and organizing for decent housing and services for elders in the 1970s. Sharing a life inextricably connected to his community and the generation that came before him, this memoir is a tribute to Filipino Seattle.

Back to Serve - Cesare U.S. Army 2018-05-02

Back to Serve is a fictional memoir about a soon-to-be-retired army captain, Nico Corretti, who after a career in the military is ready to begin his civilian life with his family. But first, he must out-process and then drive halfway across the country to get home, during which he has an improbable encounter with a Russian woman who informs him that his safety and his postservice stability may be in jeopardy. On the long drive home, he considers the plausibility of her claim and reflects on his past and future. Once home, he relishes the quality time with his family, which includes visiting his father in his hometown. But afterward, he discovers the limited employment opportunities in the slow recovery years after the Great

Recession. He undergoes an extended unemployment period before anxiously and dutifully taking a government-contract position abroad, which turns out to be more perilous than he had originally been briefed. And the mysterious Russian woman he met may lead him to some of the answers he was searching for, as well as to some dangers and desires that he wasn't. Upon completion of his contract job in Europe, he enjoys a well-deserved respite at home. But it's short lived, as a swell of terrorist attacks against the United States require (or demand) more of his military service. Torn between being there for his family and his duty to his country, Captain Corretti is coldly reminded that the two actually are mutually inclusive. He's sent back to a familiar place, the Middle East, and in the process, he may be able to avenge the soldiers he had lost under his command. But he'll need to reach deeper within himself than he ever has before in order to succeed on the battlefield and in life.

Desperate For Love - Diana Fogel 2011-12-13

There is a global epidemic of children who have been abandoned, abused, and neglected. When there is no one to care what happens to them, these children usually end up on the streets. All it takes is one person whose heart is totally submitted to serving God to influence the lives of unwanted children, a surrounding neighborhood, and even a nation. Only God's love can make such a radical change in one heart and ultimately transform the lives of so many others. As a young teenager, Lorraine Lamar cried out to God and sought Him with all her heart; what began as a cry for help turned into a lifelong ministry. When Lorraine responded to God's call, He rewarded her with her ultimate dream: to serve in ministry rescuing Filipino children. She and her husband, Celing, and their three children now minister to abandoned, abused, neglected, and orphaned Filipino children at their Faith, Hope, and Love Kids' Ranch in the Philippines. The kids' ranch has become a symbol of unconditional love and a model for Christian orphanages everywhere. Their lives have become perfect examples of lifestyle evangelism in Christian service, as they love, train, and care for unwanted Filipino children, challenging the kids and visitors alike to be a blessing, rather than a burden, to society.
