American Headway - Liz Soars 2002-11-01

American Headway is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. American Headway combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective. American Headway 3 builds on the firm grammatical, lexical, and functional foundation laid in American Headway 1 and 2. Students broaden and deepen their understanding of English and extend their abilities to use it. Both fluency and accuracy are given equal attention at this intermediate level. Key features - Integrated skills work, where all four skills are developed in context - Universal topics selected from a wide variety of material - In-depth treatment of grammar, with clear presentations, self-check exercises in the Grammar Spot, and detailed explanations in the Grammar Reference followed by extensive practice activities - Systematic vocabulary syllabus, including dictionary training and work on systems such as collocation - Pronunciation work, which is integrated at appropriate points - Everyday English section, which practices functional language and social situations

[New Headway: Beginner: Workbook \(without Key\)](#) - Liz Soars 2002-01-24

New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful

practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.
