Test-Taking Tips and Test-Taking Traps are also incorporated into game play to fully prepare you for every facet of the exam process. Whether you want to challenge your friends or challenge yourself, effective exam preparation has never been this entertaining! The aim of the game is to answer nursing questions correctly and navigate through tricky Tips and Traps to be the first to reach NCLEX® exam success. Game play format for 2-6 people gives you the option of creating a competitive group atmosphere with fellow students or colleagues in addition to reviewing on your own. Category cards enable you to review all NCLEX® exam material or narrow your question bank to those categories in which you need the most practice. Hundreds of challenging questions and rationales from student-favorite NCLEX® exam expert Linda Silvestri reflect content on the latest NCLEX® test-plan. 800 questions are divided evenly among the four major client needs categories found on the NCLEX® exam: Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. A variety of question formats and difficulty levels allows you to encounter the wide spectrum of questions you will find on the NCLEX® exam. Rationales help you understand the reasoning or data related to the correct answer for each question. Test-Taking Tip and Traps provide successful test-taking strategies in one category (Flying High) and pitfalls to avoid in another category (Flying Low).

Mosby's Review Cards for the NCLEX-RN Examination - Martin S.

Manno 2010-02-26

With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.

Mosby's Tour Guide to Nursing School - E-Book - Melodie Chenevert 2010-02-01

Encouraging, user-friendly, and altogether unique, Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school, but excel in whichever program you select. Throughout the book, Dr. Chenevert compares your journey through nursing school to a road trip, and she offers advice to increase your understanding, help you successfully navigate obstacles, and make your journey more enjoyable. You'll learn how to prepare for the NCLEX® and your nursing career, how to get good grades, how to deal with failure, how to improve oral and written reports, and much more. A must-have for every nursing student! Endorsed by the National Student Nurses Association (NSNA). Written by a nationally known motivational speaker and nurse, the book's down-to-earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross-country road trip to help you see the relationships between different aspects of nursing school, as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. Electronic Age Information covers distance learning, online courses, and podcasts, facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX® chapter (Chapter 29: Are We There Yet? Almost.) provides you with the tools you need to prepare for and pass the NCLEX®. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs (program prerequisites, differences, and more) helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

Mosby's Comprehensive Review of Nursing for NCLEX-RN® Examination - Judith S. Green 2008-11-13

Celebrating its 60th anniversary, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 19th Edition is now completely reorganized and in full-color for an even better studying experience! Content is divided into units covering the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing. Smaller chapters within the units break down information into smaller, more manageable pieces for a complete review of key content.

NCLEX-RN® examination-style questions, including the newest alternate item formats, follow each unit and help you master the content and practice with critical thinking questions seen on the exam. With over 4,100 questions with rationales in the book and on the companion CD-ROM for practice in print and electronic formats, this all-inclusive review is a vital study tool for the NCLEX-RN® exam. A clear, concise outline format presents in-depth content review from all core clinical areas in an easy-to-study design. Detailed rationales for both correct and incorrect answer options ensure effective and efficient test preparation. Three modes - study, quiz, and exam - on the companion CD provide customized practice. Two comprehensive exams coded by clinical area, client needs categories, and nursing process help you evaluate your strengths and weaknesses and guide your study. More alternate item format questions than ever provide additional practice with these important critical thinking questions. Additional illustrations and tables help you visualize and understand essential nursing content. An overview of the latest NCLEX-RN® test plan highlights the latest changes and content additions to better prepare you for the exam. UNIQUE! A "Get Updates?" link on the Companion CD provides access to the latest content and software updates.
