Bosnian, Croatian, Serbian, a Textbook -

Ronelle Alexander 2010-03

"Three official languages have emerged:

Croatian in Croatia, Serbian in Serbia, and both these languages plus Bosnian in Bosnia-Herzegovina. Bosnian, Croatian, Serbian, a Textbook introduces the student to all three.

Dialogues and exercises appear in each language, presented side by side for easy comparison; in addition, Serbian is rendered in both its Latin and its Cyrillic spellings. Teachers may choose a single language to use in the classroom, or they may want to familiarize students with all three"--Book jacket.

Fluent in 3 Months - Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Learn Croatian - Quick / Easy / Efficient: 2000 Key Vocabularies - Pinhok Languages
2019-03-12

A curated Croatian word frequency list Are you looking for unconventional ways to speed up the process of learning Croatian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Croatian words and phrases ordered by their frequency of use. Who this Croatian learning book is for: This book is for beginners and intermediate learners of Croatian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best

investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Croatian frequency list is not for: This book is not for you if you are an advanced learner of Croatian. In this case, please go to our website or search for our Croatian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Croatian learning book that guides you through the various steps of learning Croatian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Croatian workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 25 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 125 very well, you can start learning vocabularies 201 to 225 and on the next day skip 101-125 and continue reviewing vocabularies 126 to 225. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well - and that is what counts in the end.

Walks and Treks in Croatia - Rudolf Abraham
2019-05-15

This guide describes 20 walks and 7 short treks

in Croatia. Around half the routes focus on the striking limestone ranges of Gorski kotar and Velebit, which form part of the Dinaric Alps, but there are also routes in Dalmatia and on the Istrian peninsula, as well as four walks centred around the capital, Zagreb. They are easily accessible from the coastal resorts and main cities such as Zagreb, Rijeka and Split, and the guide includes advice on the most convenient bases. Showcasing Croatia's majestic scenery, the routes range from short, easy walks to more challenging treks and mountain traverses. Step-by-step route description is accompanied by clear mapping, and there are notes highlighting where refreshments are available on or near the trails. The treks make use of mountain huts and shelters, details of which are provided, although it is also possible to camp. The guide also includes information on local points of interest, fascinating overviews of Croatian history, plants and wildlife and a comprehensive English-Croatian glossary. Many routes take in the dramatic karst landscapes and peaks of Croatia's mountains; others explore the country's stunning national and nature parks - including the breathtaking UNESCO-listed Plitvice Lakes; yet more visit local attractions and highlights, such as Vrelo Cave and Pazin's castle and gorge.

Hungarian - Zsuzsa Pontifex 2003

A course in spoken and written Hungarian, this book assumes no previous knowledge of the language. It contains: 21 graded units of dialogue, culture notes, grammar and exercises; a guide to Hungarian pronunciation; and, a Hungarian-English vocabulary list.

Croatia: Istria - Rudolf Abraham 2017-04-21

This new 2nd edition of Bradt's Croatia: Istria, with Rijeka and the Slovenian Adriatic has been fully updated and remains the only full-length guide to the region including background and practical information. Istria has some of Croatia's most famous sites, including Pula's Roman amphitheatre, UNESCO-protected Byzantine mosaics in Porec, picturesque medieval hilltowns and frescoes, and the Brijuni Islands National Park, home to Tito's summer residence. This guide also includes the transport hub and gateway city of Rijeka in the neighbouring Kvarner region, which is set to become European Capital of Culture in 2020. Istria makes a great base to explore the nearby

Capodistria region of the Slovenian coast and Karst areas, including beautiful coastal towns, Lipizzaner horses and UNESCO-listed caves, all of which are given expanded coverage in this new edition. Also new is increased coverage of the Parenzana cycling and hiking route. With detailed sections on trekking, cycling and diving, plus information on windsurfing, paragliding, wreck diving (including sites such as the Coriolanus and the Baron Gautsch) and sailing, Bradt's Croatia: Istria, with Rijeka and the Slovenian Adriatic is ideal for adventurous people of all ages and on all budgets, who are curious about this well-heeled part of the former Yugoslavia. There is also a comprehensive wildlife section. Croatia is renowned for its cuisine (and particularly its truffles) and there is plenty of pampering on offer, too, with some excellent luxury and boutique hotels and restaurants, as well as cheap spas and treatments compared to the rest of mainland Europe. Festivals, music, travelling with children, buying and maintaining property in Croatia, dinosaur tracks and ancient history are all included, as are inland areas which often receive comparatively little attention (and with the exception of Motovun see far fewer visitors than the coast).

The Daily Stoic - Ryan Holiday 2016-10-18
From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top

performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

The Way of the Linguist - Steve Kaufmann
2005-11

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study

practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Bosnian, Croatian, Montenegrin and Serbian - Željko Vrabec 2021-09-22

Bosnian, Croatian, Montenegrin and Serbian: An

Essential Grammar is intended for beginners and intermediate students who need a reference that explains grammar in straightforward terms. It covers all the main areas of the modern single BCMS grammatical system in an accessible way, and free from jargon. When linguistic terminology is used, it is explained in layman's terms, the logic of a rule is presented simply and near parallels are drawn with English. This book covers all the grammar necessary for everyday communication (reaching B1 and B2 of the CEFR, ACTFL Intermediate-Intermediate- Mid). The book comprises of extensive chapters on all parts of speech, the creation of different word forms (endings for cases in nouns and adjectives, case forms for pronouns, tenses, verbal modes, verbal aspect etc.) and their uses in sentences. Each rule is illustrated with numerous examples from everyday living language used in Bosnia-Herzegovina, Croatia, Montenegro and Serbia. It is a unique reference book in English aimed at this level of language study that treats BCMS as a single grammar system, explaining and highlighting all the small differences between the four variants of this polycentric language.

Whether you are starting from scratch, or are just out of practice, Teach Yourself Complete Serbian - Touch & Listen will guarantee success! Touch & Listen ebooks are a groundbreaking new approach to language learning that include recordings of pronunciation and conversations within the

pages of the books themselves - right where you need them. In the past you used to have to juggle separate books and CDs/MP3s to master listening, speaking, reading and writing. Not anymore. Thanks to the latest enhanced ebook technology, you can learn and practise all four language skills plus grammar and vocabulary from a single ebook that you can read and listen to on your tablet device or smartphone. First, touch the on-screen play buttons and listen to native speakers conversing on scores of current topics. Then rewind. Or pause. Whatever you need to do to make sure you've fully understood what you have just listened to. When you are ready, complete the activities with the convenient notes feature. You are in control. It's that simple. **STRUCTURE** The course is structured in thematic units based on real-life situations and with an emphasis on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work. **NOT MUCH TIME?** Get started with a 1-minute introduction to the key principles of the language. **GRAMMAR** Follow easy-to-manage steps to give you a clear understanding of the language. **VOCABULARY** Use clearly marked lists to make it easy to find and review the most useful vocabulary. **DIALOGUES** Touch & Listen to everyday dialogues to help you speak and understand fast. **PRONUNCIATION** Don't sound like a tourist!
