that are user-friendly and accessible to everyone in a high-quality digital format.

**Max Opposite** - Meldon J.

Wright 2012-02-01

Max Opposite  
What do you do when you can't control what you do,  
When your brain behaves in mysterious ways,  
When you're only 13, And discover your life is a lie?  
What do you do, When your search for the truth,  
Plunges you into a nightmare?  
"Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand)  
"Rachel, do you dream?"  
"Of course I do. Everyone does."  
"Do you always have the same dream?"  
"Ah, no, that'd be pretty weird."  
"I thought so."  
"So what's this about, Max?"  
"I have the same dream every single night. Always have, for as long as I can remember."  
"That's definitely not normal. Even recurring dreams don't stay forever."  
"Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable...waiting

for the next episode." - J. G. (Sydney, Australia)  
"Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina, U.S.A.)  
Max Opposite  
Every morning, thirteen year old Max wakes from the same dream, scans his bedroom and waits for his memories to return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night?  
With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has

ever known. In an international battle for survival, Max is forced to face the truth about himself, and soon realizes that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

Principle Or Profit - Ryheim Scott 2016-01-06

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause

the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Cities of Empire - Tristram Hunt 2014-11-25

A history of the colonial creation of the city is told through the stories of 10 influential urban centers left in the wake of the British Empire, drawing on historical scholarship, cultural criticism and personal reportage to trace the rise of such cities as Boston, Hong Kong and New Delhi.

**Great Cities of the Ancient World** - Lyon Sprague De Camp 1972

A portrayal of fourteen ancient cities at their height.

*Cities of Empire* - Tristram Hunt 2014-11-25

An original history of the most enduring colonial creation, the city, explored through ten portraits of powerful urban centers the British Empire left in its wake. At its peak, the British Empire was an urban civilization of epic proportions, leaving behind a network of cities which now stand as the economic and cultural powerhouses of the twenty-first century. In a series of ten vibrant urban biographies that stretch from the shores of Puritan Boston to Dublin, Hong

Kong, New Delhi, Liverpool, and beyond, acclaimed historian Tristram Hunt demonstrates that urbanism is in fact the most lasting of Britain's imperial legacies. Combining historical scholarship, cultural criticism, and personal reportage, Hunt offers a new history of empire, excavated from architecture and infrastructure, from housing and hospitals, sewers and statues, prisons and palaces. Avoiding the binary verdict of empire as "good" or "bad," he traces the collaboration of cultures and traditions that produced these influential urban centers, the work of an army of administrators, officers, entrepreneurs, slaves, and renegades. In these ten cities, Hunt shows, we also see the changing faces of British colonial settlement: a haven for religious dissenters, a lucrative slave-trading post, a center of global hegemony. Lively, authoritative, and eye-opening, *Cities of Empire* makes a crucial new contribution to the history of colonialism.

*A Complicated Legacy* - Robert H. Stucky 2014-05-23

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy - the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of

Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

**Mr Lazarus** - Patrice Chaplin 2016-08-03

'... a surging intensity that keeps the reader glued to the page.' - New York TimesLondon. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history,

nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal... Mr Lazarus is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renowned international bestselling author. Praise for Patrice Chaplin 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories. **Empire of Pain** - Patrick

Radden Keefe 2021-04-13  
NATIONAL BOOK CRITICS  
CIRCLE NOMINEE • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing* The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague,

however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond's son Richard ran the

family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug's addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of

the excesses of America's second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world's great fortunes.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America - 2012

Your complete guide for overlanding in Mexico and Central America. This book provides detailed and up-to-date information by country. It also includes 11 chapters of information for planning and preparing your trip and 9 chapters on what to expect while driving through Mexico and Central America.

Completed by the authors of LifeRemotely.com this is the most comprehensive guide for driving the Pan American yet!

What Ever It Takes - Mick Williams 2017-09-20

For the small town of Watkins Forge, the worst thing to happen is a heavy snowfall. That is, until widower Cory

Keller visits for an annual hunting trip. When he witnesses a murder in the nearby forest, no one believes him. With no corpse, and as the only witness, he is faced with convincing the towns sceptical sheriff before the killer tracks him down to silence him. As he develops a friendship with an attractive waitress, Keller discovers that he is up against much more than a killer and he must not only save himself but the whole town. Mick Williams is the author of Amazon Top Ten title A Reason To Grieve, and the page turning adventure A Guy Walks Into A Bar.

**Unholy Empire** - D. Brian Shafer 2002-11-10

The prophetic clock is ticking. Lucifer and his army of 'imps' search frantically for the prophetic "Seed of the woman". The memory of God's promise that this seed would rise up and crush the serpent's head stirs them to shadowy demonic activity. Unholy Empire chronicles the duel between God and the fallen angels as both focus their attention on the Seed. The devils watch for

any and every sign of the Seed in an all out effort to stop, delay, compromise, or otherwise destroy this impending prophetic nightmare. If they fail they are all doomed. The second book in the "Chronicles of the Host Series", *Unholy Empire* uncovers the major themes covering the Seed and the people of covenant as well as Lucifer's all-out war against them. It sheds new light on dramatic encounters between Cain and Abel, Moses and Pharaoh, David and Goliath, and others.

*What's Wrong with Pauly?* - B. J House 2013-08

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

*Holding Back The Tears* - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City

and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she reunites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to

forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept

she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

**We Run This City** - Leroy Mcfadden, Jr. 2015-06-22  
Detective Durien aka Dee has his work cut out for him. As a child, he would witness the shooting of his father, leaving him and his brother to flee for their lives and temporarily changing their names. As an adult, working under the corrupt leadership of Chief Jomo Seals aka New York, the detective has to go along with plots and plans devised by the Chief, which could endanger his life and those around him. He has to deal with grief from the murder of close friends and the beating of his partner Darrell. When a drug dealer by the name of "Ghost" arrives in town and starts to taking over some of New York's territories, the war has just begun. Everyone will be in for a rude awakening, when the scenes

begin to unfold. This intriguing story is based upon some true events and will keep your mind wondering with the twist and turns in every chapter.

**Hi My Name Is Cj** - Willetta J. Davis 2013-12

Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and colorizing the characters. Have fun and use your imagination.

Competing Visions of Empire - Abigail Leslie Swingen 2015-01-01

This title explores the connections between the origins of the English empire and unfree labour by exploring how England's imperial designs influenced contemporary politics and debates about labour, population, political economy, and overseas trade. It pays particular attention to how and why slavery and England's participation in the transatlantic slave trade came to be widely accepted as

central to the national and imperial interest by contributing to the idea that colonies with slaves were essential for the functioning of the empire.

**Relax, We're All Just Making This Stuff Up!** - Amy Lisewksi 2016-08-01

Gives readers the tools to plan less and play more in their everyday lives using the principles of improvisational comedy. Written for non-performers, it features true stories of people whose lives have been improved by practicing improv. Includes simple games to help build confidence and adaptability. Ideal for public and high school libraries.

**Back to Venice** - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what

happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes

frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

Rural Rides - William Cobbett  
2020-04-09

*Rural Rides* is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free

vent to Cobbett's opinions  
Invisible Cities - Italo Calvino  
2013-08-12

Italo Calvino's beloved, intricately crafted novel about an Emperor's travels—a brilliant journey across far-off places and distant memory.

"Cities, like dreams, are made of desires and fears, even if the

thread of their discourse is secret, their rules are absurd, their perspectives deceitful, and everything conceals something else." In a garden sit the aged Kublai Khan and the young Marco Polo—Mongol emperor and Venetian traveler. Kublai Khan has sensed the end of his empire coming soon. Marco Polo diverts his host with stories of the cities he has seen in his travels around the empire: cities and memory, cities and desire, cities and designs, cities and the dead, cities and the sky, trading cities, hidden cities. As Marco Polo unspools his tales, the emperor detects these fantastic places are more than they appear.

*The Frock-Coated Communist* - Tristram Hunt 2009-04-30

Friedrich Engels is one of the most attractive and contradictory figures of the nineteenth century. Born to a prosperous mercantile family in west Germany, he spent his career working in the Manchester cotton industry, riding to the Cheshire hounds, and enjoying the comfortable,

middle-class life of a Victorian gentleman. Yet Engels was also the co-founder of international communism - the philosophy which in the 20th century came to control one third of the human race. He was the co-author of *The Communist Manifesto*, a ruthless party tactician, and the man who sacrificed his best years so Karl Marx could write *Das Kapital*. Tristram Hunt relishes the diversity and exuberance of Engels's era: how one of the great bon viveurs of Victorian Britain reconciled his raucous personal life with this uncompromising political philosophy. Set against the backdrop of revolutionary Europe and industrializing England - of Manchester mills, Paris barricades, and East End strikes - it is a story of devoted friendship, class compromise, ideological struggle, and family betrayal.

**The Red City** - Silas Weir Mitchell 1908

*It Was All a Dream* - Tre' Taylor 2017-10-31

Eli just wants to be a normal

kid and stay out of trouble, until he has a dream that changes his life.

**Ten Cities that Led the World** - Paul Strathern

2022-02-10

'A book of ideas [...] Strathern ably guides us through these moments of glory.' -- The Times

\*\*\* Great cities are complex, chaotic and colossal. These are cities that dominate the world stage and define eras; where ideas flourish, revolutions are born and history is made.

Through ten unique cities, from the founding of ancient capitals to buzzing modern megacities, Paul Strathern explores how urban centres lead civilisation forward, enjoying a moment of glory before passing on the baton. We journey back to discover Babylonian mathematics, Athenian theatre and intellectual debate, and Roman construction that has lasted millennia. We see Constantinople evolve into Istanbul, revolutionary sparks fly in Enlightenment Paris, and the railways, canals and ships that built Imperial London. In Moscow men build spaceships

while other men starve, New York's skyscrapers rise up to a soundtrack of jazz, Mumbai becomes home to immense wealth and poverty, and Beijing's economic transformation leads the way. Each city has its own distinct personality, and Ten Cities that Led the World brings their rich and diverse histories to life, reminding us of the foundations we have built on and how our futures will be shaped.

The Best Girlfriends Ever - Stephanie Gives 2015-06-19

The Best Girlfriends Ever is the story of Tiffanie Nina Simone Hayes and the forever friends who loved and comforted her during her life and death with Rett Syndrome. Her mother, Stephanie Gives, wrote and illustrated the story as a way to share the story and to keep the memory of her daughter fresh and indelible; a memory she hopes to preserve and prevent from ever fading away. Stephanie Gives is an educator, artist. She is also the founder of Dreams of Becoming a Better Me; The Tiffanie Nina

Simone Foundation. The foundation was created in memory of Tiffanie who passed away in 2011 from the neurological disease, Rett Syndrome, at the age of 14. Rett Syndrome is a progressive disease that affects girls in the beginning stages of infancy. Currently, there is no known cure for Rett Syndrome. Stephanie is a frequent guest speaker at local community programs and women's groups in her city of Columbia, South Carolina.

*Torrid Affair* - Callie Anderson  
2016-10-23

I'm fucked. The life I have lived for the past ten years is built solely on lies and secrets. But I can't help myself. I'm in love with two different men. And one of them is my brother-in-law. He's my drug. My fire. My addiction. But he's married to my best friend. And I'm married to my husband. I'm not ashamed. I have no guilt. None. I'm not fucked. I'm a fucked up person. This is the story of how I ruined my life. And the life of the one I loved most.

**Free Roll** - Brandt Tobler

2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his

unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Tree That Ate Everything -

Robert Feiner 2017-09-19

Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

*Tough Call* - Matt Popovits  
2016-09-07

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a

deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

**Mystic Michigan** - Mark Jager  
2011-04-12

Did you know that there is a stream in Michigan that actually disappears in to the ground?! What about the vanishing lake, underwater Indian trails or 400 foot big spring? Have you heard of Michigan's fantastic ice caves,

headless living animal, or about the above ground cemeteries? As an offbeat tourist guide or a study reference to historical Michigan, all readers will enjoy discovering more of the true uniqueness about the state of Michigan. Learn about some unsolved scientific mysteries and strange historical facts, not to mention, a few interesting people. If you enjoyed *Mystic Michigan*, *Mystic Michigan Part Two* continues to explore actual natural phenomenon and strange oddities that exist all throughout this wonderful state, that you can actually visit and experience yourself. There are maps throughout and a directory to better help you locate and obtain information about locations and topics.

[BearCity](#) - Lawrence Ferber  
2013-06

Based on the award-winning feature-length movie, *Bear City: The Novel* follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as

they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

[Venice and Vitruvius](#) -  
Margaret Muther D'Evelyn  
2012

In about 35-25 B.C.E., the Roman architect Vitruvius produced his encyclopedic ten-book summary of the principles of Hellenistic architecture, *De architectura* (On Architecture). These ideas have stimulated architects ever since. In the mid-16th century, the architect Andrea Palladio (1508-1580) and the humanist Daniele Barbaro (1513-1570) looked to the city of Venice in order to

understand and interpret Vitruvius's text - still in need of clarification - which would enable them to solve contemporary architectural problems. They found in the city's medieval and Renaissance streets, palaces, churches, and towers living principles that enabled them to interpret the ancient principles. By 1556, Barbaro had incorporated their observations into his "Commentaries" on Vitruvius, and two distinctly new editions for different audiences followed a decade later. Margaret D'Evelyn has gathered evidence to document how Palladio's understanding of Vitruvius influenced Barbaro. This engrossing volume also charts the invention of the illustrated architectural book and how major architect-authors, such as Leon Battista Alberti and Sebastiano Serlio, contributed to its development - demonstrating how Vitruvius shaped the way the city of Venice was viewed.

### **The Unique Technique -**

Maria Higgins 2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of

the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

### **The Stolen Girl (The Veil**

**and the Crown, Book 1) - Zia Wesley 2014-05-23**

The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires  
The fulfillment of an outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's The Veil and the Crown series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Tascher de La Pagerie...both destined to be queens.  
Publisher's Note: This is an extraordinarily well-researched

novel that is true to the period. As such, there is explicit sexual and violent content that, while typical to the era, is most appropriate for adult readers. The Veil and the Crown, in series order: The Stolen Girl The French Sultana "I lingered over and savored the vivid descriptions and found it absorbing, historically interesting, well researched and constantly enticing. It was as if Zia took me by the hand and we followed the heroine through all her adventures. Scheherazade, eat your heart out!" - Lorain Fox Davis, Grammy winner and educator *The First Book of Moses, Called Genesis* - 1999 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

### **Ten Cities That Made an Empire** - Tristram Hunt

2015-06-04

Boston, Bridgetown, Dublin, Cape Town, Calcutta, Hong Kong, Bombay, Melbourne, New Delhi, and twentieth-century Liverpool: since the

end days of Empire, Britain's colonial past has been the subject of passionate debate. Tristram Hunt goes beyond the familiar arguments about Empire being good or bad and adopts a new approach, describing the processes of exchange and adaptation that moulded the colonial experience and that, in their turn, transformed the culture, economy and identity of the British Isles. 'Ingenious and timely, a lively and cliché-busting survey of imperial history.' Maya Jasanoff, Guardian 'It captures a vast, sprawling enterprise so very well. This work, like the empire it describes, is something unique.' Paul Kennedy, Financial Times 'Lively, original, a cracking read.' Robert Service, Observer 'Rethinks the whole history of colonialism. From Boston to Liverpool, via Dublin, Calcutta and others, Hunt weaves a colourful account of trade and slavery, violence and aesthetic splendour.' Sinclair McKay, Daily Telegraph, Books of the Year 'Enthralling, superb . . . as

Hunt shows in compelling tours of ten cities, whether the colonial past is celebrated or restored, ignored or eradicated, the legacy of the British Empire is indelibly stamped on the urban fabric.'

Ben Wilson, Daily Telegraph

Central Park - Charles River

Charles River Editors

2017-01-26

\*Includes pictures \*Includes accounts of the park's construction and history written by newspapers and people who worked on it.

\*Includes a bibliography for further reading \*Includes a

table of contents "I just want to go through Central Park and

watch folks passing by. Spend the whole day watching people.

I miss that." - Barack Obama Of

all the great cities in the world,

few personify their country like

New York City. As America's

largest city and best known

immigration gateway into the

country, the Big Apple

represents the beauty, diversity

and sheer strength of the

United States, a global

financial center that has

enticed people chasing the

"American Dream" for

centuries. Given that

background, it's fitting that the

city's most unique landmark,

Central Park, sits at the heart

of Manhattan and provides a

stark contrast to the hustle and

bustle surrounding it. As actor

Haley Joel Osment once put it,

"My favorite place is Central

Park because you never know

what you're going to find there. I also like that when I look out the windows of surrounding hotels, it's seems like I'm looking out over a forest." In 1811, an ambitious plan was laid out that would transform Manhattan's grid into 2,028 blocks, from Houston Street to 155th Street. Forests would be cut down, hills razed, ponds and streams filled. It took years to survey, and years to complete: at different points in time, one might have seen a long avenue laid out, unpaved, with a scattering of as-yet-unattached six-story buildings amid boulders yet to be cleared and soon-to-be-demolished shantytowns. Ironically, almost no parks were incorporated into the plan, and Central Park would not be built until the end of the 19th century. When Central Park was designed, however, it was an ambitious project on an almost unprecedented affair. As serene as Central Park is today, it's hard to imagine that its creation was an entirely manmade affair consisting of dynamite blasts, tons of

imported topsoil, and the labor of thousands of workers. Before the area's transformation, the land was swampy terrain used by impoverished squatters and people who let their livestock roam the grounds, but after nearly 15 years of work, the metamorphosis was nearly complete. Of course, New Yorkers soon came to understand that such a large park required serious upkeep; as historian Robert Caro noted, "Lawns, unseeded, were expanses of bare earth, decorated with scraggly patches of grass and weeds, that became dust holes in dry weather and mud holes in wet...The once beautiful Mall looked like a scene of a wild party the morning after. Benches lay on their backs, their legs jabbing at the sky..." With city resources being pumped into maintaining Central Park, it has become the most visited urban park in the world, and it is a cultural touchstone that draws not only tourists but events. Locals commonly walk or run through

the park, and others play sports or simply picnic, but Central Park is also home to monuments of all sorts, including statues dedicated to artists and playwrights, the Strawberry Fields tribute to John Lennon, and an Ancient Egyptian obelisk known colloquially as Cleopatra's Needle. On top of all that, Central Park has a diverse array of wildlife thanks to a sizable reservoir, over 1,000

different species of trees, a zoo, and more. Put simply, Central Park is the most unique place in one of America's most unique cities. Central Park: The History of New York City's Most Unique Landmark chronicles the construction and history of the Big Apple's most famous park. Along with pictures of important people, places, and events, you will learn about Central Park like never before, in no time at all.
