The Man behind the Legend: Memoirs, Autobiographical Novels & Essays of Jack London - Jack London 2017-10-06

This collection is trying to uncover who was this incredible charismatic author, what hides behind the adventurous life anecdotes he wrote about, what were his convictions, dreams and what were his darkest hours. Content: "The Road" is London's account of London's experiences as a hobo in the 1890s, during the worst economic depression the United States had experienced up to that time. "The Cruise of the Snark" chronicles London's sailing adventure in 1907 across the south Pacific in his ketch the Snark. Accompanying London on this voyage was his wife Charmian London and a small crew. "John Barleycorn" is an autobiographical account of Jack London dealing with his enjoyment of drinking and struggles with alcoholism. "The People of the Abyss" describes London's experiences about life in the East End of London in 1902. He wrote this first-hand account after living in the East End for

several months, sometimes staying in workhouses or sleeping on the streets. "Martin Eden" is a novel about a young proletarian autodidact, former sailor, struggling to become a writer. Eden is a semi-autobiographical character, based on London himself. "The Mutiny of the Elsinore" - After death of the captain, the crew of a ship split between the two senior surviving mates. The novel is based on London's voyage around Cape Horn on the Dirigo. Short Stories: Tales of the Fish Patrol - As a 16 year old man, Jack London became a member of the California Fish Patrol. These are the stories drawn from his experiences in catching fish poachers. The Human Drift is a collection of short sketches, stories and essays, mostly concerning sailing and London's love for sea. Essays: Through The Rapids on the Way to the Klondike From Dawson to the Sea Our Adventures in Tampico... Jack London was an American novelist, journalist, railroad hobo, gold prospector, sailor, poet, socialist, an oyster pirate, war correspondent and a rancher.

Essays on Subjects Connected with the Literature, Popular Superstitions and History of England in the Middle Ages - Thomas

Wright 1846

This volume contains a collection of essays on popular superstitions and beliefs in the Middle Ages.

Essays on Literature - Thomas Carlyle 2020-02-04

Essays on Literature brings together ten of the most important literary reviews and essays written by the acclaimed Victorian philosopher, social critic, and essayist Thomas Carlyle. Spanning his writing career, the essays allow the reader to track Carlyle's development as a reviewer and stylist, the evolution of his perennial themes, and the tremendous impact of his writing on the development of British and American literature. In keeping with the Norman and Charlotte Strouse Edition of the Writings of Thomas Carlyle, these essays are accompanied by a thorough historical introduction to the material, extensive notes providing historical and cultural context while expanding on references and allusions, and a textual apparatus that carefully details and explains the editorial decisions made in reconciling the many editions of each essay.

Paul Rand - Eugenia Bell 2019-10-15

Best-known for his corporate brand logos and art direction, Paul Rand (1914–1986) transformed commercial art from craft to profession, introduced European design standards to American commercial art, influenced the look of advertising and book design, and altered the ways in which major corporations including IBM, UPS, and Westinghouse did business. His adherence to a strict design form in his work for corporate clients was balanced by a playful side, captured in this spirited collection of literal (and figural) back-of-the-envelope sketches, doodles, notes, and imaginative sparks that later found their full form in his children's books, logos, and personal work.

The Legends of the Modern - Didier Maleuvre 2019-11-28

What made art modern? What is modern art? The Legends of the Modern demystifies the ideas and "legends" that have shaped our appreciation of modern art and literature. Beginning with an examination of the early modern artists Shakespeare, Michelangelo, and Cervantes, Didier Maleuvre demonstrates how many of the foundational works of modern culture were born not from the legendry of expressive freedom,

originality, creativity, subversion, or spiritual profundity but out of unease with these ideas. This ambivalence toward the modern has lain at the heart of artistic modernity from the late Renaissance onward, and the arts have since then shown both exhilaration and disappointment with their own creative power. The Legends of the Modern lays bare the many contradictions that pull at the fabric of modernity and demonstrates that modern art's dissatisfaction with modernity is in fact a vital facet of this cultural period.

Legends - John Miller 2001-08

Fifty essays celebrate the lives and contributions of a remarkable group of women, including Rachel Carson, Anne Frank, Zora Neale Hurston, Jackie Onassis, Georgia O'Keefe, and Princess Diana

Literary and Philosophical Essays - Immanuel Kant et al 2015-10-31

Michel Eyquem De Montaigne, the founder of the modern Essay, was born February 28, 1533, at the chateau of Montaigne in Pirigord. He came of a family of wealthy merchants of Bordeaux, and was educated at the College de Guyenne, where he had among his teachers the great Scottish Latinist, George Buchanan. Later he studied law, and held various public offices; but at the age of thirty-eight he retired to his estates, where he lived apart from the civil wars of the time, and devoted himself to study and thought. While he was traveling in Germany and Italy, in 1580-81, he was elected mayor of Bordeaux, and this office he filled for four years. He married in 1565, and had six daughters, only one of whom grew up. The first two books of his "Essays" appeared in 1580; the third in 1588; and four years later he died. These are the main external facts of Montaigne's life: of the man himself the portrait is to be found in his book. "It is myself I portray," he declares; and there is nowhere in literature a volume of self-revelation surpassing his in charm and candor. He is frankly egotistical, yet modest and unpretentious; profoundly wise, yet constantly protesting his ignorance; learned, yet careless, forgetful, and inconsistent. His themes are as wide and varied as his observation of human life, and he has written the finest eulogy of friendship the world has known. Bacon, who knew his book and borrowed from it, wrote on the same subject; and the contrast of the

essays is the true reflection of the contrast between the personalities of their authors. Shortly after Montaigne's death the "Essays" were translated into English by John Florio, with less than exact accuracy, but in a style so full of the flavor of the age that we still read Montaigne in the version which Shakespeare knew. The group of examples here printed exhibits the author in a variety of moods, easy, serious, and, in the essay on "Friendship," as nearly impassioned as his philosophy ever allowed him to become....

Mr. New Orleans - Matthew Randazzo V 2014-06-19

Wiseguys called him "the Keith Richards of the American Mafia" and JFK hero Jim Garrison denounced him as "one of the most notorious vice operators in the history of New Orleans" ... but you can just call him MR. NEW ORLEANS. Mr. New Orleans tells the incredible story of Frenchy Brouillette, a redneck Cajun teenager who stole his big brother's motorcycle and embarked on a 60-year vacation to New Orleans, where he became a legendary gangster and the underworld political fixer for his cousin, Louisiana Governor Edwin Edwards. Written by Crescent City native Matthew Randazzo V, the wickedly funny Mr. New Orleans is the first book to ever break the code of secrecy of the New Orleans Mafia Family, the oldest and most mysterious criminal secret society in America. "Mr. New Orleans is a rollicking, disturbing ride through the underbelly of a bygone New Orleans, lined with moments of dark, side-splitting hilarity. If you're a fan of James Lee Burke, drop what you're reading and pick this one up. In an era when popular wisdom tells us T.V. has stolen all depth from the literary true-crime narrative, Matthew Randazzo has found a way to beat that trend mightily; he's gone straight to the source and captured the singular, confounding voice of the New Orleans' mafia's top political fixer with fast-paced, riveting prose and a fine journalist's eye for detail." Chris Rice, New York Times Bestselling Author "Mr. New Orleans is a total knockout: Take everything you ever imagined about the sleazy good times to be had in New Orleans -- the sleazy good times capital of America -- and quadruple it, and you have a hint of what's inside these sticky pages." Bill Tonelli, Author of The Italian American Reader and Editor for Esquire and Rolling Stone

Junior High School Literature - William Harris Elson 1922

And I Thought... - Wilnona Marie 2016-06-08

Getting money,paying bills,finding your prince charming, finding your happiness it looked so easy when you were young.You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

Contemporary readers are exposed to long lost reflections and opinions on writing through this collection of the most fascinating of the essays, interviews, profiles, and articles featured in Writer's Digest Magazine over the course of more than eight decades. 15,000 first printing.

What Happens Next? Contemporary Urban Legends and Popular Culture - Gail de Vos 2012-06-26

This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns—and digital advancements—of our society. • Extended examples of the literature and references to contemporary legends • Relevant, insightful comments from seasoned authors in the genre • A comprehensive overview of recent available research • A list of Internet sites that debunk or confirm urban legends

Zero's Return - Sara King 2015-02-01

The Academy and Literature - 1911

[The Legend of Gold and Other Stories](#) - Jun Ishikawa 1998-10-01

The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun (1899-1987), one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II. Throughout his career, Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists, including Abe Kobo and Oe Kenzaburo. Highly acclaimed and respected in Japan, Ishikawa remains little known in the West—in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues. Combining a strong interest in politics with a brilliant use of modernist techniques, Ishikawa's work defies easy categorization. Banned in 1938, "Mars' Song" has been called the finest example of anti-war fiction written during Japan's march to war in China and the Pacific. In it Ishikawa denounces the chorus of jingoism that

swept Japan, and via a metafictional tale within a tale, he warns against the suicidal destruction to which complicity in warmongering will lead. The allegorical "Moon Gems," written in the spring of 1945, further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat. In "The Legend of Gold" and "The Jesus of the Ruins," both from 1946, Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection. Finally, the semi-surrealistic novella *The Raptor* plumbs the meanings and possibilities of peace in the post-Occupation era. William Tyler's eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works. In a perceptive introduction and the critical essays that follow, Tyler emphasizes Ishikawa's importance as an anti-establishment—even "resistance"—writer and argues that the writer's political iconoclasm goes hand-in-hand with the modernism of his literary experimentation. *The Legend of Gold* will be of tremendous importance in enlarging a Western understanding of the development of the writer's role as social critic and the evolution of the modernist movement in postwar Japan.

Holding Back The Tears - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and

how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

The Legend of Sleepy Hollow and Other Stories - Washington Irving
2014-09-30

The timeless collection that introduced Rip Van Winkle, Ichabod Crane, and the Headless Horseman Perhaps the marker of a true mythos is when the stories themselves overshadow their creator. Originally published under a pseudonym as *The Sketch Book of Geoffrey Crayon, Gent.*, *The Legend of Sleepy Hollow and Other Stories* gave America its own haunted mythology. This collection of larger-than-life tales contains Washington Irving's best-known literary inventions—Ichabod Crane, the Headless Horseman, and Rip Van Winkle—that continue to capture our imaginations today. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by

introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. *The Book of Legends/Sefer Ha-Aggadah* - Hayyim Nahman Bialik
1992-11-10

The first complete English translation of the Hebrew classic *Sefer Ha-Aggadah* brings to the English-speaking world the greatest and best-loved anthology of classical Rabbinic literature ever compiled. First published in Odessa in 1908-11, it was recognized immediately as a masterwork in its own right, and reprinted numerous times in Israel. The Hebrew poet Hayim Nahman Bialik and the renowned editor Yehoshua Hana Ravnitzky, the architects of this masterful compendium, selected hundreds of texts from the Talmud and midrashic literature and arranged them thematically, in order to provide their contemporaries with easy access to the national literary heritage of the Jewish people -- the texts of Rabbinic Judaism that remain at the heart of Jewish literacy today. Bialik and Ravnitzky chose *Aggadah* -- the non-legal portions of the Talmud and Midrash -- for their anthology. Loosely translated as "legends", *Aggadah* includes the genres of biblical exegesis, stories about biblical characters, the lives of the Talmudic era sages and their contemporary history, parables, proverbs, and folklore. A captivating melange of wisdom and piety, fantasy and satire, *Aggadah* is the expressive medium of the Jewish creative genius. The arrangement of this compendium reflects the theological concerns of the Rabbinic sages: the role of Israel and the nations; God, good and evil; human relations; the world of nature; and the art of healing. Here, the reader who wants to explore traditional Jewish views on a particular subject is treated to a selection of relevant texts at his fingertips but will soon become immersed in a way of thinking, exploring, and questioning that is the hallmark of Jewish inquiry. "Whatever the imagination can invent is found in the *Aggadah*," wrote the historian Leopold Zunz, "its purpose always being to teach man the ways of God." *The Book of Legends/Sefer Ha-Aggadah*, now available in William Braude's superbly annotated translation, enables modern Jews to experience firsthand the richness and excitement of their cultural inheritance.

The Ridley Scott Encyclopedia - Laurence Raw 2009-09-28

From his first feature film, *The Duellists*, to his international successes *Alien*, *Blade Runner*, *Thelma and Louise*, *Black Hawk Down*, *Gladiator*, and *American Gangster*, Ridley Scott has directed some of the most compelling films of the last 30 years. Apart from his work as a film director, Scott has engaged in a vast range of activities, including that as a designer, producer, film mogul, and advertising executive. The *Ridley Scott Encyclopedia* is the first book that focuses on all aspects of his work in a wide-ranging career that spans nearly 50 years. The entries in this encyclopedia focus on all aspects of his work and are divided into four categories. The first focuses on Ridley Scott's work as a director, encompassing his feature films from *The Duellists* to *Body of Lies*, as well as his work in television, including commercials. The second category focuses on the people who have been involved in Scott's projects, including actors, directors, producers, designers, writers and other creative personnel. The third focuses on general thematic issues raised in Scott's work, such as gender construction, political issues, and geographical locations. Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott's approach to his work as a director or producer. Each entry is followed by a bibliography of published sources, both in print and online, making this the most comprehensive reference on Scott's body of work.

Legends of the Fall - Jim Harrison 1994

Three novellas explore the theme of revenge and the actions to which people resort when they feel threatened

Chivalric Stories as Children's Literature - Velma Bourgeois Richmond 2014-09-18

Knights and ladies, giants and dragons, tournaments, battles, quests and crusades are commonplace in stories for children. This book examines how late Victorians and Edwardians retold medieval narratives of chivalry—epics, romances, sagas, legends and ballads. Stories of Beowulf, Arthur, Gawain, St. George, Roland, Robin Hood and many more thrilled and instructed children, and encouraged adult reading. Lavish volumes and schoolbooks of the era featured illustrated texts,

many by major artists. Children's books, an essential part of Edwardian publishing, were disseminated throughout the English-speaking world. Many are being reprinted today. This book examines related contexts of Medievalism expressed in painting, architecture, music and public celebrations, and the works of major authors, including Sir Walter Scott, Tennyson, Longfellow and William Morris. The book explores national identity expressed through literature, ideals of honor and valor in the years before World War I, and how childhood reading influenced 20th-century writers as diverse as C. S. Lewis, J. R. R. Tolkien, Siegfried Sassoon, David Jones, Graham Greene, Ian Fleming and John Le Carré.
Rereading the Black Legend - Margaret R. Greer 2008-09-15

The phrase "The Black Legend" was coined in 1912 by a Spanish journalist in protest of the characterization of Spain by other Europeans as a backward country defined by ignorance, superstition, and religious fanaticism, whose history could never recover from the black mark of its violent conquest of the Americas. Challenging this stereotype, *Rereading the Black Legend* contextualizes Spain's uniquely tarnished reputation by exposing the colonial efforts of other nations whose interests were served by propagating the "Black Legend." A distinguished group of contributors here examine early modern imperialisms including the Ottomans in Eastern Europe, the Portuguese in East India, and the cases of Mughal India and China, to historicize the charge of unique Spanish brutality in encounters with indigenous peoples during the Age of Exploration. The geographic reach and linguistic breadth of this ambitious collection will make it a valuable resource for any discussion of race, national identity, and religious belief in the European Renaissance.

The Oxford Guide to Arthurian Literature and Legend - Alan Lupack 2007-04-26

The *Oxford Guide to Arthurian Literature and Legend* offers a comprehensive survey of the Arthurian legends in all their manifestations, from the earliest medieval texts to their appearances in contemporary culture. Essential reading for Arthurian scholars, medievalists, and for those interested in myth and legend.

Essay on the Language and Literature of the Telugus - Charles Philip Brown 1839

Legends of the West - Charles River Charles River Editors 2013-08-24

*Includes pictures of Tombstone and important people and places.
*Profiles Tombstone's most famous residents, including Ed Schieffelin, the Earp brothers, Doc Holliday, and more. *Highlights the history of Tombstone, as well as its forms of entertainment. *Comprehensively covers the Gunfight at the O.K. Corral. *Includes a Bibliography for further reading. "The 26th of October, 1881, will always be marked as one of the crimson days in the annals of Tombstone, a day when blood flowed as water, and human life was held as a shuttle cock, a day to be remembered as witnessing the bloodiest and deadliest street fight that has ever occurred in this place, or probably in the Territory." - The Tombstone Nugget Space may be the final frontier, but no frontier has ever captured the American imagination like the "Wild West," which still evokes images of dusty cowboys, outlaws, gunfights, gamblers, and barroom brawls over 100 years after the West was settled. A constant fixture in American pop culture, the 19th century American West continues to be vividly and colorful portrayed not just as a place but as a state of mind. In Charles River Editors' Legends of the West series, readers can get caught up to speed on the lives of America's most famous frontier figures in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. The Wild West has made

legends out of many men, but it has forged a lasting legacy for the city of Tombstone, Arizona, a frontier boomtown that has come to symbolize everything about the Old West. In many ways, Tombstone fit all the stereotypes associated with that era in American history. A dusty place on the outskirts of civilization, Tombstone brought together miners, cowboys, lawmen, saloons, gambling, brothels, and everything in between, creating an environment that was always colorful and occasionally fatal. Those characteristics might not have distinguished Tombstone from other frontier outposts like Deadwood in the Dakotas, but some of the most famous legends of the West called Tombstone home for many years, most notably the Earp brothers and Doc Holliday. And ultimately, the relationships and rivalries forged by those men in Tombstone culminated in the legendary Gunfight at the O.K. Corral on October 26, 1881. The West's most famous fight all but ensured that Tombstone would be the epicenter of Western lore, and as the city's population dwindled at the end of the 19th century, the allure of Tombstone as a tourist center took hold. Nearly half a million tourists flock to Tombstone each year, where they find a city that has cashed in on its legacy through careful preservation. Many of the historic buildings in Tombstone haven't changed much in the last 130 years, and visitors who come to the O.K. Corral or Boothill Cemetery can get an idea of what Tombstone was like at its peak. Legends of the West: Tombstone, Arizona comprehensively covers the history of the city, profiles the people who called it home, and highlights the attractions and events that made it famous. Along with pictures of important people, places, and events, you will learn about Tombstone like you never have before, in no time at all.

Library of the World's Best Literature: Synopses of noted books (contin.)
General index - 1898

Handbook of Native American Literature - Andrew Wiget 1996
Collects essays on the oral literatures of Native Americans, covering revitalization movements, myth and religion, and humor in Native American culture
