*Greek Gods and Heroes* - Robert Graves 2014-03-06  
A retelling of the greatest myths and legends of the ancient Greek gods and heroes for readers of all ages by a celebrated historical novelist. In the ancient past, the Gods and Goddesses of ancient Greece lived on Mount Olympus and ruled the world of mortals. Famous heroes shaped the course of history, beautiful women drew the gazes of gods and men alike, and the gods were both fickle in their favors and breathtakingly generous to those they smiled upon. From Midas' tragic gift to the

exploits of Hercules and the curse of Pandora, renowned classicist and historical novelist Robert Graves brings the legends of ancient Greece to life in a lively, accessible way that's sure to appeal to everyone; from children to adults, and from casual readers to serious scholars.

**1,000 Books to Read Before You Die** - James Mustich 2018-10-02

It's time to talk books—and the conversation starts here. Encompassing fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, 1,000 Books to Read Before You Die moves across cultures and through time to present an eclectic collection of titles, each described with the special enthusiasm readers summon when recommending a book to a friend. The expected pillars are here, including Jane Austen and Toni Morrison, Virgil, Dante, Dickens and Tolstoy, Franz Kafka and Simone de Beauvoir—their works made fresh through the author's

animated essays. Established classics are joined by new and unexpected choices like *Citizen and Friday Night Lights*. A Visit from the Goon Squad and *The Pillow Book* of Sei Shōnagon, *The Day of the Jackal* and *The Man Who Mistook His Wife for a Hat*. The result is a treasury of essential reading for expansive tastes. The book's alphabetical listing by last name results in the serendipity of juxtaposition—Cormac McCarthy's *The Road* next to Robert McCloskey's *Make Way for Ducklings*, John le Carré next to Ursula K. Le Guin next to Harper Lee. Following each entry are rich endnotes that include publication dates and preferred editions, other books by the same author, related books to try, and listings of worthy adaptations, including movies and audiobooks. In total, more than six thousand titles by thirty-five hundred authors are recommended. A Miscellany of Special Lists at the end of the book offers the reader surprising entry points into the collection, such as "Books to Read in a Sitting,"

including *The Little Virtues* by Natalia Ginzburg and *The Third Man* by Graham Greene, and "Offbeat Escapes," including Freya Stark's *The Valleys of the Assassins* and Felice Benuzzi's *No Picnic on Mount Kenya*. For the truly dedicated reader, "A Long Climb, but What a View"—a perfect way to describe those mountainous texts we long to scale, such as Proust's *In Search of Lost Time* and Shelby Foote's *The Civil War*. An insightfully curated personal compendium that will inspire hours of browsing and a lifetime of reading, *1,000 Books to Read Before You Die* celebrates the gorgeous mosaic that is our literary heritage.

*Teaching Anglophone Caribbean Literature* - Supriya M. Nair 2012-12-01

This volume recognizes that the most challenging aspect of introducing students to

anglophone Caribbean literature--the sheer variety of intellectual and artistic traditions in Western and non-Western cultures that relate to it--also offers the greatest opportunities to teachers. Courses on anglophone literature in the Caribbean can consider the region's specific histories and contexts even as they explore common issues: the legacies of slavery, colonialism, and colonial education; nationalism; exile and migration; identity and hybridity; class and racial conflict; gender and sexuality; religion and ritual. This volume considers how the availability of materials shapes syllabuses and recommends print, digital, and visual resources for teaching. The essays examine a host of topics, including the following: the development of multiethnic populations in the Caribbean and the role of various creole languages in the literature oral art forms, such as dub poetry and reggae music the influence of anglophone literature in the Caribbean on literary

movements outside it, such as the Harlem Renaissance and black British writing Carnival religious rituals and beliefs specific genres such as slave narratives and autobiography film and drama the economics of rum Many essays list resources for further reading, and the volume concludes with a section of additional teaching resources.

Parallel Myths - J.F. Bierlein  
2010-06-16

“Unusually accessible and useful . . . An eye-opener to readers into the universality and importance of myth in human history and culture.”—William E. Paden, Chair, Department of Religion, University of Vermont For as long as human beings have had language, they have had myths. Mythology is our earliest form of literary expression and the foundation of all history and morality. Now, in Parallel Myths, classical scholar J. F. Bierlein gathers the key myths from all of the world's major traditions and reveals their common themes, images, and meanings. Parallel Myths

introduces us to the star players in the world's great myths—not only the twelve Olympians of Greek mythology, but the stern Norse Pantheon, the mysterious gods of India, the Egyptian Ennead, and the powerful deities of Native Americans, the Chinese, and the various cultures of Africa and Oceania. Juxtaposing the most potent stories and symbols from each tradition, Bierlein explores the parallels in such key topics as creation myths, flood myths, tales of love, morality myths, underworld myths, and visions of the Apocalypse. Drawing on the work of Joseph Campbell, Mircea Eliade, Carl Jung, Karl Jaspers, Claude Lévi-Strauss, and others, Bierlein also contemplates what myths mean, how to identify and interpret the parallels in myths, and how mythology has influenced twentieth-century psychology, philosophy, anthropology, and literary studies. “A first-class introduction to mythology . . . Written with great clarity and sensitivity.”—John G. Selby,

Associate Professor, Roanoke College

**Inquiry-Based Learning Through the Creative Arts for Teachers and Teacher Educators** - Amanda Nicole

Gulla 2020-10-19

This book is a theoretical and practical guide to implementing an inquiry-based approach to teaching which centers creative responses to works of art in curriculum.

Guided by Maxine Greene's philosophy of Aesthetic Education, the authors discuss the social justice implications of marginalized students having access to the arts and opportunities to find their voices through creative expression. They aim to demystify the process of inquiry-based learning through the arts for teachers and teacher educators by offering examples of lessons taught in high school classrooms and graduate level teaching methods courses. Examples of

student writing and art work show how creative interactions with the arts can help learners of all ages deepen their skills as readers, writers, and thinkers.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. [Gender and the Interpretation of Classical Myth](#) - Lillian Doherty 2015-03-02 Myths reflect, reinforce, and sometimes subvert gender ideologies and so have an influence in the 'real world'. This is true in the present no less than when the Greek and Roman myths were created. The struggles to redefine

gender roles and identities in our own time are inevitably reflected in our interpretations and retellings of these classical myths. Using the new lenses provided by gender studies and diverse forms of feminism, Lillian Doherty re-examines some of the major approaches to myth interpretation in the twentieth century: psychological, ritualist, 'charter', structuralist and folklorist. She also explores 'popular' uses of classical mythology - from television and comic books to the evocation of goddesses in Jungian psychology.

**Circe** - Madeline Miller

2018-04-10

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right"

(Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother.

Turning to the world of mortals for companionship, she discovers that she does possess

power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family

rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V.
