Multi-layered Scroll Saw Patterns - Crafterystallo

2021-01-26

20 Multilayered Scroll saw projects; ready-to-cut Patterns. Imagine how you would feel after creating beautiful art to decorate your home! Imagine the look in the eyes of your beloved ones when they see the art you made! With the help of the ready-to-cut templates in this book, you can create multilayered art or lighted shadow boxes. Some projects might be easy to do but most projects will be very challenging. Please, note that the book is Not a teaching book. There are NO tutorials; NO detailed instructions on the scroll saw operations or any tools. There are NO tips or tricks on choosing wood or blades. There are NO recommendation or how-to of any techniques. There are NO

tools included. It is purely printed paper patterns to make multilayered art using a scroll saw. How to use the patterns in this book? The patterns are ready to use with single side printed pages so you can easily cut out the page and paste it on a suitable piece of wood. The project layers are from 3 layers to 7 layers. The size ranges from 7.5 x 7.5 inches (19x19 cm) to 7.25 x10 inches (18.41x 25.4 cm) Of course, you can photocopy, scale and alter the patterns according to your convenience. Some patterns have details that might be challenging to cut on a smaller scale, so we recommend using paint to add the tiny details. Some projects might be easy to do but most projects will be very challenging. The outcome of the project will depend on your choice of materials and how far can you challenge your creativity and skills. There are two options for the end product; The first option cut out all the layers and glue them directly on top of each other to create a 3d layered in-depth art. Second option build a

shadow box frame with spaced grooves in the frame walls. The cutout layers or panels can then be fitted inside the grooves of the frame. A light String might be added inside the frame to create a lighted shadow box. There are very few and basic general instruction on how to build a frame inside the book, and few general tips that you probably knew. Features The book is large size with printed softcover, and paperback binding. The templates are printed on a single side to allow the use of the patterns. The size of the patterns ranges from 7.5 x 7.5 inches (19x19 cm) to 7.25 x10 inches (18.41x 25.4 cm) Please kindly note that the pages are not perforated, and tools are not included. Please note that the book has only patterns, no tutorials, no detailed instructions, no tips on choosing wood or blades. North American Wildlife  
Patterns for the Scroll Saw -

Lora S. Irish 2002-04-15  
Scroll saw artists never seem to have enough patterns - especially wildlife patterns. Here, artist Lora S. Irish presents 61 precisely drawn outline patterns for scrollers. Carefully inked lines make each pattern easy to follow. Scrollers may choose to photocopy or scan copies of the patterns to keep their book

intact or use the patterns directly from the book. Ms. Irish includes patterns for each commonly known species of North American wildlife. Bears, wolves, deer, eagles and ducks all come to life under the scroller's blade. Ms. Irish also includes brief cutting instructions to aid beginning scrollers. The instructions include information on what blades to choose, what wood to use and how to make inside and outside cuts. Safety precautions are also outlined. Scroll saw patterns can be cut as is to make scroll saw fretwork plaques. Turning the table left or right will allow the pattern to be cut in relief, giving the final work a compressed, three-dimensional look. Intermediate level scrollers may choose to incorporate the patterns in jewelry boxes, cabinet doors and more.
