Heavenly Serbia - Branimir Anzulovic 1999-03-01

As violence and turmoil continue to define the former Yugoslavia, basic questions remain unanswered: What are the forces behind the Serbian expansionist drive that has brought death and destruction to Croatia, Bosnia and Herzegovina, and Kosovo? How did the Serbs rationalize, and rally support for, this genocidal activity? Heavenly Serbia traces Serbia's nationalist and expansionist impulses to the legendary battle of Kosovo in 1389. Anzulovic shows how the myth of "Heavenly Serbia" developed to help the Serbs endure foreign domination, explaining their military defeat and the loss of their medieval state by emphasizing their own moral superiority over military victory. Heavenly Serbia shows how this myth resulted in an aggressive nationalist ideology which has triumphed in the late twentieth century and marginalized those Serbs who strive for the establishment of a civil society. "Modern Serbian nationalism...and its contradictory connections...have been sources of considerable scholarly interest...Branimir Anzulovic's compendium is a good example of the genre, made all the more useful by Anzulovic's excellent command of the literature." —Ivo Banac, History of Religions Author interview with CNN: http://www.cnn.com/chat/transcripts/branimir_chat.html

A Girl in Exile - Ismail Kadare 2018-01-01

A New York Times Book Review Editors' Choice "Erotic, paranoid and lightly fantastical." —The Wall Street Journal "Ismail Kadare's readers are astonished every year when the Nobel committee overlooks him. . . . Under the influence of a paranoid regime, Rudian finds himself swept along on a surreal quest to discover what really happened to Linda B. "At a time when parts of the world are indulging nostalgia for communism, Kadare's novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system." —The Washington Post "A Girl in Exile confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism." —The New Republic

Living in Prison - Hans Toch 1992-01-01

"Living in Prison: The Ecology of Survival" makes a contribution to environmental psychology from a transactional perspective. From a series of some 900 interviews with prisoners and staff in New York correctional institutions, Toch and his colleagues identified eight areas of predominant inmate concern: privacy, activity, structure, support, emotional feedback, social stimulation, activity, and freedom. On the basis of these dimensions, an innovative psychological instrument, the Prison Preference Inventory, was developed and administered to 2,650 inmates in five major prison systems. The analysis of these data leads to a consideration of the match between inmate and setting, as well as valuable suggestions for the improvement of person-environment transactions in prisons and in other human environments.

Practical ideas on the formation of school purposes, the design of school-wide experiences, effective implementation, and the creation of responsive evaluative mechanisms help students to fulfill the goal of the text to design an authentic and effective curriculum. After an introductory chapter examining the role of the teacher in the design process and two brisk chapters leading students through the theoretical foundations of curriculum development, the text launches into the curriculum design process, giving a close look to each element. Hlebowitsh makes a valuable contribution to the field with this new text, offering a contemporary treatment of classic curriculum design theory and, most importantly, equipping students to engage in effective curriculum design themselves. The Myth of Lasgush - Dr Kapurani 2004

'That which puzzled and fascinated me whenever I met Lasgush was this sensation of the impossible. It was impossible to get on with him as you did with others. The moment you were at him, or rather, the moment you knocked at his door, suddenly all became another thing. There was another logic, another code, other words, wrapped up in another meaning. .when you went to Lasgush's, it was more than going abroad. You believed you dropped somewhere beyond our time, beyond the everyday way of looking at things. One more step and it looked as if you would cross the borders of life and would find yourself in Dante's nothingness. .He was unpredictable, corrosive like acid, creepy, startling. His laugh was like as if beyond our life, mirthless, and his sadness had no grief. As for his anger, it was such as well, luxurious, cold, whereas his contempt was radiating from afar, as if adorned with silver.' (Kadare, In My Studio. pp 207, 208, 209. My translation) -All this Saussurean lava of meaning has its own matchless 'crater' from where it erupts and reaches us time and again, endlessly. Lasgush's Word has its own individual suspension, chiselled by the hand of a true master. It is breathlessly succinct and, in all probability, on a par with the best ever created. Lasgush says that his Word is: 'Mystery that burns in a thread of lightning.' (My Fiery Tongue)

Women in Modern Albania - Susan E. Pritchett Post 1998

Upon her arrival in Tirana, Albania, in April 1994, the author found a city unlike any other she had experienced. Rotting trash was piled in the center of the streets, animals shared the rutted roads with cars, and housing, when it could be found, was crowded and crumbling. But she found a people full of optimism, particularly the women. Despite the subservient role forced by tradition on nearly all Albanian women, they have increasingly become the foundation upon which the country exists. Not only are they responsible for caring for extended households, these women are now also becoming vital parts of the country's economy. Most importantly, however, they maintain a faith in Albania that belies the country's turbulent past and widely predicted future. Through interviews with over 200 Albanian women, this work is an insightful, often poignant, look at a country that remains a mystery to most in the West.

You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and

women in this book.
