College Admission - Robin Mamlet 2011-08-30

College Admission is the ultimate user's manual and go-to guide for any student or family approaching the college application process. Featuring the wise counsel of more than 50 deans of admission, no other guide has such thorough, expert, compassionate, and professional advice. Let's be honest: applying to college can be stressful for students and parents. But here's the good news: you can get in. Robin Mamlet has been dean of admission at three of America's most selective colleges, and journalist and parent Christine VanDeVelde has been through the process first hand. With this book, you will feel like you have both a dean of admission and a parent who has been there at your side. Inside this book, you'll find clear, comprehensive, and expert answers to all your questions along the way to an acceptance letter: • The role of extracurricular activities • What it means to find a college that's the "right fit" • What's more important: high grades or tough courses • What role does testing play • The best candidates for early admission • When help from parents is too much help • Advice for athletes, artists, international students, and those with learning differences • How wait lists work • Applying for financial aid This will be your definitive resource during the sophomore, junior, and senior years of high school.

45 College Recommendation Letters That Made a Difference - Nancy L. Nolan 2012-06-13

When they prepare for college, few candidates take the time to acquire the caliber of recommendation letters they will need to distinguish themselves in a highly competitive applicant pool. This book, which was written by an Ivy League admissions expert, offers detailed advice to write (and get) persuasive letters that highlight the personal, academic and professional strengths the committee expects to see. It also includes 45 successful recommendation letters for students who have distinguished themselves as scholars, leaders, volunteers, athletes, and performers. Finally, there are also persuasive letters that explain extenuating circumstances in a candidate's history (such as disappointing grades and a low SAT score). At top colleges, where the competition is fierce, the quality and depth of a candidate's recommendation letters can make the difference between acceptance and rejection. Whether you are an applicant who needs a persuasive letter of recommendation, or someone who has been asked to write one, this exceptional book is mandatory reading.

The Professor Is In - Karen Kelsky 2015-08-04

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: - When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

B+ Grades, A+ College Application - Joie Jager-Hyman 2013-07-23

This alternative college guide from a former Dartmouth assistant admissions director-turned-consultant gives non-straight-A students advice on the many options available to them and tips on how to identify, gain admittance to, and pay for the schools that will allow them to flourish. Less-than-perfect grades? No problem! Contrary to popular opinion, you don't need to have a 4.0 GPA or a perfect jump shot to get into a good college. This insider's guide reveals easy tweaks that will pay off big-time in showing admissions officers that you as a whole—not just your SAT scores—are a perfect fit for their incoming class. With stellar advice on getting into schools that will allow you to thrive, this handbook reveals how to: - Find great colleges that are a good match for your strengths (and will overlook less-relevant weaknesses) - Painlessly beef up your application - Tailor extracurriculars to showcase your uniqueness - Make sure your recommendation letters emphasize the right qualities - Write original essays that reveal traits beyond your transcript - Make an impression on admissions officers and college interviewers - Create an early-admissions strategy to increase your likelihood of acceptance - Help your chances if you're deferred - Get into brand-name schools through the side door - Communicate about learning disabilities or special circumstances - Get scholarship money based on attributes other than grades - Customize your financial aid strategy BONUS: Includes an appendix of 130+ selective colleges to consider!

My Journey to Stanford - Harper Tang 2019-09-29

Harper Tang is currently a student at Stanford University. She was also admitted into Yale University, Massachusetts Institute of Technology, The University of Pennsylvania Wharton, and UC Berkeley's Management, Entrepreneurship, and Technology program. In My Journey to Stanford, Harper Tang shares her personal journey towards America's most elite universities: how she transformed from being the shyest student in her class to being a well-known leader, how she got involved in her high school and community, and how her small accomplishments and experiences built up into much larger ones over time. In addition to sharing her personal story, Harper Tang shares her Common Application essay and Stanford, Yale, and MIT supplemental essays, and demonstrates how she listed and described her extracurricular activities and awards. My Journey to Stanford also offers insights into questions that underpin the college admissions process: How can high school students strive to be admitted into elite universities while growing personally? What, really, makes for a good essay and recommendation letter? How can high school students build leadership and initiative while delving into their interests? My Journey to Stanford, ultimately, is both

an expansive and in-depth look into the college admissions process. It is a valuable resource for anyone dreaming of attending an elite university, from students just starting to think about college admissions to students just about to apply.

45 Medical School Recommendation Letters - Nancy L. Nolan 2010-06

When they prepare for medical school, few candidates take the time to acquire the caliber of recommendation letters they will need to distinguish themselves in a highly competitive applicant pool. This book, which was written by an Ivy League admissions expert, offers detailed advice to write (and get) persuasive letters that highlight the personal, academic and professional strengths the committee expects to see. It also includes 45 successful recommendation letters, including several that "explain" extenuating circumstances in a candidate's history (such as disappointing grades, a gap in employment, and low MCAT scores).
