*Nineteen Eighty-Four* - George Orwell

2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and

dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

### **Sinners in the Hands of an Angry God -**

Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction.

And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

**Instrumental** - James Rhodes 2017-02-07

“A mesmeric combination of vivid, keen, obsessive precision and raw, urgent energy.” -- Zoe Williams, Guardian “Thrilling and harrowing . . . Unsurpassed and unsurpassable.” --Sunday

Times James Rhodes's passion for music has been his lifeline--the thread that has held

through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop

as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his

demons by encounters with musical miracles. These--along with a chance encounter with a

stranger--inspired him to become the renowned concert pianist he is today. Instrumental is a

memoir like no other: unapologetically candid, boldly outspoken, and surprisingly funny--shot

through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's

incredible story is now in development from Monumental Pictures and BBC Films, following a

competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to

the therapeutic powers of music, Instrumental also weaves in fascinating facts about how

classical music actually works and about the extraordinary lives of some of the great

composers. It explains why and how music has the potential to transform all of our lives.

Hildegard of Bingen's Spiritual Remedies - Wighard Strehlow 2002-07-10

Hildegard of Bingen recognized what the holistic health movement has only recently restored to

our consciousness: that full health can only be experienced in a state of spiritual balance. Dr.

Strehlow gives readers practical suggestions based on the integration of 35 spiritual forces of

the human soul in order to "cure the soul within," which he synthesized from five of

Hildegard's books on spiritual and psychological healing principles.

PUERTO RICAN COOKERY - Carmen Valldejuli 1983-03-31

Takes the reader on an interesting culinary journey. -Key West Citizen "The foremost

authority on Puerto Rican cooking is a silver

haired, stylish, and warmly hospitable woman named Carmen Aboy Valldejuli . . . [her books] are considered today to be the definitive books on island cooking." -New York Times "Its recipes are authentic, well tested, and exactly written." - Cecily Brownstone, food editor, Associated Press Puerto Rican Cookery, now in its twenty-third printing with 130,000 in print, has become the standard reference on traditional native cookery (cocina criolla). According to the San Juan Star, "the cookbook is seen and is more likely better read in some homes than the religious tome. . . . [it] is considered a primer for beginning cooks . . . a textbook for home economists and it is a guide for the gourmet as well." The recipes in this book are as bewitching as an off-shore breeze, plumbing the mysteries of native dishes in accurate and easy-to-follow details that assure the success of every recipe-whether it is for Pickled Chicken or Sweet Potato Pudding. In Puerto Rican Cookery, the late Carmen Aboy Valldejuli traces the development of traditional native cookery and reveals secrets of the essence of Puerto Rican cookery-keymark to fabulous island delicacies. Native Taino petroglyphs illustrate this handsome book.

Letter of Christopher Columbus to Rafael Sanchez - Christopher Columbus 1893

All Of Grace - C .H. Spurgeon 2010-06-01  
C. H. Spurgeon writes, "Only God can justify the ungodly, but He can do it to perfection. He casts our sins behind His back; He blots them out. He says that though they be sought for, they shall not be found." In an age of limited travel and isolated nations, C.H. Spurgeon preached to over 10,000,000 people in person—sometimes up to 10 times per week. It is in this classic work that Spurgeon most clearly present the message of salvation—man's ultimate need and God's unique provision—both simply and sincerely, for honest seekers and zealous witnesses alike.

**Unbreakable** - Jenni Rivera 2013-07-02

The story behind Telemundo's Jenni Rivera: Mariposa del Barrio series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012.

However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In Unbreakable, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body

image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

[The Unsinkable Greta James](#) - Jennifer E. Smith  
2022-03-01  
An indie musician reeling from tragedy and a public breakdown reconnects with her father on a weeklong cruise in “a pitch-perfect story about the ways we recover love in the strangest places” (Rebecca Serle, bestselling author of *In Five Years*) “The characters are drawn with a generosity that allows them to be wrong but also right, loving but also prone to missteps, and ultimately deserving of a resolution that’s full of hope.”—Linda Holmes, *New York Times*

bestselling author of *Evvie Drake Starts Over* **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—BookPage Right after the sudden death of her mother—her first and most devoted fan—and just before the launch of her high-stakes sophomore album, Greta James falls apart on stage. The footage quickly goes viral and she stops playing, her career suddenly in jeopardy—the kind of jeopardy her father, Conrad, has always predicted; the kind he warned her about when he urged her to make more practical choices with her life. Months later, Greta—still heartbroken and very much adrift—reluctantly agrees to accompany Conrad on the Alaskan cruise her parents had booked to celebrate their fortieth anniversary. It could be their last chance to heal old wounds in the wake of shared loss. But the trip will also prove to be a voyage of discovery for them both, and for Ben Wilder, a charming historian, onboard to lecture about *The Call of the Wild*, who is struggling with a major upheaval in his own life. As Greta works to build back her confidence and Ben confronts an uncertain future, they find themselves drawn to and relying on each other. It’s here in this unlikeliest of places—at sea, far from the packed city venues where she usually plays and surrounded by the stunning scenery of Alaska—Greta will finally confront the choices she’s made, the heartbreak she’s suffered, and the family hurts that run deep. In the end, she’ll have to decide what her path forward might look like—and how to find her voice again.

**The Adrenal Thyroid Revolution** - Aviva Romm, M.D. 2017-01-31

A Yale-trained, board-certified family physician with a specialty in women's health and obstetrics delivers a proven 28-day program to heal the overwhelmed, overloaded systems, and prevent and reverse the myriad of symptoms affecting the vast majority of women today. Weight gain, fatigue, brain fog, hormonal imbalances, and autoimmune conditions—for years, health practitioners have commonly viewed each as individual health problems resulting from a

patient's genetic bad luck, poor lifestyle choices, or lack of willpower. Patients, too, have turned to different doctors to alleviate their specific symptoms: an endocrinologist for a thyroid problem; a gynecologist for hormonal issues; an internist for weight, diabetes, and high blood pressure; a rheumatologist for joint problems, and even to therapists or psychologists. While these ailments may seem unrelated, Dr. Aviva Romm contends that they are intrinsically connected by what she calls Survival Overdrive Syndrome, a condition that occurs when the body becomes overloaded. SOS can result from childhood survival patterns or adult life stressors that are compounded by foods we eat, toxins in our environment, viral infections, lack of sleep, disrupted gut microflora, and even prescribed medications. Two of the systems most affected are the adrenal system and the thyroid, which control mood, hormones, inflammation, immunity, energy, weight, will power, blood sugar balance, cholesterol, sleep, and a host of other bodily functions. When these systems become overwhelmed they lead to symptoms that can develop into full blow illnesses, including diabetes, hypertension, osteoporosis, and heart disease—all of which have medically provable origins in SOS. The Adrenal Thyroid Revolution explains SOS, how it impacts our bodies and can lead to illness, and most importantly, offers a drug-free cure developed through Dr. Romm's research and clinical work with tens of thousands of patients. In as little as two weeks, you can lose excess weight, discover increased energy, improve sleep, and feel better. With The Adrenal Thyroid Revolution, you can rescue your metabolism, hormones, mind and mood—and achieve long-lasting health.

**Just a Bit Gay** - Alessandra Hazard 2020-07-25  
Tyler Meyer is totally straight. But then the hot woman he's hooking up with sticks her finger where she shouldn't, and suddenly he's not so sure... Straight guys can like that sort of thing too, right? Except things get confusing and frustrating when fingers and toys aren't quite enough. Enter Nick Hardaway, Tyler's best friend. What's a little fun between bros, right? Publisher's note: This book contains explicit MM content, feminization, and strong language. Book #9 in the Straight Guys series, but it can be read as a stand alone.

**Ciudad de Mexico** - Edson Diaz-Fuentes  
2021-06-24

Divided into chapters by time of day, in Ciudad de México, chef Edson Diaz-Fuentes takes the reader on a whirlwind tour of one of the most diverse cuisines in the world, explored through the vibrant and bustling Mexico City. Inspired by the culinary highlights of his childhood, Ciudad de México features favourites such as Huevos Motuleños, Tacos de Pescado Estilo Baja, Pambazos, and Oxtail Mole de Olla, accompanied by an array of cocktails including Margaritas de Jamaica and Mezcal Sours. With a dedicated section to marinades, rubs, and salsas, Ciudad de México contains everything you need to bring a touch of Mexican flavour to everyday dishes, such as Edson's Beetroot and Pasilla Mixe Ketchup. Designed for the home cook, Edson's handy substitution guides allow you to capture the essence of Mexican cooking with readily available ingredients, so it won't matter if you're short a tomatillo or two. A book evoking the flavour and soul of Mexican hospitality, Ciudad de México unveils the complexities of the cuisine and the rich food culture that unites this sprawling metropolis. Tied together with stunning location photography, this book is a must-have for any home cook and culinary explorer.

**Church Discipline** - Jonathan Leeman 2012-04-30  
More and more church leaders, pastors, and members are looking for guidance on how to practice church discipline in a biblical way. Here is a contemporary and concise how-to guide that provides a theological framework for understanding and implementing disciplinary measures in the local church, along with several examples of real-life situations. Drawing on both Matthew 18 and 1 Corinthians 5, this brief hardback helps leaders face the endless variety of circumstances and sins for which no exact scriptural case study exists, sins which don't show up on any list and need a healthy framework to be corrected appropriately in love. This volume is part of the 9Marks: Building Healthy Churches series. Look for upcoming, quick-read formats of the following marks of a healthy church: expository preaching, biblical theology, the gospel, conversion, evangelism, church membership, discipleship and growth, and church leadership.

Yes! Can we live in good and perfect health today? Yes! Our God is the same yesterday, today and forevermore. Expect your healing as you read. Here, you will read some incredible testimonies that will instantly increase your faith in God and His unlimited ability and willingness to intervene even in worst situations. For example, God still cures incurable and terminal diseases. He still raises the dead. Have you read about a man who was raised from death after staying two days in the mortuary? Now, if God can do that, why do you think

nothing can be done about that your condition? There are many other incredible testimonies here. There are ten powerful, illuminating chapters in this book: All Things are Possible, Healing is Your Right, Origin of Sickness, Word of God, Name of Jesus, Holy Spirit, Power of Faith, Retaining Your Healing. You will also learn about the roles of prayer, anointing oil, laying of hands, compassion (love), obedience, angels, praise and worship, etc, in our quest to receive and retain our healing. This book is designed for you to receive your healing as you go through it, and it's very practical.

**Santo remedio** - Erwin Moller 2012-04-01 Remedios naturales basados en el poder de la herbolaria tradicional mexicana. Lo más sencillo y eficaz contra los malestares más frecuentes. Desde sus orígenes, la cultura mexicana se ha caracterizado por la valiosa sabiduría que posee sobre el uso de la herbolaria, reconocida mundialmente, así como por los procedimientos de origen natural para sanar enfermedades. ¡Santo remedio! es una guía que pone a su alcance este conocimiento ancestral, complementado con los más recientes descubrimientos sobre las propiedades de los alimentos y de otros productos naturales que toda casa debe tener. Contiene además una investigación seria y sustentada de los remedios más comunes y su eficacia, comprobada por generaciones y avalada por los usos y las costumbres de las familias mexicanas. En esta obra encontrará: Descripción de los malestares y padecimientos más frecuentes, y remedios más eficaces para curarlos. Cuidados adicionales y casos en que es necesario consultar al médico. Remedios caseros muy prácticos, fáciles de preparar y de aplicar. Propiedades curativas de los alimentos. Relación de productos naturales para tener su propio botiquín en casa. Información respaldada por la experiencia del autor, quien es una autoridad en el tema. ¡Santo remedio! es un libro de cabecera, un prontuario seguro para elegir el alimento adecuado o la hierba precisa con la certeza de conocer sus propiedades y sus beneficios para el bienestar de toda la familia. Un botiquín de remedios tradicionales que no debe faltar en el hogar. *A Course in Miracles* - Foundation for Inner Peace 1996 Offers ecumenical meditations on love,
