The Unbearable Lightness of Being - Milan Kundera 2004-05-04

When The Unbearable Lightness of Being was first published in English, it was hailed as "a work of the boldest mastery, originality, and

richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller.

Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once,

existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

The Art Of Seduction - Robert Greene
2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-

Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

Black Rules - Charlotte Byrd 2018-06-27

We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black.

Two sides of the same person. Aiden is kind and sweet. Mr. Black is demanding and rule-oriented. When he invites me back to his yacht, I can't say no. Another auction. Another bid. I'm supposed to be his. But then everything goes wrong.... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly

but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - Making Words Up "Her words made me fall in love. It slayed me!" - Sizzling Books "Left my head spinning! I never wanted it to end!" - Heartbreakers and Heroes
My Dearest Enemy - Connie Brockway
2010-12-08

Connie Brockway's novel of unexpected love begins with a series of letters between a world-weary adventurer and the beautiful suffragette whose passion calls him home. "Dear Mr. Thorne, For the next five years, I will profitably manage this estate. I will deliver to you an allowance and I will prove that women are just as capable as men." Lillian Bede is shocked when she is tapped to run the affairs of an exquisite country manor. But she accepts the challenge, taking the opportunity to put her politics into practice. There's only one snag: Lily's ward, the infuriating, incorrigible globe-

trotter Avery Thorne. "My Dear Miss Bede, Forgive me if I fail to shudder. Pray, do whatever you bloody well want, can, or must." Avery's inheritance is on hiatus after his uncle dies—and his childhood home is in the hands of some domineering usurper. But when he finally returns, Avery finds that his antagonist is not at all what he expected. In fact, Lily Bede is stunning, exotic, provocative—and impossible to resist. Includes a special message from the editor, as well as excerpts from other Loveswept titles.

Beautiful Tempest - Johanna Lindsey

2017-07-11

#1 New York Times bestselling author Johanna Lindsey now reveals the tempestuous story of Jacqueline Malory whose furious desire for revenge leads to a confrontation with the handsome pirate who abducted her—and sparks a much steamier kind of desire. James figured out who masterminded the dastardly plot and is leading a fleet of ships to the West Indies to deliver some Malory-style retribution. More interested in revenge than in finding a husband during her first London

Season, Jack is furious that her father left her behind. Then an intriguing stranger leads her and her older brother Jeremy to her mysterious abductor. But instead of capturing him, the Malory siblings wind up as his " guests" on a ship sailing away from England. As Jack re-engages in a battle of wills with her all too attentive captor, she realizes he is no ordinary pirate, perhaps no pirate at all, but a nobleman determined to settle a score that dates back to the days when her father was known as Captain Hawk—and what endangers her most is the increasingly passionate attraction they feel for each other.

Tardes Felices - Salvador Fleján 2016-07-25

Entre el mundo de fantasía del cine y la televisión y los avatares de la realidad, en un país que siempre ha tenido mucho de oropel televisivo, se teje un anecdotario que difuma los contornos de lo real y lo ilusorio. Aquellas "Tardes Felices" de la TV venezolana de finales del siglo pasado son el marco adonde nos transporta la nostalgia del autor y de allí surge este mosaico de vivencias y emociones; compendio de un acervo íntimo que, al mismo tiempo, le puede resultar familiar al lector. Variados, livianos, frescos, estos textos

componen un paisaje retrospectivo que propicia, más que una lectura, una suerte de plática imaginaria con cualquier colega de ruta de la Venezuela urbana. Sus páginas son como el eco de un país que pareciera mirar hacia atrás, melancólico, en busca de la candidez perdida. Sex - Madonna 1992-01

Memoirs of a Geisha - Arthur Golden 1999-11-09

A literary sensation and runaway bestseller, this brilliant debut novel tells with seamless authenticity and exquisite lyricism the true confessions of one of Japan's most celebrated geisha. Nominated as one of America's best-loved novels by PBS's The Great American Read Speaking to us with the wisdom of age and in a voice at once haunting and startlingly immediate, Nitta Sayuri tells the story of her life as a geisha. It begins in a poor fishing village in 1929, when, as a nine-year-old girl with unusual blue-gray eyes, she is taken from her home and sold into slavery to a renowned geisha house.

We witness her transformation as she learns the rigorous arts of the geisha: dance and music; wearing kimono, elaborate makeup, and hair; pouring sake to reveal just a touch of inner wrist; competing with a jealous rival for men's solicitude and the money that goes with it. In *Memoirs of a Geisha*, we enter a world where appearances are paramount; where a girl's virginity is auctioned to the highest bidder; where women are trained to beguile the most powerful men; and where love is scorned as illusion. It is a unique and triumphant work of fiction—at once romantic, erotic, suspenseful—and completely unforgettable.

The Diary of a Submissive - Sophie Morgan 2012

Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the

wake of *Fifty Shades of Grey*, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.
