The Business School - Robert T. Kiyosaki 2015

"In this third edition of his bestselling book, Robert T. Kiyosaki updates and expands his original eight "hidden values" of a network marketing business (other than making money!). Special Bonus--additonal "hidden values" from Robert, Kim Kiyosaki and Tom Wheelwright. ... Robert explains that building a network marketing business: is a revolutionary way to achieve wealth; makes it possible for anyone to acquire great wealth; and is open to anyone who has drive, determination, and perseverance." --

A Girl Like Her - Talia Hibbert 2018-03-14

Ruth Kabbah is okay with being an outcast. Between her autism, her comic book nerdery, and the whiff of scandal her small town can't forget, Ruth will always be Ravenswood's black sheep. Since she prefers silence and solitude to gossip and pub crawls, that suits her just fine—until Evan Miller comes to town. Ex-military man Evan is gorgeous, confident... and he's Ruth's new neighbour. Unlike everyone else, he doesn't seem to mind her crotchety ways or her cooking disasters. In fact, if Ruth didn't know any better, she might think Evan *likes* her. But Ruth's been burned before, and some lessons are hard to forget. She can't let her guard down—no matter how many home-cooked meals Evan brings over. Because affection is temporary, trust is made to be broken, and the heat

of desire is a dangerous thing to play with. So why does this man feel so safe? The Ravenswood Series #1: A Girl Like Her #1.5: Damaged Goods #2: Untouchable #3: That Kind of Guy

Secrets of the Millionaire Mind - T. Harv Eker 2009-10-13

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind

is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Veronika Decides to Die - Paulo Coelho 2009-03-17

"A highly original, moving, and ultimately life-affirming book." - Sunday Mirror (London) Twenty-four-year-old Veronika seems to have everything - youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho's own life, Veronika Decides to Die questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

Grunch* of Giants - R. Buckminster Fuller 1983-04-15

With the appearance of Grunch of Giants, R. Buckminster Fuller consummates his literary canon, his panoramic lifetime survey of all aspects of the responsibility of human beings for their own destiny. This book is a modern allegory - his long-gestated myth-of the villainy of

capitalism and the fecklessness of classic economics. For Fuller, the academic discipline of economics is irrelevant since it derives from an invalid assumption of scarcity. In fact, he has long argued that future historians of our era may subsume our business practices as a branch of mythology; thus it is not surprising that the word economic appears nowhere in his text. Fuller's myth is no idle fairy tale, since he faces his question - the question of a technological imperative which only he could raise with the deadly seriousness of satire. That question is: Can our system of national political sovereignties and corporate profits survive the inevitable technology revolution require to obviate wars by effecting a worldwide rise in the standard of living. One of the functions of myth is to resolve contradictions in our culture. Grunch of Giants portrays the rising of multinational corporations in the paradoxical role of function both as the epitome of capitalistic selfishness and as the inadvertent vehicle for the dissolution of national political boundaries - the last deterrent to a one-world economy. The result is more subversive of the property and profit values of the capitalist system than anything dreamed of since Karl Marx. —E.J. Applewhite, collaborator with RBF on Synergetics and Synergetics 2, author of Cosmic Fishing: A Memoir of Working With R. Buckminster Fuller

The Millionaire Next Door - Thomas J. Stanley 2010-11-30

How do the rich get rich? An updated edition of the "remarkable" New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as "rich" are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive

demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today’s earn-and-consume culture.” —Library Journal

The Book of the Thousand Nights and a Night (Annotated) -

Burton, Richard Francis 2016-03-16

The Book of the Thousand Nights and a Night (1885), subtitled A Plain and Literal Translation of the Arabian Nights Entertainments, is a celebrated English language translation of One Thousand and One Nights (the "Arabian Nights") - a collection of Middle Eastern and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age (8th–13th centuries) - by the British explorer and Arabist Richard Francis Burton (1821-1890).

THE MAGIC - Rhonda Byrne 2012-03-06

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Personal MBA - Josh Kaufman 2010-12-30

Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In The Personal MBA, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools—they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

The Business of the 21st Century - Robert T. Kiyosaki 2019-10-22

In *The Business of the 21st Century*, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

The Arcades Project - Walter Benjamin 1999

Critiquing the arcades of nineteenth-century Paris—glass-roofed rows of shops that served as early malls—the author, who wrote the work in the 1920s and 1930s, covers thirty-six still-trenchant topics, including fashion, boredom, photography, advertising, and prostitution, among others.

Rich Dad's Rich Kid, Smart Kid - Robert T. Kiyosaki 2001-01-01

This handbook for parents explains how to teach children the fundamental principles of finance, introducing problem-solving skills that help youngsters understand the importance of a good education and financial planning in their lives.

The Secret - Rhonda Byrne 2011-07-07

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you’ll learn how to use *The Secret* in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You’ll begin to understand the hidden, untapped power that’s within you, and this revelation can bring joy to every aspect of your life. *The Secret* contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of *The*

Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Money, and the Law of Attraction - Esther Hicks 2008

Offers guidance in using the principles of the "law of attraction" to attain physical and financial well-being.

Fire in the Minds of Men - James H. Billington 1999

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes

his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

The 4-Hour Work Week - Timothy Ferriss 2011-08-31

A new, updated and expanded edition of this New York Times bestseller on how to reconstruct your life so it's not all about work Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book is the blueprint. This step-by step guide to luxury lifestyle design teaches: * How Tim went from \$40,000 dollars per year and 80 hours per week to \$40,000 per MONTH and 4 hours per week * How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want * How blue-chip escape artists travel the world without quitting their jobs * How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist * How to trade a long-haul career for short work bursts and frequent 'mini-retirements'. This new updated and expanded edition includes: More than 50 practical tips and case studies from readers (including families) who have doubled their income, overcome common sticking points, and reinvented themselves using the original book as a starting point * Real-world templates you can copy for eliminating email, negotiating with bosses and clients, or getting a private chef for less than £5 a meal * How lifestyle design principles can be suited to unpredictable economic times * The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.

Rich Dad, Poor Dad - Robert T. Kiyosaki 2016-04-27

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high

school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Miracle Morning Millionaires - Hal Elrod 2018-05-25

What if the real secret of millionaires isn't about doing more, but becoming more? Millionaires know everything in your present is a result of how you thought, decided, and acted in the past. That's where you find your Millionaire Miracle Morning.

How to Make People Like You in 90 Seconds or Less - Nicholas Boothman 2008-07-02

Whether selling, managing, negotiating, planning, collaborating, pitching, instructing-or on your knees with a marriage proposal-the secret of success is based on connecting with other people. Now that connection is infinitely easier to make through Nicholas Boothman's program of rapport by design. *How to Make People Like You in 90*

Seconds or Less is the work of a master of Neuro-Linguistic Programming whose career is teaching corporations and groups the secrets of successful face-to-face communication. Aimed at establishing rapport-that stage between meeting and communicating-*How to Make People Like You* focuses on the concept of synchrony. It shows how to synchronize attitude, synchronize body language, and synchronize voice tone so that you instantly and imperceptibly become someone the other person likes. Reinforcing these easy-to-learn skills is knowing how to read the other person's sensory preferences-most of us are visual, some are kinesthetic, and a minority are auditory. So when you say "I see what you mean" to a visual person, you're really speaking his language. Along the way the book covers attitude, nervousness, words that open a conversation and words that shut it down, compliments, eye cues, the magic of opposites attracting, and more. It's how to make the best of the most important 90 seconds in any relationship, business or personal.

Who Moved My Cheese? - Spencer Johnson 1998-09-08

THE #1 INTERNATIONAL BESTSELLER WITH OVER 28 MILLION COPIES IN PRINT! A timeless business classic, *Who Moved My Cheese?* uses a simple parable to reveal profound truths about dealing with change so that you can enjoy less stress and more success in your work and in your life. It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving "The Cheese." But things keep changing... Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller *The One Minute Manager*, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude. Exploring a simple way to take the fear and anxiety out of managing the future, *Who Moved My Cheese?* can help you discover how to anticipate, acknowledge, and accept change in order to have a positive impact on your job, your relationships, and every aspect of your life.

Rich Dad's Prophecy - Robert T. Kiyosaki 2002-10-09

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

How to Win Friends and Influence People - Dale Carnegie
2022-05-17

Updated for the first time in more than forty years, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People*—a classic that has improved and transformed the personal and professional lives of millions. This new edition of the most influential self-help book of the last century has been updated under the care of Dale's daughter, Donna, introducing changes that keep the book fresh for today's readers, with priceless material restored from the original 1936 text. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking publication has sold tens of millions of copies, been translated into almost every known written language, and has helped countless people succeed. Carnegie's rock-solid, experience-tested advice has remained relevant for generations because he addresses timeless questions about the art of getting along with people. *How to Win Friends and Influence People* teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! *How to Win Friends and Influence People* is a historic bestseller for one simple reason: Its crucial life lessons, conveyed through engaging storytelling, have shown readers how to become who they wish to be.

With the newly updated version of this classic, that's as true now as ever.

The Age of Revolution - Eric J. Hobsbawm 1977-01

The Red and the Black - Stendhal 2021-11-16

The Red and the Black Stendhal - First published in 1830, *The Red and the Black*, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in

the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Julien's talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhal's unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, *The Red and the Black* is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.

Monsieur Ibrahim and the Flowers of the Koran - Éric-Emmanuel Schmitt
2003

Ibrahim offers Momo his ear and advice, and gradually teaches the precocious boy that there is more to life than whores and stealing groceries. When Momo's father, a passive-aggressive lawyer who neglects his son's well being, disappears and is found dead, Ibrahim adopts the newly orphaned boy.

Rich Dad's Guide to Investing - Robert T. Kiyosaki 2001-01-15

Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

The Little Prince - Antoine de Saint-Exupéry 2017-11-04

Rich Dad, Poor Dad - Robert T. Kiyosaki 2019-05-25

In *Rich Dad Poor Dad*, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad, and the father of his best friend, the man who became his mentor and his rich dad. One man was well educated and an employee all his life, the other's education was street smarts over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert's

poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will explode the myth that you need to earn a high income to become rich challenge the belief that your house is an asset show parents why they can't rely on the school system to teach their kids about money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

The Man who Laughs - Victor Hugo 1888

My Father's Glory ; And, My Mother's Castle - Marcel Pagnol 1991-09-01
With warmth, lucidity and good humour, Pagnol, a boy from the city, recounts the glorious summer days he spent exploring the sun-baked Provençal countryside. He vividly captures the atmosphere of a childhood filled with the simple pleasures: a meal, a joke, an outing shared with his close-knit and loving family. These heart-warming stories remind us of how children can invest the smallest event or statement with incredible significance, how mysterious the workings of the adult world can seem to them and how painful the learning process can often prove. However, Pagnol's writing is filled with enormous optimism and delight. And his triumph in these classic memoirs is to have created that rare thing, a work suffused with joy. 'Pagnol's place in the history of French culture is secure. The Prousts and Sartres may be admired, but Pagnol is loved' Times Literary Supplement

The Richest Man in Babylon - George S. Clason 2022-03-15

First published in 1926, 'The Richest Man in Babylon' is an inspirational classic that is celebrated as the greatest of books on finances by George

S. Clason, an American author. Clason was a successful businessman who founded the Clason Map Company of Denver, Colorado, and published the first road atlas of the United States and Canada. This book was initially a prominent series of pamphlets on thrift and financial success, using parables set in ancient Babylon, written by Clason, and circulated in large quantities by banks and insurance companies and later became familiar to millions. It is a timeless classic, revealing the secrets to making money and keeping it. It reveals the secrets to wealth, providing priceless guidance, advice, unforgettable parables, financial problem-solving tools, and invaluable information which will get you on your way to prosperity. This book is an essential read for all who want to attain financial well-being. The parables are told by a fictional Babylonian character called Arkad, a poor scribe who evolved as the richest man in Babylon. Incorporated in Arkad's advice are the 'Seven Cures' (or how to generate money and wealth), and the 'Five Laws of Gold' (or how to protect and invest wealth). An essence of Arkad's advice is around 'paying yourself first', 'living within your means', 'investing in what you know', the importance of 'long-term saving', and 'homeownership'. Title : The Richest Man in Babylon by George S. Clason ISBN 13 : 9789354990717 ISBN 10 : 9354990711

Père riche, père pauvre - Robert T. Kiyosaki 2017-10

Père riche, père pauvre. Le best-seller n° 1 en matière de finances personnelles... - Fait exploser le mythe selon lequel il faut toucher un revenu élevé pour devenir riche - surtout dans un monde où la technologie, les robots et l'économie mondiale changent les règles. - Explique pourquoi l'acquisition et l'accumulation d'actifs peuvent être plus importantes pour votre avenir qu'un gros chèque de paie - et expose les avantages fiscaux dont jouissent les investisseurs et les propriétaires d'entreprises. - Bouscule la croyance selon laquelle votre maison est un actif - ce n'est pas le cas, comme l'ont appris des millions de gens lorsque la bulle immobilière a éclaté, créant la crise des prêts hypothécaires à risque. - Nous rappelle pourquoi nous ne pouvons pas compter sur le système d'éducation pour parler d'argent à nos enfants - et nous dit pourquoi les connaissances financières sont primordiales et plus importantes que jamais. - Explique ce qu'il faut enseigner aux enfants à propos de l'argent - afin qu'ils soient préparés à faire face aux défis et à

saisir les occasions propres au monde d'aujourd'hui, et qu'ils jouissent de la vie riche qu'ils méritent. L'étude de textes fait partie de la philosophie de Père riche : lire, discuter, étudier, et discuter encore. Cette édition du 20e anniversaire comprend 9 sections de séances d'étude que vous pourrez utiliser comme guides pendant votre lecture, vos relectures, vos discussions et votre étude de cet ouvrage avec vos amis et les membres de votre famille.

Why a Students Work for C Students and Why B Students Work for the Government - Robert T. Kiyosaki 2013

A best-selling personal finance author encourages parents to not put so much emphasis on letter grades, arguing that many C students grow up to become CEOs and successful entrepreneurs. Original.

Le Deuxième Sexe - Simone de Beauvoir 1989

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

The Magic of Thinking Big - David J. Schwartz 2014-12-02

The timeless and practical advice in The Magic of Thinking Big clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Rich Dad's Cashflow Quadrant - Robert T. Kiyosaki 2001-01-15

This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

The Millionaire Fastlane - MJ DeMarco 2011-01-04

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading

cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

War and Peace - Leo Tolstoy 2019-01-16

Hailed as one of the greatest novels of all time and a classic of world literature, *War and Peace* is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.
