Tagore's treatment of caste culture, bureaucracy and poverty paint a vivid portrait of

nineteenth century India and all are interwoven with Tagore's perceptive eye for detail, strong sense of humanity and deep affinity for the natural world. Tagore's stories continue to rise above geographic and cultural boundaries to capture the imaginations of readers around the world. This collection contains some of the best stories of Tagore who put India on the literary map of the world. Translated from Bengali to English, these stories depict the human condition in its many forms— innocence and childhood, love and loss, the city and the village, the natural and the supernatural.

Prominent among the stories are the famous 'The Cabuliwallah', which has also been adapted as a movie. The book also gives an insight into the socio-economic conditions prevalent in Colonial Bengal.

Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The

reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

*Hindi Publishing in Colonial Lucknow* - Shobna Nijhawan 2018-09-10

Investigating the emergence of Hindi publishing in colonial Lucknow, long a stronghold of Urdu and Persian literary culture, Shobna Nijhawan offers a detailed study of literary activities emerging out of the publishing house Gaᅅgā Pustak Mālā in the first half of the twentieth century. Closely associated with it was the Hindi monthly Sudhā, a literary, socio-political, and illustrated periodical, in which Hindi writings were promoted and developed for the

education and entertainment of the reader. In charting the literary networks established by Dularelal Bhargava, the proprietor of Gaᅅgā Pustak Mālā and chief Edited by of Sudhā, this volume sheds light on his role in the development of Hindi language and literature, creation of canonical literature, and commercialization and nationalization of books and periodicals in the north Indian Hindi public sphere. Using vernacular primary sources and drawing on scholarship on periodicals and publishing houses as well as Edited by-publishers that has emerged over the past two decades, Nijhawan shows how one publishing house singlehandedly impacted the role of Hindi in the public sphere.

**Divya** - Yashpal 2009-02-10  
'His ideas and his contribution  
to Indian literature were . . .  
revolutionary' —The Hindu  
Divya leads a blissful life within  
the secure walls of the palace  
even as the world outside rages  
with caste politics and religious  
strife, until one night of  
pleasure changes her entire  
world. She gets pregnant only  
to be spurned by her lover. To  
preserve her high born family's  
name she leaves her sheltered  
existence and trudges through  
life on her own, first as a slave  
and then as a court dancer.  
Adversity finally opens her eyes  
to the truth—a woman of a high  
family is not free. Only a  
prostitute is free. Divya decides  
that, by enslaving her body,

she will preserve the freedom  
of her mind. Set in the first  
century BC against a  
background of the conflict for  
supremacy between Hindu and  
Buddhist ideologies, Divya is a  
poignant tale that combines  
vivid imagination with rich  
historical details. 'Reminiscent  
of George Orwell . . . Here too  
is the biting satire of society as  
seen through the savage eye of

**The Making of Modern  
Hindi** - Sujata S. Mody  
2018-08-22

In the early twentieth century, British imperialism in India was at its peak and anti-colonial sentiments were on the rise. The nationalist desire for cultural self-identification was gaining ground and an important articulation of this was the demand for a national language and literature to represent a modern India. It was in this context that Mahavir Prasad Dwivedi, a novel, daring, and contentious litterateur, launched his multimedia campaign of constructing a new Hindi literary establishment. As the long-time editor of the Hindi journal *Sarasvatī*, Dwivedi's influence was so far-reaching that this period of modern literature in Hindi is known as the Dwivedi era. However, he had to face stiff opposition as well. Sujata Mody's book sheds

light on the interactions between Dwivedi and his supporters and detractors and shows how Dwivedi's responses to challenges were pragmatic and strategically varied. The Making of Modern Hindi presents Dwivedi as a dynamic and influential arbiter of literary modernity whose exchanges with competing authorities are an important piece in the history of Hindi literature.
