It will not waste your time. take me, the e-book will unconditionally sky you further situation to read. Just invest little era to admittance this on-line pronouncement **Love Beyond Life** as well as evaluation them wherever you are now.

Going Beyond Love - Samuel Clifford 2015-03-23
Drawn from the wisdom of the ages past, GOING BEYOND LOVE: How to Grow that Relationship from Friendship to Marriage takes you on a journey through time tested secrets that will help you understand and grow your relationship or marriage from where it is to where it ought to be. This book GOING BEYOND LOVE tries to

address relationship and marriage problems by bringing in one place years of research, study and experience so that the information required to make your relationship stand out can always be accessible and at your fingertip anytime you want it. Compressed in this one book are several notes gleaned from a vast number of books and marriage seminars. GOING BEYOND LOVE is a

book designed to help those whose desire is to have a relationship that would be a point of reference - for their children and even their children's children - achieve their goals without having to go through the several years of rigorous research and painful experiences to learn what it takes to make their relationship great. It's a book designed to help those who are sick and tired of being sick and tired in their relationships make a positive long lasting change to their lives that will not only improve the quality of their relationship but will also set the tone for what the future generations perceive as a highly successful marriage. This book helps you distinguish between what many perceive as success in relationship to what true relationship success really means. The truth is many people see a successful relationship as one in which the couple is rich or at least can afford anything they want or a relationship where both partner have been able to walk down the aisle to say "I do" or a relationship where both partners

just love each other. Well, while none of this perception is wrong, they are incomplete in their meaning thus a highly successful relationship is one that does not only consider and comprise of all the factors stated above but also incorporate other factors as discussed in this book. This book is divided into seven main chapters which discusses in detail relationship secrets that will help you move your marriage from where it is to where it ought to be and an epilogue that concludes it all. Each secret tries to explore and highlight its importance and contribution to helping one achieve his or her aim of having a highly successful marriage or relationship. One does not need to have a Ph.D. or a University degree to be able to understand and grasp the concepts and principles discussed in this book; all you need is a working brain and the ability to read, as the concepts, principles and ideas discussed here are not some exoteric or metaphysical teachings too lofty for the mind to understand.

Love Beyond The Horizon - Madhu Vajpayee
2021-04-12

She was broken. He was lonely. Both were trying to emerge from the ruins of their past. Dr Avni, a first-year postgraduate student in medicine, was gathering the broken pieces of her heart, trying to find a new meaning for her life. Dr Aakash, a senior, was trying to lose himself in the chaos of the world, perhaps in his quest to find himself. Somewhere along the journey, they found each other. Their unconditional love washed away all their pain and seemed to open the path to eternal happiness. It appeared that they had finally found their destination until fate decided to throw a challenge where they had no choice but to let go. Despite that, she couldn't let go of her insecurities and fears, and he couldn't let go of her. *Love Beyond the Horizon* is a journey of love, longing, and loss; a story of unconditional love that transcends time; and of unfathomable destiny that has its own plans.

Tree of Life - Nigel Shindler 2015-01-14

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

Selfless Love - Ellen Jikai Birx 2014-04-01

Selfless Love shows how meditation can help us

realize that we don't love—we are love. Gentle, elegant, and radically inspiring, *Selfless Love* presents a holistic, experiential meditative path that enables us to see beyond our preconceived notions of identity, spirituality, and humanity. Drawing equally from Zen parables, her experience as a mental health therapist, and the Gospels, Ellen Birx shows us that through meditation we can recognize that our true selves are not selves at all - that all beings are united in unbounded, infinite awareness and love, beyond words. Recognizing the limitations of language in describing the indescribable, Birx concludes each chapter in the Zen tradition of "turning words" with a verse meant to invite insights. [Love Beyond Death](#) - Elleke van Kraalingen 2010-11

An autobiographical story about the love between a young Dutch woman and her Norwegian friend, who is knocked down by a car and dies in front of her eyes. In the middle of the chaos and terror she perceives how his soul

withdraws from his body and watches the scene. He stays with her that first, difficult night. An unusual dialogue develops in which he convinces her that there is a reality which goes beyond life and death and that their relationship continues in this reality. In her sorrow, love, longing and curiosity about what is real, she is willing to explore this contact with him. This leads to an extraordinary voyage of discovery in the following months. While she goes through her process of mourning, he takes her into his world. She moves out of her body several times, going through experiences of other states of consciousness and travelling through spheres beyond the earthly dimension of time and space. **Love Beyond Life** - Joel W. Martin 1997-03-06 There is no greater pain than losing a loved one to death. What if we could somehow bridge the gap between our world and the hereafter, making contact with departed family and friends? More than 100 million Americans believe that they have done just that, through

deathbed visions, dream visitations and lifesaving premonitions. Using the dramatic firsthand testimony of men and women who have made contact, the authors provide compelling evidence of these experiences and offer a new insight into the afterlife. From New Age followers to religious conservatives to avowed atheists, people who have these experiences report a positive, uplifting impact on their lives. The authors nondenominational approach to this highly charged and emotional subject offers comfort without preaching, reassurance without dogma and an ultimately reaffirming message of hope for all.

Love Beyond Life - Joel Martin 1998

An insightful exploration into how deathbed visions, dream visitations, apparitions, and other phenomena can help people overcome the grief suffered after a loss, helping develop a deeper understanding of the life that continues after death. Reprint.

Return From Heaven - Carol Bowman

2009-10-06

What if you could see a loved one who has died, not in a future spiritual realm, but here and now, in this lifetime? It is possible, says Carol Bowman, author of *Children's Past Lives* and a pioneer in reincarnation studies. Based on in-depth research and direct observation of very young children, she shows in this groundbreaking book how common it is for beloved relatives to reincarnate into the same family. Typical families share how their children -- some as young as two and still in diapers -- speak spontaneously of intimate details from the lives of a family member they never knew. These true stories shed new light on age-old questions of family relationships: Do we choose our parents? What relationships survive death? What happens to the soul after a miscarriage or abortion? Bowman offers hope for anyone who has lost a beloved relative and longs to be reunited again.

Life Beyond Life - Frank Slames 2019-12-05

Author Frank Slames is a man who lived a simple life, but his path took an unusual twist: he died and came back to life. He received comfort in his afterlife and was then blessed to return to life, and so he feels a personal obligation to share his life story—one intended to provide hope. *Life beyond Life* traces a journey through his life and beyond his death. He shares portions of his life for a reason. You then will begin to see how his life experiences were relevant to his future. After crossing over and into his afterlife, the reasoning behind what he shared of his life, will be fully revealed. He relives two specific life events while in his afterlife, which rekindles what he lacked the most of in life, acceptance and trust. In the course of that description, he clarifies how Heaven eliminated all that was negative in his life. A story, revealing a divine link between his old life and the new one that awaited him after death. To him, a childhood wish granted in Heaven, was proof of the fulfillment of a promise

granted by God. In this personal narrative, one man shares his life with hopes of inspiring others in not giving up on their quest for love and joy. After his return to life, he now has the confidence in knowing that Heaven is a real physical place, where pure love and happiness awaits his return.

A Love Beyond Life - Brenda Fletcher
2022-05-03

A story of hope for the grief-stricken longing to stay connected to their loved ones. Brenda refuses to let her husband's sudden physical death sever their connection and discovers ways to meet in the middle, where love transcends death and there is no loss.

Labour of Love - Øystein Gulvåg Holter
2017-07-05

Amazed at the stubborn nature of the sexual division of labour in modern society, five Norwegian researchers set out to explore the sources of this pervasive resistance to change. Moving from the neutral concepts of work and

money, the lofty notions of love and family and the triviality of domestic organization, social science is made to yield some surprising insights into hidden, secret and perhaps even sacred structures of everyday life. A provocative claim in these pages is that the practical arrangement in the family is informed by the erotic properties of work and semi-religious notions of poverty and dirt - and is sustained by both sexes. This anthology reveals some perplexing aspects of contemporary self-understanding and rediscovers sexual meaning as a pillar of modern culture. The book is an invitation to reconsider the conditions for gender equality and to explore further the cultural tangle behind this persistent tolerance for injustice within European thinking.

Love Beyond Tomorrow - Erin Klingler 2004-04
Lauren Holt has had enough of the dating scene and looks forward to starting college at BYU Idaho -- until she meets handsome Ben Morrison. Can Lauren learn to love again before Ben needs her most?

Love Beyond Words - Suzanne Giesemann
2011-08

"You are loved beyond words. Do you yet realize this? The sun rises in your honor. The moon beams its smile upon you each night. The earth revolves around you. You are the center of the universe, the heart of the world. You are the love that you seek." So begins the first of 365 messages from Sanaya, a spirit-teacher in the tradition of White Eagle and Silver Birch. "You are loved beyond words," she says, and reading this collection, you will feel love beyond words, for the messages contained here carry an energy that is felt intuitively and intimately, coming as they do from a dimension beyond the physical world. Those who know and love Sanaya believe that she is speaking directly to them. She is, for, as Sanaya says, there is only One Mind. Reading Sanaya's words, you will feel as if you are being consoled and counseled by a concerned and loving friend, connected with the essence of your true self. Love Beyond Words will answer your

most basic questions about life and give you reason for reflection. In this collection of spiritual wisdom, Sanaya addresses universal concerns while speaking directly to your heart.

Love Beyond the Grave - Hans Holzer

2020-05-03

To most people, man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind. To some they are inseparable; when the body dies, so does the mind. But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body. These people accept the existence of the spirit as the eternal factor of human life, believing that this part of man does not die when the body dies, but continues its existence beyond death. According to Dr. Hans Holzer, author of *Love Beyond the Grave* and many other books on the spiritual world, we already have a wealth of hard evidence regarding this next state of existence.

Strong emotions are considered essential in order to make contact with someone from the spiritual world. We usually equate such emotions with anger or with crimes of passion. Dr. Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual, and in *Love Beyond the Grave*, he gives many examples of such relationships including "Sally and the Highwayman," "The Case of the Spurned Lover," "The Strange Case of the Psychic Callgirl," "The Ghostly Bedmate," and "The Affair Death Could Not Stop." This is an extraordinary collection of twenty-one cases of "love beyond the grave," all based on sound scholarship and hard facts, proving once again that there are more things in heaven and earth than are dreamt of in our philosophy.

Life, Love and Death in Latin Poetry - Stavros Frangoulidis 2018-03-19

Inspired by Theodore Papanghelis' *Propertius: A Hellenistic Poet on Love and Death* (1987), this

collective volume brings together seventeen contributions, written by an international team of experts, exploring the different ways in which Latin authors and some of their modern readers created narratives of life, love and death. Taken together the papers offer stimulating readings of Latin texts over many centuries, examined in a variety of genres and from various perspectives: poetics and authorial self-fashioning; intertextuality; fiction and 'reality'; gender and queer studies; narratological readings; temporality and aesthetics; genre and meta-genre; structures of the narrative and transgression of boundaries on the ideological and the formalistic level; reception; meta-dramatic and feminist accounts-the female voice. Overall, the articles offer rich insights into the handling and development of these narratives from Classical Greece through Rome up to modern English poetry.

Forgotten Among the Lilies - Ronald Rolheiser
2007-02-20

The author of *The Holy Longing* explores the debilitating obsessions that often dominate our lives and offers down-to-earth guidance for learning to leave our fears, anxieties, and guilt "forgotten among the lilies." "Rarely do we taste the food we eat or the coffee we drink. Instead we go through our days too preoccupied, too compulsive, and too dissatisfied to really be able to be present for and celebrate our own lives," Ronald Rolheiser writes in the introduction to this powerful collection of essays. *Forgotten Among the Lilies* shows that there is a better way to find contentment and joy. Only by trusting in God's grace and providence, Rolheiser argues, can we move beyond our obsessions and rejoice in what we have and who we are. With his trademark blend of insight, compassion, and honesty laced with humor, the author teaches that it is possible to experience freedom instead of anxiety, solitude instead of loneliness, and a generosity of spirit that returns to the giver far more than it costs.

Love Beyond The Vatican - Frank J. DeVito

2021-03-08

Frank is a young and enthusiastic candidate for the priesthood of the Roman Catholic Church and studies in the heart of Vatican City. Like a lightning bolt, his plans are disrupted when he meets Sophie in Salamanca, Spain. He now struggles to decide between the two loves of his life: the priesthood and Sophie. Determined to live an authentic life, Frank makes the torturous decision to leave the seminary. This decision is the beginning of an unexpected odyssey where he encounters the faces of love in his struggle to find his true calling. His path leads him to an innovative high school in the immigrant community of Chelsea, Massachusetts. As he wrestles with the meaning and purpose of his life, Frank is transformed by this absurd and sacred journey. This book is a true story of the quest to discover what it means to be fully divine and fully human.

[Love beyond Time](#) - Mehmet Tanberk

2013-07-10

Long before the universe is created, there is no concept of time or place. In this ocean of absolute wisdom and existence, the Lord contemplates creating a planet where humans will not only know him, but also be respected and loved by the angels. As the creation unfolds, one of the angels is so enchanted by the process that he desires to be a part of human evolution. It is not long before the Great Angel is born in ancient Nubia to a mother who makes the ultimate sacrifice. As he takes his first breath, his mother dies—but not before she makes his brother, Kumma, promise to look after the baby, who is named Semneh. Fifteen years later, Semneh and Kumma have grown into men. After Kumma saves the life of an Egyptian prince, he and his brother are taken to the prince's palace, where they begin a new life. Kumma joins the Egyptian army, and Semneh becomes an artist. But when both brothers fall in love with a beautiful princess, their lives change forever.

Downloaded from mccordia.com on by
guest

Semneh commits an act that he will carry with him for the rest of this life and beyond. In this visionary tale, ancient Egypt and Anatolian civilizations collide as a soul is reincarnated through multiple lifetimes in the quest for salvation.

Stories of Love, Life and Beyond - R. A.

Burkett 2021-04-07

There's no available information at this time. Author will provide once information is available.

Messages - George E. Dalzell 2002-02-01

If you had asked George Dalzell, a professional psychiatric social worker, a few years ago if he thought he'd be talking with the dead, he would have said, 'no way.' Yet, when his close friend Michael, an airline purser from Germany, was killed, things started happening that permanently shifted Dalzell's "perspective on reality." As a therapist, Dalzell had counseled people who claimed to hear voices. Now, Dalzell was hearing a voice himself, and it was that of

Michael. The voice revealed information about Michael's private life and possessions. Other phenomena followed, including apparitions of Michael, house lights that blinked on and off, alarm clocks that got moved, and rose petals left in the pattern of an angel. "Michael appeared to have brought evidence that there was a dimension beyond our five senses, and that he could keep the channels open," writes the author. In all, Michael opened the channels to seven friends, family members, and colleagues. He provided incontrovertible signs that proved it was he who was communicating with them. Further confirmation of Michael's continued existence and the legitimacy of his after-death communications was provided by independent contact with professional psychics and mediums. In Messages, Dalzell adds empirical confirmation to a field that is gaining increasing popular and scientific respect. His encouraging conclusions may comfort grieving families and calm the natural inclination to fear death, with its

perceived separation and loss.

Love Beyond Love - J Vijayalakshmi 2020-02-21

The book *Love Beyond Love* is about the very essence of life-LOVE and attaining the supreme consciousness of AUM. The search of the human soul for true love, whether it is momentary or transcendental, keeps the world moving. The themes of love, feminism, search for the supreme consciousness and the futility of time and space brims with rich imagery and exuberant passion. The question "Who am I?" as a social being and a spiritual source resonates unanswered in the entire realms of existence.

Our Love Beyond the Skies - Galuoko Bogidrau Secivo 2017

Our Love Beyond the Skies is a deeply emotional memoir written by Galuoko ('Bogi') Bogidrau Secivo, who lost her husband and soul mate, Tevita, to terminal cancer on December 17th 2016. Bogi and Tevita first met in flying school while training to become pilots. They married and were blessed with a loving family of three

children. On their ten-year anniversary on December 17th 2015, they renewed their wedding vows; and exactly one year later to the date, Tevita passed away. After posting her heartbreaking story on Facebook, Bogi received thousands of messages from people all over the world. Strangers sent their sympathy, encouragement, and support, and shared how they had been inspired to love more dearly and to cherish every moment with their loved ones. Bogi was overwhelmed by the interest in her story and decided to share the intimate details of her and Tevita's love story in this book.

Life-Changing Love - John Ortberg 2015-05-05
How do you explain a love that has no explanation? What will happen if you let it touch your heart? God loves you not because you are flawless, not because you are a perfect person, but just because you are you. In *Life-Changing Love*, John Ortberg reveals the God you've longed to encounter: a Father head-over-heels in love with you, his child, and intensely committed

to your highest joy. Ortberg takes you to the very focus of who God is to discover a burning, passionate love that gives, and gives, and gives. He explores the life-changing ways this love has expressed itself through Jesus. And he shows how you can love your mate, your family, your friends, and the world around you with the same practical, transforming love. Dispelling your fears and misconceptions of God, Life-Changing Love brings you face-to-face with the Love that frees and empowers you to love.

Love Beyond Borders - Blessing Ekundayo
2019-10-08

Love Beyond Borders...Secrets to a Successful Long-Distance Relationship is a book that tells the romantic true-life story of how two young people found love across the oceans. In addition, it guides you on the step by step process of finding and maintaining true love online. It explains important principles required to make a long-distance relationship work while providing practical tips on how lovers can succeed at this

unique relationship leading to a successful marriage. In the book you will find out: - If a long-distance relationship is right for you- What to do before getting into a long-distance relationship- How to make the right choice of who to get into a relationship with online- Important questions to ask in a long-distance relationship- How to have fun and light up the passion in your long-distance relationship- Ways of dealing with the fears and uncertainties of a long-distance relationship There's no better person to share these secrets with you than a person who has experienced a long-distance relationship and succeeded in it. I have shared in this book how I found true love online, my five year long-distance relationship journey which led to marriage. I've now been married for six years and loving it. If I could make it, you too can! I have also shared with permission the true life stories of people who were in a long-distance relationship, some of who failed and others who succeeded at it. You will be able to learn from

them

Afterlife - Marcel Westerlund 2015-04-23

Many in the scientific community shun life after death, considering such experiences impossible.

Marcel Westerlund is the exception. The

Swedish psychiatrist, not only uses

hypnotherapy to treat people's mental illnesses-

he uses it to explore their afterlives as well.

Despite being a highly controversial approach,

his use of hypnotherapy results in some

fascinating stories...and is even integrated

directly into the sciences. Travel back with a

patient as she recounts being a Queen of Egypt.

Discover how a man finds his own grave, finally

allowing him to connect with his spiritual

existence and find healing. Read account after

account of people who come to grips with their

past lives, and use these experiences to find

happiness in this life. Pills may curb depression,

but Westerlund discovers that delving into

people's past lives provides a healing force that

he could never accomplish through regular

medicine. He talks candidly about his job as a healer, as well as the importance of the spirit in mental recovery. Journey into the soul and learn, not only about the existence of past lives, but the science behind it.

Love Beyond Your Dreams - Ma Lmhc Cert.

Coach Milne 2014-03-15

Tired of Painful, Dysfunctional Relationships?

Beyond the Next Star - Melody Johnson

2020-06-23

"She wasn't dreaming, in a coma, having a mental breakdown, or in hell. She was abducted by aliens." An intolerable order. Before Commander Torek Renaar can return to active duty, he's ordered to purchase an animal companion to help relieve his PTSD symptoms. But having been a caretaker for and lost a loved one, keeping even one little human alive is a challenge he feels doomed to fail. It doesn't help that his animal companion is the newest, most exotic breed on the market, demanding constant

attention, daily grooming, and delicate handling.

If she doesn't die first in his incompetent care, she'll be the death of him. A desperate charade.

After witnessing the murder of her domestication specialist, Delaney McCormick allows her new owner to treat her like the pet he believes her to be. If anyone suspects she's more intelligent than a golden retriever, her murder would be next. She endures the humiliation of being washed, the tediousness of being trained to "sit" and "come," and the intrigue of hearing private conversations. But in Torek's care, she finds something unexpected on this antarctic planet, something she never had in all her years on Earth while house-hopping between foster families: a home. A deadly secret. As companionship grows to love, must Delaney continue the charade, acting like an animal and hiding from the murderer waiting on her misstep? Or can she trust Torek with her secrets, even if the truth threatens everything he holds dear-and both their lives?

We Don't Die - Joel Martin 2002-08-06

This is the phenomenal true story of the world-renowned psychic medium George Anderson—the groundbreaking book that first brought afterlife experience into the light. For over 12 years Joel Martin documented evidence of Anderson's powers—the ability to reach 'the other side'—and repeatedly astonished believers and skeptics. This is the book of those universal visions, the inspiring messages of hope, truth, and peace, and a glimpse into eternity to answers to the unfathomable questions about life and death.

Holding Back The Tears - Annie Mitchell
2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the

unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she

turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and “needs no help from anyone, thank you” - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Beyond Love - Dominique Lapierre 1992-01-01
Offers a dramatic human, medical, and scientific

study of AIDS and its impact that focuses on a home for destitute AIDS victims, run by nuns in the heart of Manhattan

Love and Struggle - David Gilbert 2011-12-30
A nice Jewish boy from suburban Boston—hell, an Eagle Scout!—David Gilbert arrived at Columbia University just in time for the explosive Sixties. From the early anti-Vietnam War protests to the founding of SDS, from the Columbia Strike to the tragedy of the Townhouse, Gilbert was on the scene: as organizer, theoretician, and above all, activist. He was among the first militants who went underground to build the clandestine resistance to war and racism known as “Weatherman.” And he was among the last to emerge, in captivity, after the disaster of the 1981 Brink’s robbery, an attempted expropriation that resulted in four deaths and long prison terms. In this extraordinary memoir, written from the maximum-security prison where he has lived for almost thirty years, Gilbert tells the intensely

personal story of his own Long March from liberal to radical to revolutionary. Today a beloved and admired mentor to a new generation of activists, he assesses with rare humor, with an understanding stripped of illusions, and with uncommon candor the errors and advances, terrors and triumphs of the Sixties and beyond. It's a battle that was far from won, but is still not lost: the struggle to build a new world, and the love that drives that effort. A cautionary tale and a how-to as well, *Love and Struggle* is a book as candid, uncompromising, and humane as its author.

Love Beyond Time - Nancy Campbell Allen
1999-01-01

Stage II Relationships - Earnie Larsen
2013-02-26

Offers clear and practical techniques for couples and families who have faced the issue of addiction and are now striving to bring health and vitality to their relationships.

Consciousness Beyond Life - Pim van Lommel
2011-08-09

As a cardiologist, Pim van Lommel was struck by the number of his patients who claimed to have near-death experiences as a result of their heart attacks. As a scientist, this was difficult for him to accept: Wouldn't it be scientifically irresponsible of him to ignore the evidence of these stories? Faced with this dilemma, van Lommel decided to design a research study to investigate the phenomenon under the controlled environment of a cluster of hospitals with a medically trained staff. For more than twenty years van Lommel systematically studied such near-death experiences in a wide variety of hospital patients who survived a cardiac arrest. In 2001, he and his fellow researchers published his study on near-death experiences in the renowned medical journal *The Lancet*. The article caused an international sensation as it was the first scientifically rigorous study of this phenomenon. Now available for the first time in

English, van Lommel offers an in-depth presentation of his results and theories in this book that has already sold over 125,000 copies in Europe. Van Lommel provides scientific evidence that the near-death phenomenon is an authentic experience that cannot be attributed to imagination, psychosis, or oxygen deprivation. He further reveals that after such a profound experience, most patients' personalities undergo a permanent change. In van Lommel's opinion, the current views on the relationship between the brain and consciousness held by most physicians, philosophers, and psychologists are too narrow for a proper understanding of the phenomenon. In *Consciousness Beyond Life*, van Lommel shows that our consciousness does not always coincide with brain functions and that, remarkably and significantly, consciousness can even be experienced separate from the body.

[Love Life, Live Life](#) - Sue Stone 2010-03-04

Sue Stone's life hit rock bottom in the late 1990s, both emotionally and financially. She was

desperately unhappy and on the verge of losing everything. Not accepting that this was going to be 'it', she set about researching ways to improve her life. She learnt about the incredible power of our thoughts, our subconscious mind and the astonishing power of our feelings. This power is within every single one of us but so few have any real understanding of it. Sue has transformed her life to one of complete happiness, inner peace and financial abundance, a far cry from her state of depression. In this inspiring, easy to read and practical book, Sue educates, empowers and motivates the reader by sharing all that she has learnt. She includes solid content and practical life transforming techniques that can be put to use immediately at home and at work.

Love Beyond Words - Emma Scott 2014-11-17
She thought the best love affairs only happened in books... Traumatized by the deaths of her parents, Natalie Hewitt lives an introverted life, going to school during the day and working as a

barista in a small coffee shop at night. Natalie uses the writing of world-famous, reclusive author Rafael Melendez Mendón to assuage her grief. His words are her refuge, his characters better company than anyone she could meet in real life... until Julian Kovac walks into the café one summer evening. A handsome, wealthy, quiet young man, Natalie feels an immediate connection. But Julian has a secret that is the both the most wonderful revelation she could possibly imagine...and the very thing that could tear them apart.

[A Life Beyond Love](#) - Ruchir Saxena 2019-02-11
#Lovestoryoftheyear A boy loves a girl. The girl loves the boy. They live happily ever after. It's

simple, isn't it? Perhaps we like it complicated. Riya loves Rihan. Rihan loves someone else. Samar falls for Riya. Riya gets inclined towards Samar. Rihan too, then gets attracted to Riya. What will Riya do now? What if, her decision puts her against the society? What if, Rihan's former disrespect towards love places him in a battle to compete for his love? Will this battle take them beyond love? The search awaits...

We Are Not Forgotten - Joel Martin 1992

A psychic who has communicated with people who have gone on to the afterlife conveys his message that death is not the end but the beginning. Reprint.
