Deliverance from Python Spirit - Daniel C. Okpara 2017-08-22

PYTHON SPIRITS...WHAT ARE THEY? HOW TO IDENTIFY THEM AND DEFEAT THEM

PERMANENTLY. The python spirit is the spirit of lies, deception and spiritual oppression of heaviness. It is also the spirit that empowers people to practice divination, fortune telling, and visions that are not of God. In Genesis, it was this spirit that possessed the serpent to lie to Eve, twisting the Word of God and ultimately worked towards creating enmity between God and man. That's the ultimate goal of the python spirit. It will lie to your mind and create all manner of thoughts against God. It will try to convince you that God does not really care, otherwise, why would you be going through the kind of problems you are going through. It will remind you how much you have prayed, fasted and sowed seeds and yet have nothing to show for it. It will try to point you to other believers who are suffering and try to get you to reconsider your absolute faith in God. When you begin to get this kind of dialogue in your mind, recognise that the spirit of python has come to oppress

you. Bind it and cast it into abyss, in Jesus name. There are also other ways that the python spirit operates. In this book, we will explore how this spirit can possess and oppress people and then deal with the demon and her children with the WORD of God. Beloved, arise and enforce your complete deliverance....TODAY...from anything that is not of God.

War Against PYTHON and Snake Spirits - Uwakwe

Chukwu 2018-06-20

The first Biblical prophecy in Genesis 3:15 simply reveals a salient truth: There is a spiritual hostility and conflict between the righteous and the devil, the ancient serpent. God wants us to engage the ancient serpent in a battle. He wants us to use the authority He has given to us to smash the serpent's head! Unfortunately, so many people of God are bound by demonic forces but do not know how to be free. The proliferation of python and snake spirits in this end time has resulted in an epidemic of people living in spiritual

bondage. These python and snake spirits have an aggressive appetite for destinies to swallow! War Against Python And Snake Spirits is an attempt to address this problem using two powerful strategies: knowledge of how the enemy works and fighting them with acidic warfare prayers. Praying with knowledge of how the enemy operates gives a believer superior advantage over the enemy. As you pray with this book, you will see a great release of God's power as it blends the power of His Word with these two powerful strategies. The prayers in this book is a do-it-yourself kind of prayer, designed for you to see results. They are written to be simple, yet powerful. My dear, you can't wait to hunt down those python and snake spirits coiling and squeezing your life and family. Enough of that intimidation! Pick this Book and let's go-a-hunting!

Defeating the Python Spirit - Prayer M Madueke 2021-01-28
Python spirit is one of the principal agents of Satan,

under Leviathan. It has remarkable evil qualities. Given these gruesome qualities which Python, serpents and Cobras possess, there is no way this archenemy of humankind and God can be sympathetic towards his victims. Human messengers of Python spirit look down on everyone and instills fearlessness in his agents everywhere. His covenant with any human being is unto death and always take preeminence in any relationship dictating and giving orders. When Python spirit is programed into the sea of your life, body organs are troubled, swell or shrink in size (Job 26:12, 13). People possessed with Python spirit are never submissive. They make trouble wherever they are until they get to the top to divert divine orders. In times of war, they rule and reign by causing anguish without mercy with the strength of lions, vipers and fiery serpents (Isaiah 30:6; Ecclesiastes 10:8-11). Python spirit monitors God's children who commit errors, break hedges,

or disobeys God's commandments in order to bite them without negotiating with God. While Leviathan causes and controls international wars, Python Spirit causes and monitors local wars and brings his victims to untold hardship and painful sufferings with all manner of problem and impossibilities. This book reveals his tricks and weapons of operation and equips every believer with potent tools to counter them.

Of Kings and Prophets -

Mark Rutland 2021-10-05
FROM NEW YORK TIMES
BEST-SELLING AUTHOR

Power is only as strong as the authority that sustains it. This book will help you be a better leader. It will help you receive a healthy dose of accountability through applied spiritual authority. The biblical prophets did not live or prophesy in a contextual vacuum. They spoke into real-life circumstances to real-life leaders such as kings, queens, governors, and generals. Drawing on biblical accounts, Dr. Mark Rutland shows how these interactions, sometimes in the form of advice but more often as dramatic confrontations, demonstrate the tension between heaven's authority and the princes of this world. Readers will discover that: God positions His messengers to confront and advise those who

lead in the natural realm.

Likewise, Satan is also working to position his own servants near the world's leaders hoping to steer them away from the things and plans of God. To whom those leaders listen will determine, to a large extent, the fate of nations. God often positions His servants at the right elbow of leaders in a wide range of disciplines, from business to education to entertainment to politics. Every believer should be open to being "God's prophetic voice" in someone else's life, whether that person is a child, a boss, or a town councilman. Likewise, every believer should be in constant prayer for and humbly sensitive to wise counsel sent from God as a gift of grace. God makes and unmakes kings. When they can discern and listen to His voice, He sustains their well-wielded authority with His supernatural power.
