[Nineteen Eighty-Four](#) - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Ape and Essence - Aldous Huxley 1992-08-01

When Aldous Huxley's Brave New World first appeared in 1932, it presented in terms of purest fantasy a society bent on self-destruction. Few of its outraged critics anticipated the onset of another world war with its Holocaust and atomic ruin. In 1948, seeing that the probable shape of his anti-utopia had been altered inevitably by the facts of history, Huxley wrote Ape and Essence. In this savage novel, using the form of a film scenario, he transports us to the year 2108. The setting is Los Angeles where a "rediscovery expedition" from New Zealand is trying to make sense of what is left. From chief botanist Alfred Poole we learn, to our dismay, about the twenty-second-century way of life. "It was inevitable that Mr. Huxley should have written this book: one could almost have seen it since Hiroshima is the necessary sequel to Brave New World."—Alfred Kazin. "The book has a certain awesome impressiveness; its sheer intractable bitterness cannot but affect the reader."—Time.

Now More Than Ever - Aldous Huxley 2013-11-06

Over the course of his career, British writer Aldous Huxley (1894-1963) shifted away from elitist social satires and an atheistic outlook toward greater concern for the masses and the use of religious terms and imagery. This change in Huxley's thinking underlies the previously unpublished play Now More Than Ever. Written in 1932-1933 just after Brave New World, Now More Than Ever is a response to the social, economic, and political upheavals of its time. Huxley's protagonist is an idealistic financier whose grandiose schemes for controlling the means of

production drive him to swindling and finally to suicide. His fate allows Huxley to expose the evils he perceives in free-market capitalism while pleading the case for national economic planning and the rationalization of Britain's industrial base. This volume contains the full text of Now More Than Ever, which was believed to be lost until 1976, when a copy was found at the Harry Ransom Humanities Research Center of the University of Texas at Austin. A "thinker's play" that has never been produced on stage, it is the last previously unpublished piece of Huxley's major writings and immensely important to understanding his development as a writer. The editors of this volume have annotated the play for contemporary readers. Their introduction sets the play in the context of Huxley's intellectual life.

[Un mundo feliz / Brave New World](#) - Aldous Huxley 2020-08-18

Un mundo feliz es un clásico de la literatura de este siglo. Con ironía mordiente, el genial autor inglés plasma una sombría metáfora sobre el futuro, muchas de cuyas previsiones se han materializado, acelerada e inquietantemente, en los últimos años. La novela describe un mundo en el que finalmente se han cumplido los peores vaticinios: triunfan los dioses del consumo y la comodidad, y el orbe se organiza en diez zonas en apariencia seguras y estables. Sin embargo, este mundo ha sacrificado valores humanos esenciales, y sus habitantes son procreados in vitro a imagen y semejanza de una cadena de montaje... ENGLISH DESCRIPTION Aldous Huxley is rightly considered a prophetic genius and one of the most important literary and philosophical voices of the 20th Century, and Brave New World is his masterpiece. From the author of The Doors of Perception, Island, and countless other works of fiction, non-fiction, philosophy, and poetry, comes this powerful work of speculative fiction that has enthralled and terrified readers for generations. Brave New World remains absolutely relevant to this day as both a cautionary dystopian tale in the vein of the George Orwell classic 1984, and as thought-provoking, thoroughly satisfying entertainment. [Collected Essays: Methods and results](#) - Thomas Henry Huxley 1911

[Point Counter Point](#) - Aldous Huxley 1996

Aldous Huxley's lifelong concern with the dichotomy between passion and reason finds its fullest expression both thematically and formally in his masterpiece Point Counter Point. By presenting a vision of life in which diverse aspects of experience are observed simultaneously, Huxley characterizes the symptoms of "the disease of modern man" in the manner of a composer - themes and characters are repeated, altered slightly, and played off one another in a tone that is at once critical and sympathetic. First published in 1928, Huxley's satiric view of intellectual life in the '20s is populated with characters based on such celebrities of the time as D.H. Lawrence, Katherine Mansfield, Sir Oswald Mosley, Nancy Cunard, and John Middleton Murray, as well as Huxley himself. A major work of the 20th century and a monument of literary modernism, this edition includes an introduction by acclaimed novelist Nicholas Mosley (author of Hopeful Monsters and the son of Sir Oswald Mosley). Along with Brave New World (written a few years later), Point Counter Point is Huxley's most concentrated attack on the scientific attitude and its effect on modern culture.

Brave New World: A Graphic Novel - Aldous Huxley 2022-04-19

Available in graphic novel form for the first time, "one of the most

prophetic dystopian works of the twentieth century” (Wall Street Journal) Aldous Huxley’s classic novel of authoritarianism Brave New World, adapted and illustrated by Fred Fordham, the artist behind the graphic novel edition of To Kill A Mockingbird. Originally published in 1932, Brave New World is one of the most revered and profound works of twentieth century literature. Touching on themes of control, humanity, technology, and influence, Aldous Huxley’s enduring classic is a reflection and a warning of the age in which it was written, yet remains frighteningly relevant today. With its surreal imagery and otherworldly backdrop, Brave New World adapts beautifully to the graphic novel form. Fred Fordham’s singular artistic flair and attention to detail and color captures this thought-provoking novel as never before, and introduces it to a new generation, and countless modern readers, in a fresh and compelling way.

Brave New World - Aldous Huxley 2020-09-03

Welcome to New London. Everybody is happy here. Our perfect society achieved peace and stability through the prohibition of monogamy, privacy, money, family and history itself. Now everyone belongs. You can be happy too. All you need to do is take your Soma pills. Discover the brave new world of Aldous Huxley's classic novel, written in 1932, which prophesied a society which expects maximum pleasure and accepts complete surveillance - no matter what the cost.

Brave New World, Animal Farm & 1984 (3in1) - George Orwell Aldous Huxley 2021-01-16

Huxley and God - Aldous Huxley 2003

This volume of essays, written with the authors trademark elegance and wit, tackles subjects such as Action and Contemplation, Religion and Time, Reflections on the Lord's Prayer, and Notes on Zen.

Insiders/Outsiders - Monica Bohm-Duchen 2019-03

Insiders/Outsiders, published to accompany a UK-wide arts festival of the same name in 2019, examines the extraordinarily rich and pervasive contribution of refugees from Nazi-dominated Europe to the visual culture, art education, and art-world structures of the United Kingdom. In every field, émigrés arriving from Europe in the 1930s--supported by a small number of like-minded individuals already resident in the UK--introduced a professionalism, internationalism, and bold avant-gardism to a British art world not known for these attributes. At a time when the issue of immigration is much debated, the book serves as a reminder of the importance of cultural cross-fertilization and of the deep, long-lasting, and wide-ranging contribution that refugees make to British life.

The Defeat of Youth - Aldous Huxley 2011-02-01

By all accounts, Aldous Huxley was a brilliant and voracious thinker and artist whose creative output knew no literary bounds. This volume gathers some of his best-remembered verse, including the memorable title poem, which is a sequence of 22 thematically interwoven sonnets.

Fahrenheit 451 - Ray Bradbury 2012-01-10

A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

This Timeless Moment - Laura Archera Huxley 2000

Long before "turn on, tune in, drop out" became the credo of the American counterculture, Aldous Huxley was using mescaline and LSD in controlled, carefully documented experiments. Accounts of those psychedelic experiences, along with his interest in Eastern mystical religions, accompany the moving story of Aldous Huxley's later years with his wife, Laura. Huxley's fascination with the spiritual world remained with him throughout his life and never wavered through his final illness in 1963. THIS TIMELESS MOMENT takes the reader into the lively mind of one of the most profound thinkers of any generation.

Conditioning in Aldous Huxley's "Brave New World" - Franziska Caesar 2013-04-03

Bibliography

.....14 1.

Introduction Unquestionably, Aldous Huxley’s Brave New World, written in 1931, is one of the most fascinating dystopian novels. His description of a world state in the future, in which people are conditioned and manipulated from the cradle to the grave is meant to be a warning of the danger of dehumanization. Huxley draws a picture of a future including the misuse of political power, economic control, sciences and technology, biological engineering, mass consumption and the loss of ethical values. More precisely, Huxley’s Brave New World could be regarded as a kind of “leisure dystopia” which is defined as an “utopia [that has] gone wretched or failed paradise-engineering projects.” The fine line between utopia and dystopia becomes visible. In leisure dystopian societies like in Brave New World, all problems have officially been abolished and the people are living in wealth and happiness. But this state is only achieved by eliminating intellectualism, values or individual freedom. Therefore, the state rulers need means of control. One of the most powerful tools is conditioning in various forms. This study is meant to focus on the three types of conditioning prevailing in Brave New World. According to the order in the novel, the biological engineering in the pre-natal status will be discussed at first. Thereafter, the use of psychological conditioning with the methods of behaviourism, sleep-teaching and hypnopaedia is an essential theme. To complete it, the last type of conditioning, the chemical manipulation will be looked at. The different aspects will be combined with the motto of the World State in Brave New World: “Community, Identity, Stability” . Furthermore the loss of individuality caused by biological and psychological conditioning is an important component within the analysis. After this closer examination...

Time Must Have a Stop - Aldous Huxley 1998

"This is Mr. Huxley's best novel for a very long time . . . admirably constructed . . . bright and sun-pierced." New Statesman and Nation

Heaven And Hell - Aldous Huxley 2014-01-01

Inspired by the poetry of William Blake, Heaven and Hell delves into the murky topic of human consciousness through a discussion of religious mystical perception, biochemistry and psychoactive drug experimentation. Heaven and Hell explains how science, art, religion, literature, and psychoactive drugs can expand the reader’s everyday view of reality, offering a more profound grasp of the human experience. Like his earlier essay, The Doors of Perception, Aldous Huxley’s Heaven and Hell exerted a tremendous influence on the counter-culture movement of the 1960s, inspiring the imaginations of an entire generation of artists and revolutionaries like Jim Morrison and Jackson Pollack. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Eyeless in Gaza - Aldous Huxley 2019-11-05

Told over more than thirty years, in non-chronological order, Eyeless in Gaza revolves around the lives of a small group of the English upper-middle classes, and is ultimately Aldous Huxley’s most personal—and loosely autobiographical—novel. It is the story of Anthony Beavis, a cynical Oxford graduate coming of age in the wake of World War I. Unfulfilled by his life, he is persuaded by a friend to find a new way to live, leading him from blind hedonism to political revolution and then to spiritual enlightenment. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. The Age of Miracles - Karen Thompson Walker 2012-06-26

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Financial Times • Kansas City Star • BookPage • Kirkus Reviews • Publishers Weekly • Booklist NEW YORK TIMES BESTSELLER “A stunner.”—Justin Cronin “It’s never the disasters you see coming that finally come to pass—it’s the ones you don’t expect at all,” says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, The Age of

Miracles tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. "Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan's *Emerald City*."—*The Denver Post* "Pure magnificence."—Nathan Englander "Provides solace with its wisdom, compassion, and elegance."—Curtis Sittenfeld "Riveting, heartbreaking, profoundly moving."—*Kirkus Reviews* (starred review) Look for special features inside. The Problem with Pleasure - Laura Frost 2013-07-16

A revealing study of the sensual tensions powering the period's formal and ideological innovations.

[Complete Essays: 1939-1956](#) - Aldous Huxley 2000

"Over his lifetime from 1894 to 1963, Aldous Huxley earned a reputation as one of the giants of modern English prose and of social commentary in our time. Best known for his novels, including *Brave New World* and *Point Counter Point*, Huxley was nonetheless very much at home in the essay form. Ranging from journalism to critical reviews to literary, political, cultural, and philosophical reflections, these essays stand among the finest examples of the genre in modern literature. They also provide absorbing commentary on contemporary currents and events."-- Page 2 of cover.

Brave New World Revisited - Aldous Huxley 2014-01-01

When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

Brave New World and Brave New World Revisited - Aldous Huxley 2021-03-12

Brave New World is a dystopian social science fiction novel by English author Aldous Huxley, written in 1931 and published in 1932. Largely set in a futuristic World State, whose citizens are environmentally engineered into an intelligence-based social hierarchy, the novel anticipates huge scientific advancements in reproductive technology, sleep-learning, psychological manipulation and classical conditioning that are combined to make a dystopian society which is challenged by only a single individual: the story's protagonist. Huxley followed this book with a reassessment in essay form, *Brave New World Revisited* (1958), and with his final novel, *Island* (1962), the utopian counterpart. The novel is often compared to George Orwell's *Nineteen Eighty-Four* (published 1949). In 1999, the Modern Library ranked *Brave New World* at number 5 on its list of the 100 best English-language novels of the 20th century. In 2003, Robert McCrum, writing for *The Observer*, included *Brave New World* chronologically at number 53 in "the top 100 greatest novels of all time", and the novel was listed at number 87 on *The Big Read* survey by the BBC. This edition pairs *Brave New World* with *Brave New World Revisited*, Huxley's book about the original novel.

[Brief Candles. Four Stories.](#) - Aldous Huxley 2021-03-12

Brief Candles (1930), Aldous Huxley's fifth collection of short fiction, consists of the following four short stories: "Chawdron" "The Rest Cure" "The Claxtons" "After the Fireworks" *Brief Candles* takes its title from a line in William Shakespeare's *Macbeth*, from *Macbeth*'s famous soliloquy: "Out, out, brief candle! Life's but a walking shadow, a poor player that struts and frets his hour upon the stage and then is heard no more: it is a tale told by an idiot, full of sound and fury, signifying nothing."

The Burning Wheel - Aldous Huxley 1916

Wearied of its own turning, Distressed with its own busy restlessness, Yearning to draw the circumferent pain- The rim that is dizzy with speed- To the motionless centre, there to rest, The wheel must strain through agony On agony contracting, returning Into the core of steel. And at last the wheel has rest, is still, Shrunk to an adamant core: Fulfilling its will in fixity. But the yearning atoms, as they grind Closer and closer, more and more Fiercely together, beget A flaming fire upward leaping, Billowing out in a burning, Passionate, fierce desire to find The infinite calm of the mother's breast...

[The Doors of Perception and Heaven and Hell](#) - Aldous Huxley 2017-03-22

Two great classics come to life in one of the most loved books in American History. Remastered to include Illustrated exercises, a biography of Aldous Huxley, and including the full essay of *Heaven and Hell*, and *The Doors to Perception*, this book is a great gift to those who are unfamiliar with his work, or may have forgotten about Huxley's famous contemplations of life and death. - ZKBS(c) All Rights Reserved.

Brave New World - Aldous Huxley 2011-07-01

Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

The Motifs of Utopia and Dystopia in Aldous Huxley's "Brave New World" - Doris Dier 2012-10-09

Seminar paper from the year 2012 in the subject English - Literature, Works, grade: 1, University of Vienna, course: Science Fiction: The Classics, language: English, abstract: One of the many features of science fiction is the creation of alternative worlds and societies. The utopia-motif has been a very creative one in doing so, constantly inspiring authors to pursue the goal of imagining a perfect world. The motif is also productive in a sense of redevelopment, since it serves to lay out the points of criticism that occur when looking at the "real" world at times. These approaches have resulted in the formation of new motifs such as dystopia. Aldous Huxley's *Brave New World* is an ambiguous masterpiece that allows the reader to reveal various levels of meaning. Researchers mainly suggest it to be read as a satire, but it is also considered to be a key work of dystopian literature. This paper points out the elements that allow us to identify *Brave New World* as both a utopian and dystopian narrative. It concentrates on the points of view because in my opinion they determine the motif. The thesis is that depending on the viewpoint of the different characters the two worlds Huxley presents us can be either interpreted as a utopia or dystopia. The paper aims to introduce the major terms Utopia and Dystopia, but also outline the two different worlds Huxley describes in his novel. It explores whether or not the thesis is applicable and verifiable.

[Those Barren Leaves](#) - Aldous Huxley 2021-11-22

Those Barren Leaves is a satirical novel by Aldous Huxley, published in 1925. The title is derived from the poem 'The Tables Turned' by William Wordsworth which ends with the words: Enough of Science and of Art; Close up those barren leaves; Come forth, and bring with you a heart That watches and receives. Stripping the pretensions of those who claim a spot among the cultural elite, it is the story of Mrs. Aldwinkle and her entourage, who are gathered in an Italian palace to relive the glories of the Renaissance. For all their supposed sophistication, they are nothing but sad and superficial individuals in the final analysis.

[Amusing Ourselves to Death](#) - Neil Postman 2005-12-27

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated

electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a

blueprint for regaining control of our media, so that they can serve our highest goals. “A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one.” –Jonathan Yardley, *The Washington Post Book World* [Boy Who Howled](#) -
