Microbe Hunters - Paul De Kruif 1926

Paul de Kruif's Microbe Hunters is a timeless dramatization of the scientists, bacteriologists, doctors, and medical technicians who discovered microbes and invented the vaccines to

counter them. De Kruif reveals the now seemingly simple but really fundamental discoveries of science - for instance, how a microbe was first viewed in a clear drop of rain water, and when, for the first time ever, Louis Pasteur discovered that a simple vaccine could save a man from the ravages of rabies by attacking the microbes that cause it.

Upside Down - Eduardo

Galeano 2014-05-13

From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable Memory of Fire Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in Upside Down, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered

planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, Upside Down makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." - Los Angeles Times, front page

Apologetics Study Bible-HCSB - Ted Cabal 2007-10-01

The Apologetics Study Bible reveals flaws in today's bizarre world-views while it helps you grasp the depth of biblical insight on each and every issue. More than 100 articles relate biblical truth to science, history, archaeology, psychology, philosophy, and other critical subjects. Strategically placed alongside the text of Scripture, this expert commentary includes: "How Does Christianity Relate to Hinduism?" by former Hindu Ravi Zacharias; "Is There Evidence for Life After Death?" by Christian Research Institute founder Hank Hanegraaff; "Evolution: Fact or Fantasy?" by Phillip E. Johnson, author of Darwin on Trial; "How Should a Christian Relate to Culture?" by Prison Fellowship founder

and president Chuck Colson; "Are Jesus' Claims Unique Among the Religions of the World?" by Liberty University professor Gary Habermas; "Does the Design Argument Show There Is a God?" by philosopher William Dembski; "How Apologetics Changed My Life!" by best-selling author Lee Strobel. Profiles of key historic defenders of the faith like Justin Martyr, Irenaeus, Anselm, Augustine, Joseph Butler, William Paley, Blaise Pascal, and C. S. Lewis highlight the clear-headed thinking Christians through the centuries have brought to bear on objections to faith. A generous helping of study notes clarifies the biblical worldview demonstrated in Scripture. The text is the remarkably accurate and inviting Holman Christian Standard Bible translation. And features like book introductions, end-of-verse cross references, topical subheads, the words of Christ in red, and a 72-page concordance make it simple to get the most from your Bible

study time. Philosopher and Apologetics Study Bible general editor Ted Cabal observes that we live "in the golden era of Christian apologetics." There has never before been so much scientific, archaeological, and historical support for the unique truth of biblical Christianity. The Apologetics Study Bible will open your eyes to new reasons to believe, a stronger commitment to faith, and better ways to witness for the Creator of it all. Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. Sinners in the Hands of an Angry God - Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a

relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who

were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Pastor Jim Cymbala calls us back to a fiery, passionate preoccupation with God that will restore what the enemy has stolen from us: our first love for Jesus, our zeal, our troubled children, our wounded marriages, our broken and divided churches. Born out of the heart and soul of The Brooklyn Tabernacle, the message of Fresh Faith is illustrated by true stories of men and women whose lives have been changed through the power of faith. Cymbala writes, “Real faith is produced when our hearts draw near to God himself and receive his promises deep within.” That kind of faith can transform your life—starting today, if you choose. “Jim Cymbala is an

exciting reminder of God's desire to bless and use any faithful and trusting follower of our Lord in supernatural ways."—Dr. Bill Bright, Founder and President, Campus Crusade for Christ International

Preaching - John F. MacArthur
2005-08-21

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church.

This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence. *Holman Illustrated Bible Dictionary* - Chad Brand
