Law for the Common Man - Kush Kalra 2014-08-16

It has been generally believed among different sections and groups of the society that legal education is only for the law students, lawyers etc. But have you ever thought how important basic legal education plays in our daily life. It is very necessary for every person to have certain knowledge of law, otherwise it becomes very difficult to tackle several problems, from consumer protection to fundamental rights. One of the reasons for popular dissatisfaction with the administration of justice is the uncertainty of law which sometimes results in miscarriage of justice. The multiplicity of interpretations, the inadequacies of legislative drafting, ambiguities in policies and the variety of languages in which transactions are made add to the confusion and make repeated litigation inevitable. This book Law for the Common Man will be of immense help for layman to understand the legal issues in a simple and effective manner. This book will be of immense help to make people aware about their rights and duties.

American Law Made Simple - Jean-Eric Branaa 2014-07-15

Vous êtes étudiant en droit, en bi-licence anglais-droit, en économie, en LEA, AES, école de commerce, science politique ou encore professionnel (juriste, avocat...) et vous souhaitez maîtriser les rouages du système judiciaire américain ? American Law Made Simple est l'ouvrage qu'il vous faut. Riche de nombreux documents, American Law Made Simple se compose de 12 unités proposant systématiquement des séquences de cours et d'exercices corrigés et de 2 unités de révision ainsi que de nombreux outils complémentaires en annexe. Complet, illustré avec justesse et pertinence, entièrement rédigé dans un anglais accessible, cet ouvrage vous permettra de comprendre toute la singularité du système judiciaire américain : primauté du précédent sur la loi, organisation décentralisée comprenant 51 cours suprêmes, système accusatoire conférant au juge le rôle d'arbitre du bon déroulement de la procédure... Favorisant un apprentissage progressif et interactif, American Law Made Simple met le droit américain à votre portée.

Law Made Simple - Colin Frank Padfield 1975

Legal Writing - Lisa Webley 2016-01-29

Legal Writing guides students comprehensively through this vital legal skill and addresses a range of assessment methods from exam questions to final essays and problem answers. It considers how to deconstruct essay and problem questions and how to conduct and apply legal research to answer set questions. Lisa Webley explains how to reference others' work clearly and correctly, making this book a useful tool for students concerned about issues of plagiarism. It also focuses on how to develop critical thinking and communicate legal arguments, with both

good and bad examples of written work considered and discussed in the text. Legal Writing is particularly useful for undergraduate students, especially at the beginning of degree studies, and for GDL and CPE students too. This fully revised fourth edition includes: Guidance on the avoidance of plagiarism including examples of poor practice and best practice. Worked examples throughout the text, including guidance on deciphering essay questions in exams and coursework, along with additional examples from across the legal curriculum on the companion website. An improved companion website with increased guidance for revision to allow students to test their progress and further engage with the topics in the book. Clearly written and easy to use, Legal Writing enables students to fully engage with essay and exam writing as a vital foundation to their undergraduate degree.

Thinking Critically About Law - A. R. Codling 2018-01-31

So you've arrived at university, you've read the course handbook and you're ready to learn the law. But is knowing the law enough to get you the very best marks? And what do your lecturers mean when they say you need to develop critical and analytical skills? When is it right to put your own views forward? What are examiners looking for when they give feedback to say that your work is too descriptive? This book explores what it means to think critically and offers practical tips and advice for students to develop the process, skill and ability of thinking critically while studying law. The book investigates the big questions such as: What is law? and What is 'thinking critically'? How can I use critical thinking to get better grades in assessments? What is the role of critical thinking in the work place? These questions and more are explored in Thinking Critically About Law. Whether you have limited prior experience of critical thinking or are looking to improve your performance in assessments, this book is the ideal tool to help you enhance your capacity to question, challenge, reflect and problematize what you learn about the law throughout your studies and beyond.

Lawful Living - Owen Salmon 2016

Presents provisions from over 270 statutes that have been rewritten in plain language aimed at informing and educating South African citizenry

on how to be law-abiding members of society.

Criminal Defense Law Made Simple - R. D. Ellison 2012-03

The ability to prove one's innocence SHOULD NOT DEPEND on how much money the defendant has. TRUTH should not be something that is bought. And yet, money is far too often what makes the difference between a successful legal defense, and prison time. If you have been arrested, the bad news is that the court will appoint a lawyer for you. This is not good news because the court pretends that as long as you have a lawyer, justice will be served. But a court-appointed attorney typically does more harm than good. This book explains why, and what to do about it. TRUTHS THAT THE SYSTEM WOULD PREFER YOU DIDN'T KNOW Would you believe that, given the choice between keeping you out of prison for ten years or saving himself a few hundred dollars, a court-appointed attorney will choose the money virtually every time? Yes, ten years. Or that at least ten thousand Ohio inmates would not be in prison today if Ohio courts correctly applied the law? Yes, ten thousand. OUR JUSTICE SYSTEM IS BROKEN, AND THERE'S NO MONEY TO FIX IT This book shows one man's walk through a dysfunctional justice system, and the author gives it to you straight, like no attorney could without putting his license in jeopardy, and like no one else could who hasn't lived it. If you have been arrested and don't know what to do, this book will help you find the answers you seek; get cooperation from your court-appointed attorney; keep the system from violating your rights; get excessive charges removed from the indictment; file motions in the courts; and process your appeals. It's the must-have book for the twenty-first century.

Business Law Made Simple - Stephen G. Christianson 1995

Introduces U.S. business law and covers such topics as incorporation, partnerships, commercial codes, bankruptcy, contracts, and patents

Law - C. F. Padfield 1981

Commercial Law - John Parris 2016-06-03

Commercial Law: Made Simple covers the basic principles and concepts of commercial law. The book starts by describing trading entities, such

as trading by individuals; corporations; and unincorporated associations, partnerships, and agencies. The book discusses contractual obligations, including topics about the nature and the laws related to contractual obligations, unilateral contracts, and contracts of mutual obligations. The sale of goods is also considered with regard to transference of ownership, the terms of the contract of sale, the rights of an unpaid seller, international trade, and hire purchase and similar transactions. The book further tackles carriage and insurance, assignments, negotiable instruments, and securities. Students taking business studies and courses in law and accountancy and businessmen will find the book an invaluable source of reference and guidance.

Contract Law Made Simple - Vanessa M. Morgan 2015-05-15

Contract Law made simple is a small but comprehensive revision textbook written for students who are studying for a law degree, paralegals, A-level law students, and students studying business law. The book covers all the core topics in contract law and provides practical and helpful tips in preparing for examinations, method used to answer law examination questions, and revision of past examination papers. The author takes into the account the difficulties faced by most students in understanding law concept, and hence, Contract Law Made Simple assumes that the reader has no previous knowledge of contract law and is written in basic, clear, easily understandable language. Clear ordinary language is also used to explain legal terms and practical examples given to illustrate.

Overview of International CISG Sales Law - Roald Martinussen 2006-01-01

Sales law and contract law made simple. A short and readable book for practitioners and students of law, contracts, business administration, commerce and economics, and for anyone in need of an introduction to contract law and sales law. The Convention on Contracts for the International Sale of Goods (CISG) is the present international sales law. It is one of the most important conventions of our time.

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000

years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

[Contract Law Made Simple](#) - Vanessa M. Morgan 2015-05-18

Law Made Simple - David Barker 2014-04-03

Are you studying for an A-Level in Law? Are you thinking about reading Law or a related subject at university? Or maybe you already have a place at Law School? If you answered 'yes' to any of the above or if you have a general interest in how the Law works, *Law Made Simple* is the perfect introduction to this huge and complex subject. Covering all the foundation subjects, Contract, Torts, Land, Trusts, Criminal, Public and EU Law as well as an introduction to the personnel and mechanisms that make up the English Legal System, *Law Made Simple* will offer you a clear and concise introduction to both the legislation and case law relating to all the major topics. This 13th edition now includes a brand new chapter on Public Law and Human Rights, a completely revised and updated chapter on Sources of Law and has been fully updated to take into account developments across the curriculum such as the ratification of the Lisbon Treaty; the Supreme Court and the Ministry of Justice; the Legal Services Act 2007; and the Fixed Term Parliaments Act 2011.

[Law Made Simple](#) - G.V. Wokmou 2022-12-03

Leaving your home to make a new one somewhere else can be daunting, confusing, and insurmountable... But, with the help of this book, you'll be navigating the legal system of your new home in no time. Within these pages, you will begin to untangle the mass web of legal processes. We'll cover what you need to know before adjusting to your new life, cover topics to help guide you in settling in and getting to work, the rights you'll have as a new citizen and the benefits that come with it, and so much more. It can all feel overwhelming, but I'm here to tell you that you're not alone. Now that you're here, you have the chance to experience everything that this country has to offer you. You'll be guided through the basic rights you'll have as a permanent resident. We'll cover how the court system works, criminal and civil case processes, worker's rights, consumer rights, and the responsibilities we all have as citizens of Canada or the United States. Every first you might need help with? I've got you covered. From buying or renting your first house to purchasing your first vehicle, building your new credit or growing your first business in your new home-I'll help summarize what's usually a detailed, complicated discussion. This book aims to provide useful information for

those who might not be familiar with how the legal systems or cultures work in North America. While we don't cover the actual immigration process, you will start to understand more of how your new country of residence works and benefits you. I aim to explain the more complex concepts so that immigrants and new permanent residents of North American countries can understand. Becoming familiar with the applicable legal rules is vital since these are the guidelines and written word of the country you're living in. It's important to understand how to stay within the law and follow it to avoid any legal consequences that could harm us and our lives here. Whether you've just moved or aim to move here soon, I understand the need for guidance when it comes to understanding the laws, systems, and culture.

The Complete Idiot's Guide to Business Law - Cara C. Putman 2009
Presents information on the basics of business law, covering such topics as business ethics, government regulations, partnerships, contracts, sale of goods, agency law, real property law, and financial law.

Slapper and Kelly's The English Legal System - David Kelly 2020-05-31
Slapper and Kelly's *The English Legal System* explains and critically assesses how our law is made and applied. Trusted by generations of academics and students, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution. This latest edition has been extensively restructured and updated, providing up-to-date and reliable analysis of

recent developments that have an impact on the legal system in England and Wales. Key learning features include: useful chapter summaries which act as a good check point for students; 'food for thought' questions at the end of each chapter to prompt critical thinking and reflection; sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways; and an online skills network including how tos, practical examples, tips, advice and interactive examples of English law in action. Relied upon by generations of students, this book is a permanent fixture in this ever-evolving subject.

American Law made simple - Jean-Eric Branaa 2022-01-11

Tax Preparation Made Simple - Mary Adams, EA 2011-10-20
This book will give you the tools to prepare some of the most common tax returns. As you read through each chapter, you will learn the tax laws, and see them in practice in examples. Throughout the book there are questions and tax problems for you to work out yourself because the best way to learn something is through practice. You can check your work by looking in the Appendix. There are two parts to this text. The first part will teach you to prepare a basic return while the second part will introduce some of the more involved aspects of taxation. Each chapter focuses on certain aspects and walks you through that aspect of the tax return step by step. By the time you finish this book you will be amazed at how easy it is to prepare a tax return!

English Law Made Simple - Jean-Eric Branaa 2020-08-04

Living the Law of One 101 - Carla L Rueckert 2014-06-03
Written with the intent of creating an entry-level, simple to read report concerning the core principles of the Law of One and Confederation philosophy in general, this book takes the reader through a discussion of Law of One principles such as unity, free will, love, light and polarity. It then works with the Confederation version of the concept that each person has an energy body with seven chakras. It discusses this concept and its implications for the seeker, chakra by chakra. It turns the player

into a Player! This is a light-hearted book about the Game of Life. It is an easy read, and yet the principles of the Law of One are not simplified. Rather, they are offered in an order which makes coherent sense. Principle builds upon principle to offer an overall view of Confederation philosophy which is a bit easier to grasp as a whole than the original Law of One books, where the question-and-answer format offers the same information in a somewhat fragmented form, although with endless interest. If you would like to play the Game of Life with Carla, please give this book a try!

[Business Law Made Simple](#) - Cara Putman Jd Mba 2019-07-19

Are you earning a business degree? Then you'll take business law. In Business Law Made Simple, you'll learn the major principles, phrases, and real life implications of business law just as I teach them in my undergraduate and graduate business law courses. This book has the principles distilled to their core concepts with examples to help give shape to the ideas. Let's face it, a survey business law course skims the surface of the topics. Contracts? You might spent a week or two on them in business law. In law school, contracts is a two semester course! Employment law will get a day or two in your business law course instead of a full semester. What you need to survive and thrive in the class is someone to help you understand the key principles without layers of detail. That's where this book can help you.*Discusses only relevant case laws to the topics*Fully explains key words, phrases, and concepts*Contains jargon-free explanations and definitions*Includes narrative examples to illustrate situations and concepts

Basic Wills Simplified - Daniel Sitarz 2003

A will preparation guide explains how to create a legally valid will without the cost of an attorney, with step-by-step directions, checklists, worksheets, sample forms, and helpful advice.

[Child Custody Made Simple](#) - Webster Watnik 2003

Discusses a variety of issues concerning child custody, including court structures, living arrangements, recommendations on avoiding court battles, and advice on working with lawyers.

[How Our Laws are Made](#) - John V. Sullivan 2007

Law Made Simple - David Barker 2014-04-03

Are you studying for an A-Level in Law? Are you thinking about reading Law or a related subject at university? Or maybe you already have a place at Law School? If you answered 'yes' to any of the above or if you have a general interest in how the Law works, Law Made Simple is the perfect introduction to this huge and complex subject. The Laws of Simplicity - John Maeda 2020-09-01

Ten laws of simplicity for business, technology, and design that teach us how to need less but get more. Finally, we are learning that simplicity equals sanity. We're rebelling against technology that's too complicated, DVD players with too many menus, and software accompanied by 75-megabyte "read me" manuals. The iPod's clean gadgetry has made simplicity hip. But sometimes we find ourselves caught up in the simplicity paradox: we want something that's simple and easy to use, but also does all the complex things we might ever want it to do. In The Laws of Simplicity, John Maeda offers ten laws for balancing simplicity and complexity in business, technology, and design—guidelines for needing less and actually getting more. Maeda—a professor in MIT's Media Lab and a world-renowned graphic designer—explores the question of how we can redefine the notion of "improved" so that it doesn't always mean something more, something added on. Maeda's first law of simplicity is "Reduce." It's not necessarily beneficial to add technology features just because we can. And the features that we do have must be organized (Law 2) in a sensible hierarchy so users aren't distracted by features and

functions they don't need. But simplicity is not less just for the sake of less. Skip ahead to Law 9: "Failure: Accept the fact that some things can never be made simple." Maeda's concise guide to simplicity in the digital age shows us how this idea can be a cornerstone of organizations and their products—how it can drive both business and technology. We can learn to simplify without sacrificing comfort and meaning, and we can achieve the balance described in Law 10. This law, which Maeda calls "The One," tells us: "Simplicity is about subtracting the obvious, and adding the meaningful."

Law Made Simple - D. Barker 2007-06-01

It covers the elements of English Law, the law which is the basis of all legal systems throughout the English-speaking world, however much they may have become adapted to the needs and conditions of different countries. As well as for students studying the law as part of A-Level, BTEC and GNVQ courses, 'Law Made Simple 11th edition' provides an excellent background for the general reader and a springboard to further study. It is a particularly good guide to the Law of Contract, Law of Property and Law of Tort.

Law Made Simple - Owen Salmon 2020

"The book does not deal with compliance frameworks internal and specific to corporations, and professional or industry associations and bodies. However, it is invaluable resource for professionals, businesses, law-enforcement agencies, and all citizens: in other words, those who want to stay compliant - or hold accountable the government, their municipality, their neighbour or their competitor"--Back cover.

Law Made Simple - David Barker 2020

This fourteenth edition of Law Made Simple marks the fiftieth year of the publication for one of the best-selling UK Law books. It is the perfect introduction to the English Legal System, and combines an overview of both the legislation and case law relating to all the foundation subjects, including Contract, Torts, Land, Trusts, Criminal, Public and EU. Fully updated, this book acts as a clear and concise guide for students studying law at any level, and takes into account developments across the curriculum. It is suitable for students studying law at A-Level, or as

an excellent background for students thinking of embarking on the study of law or related course at degree level.

The Language of Common Law Made Simple - Girolamo Tessuto 2002

Breastfeeding Made Simple - Nancy Mohrbacher 2005

Breastfeeding is natural, but it's not always easy. It is the biological norm, but it is not the cultural norm. By learning the seven basic principles in this book, mothers can dramatically increase their likelihood of success and make breastfeeding the enjoyable experience it should be. The seven laws taught in Breast Feeding Made Simple are easy for mothers to understand and are sure to help them avoid some of the pitfalls that they might otherwise face. The seven principles include: Babies Have the Urge to Self-Attach Use the Power of Skin-to-Skin: A Baby's Natural Habitat Breastfeed Ad Lib Reach for the Comfort Zone Expect Cluster Nursing More Milk Out = More Milk Made Babies Outgrow Breastfeeding The book also addresses how to solve common problems and deal with special situations such as breast reductions and babies with special needs. The authors describe some of the social, psychological, and cultural reasons why breastfeeding is not currently the norm, and what this implies for mothers. In all, this is an easy-to-use breastfeeding resource for new mothers, which includes all the latest research and techniques used by those in the lactation field.

The Indigo Book - Christopher Jon Sprigman 2017-07-11

This public domain book is an open and compatible implementation of the Uniform System of Citation.

The Very Simple Law of Attraction: Find Out What You Really Want from Life . . . and Get It! - Marie Diamond 2018-10-09

Discovering true desires in life and reaching goals faster is made easier with this manual that provides tips on making a home's environment more loving and cozy and an office space more centered and empowering. With instructions on how to surround oneself with positive images for the mind--and showing how negative ones can sneak into a space--this guide helps alter the energy of a room, changing one's

attitude as well as others who are in it. This feng shui method teaches how to focus on what one's desires are, how to create an attractive

environment that supports them, and that doing so will help continue to achieve positive results.
