Education in Post-colonial Ghana - G. M. Osei
2009

The prospect of redistributing power from central government offices to local actors and organisations has repeatedly tantalised academics, politicians and policy makers promulgating decentralisation measures in hopes that such action would cure the social and economic ills faced by their policies. Education planners in Accra regarded decentralisation as an important strategy for raising the quality and status of Ghanaian education. The Ministry of Education (MOE) was depending on the local content curriculum (LCC) to achieve many things. As MOE officials observed, however, the success or failure of the reform essentially depended on the actions of classroom teachers. Even if plans for the reform were carefully designed and communicated by experts in Accra, goals for the reform would not be met unless teachers implemented the reform as envisioned by its authors. When the Ghanaian government enacted the LCC reform it was depending on classroom teachers to take a leading role in the process of educational decentralisation. The one goal that all members of the system appeared to have most thoroughly absorbed was the notion that as a result of the changes outlined in LCC policy documents, the curriculum in Ghanaian schools should more closely mesh with local conditions. St. Aquinas junior high school, a private Catholic institution was the only school I visited where teachers were willing to question and modify policies created in Accra. Rather than obediently follow instructions from Accra,

St. Aquinas employees reshaped MOE policies to meet their own educational philosophies and objectives. My research indicates that the MOE has not yet commenced to rebuild the culture of education to fit the new vision of teaching and learning it is promoting. Instead, it is attempting to append the LCC reform to an existing core, with only minor modifications.

Filipino English and Taglish - Roger M. Thompson
2003-01-01

English competes with Tagalog and Taglish, a mixture of English and Tagalog, for the affections of Filipinos. To understand the competing ideologies that underlie this switching between languages, this book looks at the language situation from multiple perspectives. Part A reviews the social and political forces that have propelled English through its life cycle in the Philippines from the 1898 arrival of Admiral Dewey to the 1998 election of Joseph Estrada. Part B looks at the social support for English in Metro Manila and the provinces with a focus on English teachers and their personal and public use of English. Part C examines the language of television sport broadcasts, commercials, interviews, sitcoms, and movies, and the language of newspapers from various linguistic, sociolinguistic, and sociocultural perspectives. The results put into

perspective the short-lived language revolution that took place at the turn of the twenty-first century.

Waimea I Ka La'i - R.K. Lindsey Jr. 2020-11-13
Waimea I Ka La'i is an autobiography. A collection of personal memories growing up in Waimea, a little cattle town, on the Island of Hawai'i, nestled in a crease at the foothills of the Kohala Mountain. Waimea I Ka La'i is a cornucopia of personal lessons learned and a life lived which I am bequeathing to our four precious grandsons through Story. Lessons of Love for my parents. Who sacrificed, went without for me and my 'little brother' so we could have 'life' better than they had. Love for the people who made a difference in my life. A host of teachers, preachers, employers, and outliers. Even two folks, a Sunday school teacher and high school counselor who said I didn't have the 'brains' necessary to succeed in school. In their perverse way, they too helped and inspired me. Love for Place. For Waimea, the town I grew up in. A beautiful slice of Heaven on Earth. I share my recollections of family and friends I had a connection with. Waimea I Ka La'i is my Story. What is your Story? It will differ from mine in substance. But in our humanity, they will intersect.

Grace & Mercy demonstrates how to have a nourishing and flourishing spiritual life. A soft plot line meanders throughout and the book gently explores themes of communication, discipleship, positive expectations, and diligence. Each chapter includes devotional content for individual readers and exploratory questions for group discussion. Readers can expect to:

- Discover the value of slowing down, paying attention, and soaking in the wisdom of biblical truth expressed each week in the Sunday sermon
- Understand how to live a more contemplative life
- Grow in their faith from week to week
- Improve awareness in the way God is moving through the people who are in their lives
- Be stirred up toward love, gentleness, and goodness toward one another

"Pictures and stories and memories are three of God's sweet gifts to help us visualize his truths and strengthen our hearts. Katie and Chris use all of these to paint little portraits that add color and depth to how I understand and experience God." --Kirk Freeman, Lead Pastor, CrossBridge Community Church, San Antonio, Texas

"My wife, Beth, is often suggesting daily devotionals for me, but I just can't get into them. She was surprised to see me devouring Grace & Mercy and asked, 'What's different about this one?' I paused a moment, looked up and said, 'I can relate to these. Let's gather some friends and dig into it.' Grace & Mercy provides an interesting and engaging tool to study the Bible." --Jim Lenaway, Pastor, B-Free Church, Bradford, Pennsylvania

"Grace & Mercy presents an honest, encouraging look at life with its disquieting issues. Katie welcomed me to sit beside her "knee to knee" with Jesus, the Wonderful Counselor, then to journey onward, with Him leading the way. --Chuck Rizer, Lieutenant Colonel, Army Chaplain (retired), author of Downwind of Thunder

"This devotional is wonderfully refreshing and special. I love the practical, chatty, relatable style that makes recognizing God's presence and love in our lives so accessible. If you want to benefit from experiencing God in your everyday life, Grace &

Mercy is for you." --Rob Davis, Founding Pastor, Vineyard Church, Hopkinton Massachusetts

Laughing at Leviathan - Danilyn Rutherford
2012-02-29

For West Papua and its people, the promise of sovereignty has never been realized, despite a long and fraught struggle for independence from Indonesia. In *Laughing at Leviathan*, Danilyn Rutherford examines this struggle through a series of interlocking essays that drive at the core meaning of sovereignty itself—how it is fueled, formed, and even thwarted by pivotal but often overlooked players: those that make up an audience. Whether these players are citizens, missionaries, competing governmental powers, nongovernmental organizations, or the international community at large, Rutherford shows how a complex interplay of various observers is key to the establishment and understanding of the sovereign nation-state. Drawing on a wide array of sources, from YouTube videos to Dutch propaganda to her own fieldwork observations, Rutherford draws the history of Indonesia, empire, and postcolonial nation-building into a powerful examination of performance and power. Ultimately she revises Thomas Hobbes, painting a picture of the Leviathan not as a coherent body but a fragmented one distributed across a wide range of both real and imagined spectators. In doing so, she offers an important new approach to the understanding of political struggle.

A Country in Despair - C. (Kees) van Dijk
2021-10-01

In late 1997 Indonesia's economy went into a tail-spin, culminating in social and political upheavals that saw Soeharto's resignation in May 1998, and resulting in a succession of presidents as Indonesia entered a period of democratization. These events are well known, even to casual observers, but Kees van Dijk has penned a magnificent account of Indonesia between 1997 and 2000 that fleshes out the story in rich detail and analysis. The volume itself closes as the soon to be ousted President Abdurrahman Wahid is facing two major corruption, collusion, and nepotism (korupsi, kolusi, and nepotisme or KKN) scandals and the

political forces are arraying against him.

Songprints - Judith Vander 1988

Songprints, the first book-length exploration of the musical lives of Native American women, describes a century of cultural change and constancy among the Shoshone of Wyoming's Wind River Reservation. Through her conversations with Emily, Angelina, Alberta, Helene, and Lenore, Judith Vander captures the distinct personalities of five generations of Shoshone women as they tell their thoughts, feelings, and attitudes toward their music. These women, who range in age from seventy to twenty, provide a unique historical perspective on many aspects of twentieth-century Wind River Shoshone life. In addition to documenting these oral histories, Vander transcribes and analyzes seventy-five songs that the women sing--a microcosm of Northern Plains Indian music. She shows how each woman possesses her own songprint--a song repertoire distinctive to her culture, age, and personality, as unique in its configuration as a fingerprint or footprint. Vander places the five song repertoires in the context of Shoshone social and religious ceremonies to offer insights into the rise of the Native American Church, the emergence and popularity of the contemporary powwow, and the changing, enlarging role of women. Songprints also offers important new material on Ghost Dance songs and performances. Because the Ghost Dance was abandoned by the Wind River Shoshones in the 1930s, only Emily and Angelina saw it performed. Vander engages the two women--now in their sixties and seventies--in a discussion of the function and meaning of the Ghost Dance among the Wind River Shoshones. Thirteen Shoshone Ghost Dance song transcriptions accompany their accounts of past performances. The distinctive voices of these five women will captivate those interested in music, women's studies, ethnohistory, and ethnography, as well as ethnomusicologists, Native American scholars, anthropologists, and historians.

Time Would Tell: A Collaborative Memoir -

Maxine Premer 2018-04-12

Maxine Premer was no stranger to hardship.

Throughout the 1920s and 1930s, her childhood was largely defined by her father's alcoholism and frequent brushes with the law. As the oldest of six children, she grew up quickly in Colorado and Nebraska amidst a backdrop of isolation, poverty, and illness. As a teenager, she encouraged her mother to divorce, which led her family to live with Maxine's grandfather. Ever a tyrant, he soon forced her to drop out of school. With the support of her son Gary, she began writing her life story in her late seventies. As much as this journey brought Maxine closer to the past, it also illuminated the present, enabling her to better understand her life and heal the wounds that shaped it. All book sale proceeds net of publication expense will be donated to the Alzheimer's Association.

Unrevolutionary Mexico - Paul Gillingham 2021
An essential history of how the Mexican Revolution gave way to a unique one-party state. In this book Paul Gillingham addresses how the Mexican Revolution (1910-1940) gave way to a capitalist dictatorship of exceptional resilience, where a single party ruled for seventy-one years. Yet while soldiers seized power across the rest of Latin America, in Mexico it was civilians who formed governments, moving punctiliously in and out of office through uninterrupted elections. Drawing on two decades of archival research, Gillingham uses the political and social evolution of the states of Guerrero and Veracruz as starting points to explore this unique authoritarian state that thrived not despite but because of its contradictions. Mexico during the pivotal decades of the mid-twentieth century is revealed as a place where soldiers prevented military rule, a single party lost its own rigged elections, corruption fostered legitimacy, violence was despised but decisive, and a potentially suffocating propaganda coexisted with a critical press and a disbelieving public.

My Sad Song - Herbert Amarasinghe
2013-01-12

It's better to light a candle than to curse the darkness, the wise old saying had been on my mind over the years. So finally, I lit the candle by writing my biography. The book tells all about a boy born to a middle-class rural family in the British colonial Ceylon. Living in an era of strict cultural taboos and ancient practices his young life was utterly intricate. Torn from the bosom of his family, he departs from his cozy village-home to a faraway school to suffer under sadistic teachers. In a miserable boardinghouse he struggles with nasty bullyboys and battles along with constant homesickness. The family tragedies worsen his misery drowning him in grief and, hence, confusion. Later recovering and developing a great vision of life, takes him out of misery to a successful university career. To begin a new twist of fate, he leaves his motherland to spend a quiet family life in New Zealand. Then his family disappointments take him across the Tasman to Australia. Living here for over a few decades he becomes a helpless

victim of numerous adverse life events forcing him to a solitary single life. Now he finds his way to survive the loneliness through his profound determination engaged in generosity. Later when he expedites a romance overseas, the surrounding enemies ruin it resulting in the tragic loss of his great lover, leaving him in deep sorrow. In dismay, with a failed mission overseas, and now aimless, he returns to Australia. Grieving silently and living a low profile, suddenly his health deteriorates leaving a little ray of hope of life. Eventually, he recovers slowly and agonizingly bringing his life back to solitude again. This is a vivid story written true to his memories in sequel and full of haunting childhood, fomenting adolescence, ghosts of numerous failures and finding ways to survive the great losses, disappointments and loneliness through his determination. Also, interestingly the writer relates his times to important events that took place in the outer world during these periods; a kind of a historical account. This is a dramatic life journey of a man's own purpose and meaning of battling along. So, those readers who seek a variety would find this book full of interesting episodes, cultural background and differences in the light of the Westerners' eyes. Finally, it's a unique presentation and not the norm in traditional book stores.
