Young Jude Brighton has been missing for three days, and while the search for him is in full swing in the small town of Deer Valley, Oregon, the locals are starting to lose hope. They’re well aware that the first forty-eight hours are critical and after that, the odds usually point to a worst-case scenario. And despite Stevie Clark’s youth, he knows that, too; he’s seen the cop shows. He knows what each ticking moment may mean for Jude, his cousin and best friend. That, and there was that boy, Max Larsen...the one from years ago, found dead after also disappearing under mysterious circumstances. And then there were the animals: pets gone missing out of yards. For years, the residents of Deer Valley have murmured about these unsolved crimes...and that a killer may still be lurking around their quiet town. Now, fear is reborn—and for Stevie, who is determined to find out what really happened to Jude, the awful truth may be too horrifying to imagine.

No One Gets Out Alive - Adam Nevill 2015-04-28

Now a major motion picture on Netflix! When Stephanie moves to the notoriously cheap Perry Bar neighborhood of Birmingham, she's just happy to find an affordable room for rent that's large enough not to deserve her previous room's nickname, "the cell." The eccentric — albeit slightly overly-friendly — landlord seems nice and welcoming enough, the ceilings are high, and all of the other tenants are also girls. Things aren't great, but they're stable. Or at least that's what she tells herself when she impulsively hands over enough money to cover the first month's rent and decides to give it a go. But soon after she becomes uneasy about her rash decision. She hears things in the night. Feels them. Things...or people...who aren't there in the light. Who couldn't be there, because after-all, her door is locked every night, and the key is still in place in the morning. Concern soon turns to terror when the voices she hears and presence she feels each night become hostile. It's clear that something very bad has happened in this house. And something

even worse is happening now. Stephanie has to find a way out, before whatever's going on in the house finds her first. Adam Nevill's *No One Gets Out Alive* will chill you straight through to the core — a cold, merciless, fear-inducing nightmare to the last page. A word of caution, don't read this one in the dark.

[Ghosts and Robbers](#) - Daniel Corrick 2021-12-14

At the start of the nineteenth century, German "Schauerliteratur" was so popular as to permanently associate that land with the Gothic and the ghostly. Translations of short pieces published in journals like *The German Museum* and *Blackwood's Magazine* started a vogue for this new kind of fiction amongst the English reading public. The present anthology, the first of its kind in a decade, collects together examples of these tales from many of the great masters of the genre, including Friedrich de La Motte Fouqué, Johann Karl August Musäus, Louisa Drachmann, and Heinrich Clauren. Featuring bandits, cursed knights, tragic spectres, witch cults, diabolical bargains and the thirsting dead, the pieces in this volume mark the point at which the Gothic novels of the eighteenth century met the psychological intensity of Romanticism in the birth of the modern horror story.

Both are incredibly rare talents." *Pornokitsch* "The sense of dread is immediate, with the reader's sense of foreboding increasing with every new page." *Irish Examiner* "Readers will lose all hope of peaceful, undisturbed sleep. Highly recommended." *Library Journal* - Starred Review "Nevill's talent for horror resonates ominously in every scene, almost as if the theme from *Jaws* echoes when a page is turned." *Kirkus*

Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where *The Temple of the Last Days* met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken - and what is its interest in him?
