The Second American Revolution: Some Personal Observations - John Davison Rockefeller (III) 1973

Dreams from My Father - Barack Obama

2007-01-09

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a

man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the

more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

Dear Lupin - Roger Mortimer 2013-10-01

"Among the funniest [letters] ever dispatched in the vain hope of steering a black sheep onto something like the straight and narrow." —The Wall Street Journal Nostalgic, witty, and original, *Dear Lupin* by Roger Mortimer and Charlie Mortimer tracks the entire correspondence between a father and his only

son. When the book begins, Charlie, the son, is studying at Eton, although the studying itself is not a priority, much to his father's chagrin. After Charlie graduates and moves from South America to Africa and eventually back to London, Roger continues to write regularly, offering advice (which is rarely heeded) as well as humorous updates from home ("Your mother has had the flu. Her little plan to give up spirits for Lent lasted three and a half days"). Roger's letters range from reproachful ("You may think it mildly amusing to be caught poaching in the park; I would consider it more hilarious if you were not living on the knife edge") to resigned ("I am very fond of you, but you do drive me round the bend"), but his correspondence is always filled with warmth, humor, and wisdom that offers unique insight into the relationship between father and son.

Dear Son - Thomas Mayor 2021-09-01

Dear Son shares heartfelt letters written by First Nations men about life, masculinity, love, culture

and racism. Along with his own vivid and poignant prose and poetry, author and editor Thomas Mayor invites 12 contributors to write a letter to their son, father or nephew, bringing together a range of perspectives that offers the greatest celebration of First Nations manhood. This beautifully designed anthology comes at a time when First Nations peoples are starting to break free of derogatory stereotypes and find solace in their communities and cultures. Yet, each contributor also has one thing in common: they all have a relative who has been terribly wronged – enslaved, raped and dispossessed – because of their Aboriginality. Featuring letters from Stan Grant, Troy Cassar-Daley, John Liddle, Charlie King, Joe Williams, Yessie Mosby, Joel Bayliss, Daniel James, Jack Latimore, Daniel Morrison, Tim Sculthorpe and Blak Douglas. A gentle and loving book for families from anywhere in the world. Artwork by proud Kurna/Ngarrindjeri/Narrunga/Italian Australian artist Tony Wilson, with illustrations and design

by Gamilaraay designer Tristan Schultz of Relative Creative.

Letters from an American Farmer - J. Crevecoeur 2007-02

First published in England in 1782, Crevecoeur's Letters from an American Farmer was one of the first works to describe the character of the average American at the close of the Revolutionary War. His famous question, "What,

then, is the American, this new man?"", summarized the European's interest in and questioning of the new country of America at a time when centuries of tradition had just been overturned and post-colonial Americans were attempting to describe themselves in a new way. Through the character of James, the letters celebrate the land of America, its space and fertility, and the character of Americans themselves, their work ethic and spirit of personal determination. The Letters also look at the darker side of American life, particularly the issue of slavery. The discussions of American identity, participation in war (or not), and the perception of immigrants and their ethnicity make this book as relevant to our understanding of ourselves today as it was in 1782.

Dear Jay, Love Dad - Jay Wilkinson 2012-01-03
College football fans need no introduction to Bud Wilkinson, but few of them know the great University of Oklahoma football coach as a devoted father. In *Dear Jay, Love Bud*, Jay Wilkinson, Bud's younger son, shares forty-seven letters his father wrote to him while he was in college and graduate school. Spanning the early to mid-1960s, these letters reveal Bud's deep love for his son, as well as the philosophy and values that led to his remarkable success in sports and in life. Beginning with the first letter Bud wrote when Jay left home, this collection shows a father guiding his son toward his own path while stressing the importance of service to others. The embodiment of the scholar-athlete, Bud mixes encouragement with intellectual discussions. When Jay reads American

philosopher William James for a class at Duke University, his father, a serious student of literature, reads the book, too, and uses its insights to help Jay deal with the challenges of his freshman year. Bud writes about his own challenges, as well, including his debate over whether to accept the Kennedy administration's invitation to head the President's Council on Physical Fitness. Jay's comments about each of these letters provide context and further insight. By the time Jay becomes a graduate student at the Episcopal Theological School, the correspondence turns toward religion and politics, as Bud reflects on the philosophical issues of the day and on his unsuccessful run for the U.S. Senate in 1964. His belief that the greatest leaders are not always the most popular made him an unlikely politician even then, but a wonderful role model and interlocutor for his son. Bud's thoughts on ethics in business and politics are as inspiring today as when he wrote them a half-century ago.

Fahrenheit 451 - Ray Bradbury 2003-09-23

Dear Mr Murray - David McClay 2019-10-08

The publishing house of John Murray was founded in Fleet Street in 1768 and remained a family firm over seven generations. Published to coincide with this 'remarkable achievement' and in the anniversary year, *Dear Mr Murray* is a collection of some of the best letters from the hundreds of thousands held in the John Murray Archive. They reveal not only the story of some of the most interesting and influential books in history but also the remarkable friendships - as well as occasional animosities - between author and publisher, as well as readers, editors, printers and illustrators. Despite the incredible number of letters that were retained by the Murray family, some failed to arrive, others were delayed and some barely survived, but longevity added to the reputation and fame of John Murray

and a correspondent in Canada who addressed his letter merely to 'John Murray, The World-wide famous Book & Publishing House, London, England' as early as 1932 could be confident that his letter would arrive. Intended to entertain and inspire, and spanning more than two hundred years, Dear Mr Murray is full of literary history and curiosities: from Charles Darwin's response to the negative reviews of *On the Origin of Species* to Adrian Conan Doyle challenging Harold Nicolson to a duel for insulting his father in the press; from David Livingstone's displeasure at the proposed drawing of a lion to represent his near-death encounter in *Missionary Travels* to William Makepeace Thackeray apologising for his drunken behaviour; from Byron berating John Murray for being fooled by his girlfriend's forgery of his signature to the poet James Hogg so desperate for money that he claims he won't be able to afford a Christmas goose; and from Jane Austen expressing concern about printing

delays to Patrick Leigh Fermor beseeching Jock Murray not to visit him until he'd completed *A Time of Gifts*. Complemented by illustrations and reproductions of letters and envelopes, this is the perfect gift for book lovers everywhere.

Dear Father/dear Son - John Davison
Rockefeller 1994

Many biographies of John D. Rockefeller and John D. Rockefeller, Jr. have been compiled—some have used bits of the original correspondence presented here and tried to show opposing interests between John D. Rockefeller and his son. Still others were written without correspondence at all. This collection of never-before-published letters traces the history of the transfer of the Rockefeller fortune over the course of fifty years. It illustrates how the endowment was bestowed from Senior to Junior with respect, sound advice, and with a mutual trust between father and son. The letters also reveal far more than the business side of entrusting the Rockefeller fortune to the

younger generation. The misives are filled with news of family matters and personal wishes constituting a record of the Rockefeller family values which, in turn, sponsored the philanthropies of Junior. Outlined in these letters is the conception for the Rockefeller Foundation, the Rockefeller Institute for Medical Research, and the General Education Board. Later would follow the realization of the Fort Tryon Park, the Rockefeller Center, Riverside Church, and the restoration of Colonial Williamsburg. Junior's holdings peaked in 1928 at 5 million and his dedication to public parks, and institutions around the world absorbed a considerable portion of his wealth. Ernst's introduction reflects on five themes which run continuously throughout the letters: the respect and love among the members of the family, a father's precautions to his maturing son, the son's willingness to accept his father's precepts and examples, the son's conscious assumption of the responsibilities of the bequeathed fortune, and

overriding faith in a benevolent God. These themes continually come together to form the outline of a philosophy of life behind the Rockefeller legacy, as when Senior writes: "I am indeed blessed beyond measure in having a son whom I can trust to do this most particular and most important work. Go carefully. Be conservative. Be sure you are right- and then do not be afraid to give out, as your heart prompts you, and as the Lord inspires you."

The talk show host describes his relationship with his father, a hard man from whom he was estranged for ten years, and details how they finally came to understand each other.

Titan - Ron Chernow 2007-12-18

National Book Critics Circle Award Finalist From the acclaimed, award-winning author of *Alexander Hamilton*: here is the essential, endlessly engrossing biography of John D. Rockefeller, Sr.—the Jekyll-and-Hyde of

American capitalism. In the course of his nearly 98 years, Rockefeller was known as both a rapacious robber baron, whose Standard Oil Company rode roughshod over an industry, and a philanthropist who donated money lavishly to universities and medical centers. He was the terror of his competitors, the bogeyman of reformers, the delight of caricaturists—and an utter enigma. Drawing on unprecedented access to Rockefeller’s private papers, Chernow reconstructs his subjects’ troubled origins (his father was a swindler and a bigamist) and his single-minded pursuit of wealth. But he also uncovers the profound religiosity that drove him “to give all I could”; his devotion to his father; and the wry sense of humor that made him the country’s most colorful codger. Titan is a magnificent biography—balanced, revelatory, elegantly written.

Dear Mother Dear Father - Bernadette T Wallis
2019-06-28

Born in Victoria, Fr John Wallis (1910-2001), Catholic priest of the Archdiocese of Hobart, founded the Australian Religious Order, the Missionary Sisters of Service, in Tasmania, in 1944. The Sisters were to be available to go into the highways and byways; and flexible to meet the pastoral needs of isolated communities throughout Australia. This series of letters to John's parents and family gives us a rare and precious insight into his life as a seminarian and young priest. They also reflect a growing development of his piety and spirituality, where seeds were sown that would develop into his deep concern for people, especially the poor and the marginalised in rural and outback areas of Australia, and for ways to meet their pastoral

and social needs. The letters have been arranged in ten chapters, with a general introduction about that period in John's life. Each letter itself has a commentary that contextualises the letter, providing biographical and other details that make the entire series come to life, tracing his experiences, development, misgivings and plans. They anticipate his enthusiasm for the changes that followed the Second Vatican Council and played such a part in his priestly ministry. The series of letters in each chapter close with insightful reflections from eminent Australians who consider John's character and spiritual growth as well as applying his insights into contemporary Church life in Australia.

'Bernadette Wallis has provided the contemporary reader with a lovingly familiar insight into the development and vision of one of Australia's great pioneer priests...' Fr Frank Brennan SJ

Letters from a Self-made Merchant to His Son - George Horace Lorimer 1904

Tell My Sons - Lt. Col. Mark Weber 2012-12-24
NEW YORK TIMES BESTSELLER At the
pinnacle of a soaring career in the U.S. Army, Lt.
Col. Mark M. Weber was tapped to serve in a
high-profile job within the Afghan Parliament as
a military advisor. Weeks later, a routine
physical revealed stage IV intestinal cancer in
the thirty-eight-year-old father of three. Over the
next two years he would fight a desperate battle
he wasn't trained for, with his wife and boys as
his reluctant but willing fighting force. When
Weber realized that he was not going to survive
this final tour of combat, he began to write a
letter to his boys, so that as they grew up
without him, they would know what his life-and-
death story had taught him—about courage and
fear, challenge and comfort, words and actions,
pride and humility, seriousness and humor, and
viewing life as a never-ending search for new
ideas and inspiration. This book is that letter.
And it's not just for his sons. It's for everyone
who can use the best advice a dying hero has to

offer. Weber's stories illustrate that in the end
you become what you are through the causes to
which you attach yourself—and that you've made
your own along the way. Through his example,
he teaches how to live an ordinary life in an
extraordinary way. Praise for *Tell My Sons* "A
gift to us all . . . Every page exudes courage,
honesty, and an indomitable spirit. Mark
Weber's story has touched me in such a
profound way."—Mitch Albom, author of
Tuesdays with Morrie "Tell My Sons is a deeply
moving, personal account of a soldier's journey
into an ultimate frontier. As I read Mark Weber's
book, I was astonished by its honesty, courage,
and discipline. This book offers one of the most
profound and detailed descriptions of the
strange world of cancer and should be essential
reading for all of us who seek to understand that
topsy-turvy terrain."—Siddhartha Mukherjee,
Pulitzer Prize-winning author of *The Emperor of
All Maladies* "Tell My Sons is one of the most
profound and inspirational stories I have ever

read. It may have been written for Mark's children, but it may as well be a treatise for all of us about honest parenting and leadership with character in love, family, faith, and politics. For a man who is facing profound health issues, Mark is doing a remarkable job showing us all how to live with courage and integrity."—Walter F. Mondale, former vice president of the United States "This book is why I have always been proud to call Mark Weber my son. His ability to reach across complex boundaries and write and speak with such depth and beauty makes him a modern day Lawrence of Arabia. Mark's passion, attitude, and thoughts about life are what is best about America."—General Babakir S. Zibari, chief of defense, Republic of Iraq "A poignant illustration of what being a hero is all about . . . Heroes exemplify invincible courage, character, and perseverance in times of insurmountable odds. Mark embodies these attributes. Tell My Sons will empower the reader with profound lessons of living life with hope and

determination."—John Elway, Pro Football Hall of Fame quarterback

The Gospel of Life - Pope John Paul II 1995-04 Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life. In view of today's climate of practical materialism, he addresses, among other issues: abortion artificial reproduction techniques contraception

death penalty euthanasia legitimate defense sterilization suicide The Holy Father encourages the faithful to promote and develop the Christian message concerning life, based on the goodness and dignity of life and on the human responsibility to share in the fullness and truth of God's love. In order to build a new culture of human life through prayer and action, he welcomes evangelization efforts and stresses the role of the family in bringing this to fruition. Noting the unique role of women in promoting a "new feminism" that overcomes discrimination, violence, and exploitation, the pope recognizes the witness of love through motherhood and also adds a special word to women who have had an abortion. The letter concludes by looking to Jesus, in order that all may contemplate the life that was made manifest, and to the example and solace of Mary, who is the mother of life.

Dear Justyce - Nic Stone 2022-01-04

The stunning sequel to the #1 New York Times bestseller Dear Martin. Incarcerated teen Quan writes letters to Justyce about his experiences in the American juvenile justice system. Perfect for

fans of Jason Reynolds and Angie Thomas. In the highly anticipated sequel to her New York Times bestseller, Nic Stone delivers an unflinching look into the flawed practices and silenced voices in the American juvenile justice system. Vernell LaQuan Banks and Justyce McAllister grew up a block apart in the Southwest Atlanta neighborhood of Wynwood Heights. Years later, though, Justyce walks the illustrious halls of Yale University . . . and Quan sits behind bars at the Fulton Regional Youth Detention Center. Through a series of flashbacks, vignettes, and letters to Justyce--the protagonist of Dear Martin--Quan's story takes form. Troubles at home and misunderstandings at school give rise to police encounters and tough decisions. But then there's a dead cop and a weapon with Quan's prints on it. What leads a bright kid down a road to a murder charge? Not even Quan is sure. "A powerful, raw, must-read told through the lens of a Black boy ensnared by our broken criminal justice system." -Kirkus, Starred Review

What's Race Got to Do with It? - Larry Elder 2009-03-31

Larry Elder and his straight talk are "controversial"*, "provocative"*, "iconoclastic"*, "refreshing". **** IS LIFE UNFAIR FOR BLACK AMERICANS? In What's Race Got to Do with It?, bestselling author Larry Elder takes on the touchiest topic in American life: Race. Some Americans think race is the biggest issue this country faces today. Elder says: What?!? What about the economy, what about war, what about the security of our borders and our citizens? IS A HUGE GROUP OF CITIZENS BEING KEPT DOWN BY "THE MAN"? Elder calls for an end to bitching, moaning and whining and the belief that somebody owes you a job, that self-esteem is given out for passing "go", that a black person in a position of authority is always a good thing, whether or not they have credentials and experience. He skewers the loudmouths—and the "mainscream" media—who point to racism as the root of all

problems. Elder explains why Hillary Clinton doesn't get it, but Barack Obama does—at least most of the time. But What's Race Got to Do with It? has a positive message, too: there are leaders and role models today who want to urge everyone to share in the hard work, smart thinking and optimism that make America great and strong. *Publishers Weekly **Kirkus Reviews ***Los Angeles Times ****Publishers Weekly

Dear Dad - John W. Fountain 2015-06-08
Dear Dad chronicles the impact of fathers or fatherlessness at a time when a national initiative and even President Barack Obama have sounded the clarion call for responsible fatherhood amid a continuing crisis of paternal absenteeism. This at a time when U.S. Census figures show that 4 out of 10 American children are being born to single mothers with the number of unwed births among African Americans rising to 7 out of 10."In some ways, this is a how-to manual: How to overcome; how

to succeed; how to live on; how to be a better father; how to forgive our fathers; and, even, how to love, remember, and honor our fathers," Fountain said. "Dear Dad is for everyone who has a father, for everyone who has lost one, loved one, or longed for one, for everyone who happens to be one, and for everyone who longs to be a better one." Contributors to the anthology include: Chicago Sun-Times Editor-in-Chief Don Hayner; former New York Times and Wall Street Journal writer Nichole Christian; Chicago Tribune reporter Lolly Bowean; Stephanie Gadlin, press secretary to Congressman Bobby Rush; Bloomberg News journalist Mario Parker; veteran Washington Post writer Hamil Harris; Chicago native, journalist and documentarian Teresa Sewell; Sylvester Monroe, former senior editor of Ebony magazine; Vincent Allen, pastor and founder of Agape Fellowship Ministries in Virginia; former Chicago Tribune reporter and freelance writer Monica Fountain; Chicago musician R. Darryl

Thomas; former Cleveland Plain Dealer reporter Rosa Maria Santana; nationally known writer and editor Joseph Kirby; English professor and creative writer Anne Valente; and former Chicago Sun-Times architecture critic Lee Bey. *Dear Mr. Lincoln* - Holzer, Harold 1993
This first compilation of letters received by President Lincoln shows a president who was eager to review and respond to the people's advice and criticism, their respects and requests.

Dear Papa - Ernest Hemingway 2022-06-14
An intimate and illuminating glimpse at Ernest Hemingway as a father, revealed through a selection of letters he and his son Patrick exchanged over the span of twenty years. In the public imagination, Ernest Hemingway looms larger than life. But the actual person behind the legend has long remained elusive. Now, his son Patrick shares the letters they exchanged over two decades, offering a glimpse into how one of America's most iconic writers interacted with his

children. These letters reveal a father who wished for his children to share his interests—hunting, fishing, travel—and a son who was receptive to the experiences his father offered. Edited by and including an introduction by Patrick Hemingway’s nephew Brendan Hemingway and his grandson Stephen Adams, and featuring a prologue and epilogue by Patrick reflecting on his father’s legacy, *Dear Papa* is a loving and collaborative family project and a nuanced, fascinating portrait of a father and son. *Dear Edward* - Ann Napolitano 2020-01-06

Washington Post • Parade • LibraryReads What does it mean not just to survive, but to truly live? One summer morning, twelve-year-old Edward Adler, his beloved older brother, his parents, and 183 other passengers board a flight in Newark headed for Los Angeles. Among them are a Wall Street wunderkind, a young woman coming to terms with an unexpected pregnancy, an injured veteran returning from Afghanistan, a business tycoon, and a free-spirited woman running away from her controlling husband. Halfway across the country, the plane crashes. Edward is the sole survivor. Edward’s story captures the attention of the nation, but he struggles to find a place in a world without his family. He continues to feel that a part of himself has been left in the sky, forever tied to the plane and all of his fellow passengers. But then he makes an unexpected discovery—one that will lead him to the answers of some of life’s most profound questions: When you’ve lost everything, how do you find the strength to put one foot in front of the other?

How do you learn to feel safe again? How do you find meaning in your life? Dear Edward is at once a transcendent coming-of-age story, a multidimensional portrait of an unforgettable cast of characters, and a breathtaking illustration of all the ways a broken heart learns to love again. Praise for Dear Edward “Dear Edward made me think, nod in recognition, care about its characters, and cry, and you can’t ask more of a novel than that.”—Emma Donoghue, New York Times bestselling author of Room “Weaving past and present into a profoundly beautiful, page-turning story of mystery, loss, and wonder, Dear Edward is a meditation on survival, but more important, it is about carving a life worth living. It is about love and hope and caring for others, and all the transitory moments that bind us together.”—Hannah Tinti, author of The Twelve Lives of Samuel Hawley and The Good Thief

Children have questions and struggles just like adults, but rarely are they given the chance to voice their concerns and ask the big questions resting deep in their hearts. In Dear Pope Francis, Pope Francis gives them that chance and celebrates their spiritual depth by directly answering questions from children around the world. Some are fun. Some are serious. And some will quietly break your heart. But all of them are from children who deserve to know and feel God’s unconditional love. Also available in Spanish as Querido Papa Francisco. "Feels akin to sitting in

on a series of intimate conversations." - Publishers Weekly "The People's Pope shows that he is a down-to-earth man who understands both religion and children." -Kirkus Reviews Dear Hunter, - Matthew DiGeronimo 2021-03-12 Endearing and enlightening. Dear Hunter is a book that readers won't soon forget. Matt DiGeronimo holds his young son's hand, pulls him across the boundaries of time for a father-son sit-down, discussing life's most complex issues with graceful simplicity. DiGeronimo guides his future Hunter through the vicissitudes of life that he will face as a young man, bringing us along on the journey. Gentle and pensive in its delivery, yet powerful and impactful in its message, no topic is off-limits: Love, Mental health. Decision making. Courage. Bullies. Influence. Confidence. Procrastination. Politics. Finance. Integrity. And so much more. Dear Hunter provides us with a timeless work that is the result of DiGeronimo's lifetime of experiences as a nuclear engineer, United States

Navy submarine officer, an entrepreneur, a radio talk show host, a political candidate, an artist, an author--and a dad.

Between the World and Me - Ta-Nehisi Coates
2015-07-14

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF

THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the

World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Dear Catharine, Dear Taylor - Taylor Peirce 2002 The letters of a fortysomething Northern soldier from Iowa to his wife and family reveal the personal fears and struggles of American families during the War Between the States. (History)

Dear William - David Magee 2021-11-02

Publishers Weekly Bestseller Newsweek Fall Must-Read Book Books-a-Million "Must-Read This Fall" Selection "Shot through with hope, purpose and an unflinching love, it's a story that must be read." —Newsweek "Essential, poignant, and insightful reading." —Kirkus Review Award-winning columnist and author David Magee addresses his poignant story to all those who will benefit from better understanding substance misuse so that his hard-earned wisdom can save others from the fate of his late son, William. The last time David Magee saw his son alive, William told him to write their family's story in the hopes of helping others. Days later, David found William dead from an accidental drug overdose. Now, in a memoir suggestive of Augusten Burroughs meets Glennon Doyle, award-winning columnist and author David Magee answers his son's wish with a compelling, heartbreaking, and impossible to put down book that speaks to every individual and family. With

honesty and heart, Magee shares his family's intergenerational struggle with substance abuse and mental health issues, as well as his own reckoning with family secrets—confronting the dark truth about the adoptive parents who raised him and a decades-long search for identity. He wrestles with personal substance misuse that began at a young age and, as a father, he sees destructive patterns repeat and develop within his own children. While striving to find a truly authentic voice as a writer despite authoring nearly a dozen previous books, Magee ultimately understands that William had been right and their own family's history is the story he needs to tell. A poignant and uplifting message of hope translates unimaginable tragedy into an inspirational commitment to saving others, as David founded the William Magee Institute for Student Wellbeing at the University of Mississippi. His mission to share solutions to self-medication and addiction, particularly as it touches America's high school

and college students, emphasizes that William's story is about much more than a tragic addiction—it's an American story of a family broken by loss and remade with love. Dear William inspires readers to find purpose, build resilience, and break the cycles that damage too many individuals and the people who love them. It's a life-changing book revealing how voids can be filled, and peace—even profound, lasting happiness—is possible.

The Daily Show (The Book) - Chris Smith

2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the

powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes

on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
